## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of  
Coastal Gulf & International, Inc. 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Coastal Gulf & International, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator of  
Coastal Gulf & International, Inc. 401(k) Profit Sharing Plan  
January 13, 2025

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coastal Gulf & International, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Gulf & International, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator of  
Coastal Gulf & International, Inc. 401(k) Profit Sharing Plan  
January 13, 2025

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coastal Gulf & International, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Gulf & International, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

To the Plan Administrator of  
Coastal Gulf & International, Inc. 401(k) Profit Sharing Plan  
January 13, 2025

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters—Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at Year End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**(1) DESCRIPTION OF PLAN**

Coastal Gulf & International, Inc. (the Company) maintains a defined contribution pension plan for the benefit of the employees of the Company. The following description of the Coastal Gulf & International, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan adopted effective January 1, 1998, amended and restated on January 1, 2021, is a single employer defined contribution plan covering all employees of Coastal Gulf & International, Inc. (the Sponsor and Administrator) who have at least two months of service and are age twenty-one or older. The Plan has been amended to comply with regulatory changes and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Each year, participants may contribute up to a maximum of 100 percent of their pretax or post-tax annual compensation, as defined in the Plan up to the maximum annual dollar limit which is set by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a group annuity contract, and a money market account.

The employer makes safe harbor matching contributions for all eligible participants equal to 100% of each participant's elective deferral up to a maximum of 3% of each participant's compensation, and 50% of the next 2% to satisfy the average deferral percentage test. Additionally, the employer may make discretionary profit-sharing contributions to participants who have completed a year of service. Contributions are subject to certain limitations. There were no discretionary profit-sharing contributions made in 2023.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, allocations of the employer's matching contribution, Plan earnings (losses), and charged with allocation of any administrative expenses paid by the Plan. Plan earnings are allocated to individual participant accounts based on the value of each individual participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes Receivable from Participants**

Participants may borrow from their accounts up to 50% of their vested account balance, with the maximum loan not to exceed \$50,000. The minimum amount a participant can borrow is \$1,000. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 10.50%, which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through semi-monthly payroll deductions.

**Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum distribution or installment payment equal to the value of his or her vested account balance. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Benefit payments are distributed to participants or their beneficiaries as soon as practical.

**Forfeitures**

When the vested portion of the account of a participant that has separated from service prior to full vesting is distributed, the un-vested portion of the account is forfeited. These forfeitures are used to reduce Sponsor contributions or to pay reasonable Plan expenses. The Plan did not have any forfeitures in 2023.

**Hardship Withdrawals**

Participants may withdraw all or a portion of their account related to their elective, Roth, and rollover contributions in the event of hardship as defined in the Plan agreement. Company non-elective safe harbor contributions are not allowed to be withdrawn in the event of hardship. The hardship criteria are expanded to include the beneficiary of the participant.

**(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP). All assets of the Plan are held by Nationwide Trust Company and are participant driven.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Contribution Receivables**

Contribution receivables are recorded for amounts that are outstanding from the Plan at year end. As of December 31, 2023 and 2022, the Plan had \$25,984 and \$24,237 participant contribution receivables and \$9,699 and \$9,750 employer contribution receivables, respectively.

**Investment Valuation and Income Recognition**

Investments, except for fully benefit-responsive investment contracts, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statements of Net Assets Available for Benefits are prepared using contract value for the fully benefit-responsive investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investment Valuation and Income Recognition (Continued)**

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

**Net appreciation (depreciation) in fair value of investments**

The Statement of Changes in Net Assets Available for Benefits presents the net earnings in the fair value of the Plan's investments, which consists of realized gains and losses, and the unrealized appreciation and depreciation on those investments.

**Payment of Benefits**

Benefits are recorded when paid.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

**Administrative Expenses**

The employer sponsor paid substantially all administrative fees on behalf of the Plan during the year either directly or through the use of forfeited employer contributions.

**Date of Management's Review**

Management has evaluated subsequent events through January 13, 2025, the date which the financial statements were available to be issued.

