## INDEPENDENT AUDITOR'S REPORT

To the Trustees, Plan Committee & Plan Sponsor  
MHBD 401(k) Retirement Plan  
San Antonio, Texas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of MHBD 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the MHBD 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, John Hancock Life Insurance Company, the Custodian, as of and for the years ended December 31, 2023, and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

## **Auditor's Responsibilities for the Audit of the Financial Statements – continued**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**MHBD 401(k) RETIREMENT PLAN**  
**Notes to Audited Financial Statements**  
**December 31, 2023 and 2022**

**NOTE A – SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting:* The financial statements of the MHBD 401(k) Retirement Plan (the Plan), formally known as Health by Design 401(k) Plan, are prepared on the accrual basis of accounting.

*Income Recognition:* The basis of investments held by the Plan are adjusted annually to closing market value and unrealized gains and losses are recorded as part of this adjustment. Realized gains and losses on investments are computed using adjusted basis. Security transaction expenses are considered in computing realized gains and losses on investments.

*Investments:* Investments in pooled separate accounts are carried at fair value (net asset value), as determined by quoted prices in an active market. Dividends are considered in the fair value determination. Gains and losses (realized and unrealized) are included the net appreciation (depreciation) in the fair value of assets in the statement of changes in net assets available for plan benefits.

*Participants' Notes Receivable:* Participants' notes receivable are stated at their unpaid principal balance plus any accrued interest. Interest is recognized as accrued. An allowance was not required at either year end. If a participant ceases to make a loan payment and the Plan Administrator deems the participant loan to be in default, the loan balance is reduced and a benefit payment to the participant is recorded.

*Benefit Payments:* Benefits are recorded when paid.

*Administrative Expenses:* Certain expenses of maintaining the Plan are paid directly by the Plan sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

*Subsequent Events:* Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

*Use of Estimates:* The preparation of the financial statements in conformity with U. S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*New Accounting Pronouncements:* Management is not aware of any new accounting pronouncements that have been released, and are not yet effective, which will have a significant impact to its financial position or results of operations in future periods.

**December 31, 2023 and 2022**

**NOTE B – DESCRIPTION OF THE PLAN**

The following description of the Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

*General:* The Plan is a defined contribution plan covering all eligible employees of Medici Technologies, LLC , Health by Design Medical Group, Medici Medical Group, P.A., and Medici Clinical Management, LLC (formerly Health by Design Management, LLP) (collectively the Sponsor) who have three months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

*Contributions:* Each year participants may elect to contribute up to 100% of pretax and after tax annual compensation, subject to IRS limitations, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions to various investment options offered by the Plan. The Plan Sponsor may elect to contribute matching contributions, the amount of which is determined by the Board of Directors and allocated based on each participant's contribution. Additional profit sharing amounts may be contributed at the option of the Plan Sponsor.

*Participant Accounts:* Each participant's account is credited with the participant's contributions and allocations of the Plan Sponsor's contributions and Plan earnings and charged with an allocation of investment related expenses that are paid by the Plan. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting:* Participants are immediately vested in their contributions plus earnings thereon. Upon completion of one full year of service participants are 33% vested in the Sponsor's contribution, increasing by 33% each year until fully vested after three years of service. If a participant terminates due to death, disability, or normal retirement, the participant becomes 100% vested in the account balance.

*Benefits:* Benefits are paid in a lump sum. The participant or beneficiary is entitled to a benefit equal to the vested balance and non-forfeitable interest in his account as of the distribution date.

*Forfeitures:* The balance of forfeited accounts is \$1,571 at December 31, 2023 and \$0 at December 31, 2022. Forfeitures may be used to reduce future employer contributions and pay the expenses of the Plan. No forfeitures were used during 2023 and 2022 to offset employer contributions to the Plan.

*Termination of Plan:* Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested.

*Participant Loans:* Participant loans are available to all eligible actively employed participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$100,000 or their vested account balance. The loans are collateralized by the vested balance in the participant's account, and bear interest between 3.25% and 9.25%. Principal and interest are repaid through salary reductions each pay period according to an amortization schedule based on the life of the note.

