## INDEPENDENT AUDITOR'S REPORT

To the Employee Benefits Committee and Participants of  
Rockefeller 401(k) Savings and Retirement Plan  
New York, New York

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the Rockefeller 401(k) Savings and Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

---

(Continued)

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

---

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

ROCKEFELLER 401(k) SAVINGS AND RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2023 and 2022

---

**NOTE 1 - PLAN DESCRIPTION**

General: Rockefeller 401(k) Savings and Retirement Plan (the “Plan”) is a defined contribution plan established to provide savings and retirement benefits for eligible employees of Rockefeller Financial Services, Inc. and its subsidiary, and affiliated organizations (individually, an “Employer” and collectively, the “Employers”). The Employee Benefits Committee for the Plan (the “Committee”) controls and manages the operation and administration of the Plan. The Plan Administrator, who is an officer of Rockefeller & Co., Inc. (“Rock. & Co.”), an Employer, has entered into a trustee agreement with John Hancock Trust Company LLC (the “Trustee”). Effective August 1, 2023, the Plan was restated and adopted by the Employers and the Plan changed the trustee and record-keeper from John Hancock Trust Company LLC to Empower Trust Company, LLC.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The following description of the Plan provides only general information on the terms under which the Plan was administered. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Organization and Description of Business: On October 3, 2017, Rockefeller Financial Services, Inc. (“RFS”) and its wholly-owned subsidiary, Rockefeller & Co., Inc. (“Rock. & Co.”), entered into an Agreement and Plan of Merger (the “Merger Agreement”), which was amended as of October 20, 2017, with entities controlled by investment funds affiliated with Viking Global Investors LP (the “Viking Limited Partners”), pursuant to which Rockefeller Capital Management L.P. (the “Partnership”), a Delaware limited partnership and a new holding company, Rockefeller Capital Management General Partner L.L.C. (the “General Partner”), a Delaware limited liability company, controlled by Viking Limited Partners, acquired RFS and its subsidiary. After the acquisition on March 1, 2018, RFS merged into a wholly owned subsidiary of the Partnership, whereupon RFS became the surviving company. Under the terms of the Merger Agreement, all of the RFS Class A and Class B common stock shares issued and outstanding at the time of the merger were cancelled, ceased to exist and represented only the right to receive proportional shares of the purchase price. The trust which had been RFS’s sole voting Class A stockholder, certain directors of RFS, and one of its trust company subsidiaries (“Rollover Sellers”) agreed to contribute certain of their shares to the Partnership in exchange for partnership interests in the Partnership.

On March 1, 2018, Rockefeller Capital Management L.P. acquired Rock & Co. Relatedly, on that same date, Rock & Co. became Rockefeller & Co., LLC.

These transactions did not have an impact on the Plan.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant’s account reflects all contributions made by the participant and the Employers as well as income, gains, losses, withdrawals, distributions and expenses attributable to these contributions. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the amount of the vested balance in the participant’s account.

Plan Transfers: Effective January 1, 2022, the account balances of certain participants in the Plan that were former participants in the E&H 401(k) Savings and Retirement Plan (“E&H Plan”) may be transferred from such former plan to the Plan and vice versa. Amounts transferred to/from the Plan will be subject to the same vesting provisions that previously applied to the account balances under the former plans, see Vesting disclosure for additional detail. There were transfers of 2,016,272 from the Plan into the E&H Plan for the 2022 plan year. There were no transfers between plans during the plan year ended 2023.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2023 and 2022

**NOTE 1 - PLAN DESCRIPTION** (Continued)

Employee Contributions: The Employers' full-time employees or part-time employees who work at least 20 hours per week may elect to contribute to the Plan upon completion of three months of service. Temporary employees or part-time employees who work under 20 hours per week may contribute to the Plan upon completion of twelve months of service from their employment date and if credited with at least one thousand hours of service. Participating employees can contribute up to 75% of their base salary on a pretax basis or 25% of their base salary on an after-tax basis. The combined percentage of elective deferrals and after-tax contributions shall not exceed 75% of their base salary. All contributions are subject to Internal Revenue Service ("IRS") annual calendar year maximums. In addition, the Plan accepts qualified plan rollovers from eligible participants.