**(3) FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**(3) FAIR VALUE MEASUREMENTS (CONTINUED)**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in the active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures the fair value using Level 1 inputs because they generally provide the most reliable evidence of the fair value.

**Level 1 Fair Value Measurements**

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

**(4) GROUP ANNUITY CONTRACT**

The Plan offers a fixed return product with annual interest rate guarantees (the contract). Deposits in the contract are held in the Nationwide Life Insurance Company's fixed select option account. At December 31, 2023, funds held under the contract had a book value of \$87,182 and a market value of \$75,063. At December 31, 2022, funds held under the contract had a book value of \$74,859 and a market value of \$64,603. As of December 31, 2023, the contract's crediting rate and average yield earned were 2.17%. The contract's crediting rate and average yield earned in 2022 was 1.97%.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefit attributable to the group annuity contract. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Participants may receive a single lump sum payment upon cessation of employment pursuant to the Plan's terms. Otherwise, participants may choose from three annuity options:

**Joint and Survivor**

The joint and survivor annuity provides periodic payments during the joint lifetime of the annuitant and survivor annuitant. Periodic payment to the annuitant will end with the last periodic payment made preceding the Annuitant's death. Upon annuitant's death, periodic payments of 50%, 66-2/3%, 75% or 100% of the periodic payments payable to the annuitant will continue to the survivor annuitant, if living. Periodic payments will terminate with the last periodic payment made preceding the later of the date of death of the annuitant or the survivor annuitant.

**Life Annuity**

The life annuity is a straight life annuity that provides payments during the lifetime of the annuitant. Payments will end with the last payment made on or preceding the annuitant's death.

**Life Income Annuity with Period Certain**

The life income annuity with period certain is a form of annuity that provides payments during the lifetime of the annuitant. If the annuitant dies before receiving the specified number of payments (as elected by the annuitant), the payments remaining will be paid to the beneficiary designated by the annuitant.

**(4) GROUP ANNUITY CONTRACT (CONTINUED)**

Certain events limit the Plan's ability to transact at contract value with Nationwide. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsors events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

**(5) TAX STATUS**

The Plan is a qualified cash or deferred arrangement established under Section 401(k) of the Internal Revenue Code and is exempt from income taxes under Section 401(a) of the Internal Revenue Code (IRC). The Plan has executed an adoption agreement using the CCH Incorporated Prototype Non-Standardized Profit-Sharing Plan and relies on the determination letter dated June 30, 2020, issued for the standard plan. The Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, remains tax exempt.

Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

On December 29, 2022, the Consolidated Appropriations Act of 2023 was enacted, encompassing a suite of retirement provisions colloquially termed "SECURE 2.0." This legislative package builds upon the foundational reforms introduced by the 2019 SECURE Act, with a central aim of expanding participation in the retirement ecosystem and enhancing avenues for asset accumulation. The provisions set forth by SECURE 2.0 will be progressively effective from 2023 onwards.

The Act presents a blend of mandatory and elective provisions. Plan and Company management will evaluate and decide upon the elective components in alignment with the Plan's objectives and the best interests of participants and the Company. As of the report date, the Plan has not been formally amended to incorporate the provisions of SECURE 2.0. However, the Plan is operating in compliance with all mandatory elements as prescribed by the Act.

**(6) PLAN TERMINATION**

Although they have not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall receive the vested balance of their account in a lump sum payment.

**(7) INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

As pursuant to CFR 2520.103-8 the Plan qualified for an ERISA Section 103(a)(3)(C) audit in 2023 and 2022. Information relating to investment assets, investment transactions, investment earnings and Schedule of Assets (Held at Year End) was certified as complete and accurate by the trustee, Nationwide Trust Company, as of December 31, 2023 and 2022 and for the year ended December 31, 2023.

**(8) RELATED PARTY/PARTIES-IN-INTEREST TRANSACTIONS**

Fees paid for investment management services are included in the net appreciation or depreciation in fair value of investments.

The Plan invests in shares of mutual funds managed by the custodian. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

**(9) RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