**MHBD 401(k) RETIREMENT PLAN**  
**Notes to Audited Financial Statements**  
**December 31, 2023 and 2022**

**NOTE C – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)**

As permitted by Department of Labor CFR 2520.103-8, plan investments in pooled separate accounts and participants' notes receivable at December 31, 2023 and 2022 and the related net appreciation in fair value of investments and interest on participants' notes for the years then ended, were certified and held by John Hancock Life Insurance Company, the Custodian, and were not audited by the independent auditor.

**NOTE D – TRANSACTIONS WITH PARTIES-IN-INTEREST**

The Plan includes certain investments managed by John Hancock Life Insurance Company, the Custodian, therefore, these transactions qualify as party-in-interest transactions. Fees paid for legal, accounting and other services rendered by parties-in-interest were based on customary and reasonable rates and, if paid by the Plan Sponsor, are excluded from these financial statements. The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed for in the Plan document.

**NOTE E – INCOME TAX STATUS**

The Internal Revenue Service has ruled that the Plan qualifies under Section 401(a) of the Internal Revenue Code (IRC) and is not subject to tax. The Plan has been amended since its determination; however, the Plan's administrator believes it is operating in accordance with applicable IRC regulations. Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

**NOTE F – FAIR VALUE MEASUREMENTS**

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
  - quoted prices for identical or similar assets or liabilities in inactive markets
  - inputs other than quoted prices that are observable for the asset or liability
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means
  - if the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTE F – FAIR VALUE MEASUREMENTS – continued**

The Plan reclassified its investments from Level 1 mutual funds to Level 2 pooled separate accounts in the current period. The reclassification had no impact on the value of the associated investments. Following is a description of the valuation methodologies used for various types of assets measured at fair value:

*Pooled separate accounts:* Valued at the net asset value (NAV).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE G – RISKS AND UNCERTAINTIES**

The plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE H – SECURE 2.0 ACT**

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022 and includes mandatory and optional provisions with varying effective dates in 2024 and later. The Plan Sponsor is evaluating the provisions and has not amended the Plan as of the date of these financial statements.

## **Internal Control and Other Related Matters (Management Letter Items)**

In planning and performing our audit of the Benefit Plan in accordance with U. S. generally accepted auditing standards, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing our auditing procedures that are appropriate in the circumstances, for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the internal control. Accordingly, we do not express an opinion on the effectiveness of internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be *deficiencies*, *significant deficiencies*, or *material weaknesses*. A deficiency in internal control exists when the design or operation of a control does not allow Management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal controls, that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *control deficiency* is a deficiency in internal control which exists when the design or operation of a control does not allow Management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A control deficiency does not rise to the level of being considered either a material weakness or a significant deficiency. We noted the following control deficiency during the audit process which we believe should be brought to your attention.

Segregation of Duties: Small organizations generally have difficulty in achieving *maximum* segregation of duties, within both the Organization and Benefit Plan, without hiring additional staff, and this option generally cannot be cost justified. Management and the Board (those charged with governance) should be aware that operating with a smaller accounting staff dictates that some duties are not able to be segregated as would occur in an office with a large accounting department.

A *reportable finding* is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings.

Bonus Contributions: The plan was restated effective January 1, 2022, with one of the changes adopted being the inclusion of bonuses as plan compensation. During our testing we noted that employees' deferrals were not being calculated on bonuses. Management subsequently calculated the missed deferrals and plan to correct in 2024. We recommend that the Plan Sponsor implement changes resulting from an amendment or restatement as of the effective date.

Timely Remittance: During our timely remittance testing we noted two remittances that were delayed in being deposited. We recommend that management work with the payroll provider to ensure the timely remittance of employee contributions to the plan.

**Internal Control and Other Related Matters - continued**  
**(Management Letter Items)**

Personnel records: During our eligibility testing we noted management could not provide support of demographic information for four employees. We recommend that management maintain authoritative support of participant demographic information.

## **Hot Buttons of the D.O.L.**

We are aware of the following *hot buttons* of The Department of Labor (D.O.L). These areas will be reviewed should they perform either a desk review or field audit of your benefit plan:

Cybersecurity: Benefit plans can hold millions of dollars in assets and maintain personal data on participants, which can make the Plans tempting targets for cyber-criminals. The Plan sponsor needs to ensure proper mitigation of cybersecurity risks by evaluating the recordkeepers and other service providers responsible for plan-related IT systems and data. Service providers should have a formal cybersecurity program that identifies and assesses internal and external cybersecurity risks that may threaten the confidentiality, integrity, or availability of stored nonpublic information. Annually these service providers should have an independent auditor assess their internal controls over financial reporting, which includes security controls, called a Service Organization Controls (SOC) Report. Ask for a copy of the report, review it and ask questions if you have any concerns regarding the testing findings identified by the SOC auditor. Also inquire if the service provider has any insurance policies that would cover losses caused by cybersecurity and identity theft breaches.

