Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **SEWARD AND MONDE**

(2) EIN: **06-0530830**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

INDEPENDENT AUDITORS' REPORT

Indian Mountain School Retirement Plan for Faculty and Administrators
Lakeville, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Indian Mountain School Retirement Plan for Faculty and Administrators, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2024 and 2023 and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Indian Mountain School Retirement Plan for Faculty and Administrators and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Indian Mountain School Retirement Plan for Faculty and Administrators' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in

the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Indian Mountain School Retirement Plan for Faculty and Administrators' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Indian Mountain School Retirement Plan for Faculty and Administrators' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2024 and 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such

information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Indian Mountain School Retirement Plan for Faculty and Administrators
Lakeville, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Indian Mountain School Retirement Plan for Faculty and Administrators, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2024 and 2023 and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Indian Mountain School Retirement Plan for Faculty and Administrators and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Indian Mountain School Retirement Plan for Faculty and Administrators' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in

the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Indian Mountain School Retirement Plan for Faculty and Administrators' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Indian Mountain School Retirement Plan for Faculty and Administrators' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2024 and 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such

information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDIAN MOUNTAIN SCHOOL
RETIREMENT PLAN FOR FACULTY AND ADMINISTRATORS
NOTES to FINANCIAL STATEMENTS
June 30, 2024

1 - Plan Description

The following description of the Indian Mountain School Retirement Plan for Faculty and Administrators (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was adopted on January 1, 1951, was most recently restated effective January 1, 2010, and most recently amended effective January 1, 2020. The Plan is a salary deferral plan, which allows immediate participation to eligible employees who are employed by Indian Mountain School, Inc. (the Plan Sponsor). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.

Contributions

Subject to certain limitations imposed by the Internal Revenue Code, plan participants with a compensation deferral agreement may contribute to the Plan on a pre-tax basis and/or after-tax basis (designated Roth contributions) up to 100% of their compensation. Participants who are age 50 or older at any time during the calendar year may make additional contributions, known as catch-up contributions, in accordance with Plan provisions. The Plan Sponsor makes employer contributions after participants have completed two years of service and are age twenty-one or older. Participants must contribute at least 5% in employee deferrals to receive the employer contribution. The Plan Sponsor's employer contribution percentage is equal to 5% of a participant's base earnings during the first 5 years of eligibility service, 6% of a participant's base earnings after 5 years but less than or equal to 9 years of eligibility service, 7% of a participant's base earnings after 9 years but less than or equal to 13 years of eligibility service, or 8% of a participant's base earnings after 13 years of eligibility service. The Plan Sponsor's employer contributions are discretionary and approved by the Board of Trustees. All contributions are subject to overall dollar limits permitted by law.

Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a pooled separate account (a real estate investment fund), registered investment companies, variable annuities, and fixed annuity contracts as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, administrative expenses, and the Plan's earnings (losses) allocated based on account balances, as defined by the Plan.

Vesting

Participants are immediately and fully (100%) vested in the value of their accounts derived from their own contributions, employer contributions and earnings thereon.

Participant Notes Receivable

Participant loans are offered effective October 1, 2016 and are permitted from the Funding Vehicles that are authorized by the Plan Sponsor to receive contributions under the Plan. Participants may borrow from their Pre-tax elective deferrals, Roth elective deferrals and rollover fund accounts, in accordance with Plan provisions, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of 1 percent over the prime rate published by the Wall Street Journal. Interest rates ranged from 4.25 percent to 9.25 percent in 2024 and from 4.25 percent to 7.25 percent in 2023. Principal and interest is paid through bi-weekly payroll deductions.

Payment of Benefits

Benefits are payable upon separation of service, retirement, disability, death or attainment of age 59½. Terminated participants with account balances less than \$5,000 receive automatic lump sum payouts. Participants with account balances greater than \$5,000 may elect to receive benefits in a lump sum, partial payments, installments or annuity contracts. Benefit payments shall be distributed or must begin to be distributed no later than April 1st of the calendar year following the later of: (1) calendar year in which the participant reaches age 73 and (2) the calendar year in which the participant retires. Participants working beyond age of 73 may elect to defer their required distribution until retirement.

Withdrawals

The Plan allows for hardship withdrawals in accordance with the Internal Revenue Service regulations as specified within the Plan. Hardship withdrawals are not permitted from any Funding Vehicle that is not authorized by the Plan Sponsor to receive contributions under the Plan on or after October 1, 2016.

