INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Allen Turner Automotive, Inc. 401k Plan
Pensacola, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of Allen Turner Automotive, Inc. 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Allen Turner Automotive, Inc. 401k Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allen Turner Automotive, Inc. 401k Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Allen Turner Automotive, Inc. 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allen Turner Automotive, Inc. 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplementary Schedules Required by ERISA

The supplementary schedule of assets held at end of year and schedule of delinquent participant contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - 2022 Financial Statements

The financial statements of the Allen Turner Automotive, Inc. 401k Plan as of December 31, 2022, were audited by Bizzell, Neff & Galloway, P.A. Management, having determined it was permissible in the circumstances, elected to have the audit of the 2022 financial statements performed by the predecessor auditors in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Their report, dated October 10, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with GAAP, and (b) the certified investment information in the 2022 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLEN TURNER AUTOMOTIVE, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Allen Turner Automotive, Inc. 401k Plan (the Plan) provides only general information. Participants should refer to the Plan's summary description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of a controlled group (the Company) consisting of Allen Turner Automotive, Inc. (the plan sponsor); Allen Turner Automotive II, Inc.; and Allen Turner Automotive III, Inc. who have completed six months of service and have reached the age of 21 years. The Plan provides four entry dates: the first day of each quarter of the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to the maximum allowable by law of pretax annual compensation, as defined in the Plan. Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make Roth deferral contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds, pooled separate accounts, and a guaranteed option as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default rate of 1% of eligible compensation. Contributions are automatically invested in a designated asset allocation fund until changed by the participant.

The Company contributes a percentage of participant contributions, determined on a year-by-year basis, to the Plan. For 2023, the Company contributed 50% of eligible participant's contributions up to 3% of eligible compensation. Participants must have one year of service to receive the matching contribution. The Company can elect to make additional discretionary contributions. No discretionary contribution was made for 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's matching contribution, and an allocation of the Company's discretionary contribution, if any, and Plan earnings (losses). Participant accounts are charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ALLEN TURNER AUTOMOTIVE, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. A participant may only have one loan outstanding and refinancing of loans is not permitted. The loans are secured by the balances in the participants' accounts and bear interest at a rate established by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their contributions plus the earnings thereon. Vesting in the Company's matching and discretionary contributions plus actual earnings thereon is based on years of continuous service as follows:

Completed Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

Participants, or their beneficiaries, are eligible for a distribution of plan benefits upon termination of service, whether by disability, retirement, death, or leaving the Company. Participants may also withdraw amounts from pre-tax and Roth accounts after reaching age 59 ½. In the event of financial hardship (as defined in the plan document), participants may withdraw amounts from the employee contribution portion of their plan accounts while they are still employed. Upon termination of service, a participant or applicable beneficiary may elect to have benefits paid as a single lump-sum distribution or partial distribution, or may request that the Plan make a direct rollover distribution to another eligible retirement plan.

Forfeited Accounts

Non-vested forfeiture accounts are used at the discretion of the Company to pay any plan expenses and/or reduce any future employer contributions. During the year ended December 31, 2023, \$15,235 of forfeitures were used to reduce administrative expenses. The balance in the forfeiture account was \$5,179 and \$4,666 at December 31, 2023 and 2022, respectively.

ALLEN TURNER AUTOMOTIVE, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Administrative Expenses

The Plan permits the payment of the Plan expenses to be made from the Plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan's assets will be allocated among the participant accounts. For the year ended December 31, 2023, administrative fees paid for by Plan assets totaled \$40,511.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. Upon termination all participants will become 100% vested in all amounts credited to their accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The Plan's financial statements are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation

The plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value - see Note 5). Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

(Continued)

ALLEN TURNER AUTOMOTIVE, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Note Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Loans are fully secured by a portion of the participants' vested balances, therefore no allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INFORMATION CERTIFIED BY CUSTODIANS (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified to as complete and accurate by Principal Life Insurance Company and Principal Trust Company, the custodians of the Plan:

	2023	2022
Investments at fair value:		
Pooled separate accounts	\$ 623,465	\$ 471,887
Mutual funds	4,258,785	3,155,870
Investments at contract value:		
Guaranteed option	1,392,695	1,145,954
Receivables:		
Notes receivable from participants	163,230	182,651
Investment income:		
Net appreciation in fair value of investments	484,906	
Interest and dividends	136,604	
Interest income on notes receivable from participants	8,419	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

