The Plan Administrator, Investment Committee and Management of
Blue Wind 401(k) Plan

Dear Plan Administrator, Investment Committee and Management:

We are pleased to present the results of our audit of the 2023 financial statements of the Blue Wind 401(k) Plan (the "Plan").

This report to the Plan Administrator, Investment Committee and Management summarizes our audit, the report issued and various analyses and observations related to the Plan's accounting and reporting. The document also contains the communications required by our professional standards.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). We considered the Plan's current and emerging business needs, along with an assessment of risks that could materially affect the financial statements, and aligned our audit procedures accordingly. We conducted the audit with the objectivity and independence that you, the Plan Administrator, Investment Committee and Management, expect. We received the full support and assistance of the Plan's personnel.

At Carr, Riggs & Ingram, LLC ("CRI"), we are continually evaluating the quality of our professionals' work in order to deliver audit services of the highest quality that will meet or exceed your expectations. We encourage you to provide any feedback you believe is appropriate to ensure that we do not overlook a single detail as it relates to the quality of our services.

This report is intended solely for the information and use of the Plan Administrator, Investment Committee, Management, and others within the Plan, and should not be used by anyone other than these specified parties.

We appreciate this opportunity to work with you. If you have any questions or comments, please contact me at 832-333-7506 or wsnelson@cricpa.com.

Very truly yours,

Wayne Snelson, Partner

As discussed with the Plan Administrator and Management during our planning process, our audit plan represented an approach responsive to the assessment of risk for the Plan. Specifically, we planned and performed our audit to:

- Perform ERISA Section 103(a)(3)(C) audit, as deemed permissible by the Plan Administrator and pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, in accordance with auditing standards generally accepted in the United States of America (GAAS), in order to express an opinion on the Plan's financial statements for the year ended December 31, 2023;
- Communicate directly with the Plan Administrator and Management regarding the results of our procedures;
- Address with the Plan Administrator and Management any accounting and financial reporting issues;
- Anticipate and respond to concerns of the Plan Administrator and Management; and
- Other audit-related projects as they arise and upon request.

We have audited the financial statements of the Plan for the year ended December 31, 2023, and have issued our report thereon dated January 29, 2025. Professional standards require that we provide you with the following information related to our audit:

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Auditor's responsibility under Generally Accepted Auditing Standards (and if applicable, Government Auditing Standards and the Uniform Guidance)	As stated in our engagement letter dated June 14, 2024 as amended on January 28, 2025, and as described below, we conducted our audit in accordance with GAAS. You have determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information described in Notes 3 and 5), by a qualifying institution, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your responsibilities. As part of our audit, we considered the internal control of the Plan. Such considerations were solely for the purpose of determining our audit procedures

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
	and not to provide any assurance concerning such internal control.
Client's responsibility	Management, with oversight from those charged with governance, is responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; and for the fair presentation in the Plan's financial statements of net assets available for benefits and changes in net assets available for benefits in conformity with the applicable framework. Management is responsible for the design and implementation of programs and controls to prevent and detect fraud. Management is responsible for determining whether (1) an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances; (2) the investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8; (3) the certification meets the requirements in 29 CFR 2520.103-5; and (4) the certified investment information is appropriately measured, presented, and disclosed in accordance with the applicable financial reporting framework. Management is responsible for overseeing nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.
Planned scope and timing of the audit	Our initial audit plan was delayed due to delay in obtaining adequate and complete support resulting in additional time needing to be scheduled and incurred to complete the audit.
Management judgments and accounting estimates <i>The process used by management in forming particularly sensitive accounting estimates and the basis for the auditor's conclusion regarding the reasonableness of those estimates.</i>	Please see the following section titled "Accounting Policies, Judgments and Sensitive Estimates and CRI Comments on Quality."
Potential effect on the financial statements of any significant risks and exposures <i>Major risks and exposures facing the Plan and how they are disclosed.</i>	No such risks or exposures were noted.

