REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the
UP Rehab Services LLC 401(k) Plan
Marquette, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the UP Rehab Services LLC 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 16, 2023, and the related statement of changes in net assets available for benefits for the period from January 1, 2023 to June 16, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 15, 2023 (the date of liquidation), and for the period then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the UP Rehab Services LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note A to the financial statements, effective December 20, 2022, the members of UP Rehab Services LLC approved a plan transfer agreement related to the UP Rehab Services LLC 401(k) Plan. Accordingly, during the period ended June 16, 2023, the Plan assets were transferred to a pooled employer plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Prior Period Financial Statements

The financial statements of UP Rehab Services LLC 401(k) Plan, as of and for the year ended December 31, 2022, were audited by other auditors whose report dated October 10, 2023 expressed an unmodified opinion on those statements.

NOTES TO FINANCIAL STATEMENTS

UP REHAB SERVICES LLC 401(k) PLAN

NOTE A--PLAN DESCRIPTION

The following description of the UP Rehab Services LLC 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of UP Rehab Services LLC (the Corporation, Employer, or Plan Sponsor) who are not members of a collective bargaining unit or a nonresident alien and have completed one year of service, with at least 1,000 hours of service in a Plan year. Participants may enter the Plan on January 1st or July 1st each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Chief Executive Officer/Plan Administrator and Human Resources Director of UP Rehab Services LLC are responsible for governance of the Plan.

Effective December 20, 2022, the members of UP Rehab Services LLC approved a plan transfer agreement related to the Plan. Employee contributions to the Plan stopped after the February 2, 2023 pay date. In relation to the qualified plan transfer agreement, all Plan assets, including participant balances, were liquidated on June 15, 2023 and transferred to the isolated 401-K Plan on June 16, 2023. The total amount transferred was \$3,115,539.

Contributions

Each year, eligible participants may elect to contribute up to 100% of their annual compensation on either a pre-tax (traditional) or after-tax (Roth) basis, up to the Internal Revenue Service maximum allowable amount. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. There is no minimum age requirement in order to make salary deferrals to the Plan.

Participants may also contribute rollover amounts representing distributions from other qualified retirement plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options and transfer between funds as desired.

The Plan Sponsor may make matching contributions for eligible participants. The Plan Sponsor elected not to make a matching contribution for the period from January 1, 2023 to June 16, 2023 or for the year ended December 31, 2022.

In addition, the Plan Sponsor may make discretionary nonelective contributions to the Plan. The Plan Sponsor elected not to make a discretionary nonelective contribution for the period from January 1, 2023 to June 16, 2023 or the year ended December 31, 2022.

NOTE A--PLAN DESCRIPTION--Continued

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions (if any), and allocations of Plan earnings or losses. Participant accounts are charged with an allocation of any administrative expenses paid by the Plan. Allocations are based upon participant earnings, account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

The participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the matching and discretionary nonelective contribution portions of their accounts plus actual earnings thereon is based on Plan years where a participant works at least 1,000 hours. A participant's right to these contributions becomes 20% vested after one year of service, 40% vested after two years of service, 60% vested after three years of service, 80% vested after four years of service, and 100% vested after five years of service.

Notes Receivable from Participants

The Plan does not allow for participant loans.

Benefits Payments

Upon termination of employment due to death, disability, or retirement (age 65), a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or as ad-hoc distributions of some or all of his or her Plan account at any time. Upon termination of employment, participant may request a distribution. Participants are allowed in-service distributions prior to termination of their employment after age 59.5. Hardship distributions are allowed from employee deferrals.

Forfeited Accounts

At the period ended June 16, 2023 and year ended December 31, 2022, forfeited non-vested accounts totaled \$0 and \$1,651, respectively. Forfeited accounts were used to reduce future expenses.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with United States generally accepted accounting principles (U.S. GAAP).

NOTE B--SUMMARY OF ACCOUNTING POLICIES

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Administration

Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan for these services. Certain administrative costs of maintaining the Plan are paid by the Plan Sponsor and are not included in these financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Subsequent Events

Subsequent events were evaluated through January 30, 2025, which is the date the financial statements were available to be issued.

NOTE C--CERTIFICATION OF INVESTMENT INFORMATION

The Plan's investments were held in trust and administered by the trustee, Empower Trust Company, LLC (formerly known as Great-West Trust, LLC) and Empower Annuity Insurance Company of America (EAICA), for the period January 1, 2023 through June 16, 2023 and the year ended December 31, 2022. The investment information disclosed in the accompanying financial statements was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by EAICA and Empower Trust Company, LLC.

NOTE D--FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

Level 1: Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2: Inputs consist of observable inputs other than quoted prices for identical assets.

Level 3: Inputs consist of unobservable inputs and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 Fair Value Measurements: The fair value of mutual funds was based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan have quoted prices and are considered actively traded.

Level 2 Fair Value Measurements: The fair value of the fixed annuity was based on a discounted cash flow analysis.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The Plan held no investments as of June 16, 2023. The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Fair Value		
	Level 1	Level 2	Total
<u>December 31, 2022:</u>			
Mutual funds	\$ 3,056,286	\$ -	\$ 3,056,286
Unallocated contract – fixed annuity	-	9,211	9,211
TOTAL	\$ 3,056,286	\$ 9,211	\$ 3,065,497

NOTE E--PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right, under the Plan, to terminate the Plan, subject to provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts. Although the assets of the plan have been transferred out, a termination has not occurred.

NOTE F--TAX STATUS

The Plan has adopted a volume submitter plan. Wipfli, LLP received an Internal Revenue Service (IRS) advisory letter for the volume submitter plan on June 30, 2020, stating that the language of the volume submitter plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan, as amended, is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, with the exception of the late 2023 short period Form 5500 filing. Management believes that the Plan is qualified and the related trust is tax exempt; therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate the tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress for any tax periods.

NOTE G--PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were shares of mutual funds or fixed annuity investments managed by affiliates of Empower Retirement, LLC (Empower), the recordkeeper for the Plan, including EAICA; therefore, these transactions qualify as party-in-interest transactions. Wipfli, LLP, the Plan's third-party administrator and Ameriprise Financial Services LLC (d/b/a Flourish Financial Advisors), the Plan's investment advisor and consultant, are also parties in interest.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE H--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