The Plan provides that, upon an employee's initial eligibility for participation, unless the employee elects otherwise, the employee is automatically enrolled in the Plan with 4% of base salary deducted from his or her pay and contributed on a pre-tax basis to the Plan. Employees may opt to increase or decrease their deduction/contribution percentage at any time. Effective January 1, 2022, participants are able to enroll to have their pre-tax contribution and/or Roth contribution percentage automatically increase by 1%, 2%, or 3% each year, unless they go online to change this increase.

Effective January 1, 2017, an eligible employee may elect to contribute to the Plan in the form of designated Roth contributions.

Employer Contributions: Employers make a safe harbor non-elective contribution equal to 3% of each employee's base salary and match 100% of participating employees' contributions, up to 4% of base salary. Effective January 1, 2017, disabled participants who are no longer receiving eligible compensation no longer receive employer contributions.

Vesting: If a participating employee's employment date is after December 31, 2003, no portion of the Employer's matching contribution account vests until the employee has completed three years of service, at which point it becomes 100% vested. All other components of the Employer contributions, as well as the employee contributions, are 100% vested at all times. If an employee's employment date is prior to January 1, 2004, all contribution accounts are 100% vested. Additionally, if an employee terminates due to normal retirement, disability, or death, all contribution accounts will be 100% vested.

Investments: Participants direct the investment of their contributions and their Employer contributions into various investment options offered by the Plan. During 2023 and 2022, participants had the option of investing contributions into several registered investment companies.

Notes Receivable from Participants: Participating employees may borrow from the Plan on such terms and conditions as have been approved by the Committee, thereby resulting in the Plan's notes receivable from participants (the "notes"), which are secured by an assignment of the vested balance in the participant's account. The rate of interest on the notes is the Prime Rate on the date the loan was initiated, plus one percent. Notes have maturities of one to ten years and must be repaid through payroll deductions over a period of not more than five years unless the proceeds are used to purchase a principal residence, in which case the note can be repaid over not more than ten years. As of December 31, 2023, notes receivable from participants had maturities extending to 2033. Notes may be prepaid in full or in part at any time without penalty. The maximum amount borrowable is the lesser of (i) 50% of the participating employee's vested account balance or (ii) \$50,000. This \$50,000 maximum is reduced, however, by the amount of the participating employee's highest outstanding notes balance for the immediately preceding 12-month period; participating employees may have a maximum of three loans outstanding at any time and may receive only one new loan in a 12-month period.

**NOTE 1 - PLAN DESCRIPTION (Continued)**

Benefit Distributions: Upon termination from active service, if a participant's vested account balance does not exceed \$1,000, unless the participant makes a timely election to roll over the vested account to an Individual Retirement Account ("IRA") or another eligible retirement plan, or elects to have the vested account balance distributed, the vested account balance will be paid to the participant in a single-sum payment as soon as administratively feasible.

If a participant's vested account balance exceeds \$1,000 upon termination from active service, the participant may defer their distribution election under the Plan. They may also elect to roll over the vested account balance to an IRA or another eligible retirement plan or elect a distribution in the form of a single-sum payment.

If a participant's vested account balance exceeds \$5,000 upon termination from active service, the participant may also elect to receive his or her account balance in quarterly or annual installments or a combination of installments and a single lump sum payment payable as soon as administratively feasible. Effective January 1, 2018, if a participant's account balance exceeds \$5,000 upon termination from active service, the participant may also elect to receive his or her account balance in monthly installments over a period of one to twenty years.

The Plan also allows partial distributions for participants who have terminated employment and who have vested balances in excess of \$5,000.

In addition, the Plan allows participants to make hardship withdrawals, as well as withdrawals of after-tax contributions on such terms as may be determined by the Committee.

After attaining age fifty-nine and one-half, a Participant may withdraw from the Plan a sum (a) not in excess of his or her vested account and (b) not less than such minimum amount as established by the Committee. The minimum withdrawal is \$500.

