### **INDEPENDENT AUDITORS' REPORT**

To the Participants and Plan Administrator of  
**Vantage Credit Union Pension Plan**

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of the Vantage Credit Union Pension Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits and accumulated plan benefits (liquidation basis) as of June 28, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits and changes in accumulated plan benefits (liquidation basis) for the period ended June 28, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the periods ended June 28, 2024 and December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Vantage Credit Union Pension Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter-Plan Termination and Liquidation Basis of Accounting**

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As discussed in Note 9 to the financial statements, the Plan's sponsor voted in March of 2023 to terminate the Plan, which indicates that the Plan is not a going concern. The financial statements do not include any adjustments that might be necessary upon termination. Our opinion is not modified with respect to the matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Vantage Credit Union Pension Plan's internal control. Accordingly, no such opinion is expressed.

## **Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)**

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Vantage Credit Union Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) and the schedule of reportable transactions as of June 28, 2024 and December 31, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Other Matter - Supplemental Schedules Required by ERISA (Cont'd)

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1 DESCRIPTION OF PLAN**

---

The following brief description of the Vantage Credit Union Pension Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

**General**

The Plan is a non-contributory defined benefit pension plan covering substantially all full-time employees of Vantage Credit Union (VCU) hired prior to January 1, 2013. Employees hired after that date are not eligible to participate in the plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Plan Administrator and Trustees**

The Board of Directors of VCU has appointed a Plan Administrator. The Plan Trustees consist of three individuals: one selected by the Board of Directors, one selected by the employees, and one selected by the other two Trustees.

**Eligibility**

Employees start participation on the first day of the plan year during the latter of attaining the age of 19 and completion of one year of service. Effective January 1, 2013, no new participants are eligible to participate in the plan.

**Pension Benefits**

Employee benefits are calculated based on an average monthly compensation level, as defined in the Plan, calculated from the five years of greatest compensation multiplied by a years of service factor. The years of service factor is determined by multiplying 2% for each year of service to a maximum of 30 years. Benefits for employees electing early retirement are adjusted by a factor of actual years of service to projected years of service. Employees hired before July 1, 1994, vest 20% per year in their accrued benefit after two years of service and are fully vested after six years of service.

Pursuant to a Plan amendment dated May 31, 1994, employees hired after July 1, 1994, vest 100% in their accrued benefit after completing five years of service.

Employees may elect to receive the value of their accumulated plan benefits as a lump sum payment, various forms of annuity payments or under an installment schedule.

**Death and Disability Benefits**

If an active employee dies, their death benefit will be paid to a designated beneficiary. This death benefit is equal to the actuarial equivalent of their vested accrued benefit at the date of death.

The Plan does not provide disability benefits. If an employee becomes disabled and must cease employment, then they will be entitled to the same benefits as a participant who has terminated employment.

Additional information about the Plan agreement and the vesting and benefit provisions is contained in a Plan summary available from the Plan Administrator.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

---

**Date of Management's Review of Subsequent Events**

Management has evaluated subsequent events through the date of this report, the date on which the financial statements were available to be issued.

**Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

**Funding Policy**

The Employers' contributions are made in amounts sufficient to fund the Plan's current service cost and unfunded prior service cost plus interest thereon over a period of 30 years. The Employers' contributions for 2023 and 2022 totaled \$0 and \$631,324, respectively, and met the minimum funding requirements of ERISA.

**Investment Valuation and Income Recognition**

The Plan's investments consist of cash deposits held in a separate interest-bearing trust account maintained at VCU. These deposits earned a rate of return of the Credit Union's prior months yield on earning assets, or as recommended by the actuary, based on government rates.

The average rate of return on Plan investments was 5.10% in 2024 and 5.00% in 2023. Income from investments is recognized when earned. Investments are stated at cost, which approximates fair market value.

**Administrative Expenses**

Expenses incurred in the administration of the Plan are paid by VCU.

**Payment of Benefits**

Benefit payments to participants are recorded upon distribution.