More importantly, make sure the plan administrator and anyone with administrative rights in the IT system of the plan's service provider are following best practices in regards to cybersecurity. The plan sponsor should establish a formal IT security policy with the consideration of enforcing strong and unique passwords, utilizing multi-factor authentication, allowing only password-protected Wi-Fi networks, keeping all software, including antivirus software, up to date with the latest patches and upgrades, and procedures in reporting phishing attacks and other cybersecurity incidents.

Reliance on Third Party Administrator: The Plan sponsor relies heavily on the Third Party Administrator (TPA) to perform reconciliations and other administrative duties. However, the ultimate responsibility for administration, reconciliations and record keeping rests with the Plan sponsor, Plan administrator and any others who exercise authority or control over the Plan or its assets. The sponsor, administrator and other personnel with significant roles in the Plan are considered fiduciaries. We are aware that Management reviews the reports generated by the TPA and reconciles back to the Sponsor's books and records.

Timely Remittances: Department of Labor (DOL) regulations require employee contributions and participant loan repayments withheld from the employees' wages by the employer be remitted to the Plan at the earliest date that the assets can be reasonably segregated from the employer assets. Failure to timely remit employee contributions and loan repayments violates the fiduciary responsibilities imposed by ERISA. The DOL does not have a bright line number of days; however, they have consistently taken the position the employee contribution and loan repayments should be remitted similar to the time that the employer pays the payroll taxes each month. Accordingly, *our strong recommendation is such remittances to the Plan are made on the same day the Company's payroll taxes are remitted.* We consider any departures from this timing as a control deficiency.

### **Hot Buttons of the D.O.L. - continued**

DOL Audits: The DOL is continuing to audit a large number of employee benefit plans. Although the DOL may audit any area of the Plan for compliance, their current focus appears to be centered on these areas:

- Timely remittances of deposits, as discussed above.
- Fee analysis: What fees are being paid by the Plan, in particular, the fees paid by each individual investment (i.e., by each mutual fund, etc.) held by the Plan, whether such fee is paid directly by the fund or netted against the fund earnings.
- Participant education: Are the Plan administrators and trustees providing periodic education to the participants so knowledgeable decisions may be made by the participants? Making education available to all participants on at least an annual basis is expected by the DOL.
- Annual meeting of Plan trustees and administrators: At least annually, the Plan trustees and administrators should meet to discuss various aspects of the benefit plan, including a discussion of administrative and investment fees; education for its participants; investment policy and decisions regarding changes to investments offered by the Plan; changes in laws and regulations; and the general environment surrounding the Plan sponsor and the Plan itself. This meeting should be documented in formal minutes maintained in the permanent files of the Plan.

## **Our Responsibility Under U. S. Generally Accepted Auditing Standards**

Our responsibility, as prescribed by U. S. Professional Standards, is to plan and perform our audit to obtain reasonable assurance about whether the financial statements are free of material misstatement and to express an opinion on the financial statements. An audit in accordance with U. S. Generally Accepted Auditing Standards does not provide absolute assurance or guarantee the accuracy of the financial statements and is subject to the inherent risk that errors, irregularities or illegal acts, if they exist, have not been detected. Such standards also require that we obtain a sufficient understanding of the internal control structure to plan the audit. However, such understanding is required for the purpose of determining our audit procedures and not to express an opinion on the effectiveness of internal control over financial reporting.

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The audit of the financial statements does not relieve management or those charged with governance of their responsibilities.

### **Significant Accounting Policies and Accounting Estimates**

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in the notes to the financial statements. No new accounting policies were adopted and the application of existing policies as not changed during the year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates, based upon Management's judgments, are an integral part of the financial statements. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from Management's current judgments.

The financial statement disclosures are neutral, consistent, and clear.

### **Form 5500 Procedures**

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

### **Difficulties Encountered During the Audit**

There were no significant difficulties encountered during audit. Management and employees have been most helpful and cooperative. We were given full access to accounting records, supporting documents and other information that we requested.

