Independent Auditors' Report

To the Administrative Committee of
the Kass Shuler, P.A. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Kass Shuler, P.A. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Kass Shuler, P.A. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kass Shuler, P.A. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kass Shuler, P.A. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kass Shuler, P.A. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kass Shuler, P.A. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that

agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to financial statements

December 31, 2023

NOTE 1 - DESCRIPTION OF PLAN

Organization

Kass Shuler, P.A. 401(k) Profit Sharing Plan Profit Sharing Plan (the "Plan") is a defined contribution plan covering all eligible employees of Kass Shuler, P.A. (the "Firm" "Employer" or "Plan Sponsor"). The Plan was established on January 1, 1990 and was amended on September 1, 2017 to allow for participant-directed investments, to change the income allocation method, and to change the trustee from the Firm to Ascensus Trust Company (the "Trustee"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The following description of the Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed, defined contribution plan covering all eligible employees of the Firm who have completed six consecutive months of services and are age twenty-one or older. A participant's entry date to the Plan is the first day of the Plan quarter following the date the participant satisfies the eligibility requirements.

Contributions - Participant

Each year, participants may contribute to the Plan, through payroll deferrals, up to 100% of their eligible pre-tax annual compensation. The Plan also allows for after-tax contributions to a Roth 401(k). Total contributions (the "participant contributions") are not to exceed \$22,500, the maximum allowed by the Internal Revenue Code (the "Code") for 2022. In addition, the Plan and the Code permit participants age 50 or over during the Plan year to make additional "catch-up contributions" of up to \$7,500 for 2023. Participants may also contribute, or rollover, amounts representing distributions from other qualified retirement plans.

Kass Shuler, P.A. 401(k) Profit Sharing Plan

Notes to financial statements

December 31, 2023

Contributions – Company

For the year ended December 31, 2023, the Firm elected to make a safe-harbor matching contribution to participants equal to 100% of the first 3% of compensation contributed to the plan, and 50% of the next 2% of compensation contributed (maximum 4% of compensation matching contribution). Total safe-harbor matching contributions were \$201,654 for the year ended December 31, 2023.

The Plan also allows discretionary Company matching contributions, determined as a percentage of salary deferrals or a uniform dollar amount, and additional employer discretionary contributions. No such contributions were made in 2023.

Investment Options

Upon enrollment, a participant may direct participant and employer contributions to any of the Plan's fund options. Participants have a choice of 34 investment options as of December 31, 2023. Participants may also redirect their contributions or exchange their existing fund account balances on any business day, effective on the following business day.

Participant Accounts

Each participant's account is credited with the participant's contribution and employer contributions, and allocations of the Plan's earnings, and charged with benefit payments and an allocation of the Plan's losses and administrative expenses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participant's contributions, including rollover contributions, and actual earnings thereon, are 100% vested. Employer contributions and actual earnings thereon are incrementally vested over six years at 20% per year, beginning the second year of vesting service. Participants must work a minimum of 1,000 hours during each Plan year to earn a year of vesting service. Upon Plan termination, participant death or disability, or participant reaching normal retirement age, employer contributions vest immediately.

Kass Shuler, P.A. 401(k) Profit Sharing Plan
Notes to financial statements
December 31, 2023

Payment of Benefits

Upon termination of service due to death, disability, or retirement at the normal retirement date, participants or their estate may elect to receive the value of their account balance in a lump-sum payment or in annual installments. Terminated participants with vested balances of less than or equal to \$1,000 receive an involuntary cash-out distribution. For termination of service for any other reason, a participant may receive the value of the vested interest in their account as a lumpsum distribution or in the form of a direct transfer to an individual retirement account or any qualified plan described in Section 401(a) of the Code. The Plan also provides for certain hardship withdrawals and non-emergency withdrawals.

Forfeitures

Forfeitures of terminated non-vested accounts are used to pay Plan expenses. Any excess forfeitures are then used to reduce the employer contributions for the Plan year. Forfeitures must be disposed of no later than the last day of the Plan year following the Plan year in which the forfeiture occurred.

As of December 31, 2023 and 2022, the Plan had no balance in its forfeiture account.

Plan Termination

Although it has not expressed any intent to do so, the Firm has the right to amend or discontinue the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, the account of each participant will be 100% vested.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting and in conformity with generally accepted accounting principles in the United States ("GAAP").

Valuation of Investments and Recognition of Income

The Plan's investments are comprised of a money market account and mutual funds as certified by Trustee. See fair value measurements footnote at Note 4, Fair

Kass Shuler, P.A. 401(k) Profit Sharing Plan
Notes to financial statements
December 31, 2023

Value Measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on its mutual fund accounts bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit Payments

Benefits are recorded when paid.

Plan Expenses

The expenses of maintaining the Plan are paid by either the Plan or the Sponsor, as provided by the Plan agreement. Expenses that are paid by the Sponsor are excluded from these financial statements.

Fees related to the administration of benefit payments to participants are charged directly to the participant's account and are included in administrative expenses. Management fees, including advisor fees, trustee services, and Plan administration and fiduciary fees, are allocated to participants proportionally based on the value of their account balances. Any costs associated with the investment of a participant's account are charged to that participant.

Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2023 through January 27, 2025, which is the date the financial statements were available to be issued. No events have occurred since December 31, 2023 that require recognition or disclosure in the financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance as permitted by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified to the completeness and accuracy of the funds held by them in the reflected statements of net assets available for benefits as of December 31, 2023 and 2022, the investment income in the reflected statement of changes in net assets for the year then ended, and the schedule of assets held for investment purposes as of December 31, 2023.

NOTE 4 - FAIR VALUE MEASUREMENTS

In accordance with FASB ASC 820, Fair Value Measurements and Disclosures, the Plan assessed the guidelines for measuring fair value. These guidelines provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. FASB ASC 820 establishes three levels of fair value hierarchy that are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology includes quoted prices for similar or identical assets or liabilities in active or inactive markets. Inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived from observable market data. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following methods and assumptions were used to estimate fair value of each class of assets that are recognized at fair value.

Mutual Funds These investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and classified within Level 1 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

Investment Assets at Fair Value				
As of December 31, 2023				
	Level 1	Level 2	Level 3	Total

NOTE 5 - INCOME TAX STATUS

The IRS has determined and informed the Firm by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is subject to income tax examinations for up to three years after tax returns are filed.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – PARTIES IN INTEREST AND RELATED PARTY TRANSACTIONS

Certain Plan investments are funds managed by the Trustee of the Plan. Thus, transactions involving these investments are considered to be party-in-interest transactions. Investment management and administrative fees paid to the investment advisor and Trustee totaled \$46,696 for the year ended December 31, 2023. While these transactions qualify as party-in-interest activity, they are expressly exempted from the prohibited transaction rules, as defined by ERISA, Title I, Section 408(b).