Forfeited Account Balances: Forfeited non-vested Employer matching contributions are employer-specific and are used exclusively to reduce the respective Employers' future contributions. The total forfeited non-vested account balances at December 31, 2023 and 2022 were \$434,417 and \$235,618, respectively, and are classified as investments in the Statements of Net Assets Available for Benefits. During the year ended December 31, 2023, Employer contributions were reduced by \$400,000 from the forfeited non-vested account balances.

Plan Termination: While the Employers have not expressed any intent to discontinue their contributions or terminate the Plan, in the event of termination, Plan assets would be distributed to the participants and beneficiaries in the order prescribed by ERISA. In the event of Plan termination, participants would become 100% vested in all contribution accounts.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting: The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), including the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires Plan Management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and assumptions and such differences could be material.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2023 and 2022

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

Risks and Uncertainties: The Plan provides for various investment options. Investments, in general, are exposed to various risks, such as interest rate, market, liquidity, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The investments in registered investment companies are carried at fair value based on the daily closing price as quoted on nationally recognized securities exchanges.

Registered investment companies held by the Plan are open-ended mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded (Level 1 inputs). This valuation method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Securities transactions are recorded on a trade-date basis and dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants: Notes receivable from participants are carried at their unpaid principal balance plus accrued but unpaid interest with no allowance for credit losses, as repayments of principal and interest are generally received through payroll deductions and the notes are collateralized by the participants' account balances.

Benefit Distributions and Withdrawals: Benefit distributions and withdrawals are recorded upon payment.

Administrative Expenses: The Plan's administrative expenses consist of loan processing fees and short-term trading fees (as provided in the Plan document), as well as investment advisory consulting fees, the costs of participant communications and professional and other fees charged by the Trustee. Other administrative expenses of the Plan are borne by Rock. & Co. The Plan Administrator is an employee and officer of Rock. & Co. and provides certain services without charge.

**NOTE 3 - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company LLC as of December 31, 2022 and for the period January 1, 2023 to July 31, 2023 and Empower Trust Company, LLC for the period ended August 1, 2023 to December 31, 2023 (the trustees of the Plan).

**NOTE 4 - FAIR VALUE OF FINANCIAL INSTRUMENTS**

Financial instruments measured and reported at fair value are classified and disclosed in one of the following categories based on inputs:

*Level 1* – Assets are valued at unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

*Level 2* – Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements).

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

Registered investment companies	\$ 142,801,012	\$ -	\$ -
Total investments measured at fair value	<u>\$ 142,801,012</u>	<u>\$ -</u>	<u>\$ -</u>

**NOTE 5 - FEDERAL INCOME TAX STATUS**

The IRS has determined and informed the Plan Administrator by letter dated June 30, 2020, that the restated Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). Although the Plan has been amended from the original document since receipt of the above letter, the Plan Administrator believes that the Plan is designed and is currently operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2020.

**NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS**

Parties in interest are defined under Department of Labor's regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employers, and certain others. Certain officers and employees of Rock. & Co. perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. Rock. & Co. pays their salaries, and they receive no compensation from the Plan. Rock. & Co. pays other administrative expenses on behalf of the Plan.

The Trustee and the Plan sponsor have agreed to a required revenue rate necessary to reasonably compensate the Trustee for the services provided. To the extent that the Trustee's service revenue is greater than the required reserve, the Trustee makes a deposit to the Plan (defined as a "Service Credit") equal to the excess amount. Any amounts deposited into the Plan by a service provider as a Service Credit are used to pay Plan administrative expenses. If the Service Credit received in a calendar year exceeds the Plan administrative expenses incurred through March 31 of the following calendar year, the excess shall be allocated to participants with account balances on the allocation date in a proportion equivalent to their account balance to the total of all eligible participants' account balances.

Notes receivable from participants and all direct and indirect expenses paid for by the Plan also reflect party-in-interest transactions.

**NOTE 7 - SUBSEQUENT EVENTS**

Management has reviewed and evaluated subsequent events for recognition and disclosure through October 11, 2024, which is the date the financial statements were available to be issued.