## **Our Responsibility Under U. S. Generally Accepted Auditing Standards - continued**

### **Planned Scope and Timing**

We conducted our audit consistent with the planned scope and timing we previously communicated with you.

### **Significant Risks**

Audit risks that required special consideration include improper revenue recognition, incorrect payroll deductions, and management override of controls.

### **Consideration of Fraud in the Financial Statements**

During the course of our audit we may become aware of deficiencies while obtaining our understanding of internal control, and in assessing the risk of material misstatement of the financial statements due to error or fraud. We perform audit procedures in response to assessed risk, and communicate with Management or others (for example, internal auditors or governmental authorities). We are not aware of any errors or material misstatement which would require communication to the Board or Management. Our audit selected a sample of transactions for testing; accordingly, errors and fraudulent transactions may exist and were not detected.

### **Corrected and Uncorrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

### **Disagreements with Management**

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### **Major Issues Discussed with Management**

We discussed a variety of matters with Management, including the application of accounting principles and auditing standards. These discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention as your independent auditors.

### **Illegal Acts by Client**

We are not aware of any illegal acts which would require communication to the Board.

### **Significant Unusual Transactions**

During our audit, we did not identify any significant unusual transaction that we have not discussed with you.

### **Management Representation**

Management has provided us with a representation letter which outlines their responsibilities for the financial statements and information provided to us during the audit.

## **Our Responsibility Under U. S. Generally Accepted Auditing Standards - continued**

### **Management Consultations with Other Accountants**

Management has advised it did not consult with other accountants regarding auditing and accounting matters.

### **Compliance with All Ethics Requirements Regarding Independence**

We have complied with all relevant ethical requirements regarding independence.

### **Circumstances that Affect the Form and Content of the Auditor's Report**

For the purpose of this letter, professional standards require that we communicate any circumstances that affect the form and content of the auditor's report. The report issued on the financial statements was limited in scope and complies with DOL regulations.

## Best Practice Recommendations for Organizations and Their Benefit Plans

As part of our services to all our audit engagements, we have provided below some *best practices* that are beneficial to many Organizations. Not all of these *best practices* may fit your Organization due to cost constraints or other limiting parameters. We encourage Management to address each *best practice* and discuss openly with the Finance Committee / Board of Directors.

- Require a background check before hiring any office and accounting candidate. Red flags include personal bankruptcy within the last 5 years; lawsuits filed to prevent foreclosure of assets (by the candidate) or suits filed to demand payment (against the candidate); felony or serious misdemeanor convictions (including items such as check fraud). Background checks are simple to obtain and the cost is fairly nominal, especially in relation to the consequences.
- When using a temporary placement agency, inquire of their process for selecting qualified candidates and if they completed a background check. Not all background checks are the same, and the conversation should include what the background check covered, as well as the findings.
- Management review of disbursements and bank reconciliations: most Organizations have policies in place requiring a management review of both disbursements and bank reconciliations. Most benefit plans remit deferrals, loan payments and employer matching contributions electronically to the custodian or trustee. Management should review the amount withheld, reconcile to the amount remitted, and initial or sign approving the remittance. Be certain the review procedures are actually being performed, and that a *sign-off* is not just occurring. Challenge the process! And if any remittances are subsequently returned in the mail, they should be investigated promptly.
- Review general ledger account coding for deferrals, loan payments, employer matching contributions and disbursements. Ask questions if the account credited or charged isn't the general ledger account where you think it belongs.
- Require vacations: And this doesn't mean just time off. It means those job functions of the person on vacation, to the extent possible, should be completed by another staff member. Questions get asked when someone subs in, and not just because new staff may not understand how to do something. As staffing allows, cross train staff to take over job functions during vacations.
- Discuss "positive pay" for disbursements with your financial institution. This tool is offered by most financial institutions, and is a good way to eliminate check fraud. We have found the service to be inexpensive, as financial institutions understand that check fraud costs money to both you, and many times, the financial institution (if they are found to have been negligent).
- Communicate directly with your engagement partner. Don't allow all conversations regarding the audit to be funneled through your accounting personnel, or through only the staff personnel of the firm. If something is on your mind, don't hesitate to contact your engagement partner. An audit isn't a cookie cutter. Your Organization is unique so you can expect to have unique circumstances and questions. And some of these questions may carry through to the audit process.