2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because the contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus guaranteed and additional interest, less funds used to pay benefits and administrative expenses. The Plan invests in fixed annuity contracts that contain certain individual participant contracts that are considered to be fully benefit-responsive and others that are not considered to be fully benefit-responsive. However, contract value approximates fair value for not fully benefit-responsive fixed annuity contracts. Therefore, the investment in the not fully benefit-responsive fixed annuity contracts are reported at contract value, which approximates fair value.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's Investment Committee determines the Plan's valuation policies utilizing information provided by Charles Schwab Trust Bank, USI Consulting and TIAA and CREF. Registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at the measurement date. Variable annuities are reported at unit value as reported by independent pricing sources based on the fair value of the underlying assets and liabilities at the measurement date; unit value is used as a practical expedient to estimate fair value. Pooled separate accounts are reported at unit value based on values obtained from independent pricing sources and appraisals on the underlying real estate holdings and securities at the measurement date; unit value is used as a practical expedient to estimate fair value.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable, secured by each respective participant's account are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Participant notes receivable in default are reclassified as deemed distributions based upon the terms of the plan document for 5500 reporting purposes (see Note 12).

Administrative Expenses

Administrative expenses represent fees for plan administrative services, distribution fees, participant loan fees and investment administrative fees when applicable. Distribution, participant loan and investment administrative fees are incurred and paid by each participant that has a distribution, loan or an investment that charges fees. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through January 2, 2025, the date on which the financial statements were available to be issued.

3 - Plan Administration

As of October 1, 2016 the Plan Sponsor entered into an agreement with USI Consulting to act as a co-fiduciary of the Plan. The services provided by USI Consulting are primarily consulting and advisement of the Plan including, but not limited to, investment analysis and reporting, quarterly review of investment performance, and meetings with the Plan sponsor to discuss deficiencies or areas for improvement.

The Plan Sponsor pays all administrative expenses of the Plan, other than fees charged to individual participants' accounts for distributions, participant loans, and investment redemption fees.

4 - Information Certified by the Custodians

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at June 30, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended June 30, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by TIAA, CREF and Charles Schwab Trust Bank, the custodians.

5 - Fixed Annuity Contracts with Insurance Companies

The Plan invests in the TIAA Traditional Account, fixed annuity contracts issued by TIAA, an insurance company. The TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest, generally 3%, but in some recent contracts between 1% and 3%, and the potential for additional interest if declared by TIAA.

Participants who elect to direct their contributions to this account enter into individual contracts with TIAA that provide various options. As a result, the TIAA Traditional Annuity consists of certain individual participant contracts that are considered to be fully benefit-responsive and others that are not considered to be fully benefit-responsive because provisions in the contract contain liquidity restrictions that can limit the participant's ability to make withdrawals from the contract.

At June 30, 2024 and 2023, portions of the TIAA Traditional Annuity that were fully benefit-responsive and not fully benefit-responsive were as follows:

	<u>2024</u>	<u>2023</u>
Fully benefit-responsive	\$ 299,958	\$ 294,344
Not fully benefit-responsive	<u>1,685,841</u>	<u>1,794,426</u>
	<u>\$ 1,985,799</u>	<u>\$ 2,088,770</u>

The investment contracts were credited with interest rates ranging from 4.50% to 6.50% for the year ended June 30, 2024 and from 5.10% to 6.60% for the year ended June 30, 2023.

The Plan is also invested in the Empower Retirement Guaranteed Income Fund, a fully benefit-responsive fixed annuity contract issued by Empower Retirement Insurance and Annuity Company. The balance of the Empower Retirement Guaranteed Income Fund at June 30, 2024 and 2023, was \$213,461 and \$102,198 respectively. Under the terms of the existing contract, the composite crediting rate is currently reset periodically. For the years ended June 30, 2024 and 2023, the crediting rate was 2.25% and 1.40% respectively.

Although Plan management have no intentions of terminating the fixed annuity contracts, certain contract types contain liquidity restrictions on the redemption of TIAA Traditional Annuity and Empower Retirement Guaranteed Income Fund accumulations, which could impact the value realized upon exiting the contracts.

