INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and
RMC Retirement Committee
Riverside Medical Clinic, Inc.
401(k) Profit-Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Riverside Medical Clinic, Inc. 401(k) Profit-Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**H A L L I D A Y
& C O M P A N Y**

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 and Schedule H, Line 4a - Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Riverside Medical Clinic, Inc. 401(k) Profit-Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan providing benefits to all permanent employees of Riverside Medical Clinic, Inc. and the Riverside Medical Clinic Foundation, (collectively, the Company or Plan Sponsor) who are age twenty-one or older and have completed 60 days of employment. All eligible employees are automatically enrolled in the Plan unless they elect otherwise. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (IRC or the Code), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

The Company has appointed a plan administrator to manage the operation and administration of the Plan. The Company had contracted with Empower, which refers to the products and services offered by Great-West Life & Annuity Insurance Company and its subsidiaries, including Empower Retirement, LLC, (Empower) to act as the custodian, the third-party administrator, and recordkeeper for the year ended December 31, 2021 and until October 5, 2022. Empower was replaced by Principal Life Insurance Company who began acting in the same capacity as Empower on October 6, 2022. The RMC Retirement Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute a percentage of their compensation not to exceed the maximum allowable amount as defined by the IRC. Participants may make pre-tax contributions and/or Roth contributions to the Plan and participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan online with Empower. The Company may contribute matching and/or discretionary amounts to be determined solely at the discretion of the Company's board of directors.

Participant Accounts

Each participant's account is credited with the participants' contributions and their allocations of (a) Company contributions, (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

RIVERSIDE MEDICAL CLINIC, INC.
401(k) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes from Participants

Participants may borrow from their account a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates that range from 3.25 percent to 8.5 percent, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid ratably through monthly payroll deductions. Loans may be taken for no longer than five years unless the proceeds of the loan are used to acquire a dwelling unit in a reasonable period of time after the receipt of the funds.

Investment Options

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. The Plan currently offers various types of pooled separate accounts, common collective trusts, insurance policies, a guaranteed interest fund, and various other types of investments through a self-directed brokerage account as investment options for the participants.

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Prior to January 1, 2023, Vesting in the participants' profit-sharing accounts was based on years of service. A year of service was given for each Plan year in which a participant performs 1,000 or more hours of service. After two years of service, a participant became 20 percent vested. Each service year thereafter increased the participant's vesting by 20 percent, with 100 percent vesting after six years. Employer contributions made after January 1, 2023, and all employer contributions held by participants who were employed as of January 1, 2023 are no longer subject to vesting requirements and will be 100% vested when contributed to the Plan.

Payment of Benefits

Rollover withdrawals are available at any time. A participant who attains the age of 59 1/2 shall be entitled to receive a distribution of the entire value of their participant's account as a single lump sum. Participants who terminate employment shall be entitled to a distribution of their vested accrued benefits in the same manner. Hardship distributions are available under the Plan pursuant to IRC requirements. The Plan may elect to distribute accounts of terminated participants with an aggregate value of \$5,000 or less.

Forfeited Accounts

Forfeited balances may be used to reduce Employer contributions. Forfeitures of \$30 were used to reduce the amount of the Company profit sharing contributions for the year ended December 31, 2023. There were no reductions to profit sharing contributions for the year ended December 31, 2022. Forfeited balances were \$304,495 and \$181,034 at December 31, 2023 and 2022, respectively.

Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, with the exception of life insurance policies owned by certain participants in the Plan, which are measured at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought or sold as well as held during the year.

Notes Receivable from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to administration of notes from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) No. 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC No. 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Registered investment companies (mutual funds): Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Pooled Separate Accounts: Units held in pooled separate accounts (PSA) are valued using the net asset value (NAV) practical expedient of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a PSA is calculated based on a compilation of primarily observable market information. The PSAs can be redeemed daily, there are no restrictions or penalties on redemption and there are no unfunded commitments. *Self-directed brokerage account:* Valued at the closing price reported on the active market on which the individual securities are traded.

RIVERSIDE MEDICAL CLINIC, INC.
401(k) PROFIT-SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Common collective trusts (CCT): Valued at the NAV of units of a common-collective trust, the value is computed based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. NAV is computed daily, and redemptions and purchases are transacted at the day's computed NAV. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The CCT funds can be redeemed daily, there are no restrictions or penalties on redemption and there are no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023:

	Level 1 inputs	Level 2 inputs	Level 3 inputs	Total

NOTE 4 – NONCERTIFIED INVESTMENTS

The Plan holds life insurance contracts that are not certified by the Custodians. These assets are allocated to participants, who are responsible for self-directing these investments.

At December 31, 2023 and 2022 assets held by the Plan within self-directed brokerage accounts that were noncertified totaled \$2,278,037 and \$2,122,943, respectively. Net depreciation in the value of noncertified investments (which represents the difference between premium payments for the purchase of the policies and the current cash surrender value) totaled \$144,876 for the Plan year ended December 31, 2023.

NOTE 5 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, for the year ended December 31, 2023 and 2022, Principal Life Insurance Company, the custodian of the Plan, has certified the completeness and accuracy of the assets listed in the table below and the supplemental Schedule H, Line 4i -Schedule of Assets (Held at End of Year).

	December 31,	
	2023	2022
Investments		
Registered investment companies, at fair value	\$ 4,563,036	\$ 30,763,055
Pooled separate accounts, at fair value	17,785,887	-
Self-directed brokerage accounts, at fair value	11,435,377	9,816,453
Common collective trusts, at fair value	90,200,599	66,734,618
Total investments certified	\$ 123,984,899	\$ 107,314,126
Notes receivable from participants	\$ 305,045	\$ 339,712

For the year ended December 31, 2023, in relation to the investments noted above, the Principal Life Insurance Company also certified the completeness and accuracy of \$21,435,552 of net appreciation in fair value of investments and \$60,161 of interest and dividend income as well as interest income on participant notes receivable of \$18,166 which are reflected in the statement of changes in net assets available for Plan.

NOTE 6 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Sponsor by letter that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Life Insurance Company which is a company related to Principal Trust Company which acts as the custodian of the Plan and, therefore, these transactions qualify as party in interest. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 9 – NON-EXEMPT TRANSACTIONS

During the year ended December 31, 2023, the Plan Sponsor failed to deposit \$1,612,495 of participant contributions within the required timeframe as stated by the United States Department of Labor's regulations. The Plan Sponsor intends to correct the error fully as required by relevant regulations.

NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through January 29, 2025, the date the financial statements were available to be issued.