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
Significant accounting policies, including critical accounting policies and alternative treatments within generally accepted accounting principles and the auditor's judgment about the quality of accounting principles <i>The initial selection of and changes in significant accounting policies or their application; methods used to account for significant unusual transactions; and effect of significant policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.</i> <i>The auditor should also discuss the auditor's judgment about the quality, not just the acceptability, of the Plan's accounting policies as applied in its financial reporting. The discussion should include such matters as consistency of accounting policies and their application, and clarity and completeness of the financial statements, including disclosures.</i> <i>Critical accounting policies and practices applied by the Plan in its financial statements and our assessment of management's disclosures regarding such policies and practices (including any significant modifications to such disclosures proposed by us but rejected by management), the reasons why certain policies and practices are or are not considered critical, and how current and anticipated future events impact those determinations;</i> <i>Alternative treatments within GAAP for accounting policies and practices related to material items, including recognition, measurement, presentation and disclosure alternatives, that have been discussed with client management during the current audit period, the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the auditor; Furthermore, if the accounting policy selected by management is not the policy preferred by us, discuss the reasons why management selected that policy, the policy preferred by us, and the reason we preferred the other policy.</i>	Significant accounting policies are described in Note 2 to the Plan's financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the Plan's financial statements in the proper period. Certain Plan financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the Plan's financial statements was the disclosure of fair value measurements and contract value of investments in Notes 4 and 5, respectively to the financial statements. The Plan's financial statement disclosures are neutral, consistent, and clear.
Significant difficulties encountered in the audit <i>Any significant difficulties, for example, unreasonable logistical constraints or lack of cooperation by management.</i>	We encountered no significant difficulties in dealing with management in performing and completing our audit.
Disagreements with management <i>Disagreements, whether or not subsequently resolved, about matters significant to the financial accounting, reporting, or auditing matter that could be significant to the financial</i>	We are pleased to report that no such disagreements arose during the course of our audit.

<i>statements. This does not include those that came about based on incomplete facts or preliminary information.</i>	
Other findings or issues <i>Matters significant to oversight of the financial reporting practices by those charged with governance, including any circumstances that could affect the form or content of the report. For example, an entity's failure to obtain the necessary type of audit, such as one under Government Auditing Standards, in addition to GAAS.</i>	None noted.
Matters arising from the audit that were discussed with, or the subject of correspondence with, management <i>Business conditions that might affect risk or discussions regarding accounting practices or application of auditing standards.</i>	None noted.
Corrected and uncorrected misstatements <i>All significant audit adjustments arising from the audit, whether or not recorded by the Plan, that could individually or in the aggregate have a significant effect on the financial statements. We should also inform plan management about uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented, that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Any internal control deficiencies that could have prevented the misstatements.</i>	See "Summary of Audit Adjustments" section.
Major issues discussed with management prior to retention <i>Any major accounting, auditing or reporting issues discussed with management in connection with our initial or recurring retention.</i>	Discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.
Consultations with other accountants <i>When management has consulted with other accountants about significant accounting or auditing matters.</i>	To our knowledge, there were no such consultations with other accountants.
Written representations <i>A description of the written representations the auditor requested (or a copy of the representation letter).</i>	See "Management Representation Letter" section.
Internal control deficiencies and Reportable Findings	See "Internal Control & Reportable Findings" section.

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
<i>Any significant deficiencies or material weaknesses in the design or operation of internal control that came to the auditor's attention during the audit.</i> <i>A reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations (2) a finding that in our professional judgement is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention.</i>	
Fraud and illegal acts <i>Fraud involving senior management, the Plan Administrator or those responsible for internal controls, or causing a material misstatement of the financial statements, where the auditor determines there is evidence that such fraud may exist. Any illegal acts coming to the auditor's attention involving senior management and any other illegal acts, unless clearly inconsequential.</i>	We are unaware of any fraud or illegal acts involving management or causing material misstatement of the Plan's financial statements.
Parties in interest and prohibited transactions <i>Any parties in interest in the plan, prohibited transactions as defined by ERISA, and other reportable transactions.</i>	No prohibited transactions were noted except for the delinquent participant contributions disclosed in the financial statements and supplemental schedule. Transactions with parties-in-interest were properly disclosed in the notes to the Plan's financial statements.
Form 5500 Procedures <i>The external auditor's requirement to obtain and read a substantially complete draft of the Form 5500 prior to dating of the auditor's report. The purpose is to identify any material inconsistencies between the draft 5500 and the Plan's financial statements.</i>	We identified no material Form 5500 inconsistencies in performing and completing our audit.
Other information in documents containing audited financial statements <i>The external auditor's responsibility for information in a document containing audited financial statements, as well as any procedures performed and the results.</i>	Our responsibility related to documents (including annual reports, websites, etc.) containing the Plan's financial statements is to read the other information to consider whether: • Such information is materially inconsistent with the Plan's financial statements; and