**NOTES TO THE FINANCIAL STATEMENTS**  
June 28, 2024 (In Liquidation) and December 31, 2023 (In Liquidation)

---

**NOTE 3 PLAN TERMINATION**

---

Effective December 31, 2021, the plan sponsor (Vantage Credit Union), had implemented a hard freeze of the defined benefit pension plan. Under this freeze, there were no service accruals for active participants and all participants stop earning benefits. Assets remain in the plan and are paid out when participants retire or terminate employment.

As a result of the plan freeze, settlement expense was triggered during 2021. This accelerated recognition of \$1,851,634 of deferred losses through the 2021 pension expense.

The Company approved to terminate the Plan in March 2023; a formal resolution has been signed to terminate the plan effective June 1, 2023. As of the effective date of the termination, all participants will become fully vested and the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, generally to provide Lump sum or annuity benefits. All benefit payments were made by April 15, 2024 and were composed of \$16,246,976 of lump sum distributions and \$2,716,777 of annuity purchases. The interest-bearing deposit held at Vantage Credit Union was closed on May 15, 2024.

Certain benefits under the Plan are insured by the PBGC. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and survivor's pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination.

Whether all participants receive their benefits should the Plan terminate at some future time will depend on the sufficiency, at the time, of the Plan's net assets to provide for accumulated benefit obligations and may also depend on the financial condition of the Plan Sponsor and the level of benefits guaranteed by the PBGC

---

**NOTE 4 CERTIFICATION OF INVESTMENT INFORMATION**

---

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian, Vantage Credit Union, has certified that information included in the accompanying financial statements and supplemental schedules is complete and accurate.

---

**NOTE 5 FAIR VALUE OF INVESTMENTS**

---

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## VANTAGE CREDIT UNION PENSION PLAN

St. Charles, Missouri

### NOTES TO THE FINANCIAL STATEMENTS

June 28, 2024 (In Liquidation) and December 31, 2023 (In Liquidation)

---

#### NOTE 5 FAIR VALUE OF INVESTMENTS (CONT'D)

---

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs were only used when Level 1 was not available.

Interest-bearing deposits consist of balances maintained at Vantage Credit Union in demand type accounts. The fair value is based on cost which approximates market value. Balances were \$0 and \$24,884,697 at June 28, 2024 and December 31, 2023.

---

#### NOTE 6 ACTUARIAL PRESENT VALUE OF ACCUMULATED PLAN BENEFITS

---

Accumulated plan benefits are those future periodic payments, including lump-sum distributions, that are attributable under the Plan's provisions to services rendered by the employees through the valuation date. Accumulated plan benefits include benefits expected to be paid to retired or terminated employees or their beneficiaries, beneficiaries of employees who have died, and present employees or their beneficiaries.

The actuarial present value of accumulated plan benefits is determined by an actuary from Ekon Benefits and is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits earned by the participants to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

As all Plan benefits were paid in 2024, the accumulated plan benefits as of December 31, 2023 are based substantially on the subsequent dispositions from the Plan. These distributions include the monthly annuities prior to settlement of the Plan, as well as the distributions arising from the Plan termination which include lump sum payments for participants who elected a lump sum distribution and the annuity payment purchases for participants who elected or were already enrolled for annuity payments.

---

#### NOTE 7 TAX STATUS

---

The Internal Revenue Service has determined and informed the trustee by a letter dated August 19, 1994, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS**  
June 28, 2024 (In Liquidation) and December 31, 2023 (In Liquidation)

**NOTE 8 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

---

On December 31, 2023, the Plan held investments with a total cost and market value of \$24,884,697 in a separate VCU trust account. During the year, the Trustees deposited and withdrew a total of \$1,103,668 and \$1,520,601, respectively, of these investments. These transactions are allowable party-in-interest transactions under Section 408(b)(8) of the ERISA regulations.

---

**NOTE 9 RISKS AND UNCERTAINTIES**

---

Plan contributions are made, and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.