ALLEN TURNER AUTOMOTIVE, INC. 401K PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan has adopted FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 - inputs consist of unadjusted quoted prices in active markets for identical assets and has the highest priority.
- Level 2 - inputs are based on observable inputs corroborated by market data but not quoted on active markets.
- Level 3 - inputs are based on unobservable inputs and include situations where there is little, if any, market activity for the assets or liabilities and have the lowest priority.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual funds: The fair value of mutual funds is based on quoted net asset value of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Pooled separate accounts: The pooled separate accounts with Principal Life Insurance Company invest primarily in domestic stocks. The majority of the underlying securities have observable level 1 quoted pricing inputs. The net asset value (NAV) of pooled separate account is not publicly quoted but is available to current investors. The NAV is the basis for current transactions and the pooled separate accounts can be redeemed at NAV as of the measurement date. The pooled separate accounts with Principal Life Insurance Company are considered to have readily determinable fair values.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments at fair value with the fair value hierarchy by level were classified as follows as of December 31, 2023 and 2022:

December 31, 2023	Fair Value	Level 1
Mutual funds	\$ 4,258,785	\$ 4,258,785
Pooled separate accounts	623,465	623,465
Total	<u>\$ 4,882,250</u>	<u>\$ 4,882,250</u>

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

December 31, 2022	Fair Value	Level 1
Mutual funds	\$ 3,155,870	\$ 3,155,870
Self-directed brokerage accounts	<u>471,887</u>	<u>471,887</u>
Total	<u>\$ 3,627,757</u>	<u>\$ 3,627,757</u>

NOTE 5 – CONTRACT VALUE

The Plan entered into a group annuity contract with Principal Life Insurance Company. The group annuity contract includes investments in a Guaranteed Option totaling \$1,392,695 and \$1,145,954 at December 31, 2023 and 2022, respectively.

The Guaranteed Option is backed by the general account of Principal Life Insurance Company. A composite credit rate is contractually guaranteed by Principal Life Insurance Company. The rate credited to participant accounts is a composite weighted average of underlying guarantees provided in the contract. Each guarantee is in effect for its full maturity. The maturity of each guarantee varies from two to ten years at the establishment of the guarantee. Each guarantee matures at a different time. The average maturity of the underlying guarantees for 2023 was four to six years. The net crediting rate is after the deduction for fees for administrative and recordkeeping services provided to the Plan. The net crediting rate changes semi-annually and was 1.9% at December 31, 2023.

Benefit payments to participants are made without restriction (i.e., no early termination charges or surrender charges) for plan events. In certain instances, actions by the plan sponsor may result in transfer restrictions or charges to participant accounts.

Because the Guaranteed Option is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal of or transfer all or a portion of their investments at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2023 and 2022, the Plan held units in various pooled separate accounts and a guaranteed option account of Principal Life Insurance Company, one of the Plan's custodians. These transactions are party in interest transactions under ERISA. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing rather than a direct payment. The plan sponsor pays directly certain other fees related to the Plan's operations.

NOTE 7 – TAX STATUS AND UNCERTAIN TAX POSITIONS

The Plan has adopted a Non-standardized Pre-Approved Profit Sharing Plan with CODA sponsored by FMR LLC. The Internal Revenue Service has determined and informed FMR LLC, by letter dated June 30, 2020, that the Plan including amendments made through January 2017 is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax exempt.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2020 through December 31, 2023, the years that remain subject to examination by major tax jurisdictions as of December 31, 2023.

NOTE 8 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

The amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor total \$499,861, as of December 31, 2023. None of these balances had been requested to be paid to the participants as of the Plan's year end.

NOTE 9 – PROHIBITED TRANSACTIONS

During 2023 and 2022, the plan sponsor failed to remit all employee contributions to the Plan on a timely basis, which is a prohibited transaction under ERISA. The plan sponsor is in the process of calculating the lost earnings to the participants and will contribute that amount to the Plan in order to correct the prohibited transactions.

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated events and transactions subsequent to December 31, 2023, through December 16, 2024, (the date the financial statements were available to be issued), for potential recognition or disclosure in the financial statements. The plan administrator has not identified any items requiring recognition or disclosure in the financial statements.