MATTER TO BE COMMUNICATED	AUDITOR'S RESPONSE
	• We believe such information represents a material misstatement of fact. We have not been provided any such items to date and are unaware of any other documents that contain the audited financial statements. The Form 5500 will be considered upon completion by the third party administrator to determine if there are any exceptions noted related to the considerations above.
Significant unusual accounting transactions <i>Auditor communication with governance to include auditor's views on policies and practices management used, as well as the auditor's understanding of the business purpose.</i>	No significant unusual accounting transactions were noted during the year.
ERISA Required Supplementary Information in relation to the financial statements as a whole <i>The auditors' responsibility for supplementary information accompanying the financial statements, as well as any procedures performed and the results.</i>	Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accounting Policies, Judgments and Sensitive Estimates & CRI Comments on Quality

We are required to communicate our judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting. We are also required to communicate critical accounting policies and sensitive accounting estimates. Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. Plan management may wish to monitor throughout the year the process used to compute and record these accounting estimates. The table below summarizes our communications regarding these matters.

AREA	ACCOUNTING POLICY	CRITICAL POLICY?	JUDGMENTS & SENSITIVE ESTIMATE	COMMENTS ON QUALITY OF ACCOUNTING POLICY & APPLICATION
Investments	The Plan follows the provisions of Accounting Standards Codification (ASC) 820, <i>Fair Value Measurements</i> , when reporting investments	X	The Plan relies on valuations from the qualified institution for 100% of the asset values. The allocation between Levels 1-3 under ASC 820 is based on a detailed management review of the underlying investments.	Based on the ERISA Section 103(a)(3)(C) procedures we performed with respect to the Plan's investments, we noted that it appears the Plan accounts for investments in accordance with GAAP and all applicable standards and guidelines of ERISA.

During the course of our audit, we accumulate differences between amounts recorded by the Plan and amounts that we believe are required to be recorded under accounting principles generally accepted in the United States of America (U.S. GAAP) and ERISA reporting guidelines. Those adjustments are either recorded (corrected) by the Plan or passed (uncorrected). Uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even if, in the auditor's judgment, such uncorrected misstatement are immaterial to the financial statements under audit.

The there were no adjustments recorded (corrected) by the Plan.

The following is a list of journal entries passed (uncorrected) by the Plan:

Total		21,396.00	21,396.00	

QUALITATIVE MATERIALITY CONSIDERATIONS

In evaluating the materiality of audit differences when they do arise, we consider both quantitative and qualitative factors, for example:

- Whether the difference arises from an item capable of precise measurement or whether it arises from an estimate, and, if so, the degree of imprecision inherent in the estimate.
- Whether the difference masks a change in net assets or other trends.
- Whether the difference changes a net decrease in assets to addition, or vice versa.
- Whether the difference concerns an area of the Plan's operating environment that has been identified as playing a significant role in the Plan's operations or viability.
- Whether the difference affects compliance with regulatory requirements.
- Whether the difference involves concealment of an unlawful transaction.
- Whether the difference involves concealment of a prohibited transaction, or transaction with a party in interest, as defined by ERISA.

This representation letter is provided in connection with your audit of the financial statements of Blue Wind 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements of 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America. The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.

18) All material transactions have been recorded in the accounting records and are reflected in the financial statements.

19) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

20) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

- 27) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 28) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- 30) We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
- 31) All required amendments to and filings of Plan documents with the appropriate agencies have been made. The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended and restated since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
- 32) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor(s) has operated the Plan (and trust) in a manner that did not jeopardize this tax status. - 33) Except as disclosed in the Schedule of Delinquent Participant Contributions, the Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 34) The Plan has complied with the fidelity bonding requirements of ERISA.
- 35) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 36) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

- 37) We acknowledge our responsibility for presenting the Schedule H, line 4(a) – Schedule of Delinquent Participant Contributions and Schedule H, line 4(i) – Schedule of Assets (Held at end of year), in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the Schedule H, line 4(a) – Schedule of Delinquent Participant Contributions and Schedule H, line 4(i) – Schedule of Assets (Held at end of year) are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
- 38) Plan management has represented that there have been no plan or board minutes with an effect on the plan. Plan management is not aware of any events or actions which would require a disclosure or adjustment in the financial statements.
- 39) The Plan administrator acknowledges their responsibility related to the completeness and accuracy of the investment certifications provided by Empower Trust Company, LLC.
- 40) The Company intends to contribute lost earnings related to the 2020, 2021, 2022, and 2023 late remittances to the Plan in 2025.

