INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Grand Rapids Christian Schools
403(b) Tax-Sheltered Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Grand Rapids Christian Schools 403(b) Tax-Sheltered Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2024 and 2023 and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Grand Rapids Christian Schools 403(b) Tax-Sheltered Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Grand Rapids Christian Schools 403(b) Tax-Sheltered Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Grand Rapids Christian Schools 403(b) Tax-Sheltered Annuity Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Grand Rapids Christian Schools 403(b) Tax-Sheltered Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of the Plan

General

The Grand Rapids Christian Schools 403(b) Tax-Sheltered Annuity Plan, the "Plan", is a defined contribution plan established January 1, 2009. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

The plan transfers shown on the statement of changes in net assets available for benefits represents amounts transferred from a plan administered by a related party of the Plan.

Administration

The Plan Sponsor and named Plan Administrator is Grand Rapids Christian Schools (GRCS). The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and fees. The Plan's investment custodians are IPX Trust and Matrix Trust Company. IPX Trust was one of the Plan's Custodian's through April 2024. The Investment Custodians hold all the Plan's assets and execute all of the Plan's transactions. GRCS has retained PenServ Plan Services, Inc. and FPS Trust Company, LLC dba IPX Trust and FPS Services, LLC dba IPX Retirement to provide participant record keeping and administration services.

Eligibility

The Plan covers all employees of the Grand Rapids Christian Schools and Eagle Impact LLC, except certain student employees and employees not eligible for employee health and welfare benefits, as defined. All eligible employees may begin making employee contributions to the Plan immediately upon hire date.

Contributions

Each year, participants may elect to contribute up to 100 percent of their pretax annual compensation. Participants may designate deferrals as pre-tax or Roth 403(b) contributions. Employees of GRCS who are age 21 or older and have completed one year of eligible service are eligible for discretionary employer matching contributions. GRCS has elected to contribute a discretionary employer matching contribution of 50% of employee deferrals each pay period, up to 6% of eligible compensation.

Total discretionary employer matching contributions for the year ended June 30, 2024 were \$496,717. Certain employees are eligible for employer discretionary non-elective contributions. GRAND RAPIDS CHRISTIAN SCHOOLS 403(b) TAX-SHELTERED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Distribution of Benefits

On termination of service, participants may elect a lump sum distribution or a rollover of their account balance to another qualified account. Additionally, they may also elect to defer the distribution of their plan balance. Participants who elect to have their benefit payments deferred continue to share in allocations of investment income and losses, but do not share in subsequent allocations of employer contributions.

The Plan allows for in-service distributions upon attainment of age 59½ for all deferral contributions, employer matching contributions, and rollover contributions for any reason. The Plan also allows for in-service distributions prior to attainment of the Plan's normal retirement age due to financial hardship, as defined in the plan document. Participants should refer to the full plan document for details.

Vesting

Participants are immediately vested in their voluntary contributions and employer contributions plus actual earnings thereon. Accordingly, there are no forfeited balances in the plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. The loans will be secured by the balance in the participant's account and bear interest at prevailing market rates. Loans will generally be for a period not to exceed five years, unless used to acquire or construct a primary residence.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting. Employer contributions and income from investments is recorded when it is earned. Employee contributions are recorded in the period they are withheld from payroll. Expenses are recorded in the accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

GRAND RAPIDS CHRISTIAN SCHOOLS 403(b) TAX-SHELTERED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the GRCS. Expenses that are paid by the GRCS are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methods used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Mutual Funds and Money Market Funds: Valued at daily closing prices as reported by the fund. Mutual funds held by the plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

Exchange Traded Funds: Valued at the closing price reported on the active market.

The following table sets forth by level, within the fair value hierarchy, the Plans assets at fair value as of June 30, 2024:

	Assets at Fair Value as of June 30, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds and Money Market Funds	\$ 7,609,264	\$ -	\$ -	\$ 7,609,264

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023

The Plan investments at June 30, 2023 consist solely of mutual funds and money market funds that are measured on a recurring basis using Level 1 inputs.

Note 5 - Party-in-Interest Transactions

Certain plan investments are managed by IPX Trust and Matrix Trust Company, who are the Plan's Investment Custodians. During the year ended June 30, 2024, the Plan paid direct compensation to the Investment Custodians for services rendered. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Investment Custodians from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

The Grand Rapids Christian Schools is a member of the Christian Schools Retirement Investment Consortium, Inc., a nonprofit corporation. Members of the organization collectively negotiate and enter into service agreements with third party administrators, investment providers, investment advisors and other parties to be utilized for the members' 403(b) plans.

Organizational and ongoing expenses are allocated among the members on a pro rata basis. A members' pro rata share of the organization expenses is equal to the number of eligible employees in the members' 403(b) plan to the total number of eligible employees in all of the members' 403(b) plans.

Note 6 - Plan Termination

Although it has not expressed any intention to do so, Grand Rapids Christian Schools has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. Upon termination, all participant accounts become 100% vested.

Note 7 - Plan Amendment and Tax Status

The Plan is utilizing a volume submitter plan. The Plan Sponsor has not elected to apply for an individual IRS Determination Letter upon adoption of the Plan nor on any subsequent amendments. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of June 30, 2024.

The Plan permitted provisions of SECURE Act 2.0 during the year ended June 30, 2024. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. These investments are not insured. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in such statement of net assets available for benefits.
