Independent Auditors' Report

To the Trustees of the
Rich Companies 401(K) Plan
Gilberton, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Rich Companies 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year December 31, 2023, and the notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from Fulton Financial Advisors as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by Fulton Financial Advisors agrees to, or is derived from, in all material respects, the information prepared and certified by Fulton Financial Advisors that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Rich Companies 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rich Companies 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Rich Companies 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rich Companies 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at Year End) and Delinquent Participant Contributions as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance

with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by Fulton Financial Advisors agrees to, or is derived from, in all material respects, the information prepared and certified by Fulton Financial Advisors that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE RICH COMPANIES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of The Rich Companies 401(K) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering all full-time employees of the Rich Companies that have 6 months of continual service and are over age twenty one and a half. The Plan is subject to the provisions of ERISA. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees. The Plan covers all eligible employees of the following related companies:

<u>Name</u>	<u>Name</u>
Barakat Associates Ltd.	Crossroads Shopping Plaza, Inc.
Gilberton Energy Corporation	Lehigh Fuels, LLC
R&R Energy Corp.	Bear Ridge Machine & Fabrication, Inc.
Holiday Bowl, Inc.	Auburn Construction Co.
Jack Rich, Inc.	Waste Management & Processors, Inc.
JMB LTD.	Hamburg Doughboys
R&R Property Managers	Schuylkill Energy Resources

Contributions

Each year, participants may elect to contribute up to 50% of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The companies contribute 50% of the first 8% of employee elective contributions up to a maximum of 4% of each participant's total compensation. Contributions are subject to certain IRS limitations.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service. However, if a participant dies prior to attaining the normal retirement age, the participant's account becomes 100% vested.

THE RICH COMPANIES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, the Company's matching contributions, and Plan earnings. Participant accounts are charged with withdrawals and an allocation of certain administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances as defined. A participant's account may be charged for expenses associated with a specific optional feature, including administration of participant loans, elected by that participant, and are included in administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. All outstanding loans become due and payable in their entirety upon the occurrence of a distributable event (other than satisfaction of the conditions for an in-service distribution). Participant loans bear interest at a fixed rate, commensurate with local prevailing rates as of the date of the loan. The interest rate on loans at December 31, 2023 was 3.49% through 8.74%.

Loans are repayable within five years unless the loan was taken for the purpose of acquiring or rehabilitating the participant's principal residence, in which case the term of the loan may be for a period longer than five years. Principal and interest are paid ratably through payroll deductions. The loans are secured by the balance in the participant's account.

Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the vested portion of their account, a distribution in the form of an annuity or a combination of these payment options. Distributions are subject to the applicable provisions of the Plan Document. If a participant's vested account in the Plan is below \$1,000 at the time of termination or retirement, the Plan may distribute the entire balance to the participant following termination. If a participant's vested account in the Plan is between \$1,000 and \$5,000 at the time of termination or retirement, the Plan may distribute the entire balance to an individual retirement account established on the participant's behalf. Hardship and in-service distributions are also permitted from participants accounts.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Forfeited Accounts

At December 31, 2023 and 2022 forfeited nonvested accounts totaled \$5,250 and \$12,074, respectively. These accounts will be used to reduce future employer contributions. For the year ended December 31, 2023, \$4,880 was forfeited by participants who withdrew from the plan. Also, for the year ended December 31, 2023, \$11,997 was used to offset employer matching contributions and plan expenses.

Hardship Distributions

Participants may receive hardship distributions from their vested account balances if they meet the Plan's and IRC's definition of having an immediate and serious financial need and have previously obtained all other available distributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Contributions and Contributions Receivable

Contributions are recorded on the accrual basis. Contributions receivable are obligations arising from amounts owed to the Plan from participants or the companies.

Payment of Benefits

Benefits are recorded when paid. There are no benefit payments that had been requested but not paid as of December 31, 2023. Excess 401(k) participant contributions unpaid at year end, if significant, are recorded as a payable. Excess contributions arise to comply with discrimination testing in accordance with IRC requirements. There were no excess contribution liabilities at December 31, 2023 and 2022.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the companies. Expenses that are paid by the companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Fee rebates charged by mutual fund companies and returned to the Plan by Fulton Financial Advisors are recorded as other investment income.

Subsequent Events

The plan sponsor has performed a review of subsequent events through October 2, 2024, which is the date the financial statements were available for issuance.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan measures, on a recurring basis, its investments at fair value in accordance with Financial Accounting Standards Board (FASB) codification Fair Value Measurement, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. These generally provide the most reliable evidence and are used to measure fair value whenever available.
- Level 2 Inputs to the valuation methodology include significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted prices for similar assets in active markets, quoted market prices in markets that are not active for identical or similar assets and other observable inputs.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The inputs or methodology used for valuing investments are not an indication of the risk associated with investing in those securities.

The Plan's investments are held by Fulton Financial Advisors. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Registered Investment Companies: Shares of registered investment companies (mutual funds) are valued at the daily closing prices as reported by the funds. The funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 - FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

<u>Investments at Fair Value (2023):</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered Investment Companies	\$ 14,900,060	\$ 14,900,060	\$ -	\$ -
Total	<u>\$ 14,900,060</u>	<u>\$ 14,900,060</u>	<u>\$ -</u>	<u>\$ -</u>
<u>Investments at Fair Value (2022):</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered Investment Companies	\$ 12,661,449	\$ 12,661,449	\$ -	\$ -
Total	<u>\$ 12,661,449</u>	<u>\$ 12,661,449</u>	<u>\$ -</u>	<u>\$ -</u>

The Plan's policy is to recognize transfers between level 1 and 2 and into and out of level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2023, there were no significant transfers between level 1 and 2 and no transfers into or out of level 3.

NOTE 4 - INFORMATION CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of assets held at year end, including investment income and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fulton Financial Advisors (the trustee of the Plan).

NOTE 5 - TAX STATUS

The Company has adopted a volume submitter defined contribution plan sponsored by Fulton Financial Advisors. The volume submitter plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, as to the Plan's qualified status. The IRS has determined that the volume submitter plan is designed in accordance with the applicable sections of the Internal Revenue Code. The volume submitter plan opinion letter has been relied upon by this Plan. Although the Plan has been amended subsequently, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 5 - TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - FIDELITY BOND

The Plan was covered by a fidelity bond for the years ended December 31, 2023 and 2022 which was within the prescribed limits as set forth by the ERISA.

NOTE 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Investments are managed by the plan trustee, Fulton Financial Advisors, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services for the year ended December 31, 2023 totaled \$58,310. As stated in Note 2, individual mutual funds pay Fulton Financial Advisors a commission directly from the investment return of the specific mutual fund. Fulton Financial Advisors return this fee to the Plan in the form of fee rebates. Fee rebates for the year ended December 31, 2023 totaled \$22,887.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The net assets available for benefits per the financial statements agree to the Form 5500 as of December 31, 2023 and 2022.

The net changes in assets available for benefits per the financial statements agree to the Form 5500 for the year ended December 31, 2023.

NOTE 11 - DELINQUENT PARTICIPANT CONTRIBUTIONS

For the year ended December 31, 2023, submissions in the amount of \$3,424 were determined to be late by the standards set forth by the Department of Labor. The Plan corrected this late submission by calculating and submitting lost earnings. The Plan has also filed IRS form 5330, Return of Excise Taxes Related to Employee Benefit Plans for the year ended December 31, 2023. Additionally, there were \$2,662 of late contributions during 2022 that were corrected in 2023. Total late contributions made or corrected during 2023 were \$6,086. Plan management feels they have taken the appropriate steps to correct these errors both currently and moving forward.