6 - Related Party Transactions

Certain plan investments are managed by an affiliate of TIAA and CREF. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

7 - Plan Loans

TIAA and CREF allows participants to take out loans paid from the general assets of TIAA and CREF and secured by the participant's account balance in the Plan. These loans, known as Plan loans, are not assets of the Plan. Should a participant default on a loan agreement with TIAA and CREF, the balance of the Plan loan is distributed from the participant's account. Interest rates on Plan loans were 4.00% for the year ending June 30, 2023.

Activity on the Plan loans was as follows:

Balance as of July 1, 2022	\$	927
New loans issued		-
Loan principal repaid	(	<u>927)</u>
Balance as of June 30, 2023		<u><u>-</u></u>

There were no plan loans for the year ending June 30, 2024.

8 - Tax Status

The Plan has obtained a determination letter dated March 31, 2017 from the Internal Revenue Service stating that the prototype plan adopted by the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. As of June 30, 2024 and 2023, the plan administrator believes there are no uncertain tax positions taken by the Plan and therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

9 - Plan Termination

Although the Plan Sponsor expects to continue the Plan indefinitely, it retains the right to terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, all amounts credited to the accounts of affected participants would be fully vested and nonforfeitable.

10 - Risks and Uncertainties

Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

11 - Fair Value Measurements

The Plan utilizes the market approach as the valuation technique used to measure the fair value of its financial instruments. U.S. generally accepted accounting principles establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value of financial instruments into three levels:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities where the organization has the ability to access at the measurement date;

Level 2 - Significant other observable inputs other than quoted prices included in Level 1, which are observable for the asset or liability, either directly or indirectly (i.e. quoted prices in inactive markets, broker or dealer quotations, or alternative pricing sources with reasonable levels of price transparency). If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;

Level 3 - Unobservable inputs are used to the extent that observable inputs are unavailable due to little, if any, market activity for the asset or liability. Unobservable inputs are developed based on the best information available, which might include the organization's own data that reflects assumptions that market participants would use in pricing the asset or liability.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investments that are measured at fair value that utilize a net asset value per share (or its equivalent) practical expedient are not categorized within the fair value hierarchy. Investments measured at net asset value per share (or its equivalent) are presented in the following fair value hierarchy table to permit a reconciliation of the fair value hierarchy to the amount presented in the Statement of Net Assets Available for Benefits.

Assets measured at fair value on a recurring basis at June 30, 2024 are as follows:

Description	Total Fair Market Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Investments Measured at Net Asset Value
Fixed annuity contracts (not fully benefit-responsive)	\$ 1,685,841	\$ -	\$ -	\$ 1,685,841	\$ -
Variable annuities	6,782,448	-	-	-	6,782,448
Registered investment companies	4,861,391	4,861,391	-	-	-

Assets measured at fair value on a recurring basis at June 30, 2023 are as follows:

Description	Total Fair Market Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Investments Measured at Net Asset Value
Fixed annuity contracts (not fully benefit-responsive)	\$ 1,794,426	\$ -	\$ -	\$ 1,794,426	\$ -

Investments in variable annuities and the pooled separate account - real estate provide for daily liquidity and have no participant redemption features or other restrictions; the redemption notice period is applicable only to the Plan. There were no unfunded investment commitments at June 30, 2024 and 2023.

There were \$71,161 and \$113,316 of purchases of Level 3 assets for the years ended June 30, 2024 and 2023, respectively. There were no transfers into or out of Level 3 during 2024 or 2023.

The Plan's policy is to recognize transfers in and transfers out of each level as of the actual date of the event or change in circumstances that caused the transfer.

The following table presents information about significant unobservable inputs related to the Plan's investment in Level 3 assets at June 30, 2024:

Type	Fair Value	Valuation Technique	Significant Unobservable Inputs	Range

12 - Reconciliation of Financial Statements to Schedule H of Form 5500

Prior to the 2017 reporting year, the Plan Administrator elected to exclude certain annuity and custodial accounts from the Plan's financial reporting as permitted by Department of Labor Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans (FAB 2009-02). Starting in 2017, the Plan Administrator made the decision to include all known contracts in its financial reporting, including those that were previously excluded under FAB 2009-02. As a result, additional participant account balances of \$4,085,603 and \$3,947,441 and related activity have been included in the Plan's financial reporting for the years ended June 30, 2024 and 2023, respectively.

The following is a reconciliation of net assets available for benefits per the financial statements at June 30, 2024 and 2023 to Schedule H of Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per financial statements	\$ 14,238,988	\$ 12,177,157
