Request for Relief Due to Reasonable Cause – Form 5500 Penalty Waiver

I am writing to formally request the waiver of penalties associated with the late filing of Form 5500 for the years 2022 and 2023. The reason for the delayed filing was due to a combination of system issues and Inability to get records and System issues that delayed a timely electronic filing or payment.

Historically, our payroll and 401(k) services have been managed through Paychex, which has consistently provided us with a link to file Form 5500 in late March or early April each year. However, for both 2022 and 2023, we did not receive the usual email notification or any communication by mail from Paychex, nor did we receive any notice from the IRS regarding the filing deadline.

It wasn't until December 11, 2024, that we received an email notifying us that the Form 5500 filings for 2022 and 2023 were past due. This was the first communication we had received regarding the matter. Upon contacting Paychex, we were informed that they could not locate any record of sending this notification and that they had an incorrect email address on file for us. The email we received on December 11, 2024, was the first indication that the forms were overdue.

Given that we have a long history of filing Form 5500 on time and the circumstances leading to the delay were out of our control, I respectfully request that the penalties associated with these late filings be waived due to reasonable cause.

Please advise on the next steps to help resolve this matter and have the penalties removed.

Thank you for your understanding and assistance.

Sincerely,
Steve Hutchison