 - c. Evaluate the adequacy and results of the services performed.
 - d. Accepted responsibility for the results of the services.
 - e. Ensure the Plan's data and records are complete and we have sufficient information to oversee the services.
- 42) We acknowledge that administrative expenses paid by the Plan Sponsor on behalf of the Plan will not be reimbursed by the Plan and the Plan Sponsor will not seek reimbursement of such expenses.
- 43) We, as management, acknowledge our responsibility to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued. There are no such conditions that exist as of the date of this letter that raise such doubt.
- 44) We have reviewed the draft of the audited financial statements prepared by Carr, Riggs & Ingram, LLC and acknowledge our approval of, and responsibility for, those statements to be issued as drafted.

- 45) In 2023, the Plan discovered errors related to an eligible participant not being given the opportunity to participate in the Plan and after consultation with Nova 401(k) Associates, the Company made a qualified non-elective contribution in December 2024 in the amount of \$21,396 (funded by the Company) to correct these errors.

ERISA Required Supplemental Schedules

- 46) We believe the form and content of the Schedule H, line 4(a) – Schedule of Delinquent Participant Contributions and Schedule H, Line 4a – Schedule of Assets (Held at End of Year) are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan Administrator, Investment Committee and Management of
Blue Wind 401(k) Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Blue Wind 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan’s internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Empower Trust Company, LLC as of December 31, 2023, the custodian, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan’s financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

Our consideration of internal control was for the limited purpose described in the first two paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses or significant deficiencies. However, material weaknesses or significant deficiencies may exist that have not been identified.

This communication is intended solely for the information and use of the Plan administrator, investment committee, management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Internal Control & Reportable Findings

The following legend should be used in conjunction with reviewing the “Rating” of each of the identified internal control items:

IP = Improvement Point	D = Control Deficiency	SD = Significant Deficiency	MW = Material Weakness	RF = Reportable Finding *
---------------------------	---------------------------	--------------------------------	---------------------------	------------------------------

**Note – generally control deficiencies, significant deficiencies and/or material weaknesses are deemed to be reportable findings unless otherwise noted. This concept is only relevant for benefit plans.*

CONTROL NUMBER	RATING	AREA	ITEM NOTED	SUGGESTION
2023-1	D	Contributions and Loan Repayments	It was noted that there were contributions and loan repayments that were not remitted timely to the Plan.	Plan management should establish a policy to remit contributions and loan repayments on a timely basis and strictly adhere to that policy. We would recommend the remittances be done on the same date the related payroll taxes are remitted to the IRS.
2023-2	IP	Eligible participants electing not to participate in the Plan	We noted the Plan is not retaining documentation of an eligible participant’s declination to participate in the Plan and there is no evidence employees receive an enrollment packet.	We recommend employees sign a declination form if they choose not to participate in the Plan and to confirm the enrollment packet was received, as the burden of proof would fall upon Plan management to prove the affected participants were given an opportunity to participate.
2023-3	D	Contributions	CRI noted that there was an instance where 401k deferral rates/amounts were not updated resulting in incorrect deductions from a participant’s paycheck.	We recommend Plan management implement procedures to ensure deferral rate/amount adjustments are updated on a timely basis providing for accurate employee deferrals at all times.
2023-4	D	Notes Receivable	CRI noted that although there is an acknowledgement of a loan by participant there is no documentation evidencing the loan terms.	We recommend Plan management establish procedures to ensure there is a signed loan agreement indicating the terms of the loan.

Internal Control & Reportable Findings

CONTROL NUMBER	RATING	AREA	ITEM NOTED	SUGGESTION
2023-5	D	Contributions	CRI noted an instance where an employee's withholdings ceased in 2022 because they exceeded the maximum allowable amount for 2022, and withholdings amounts were not reinstated in 2023 resulting in no contributions being made in 2023.	We recommend procedures be implemented to ensure withholdings for any employees who reach their maximum allowable amount in any year are resumed in the following year.
2023-6	D	Contributions and Loan Repayments	CRI noted there was no evidence of review of payroll changes impacting contributions or loan repayments before payroll was processed.	We recommend Plan management establish procedures to ensure there is a review of payroll changes impacting contributions provided by record keeper with payroll information received from payroll provider before payroll is processed.
2023-7	IP	No review of SOC reports	During the course of the audit we noted that management currently does not review SOC reports applicable to the 401(k) Plan.	We recommend management review all SOC reports and ensure all relevant user control considerations are implemented at the Company as necessary. We would also recommend that review be documented as evidence of the performance of such review.
