## INDEPENDENT AUDITOR'S REPORT

PLAN ADMINISTRATOR AND PARTICIPANTS  
GILBERT CHRISTIAN SCHOOLS INC. DEFINED CONTRIBUTION RETIREMENT PLAN:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Gilbert Christian Schools, Inc. Defined Contribution Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further

described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Gilbert Christian Schools, Inc. Defined Contribution Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets Held at End of Year (June 30, 2024) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with

the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of Plan

The following description of the Gilbert Christian Schools Inc. Defined Contribution Retirement Plan (the Plan) provides general information only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

### *General*

The plan was established effective July 1, 1998. The Plan covers all employees of Gilbert Christian Schools, Inc. (the School) who work at least 20 hours per week and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### *Plan Administration*

The Plan is administered by the School's Board of Directors. Expenses incident to the operation of the Plan may be paid by the Plan or directly by the School at the School's discretion.

### *Contributions*

Participants may make salary deferral contributions in the Plan year up to the annual deferral limit as set by the Internal Revenue Code (IRC). A participant may also contribute cash to the Plan in the form of a "rollover contribution" from another qualified employer-sponsored retirement plan.

For the 2024 Plan year, the School elected to match 100% of each participant's salary deferral contribution, up to 5% of the participant's gross income, for all full-time employees.

### *Participants Accounts*

Each participant's account is credited with the participant's contributions and allocations of (a) the School's contributions, if any, and (b) the Plan's investment earnings. Each participant's account is charged with the participant's withdrawals, as applicable, and an allocation of Plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### *Vesting*

Participants are immediately vested in their salary deferral contributions and any earnings on such contributions. The employer matching contribution is vested based on years of service. A participant is 20% vested after one year of credited service, 60% after two years, and 100% vested after completing three years of credited service or reaching age 59 ½. Death or disability also results in 100% vesting.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023

---

## *Investment Options*

Participants direct the investment of their contributions and matching employer contributions into various investment options offered by the Plan. The Plan currently offers several insurance company mutual fund accounts and an insurance company general investment account as investment options for participants.

## *Payment of Benefits*

Payment of benefits is only available upon termination of employment, retirement, death, disability, in-service withdrawal at age 59 ½, or proven financial hardship. Benefits are paid in the form of a lump-sum payment if the balance is not greater than \$5,000. If the balance is greater than \$5,000, the employee may elect to have their benefits paid as a lump sum or an annuity or in installment payments.

## **2. Summary of Significant Accounting Policies**

### *Basis of Presentation*

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in those assets.

### *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

### *Investment Valuation*

Investments in mutual funds and pooled separate accounts are valued at fair value as calculated based on the quoted market prices of the securities held in the accounts. Investments in the general investment account (group annuity contract) are fully benefit responsive, and therefore, are presented in the financial statements at contract value, which approximates fair value. Contract value represents contributions made under the contract, plus earnings, less plan withdrawals and administrative expenses. Participant loans are valued at their outstanding balance, which approximates fair value.

### *Risk and Uncertainties*

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near

---

term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

### *Payments of Benefits*

Benefits are recorded when paid.

### *Forfeitures*

Forfeited balances of terminated participants' nonvested accounts shall be used for the payment of Plan expenses or used to reduce Employer matching or profit sharing contributions.

### *Administrative expenses*

Substantially all administrative expenses of the Plan are paid by the School.

### *Subsequent Events*

Subsequent events have been evaluated through January 23, 2025, which is the date the financial statements were issued.

## 3. Fair Value Measurements

Financial Accounting Standards Board Statement ASC 820-10, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy in ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets of liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

# GILBERT CHRISTIAN SCHOOLS INC. DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024 and 2023:

### Assets at Fair Value as of June 30, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 5,514,596	\$ --	\$ --	\$ 5,514,596
Pooled Separate Accounts	--	482	--	482
Fixed Investment Accounts	--	236,914	--	236,914
Total	<u>\$ 5,514,596</u>	<u>\$ 237,396</u>	<u>\$ --</u>	<u>\$ 5,751,992</u>

### Assets at Fair Value as of June 30, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 3,946,968	\$ --	\$ --	\$ 3,946,968
Pooled Separate Accounts	--	543	--	543
Fixed Investment Accounts	--	218,666	--	218,666
Total	<u>\$ 3,946,968</u>	<u>\$ 219,209</u>	<u>\$ --</u>	<u>\$ 4,166,177</u>

## 4. Investments

The Plan's custodian provided the Plan administrator a certification that the Plan's investments as shown on the statements of net assets available for benefits at June 30, 2024 and 2023 and investment income as shown on the statement of changes in net assets available for benefits for the year ended June 30, 2024 are complete and accurate.

## 5. Plan Termination

Although the Employer has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan at any time. Upon any full or partial termination, all amounts credited to the participants' accounts shall become 100% vested.

## **6. Income Tax Status**

The Internal Revenue Service issued a national opinion letter on the terms of the prototype the Plan is modeled after on November 22, 2017. The Plan has been subsequently amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

## **7. Related Party Transactions**

Certain Plan investments are shares of mutual fund accounts of American United Life Insurance Company. American United Life Insurance Company is the custodian of the Plan as defined by the Plan document and therefore, the transactions qualify as party-in-interest transactions.
