Trujillo Alto, PR

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Barreto Holding Company 1081.01(d) Plan (the plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Barreto Holding Company 1081.01(d) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023, and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Barreto Holding Company 1081.01(d) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Barreto Holding Company 1081.01(d) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Barreto Holding Company 1081.01(d) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Barreto Holding Company 1081.01(d) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants can make pre-tax contributions up to the limitations prescribed under applicable law (\$15,000 during 2023 and 2022), as defined in the Plan.

Each Plan year, the sponsor shall contribute (a) the amount of the total salary deduction of all participants, which amount shall be deemed as the employee deferral contribution and (b) a matching contribution made at the sole discretion of the employer of eligible compensation for each eligible participant, which amount shall be deemed as the employer match contribution. In addition, there may be a discretionary employer contribution based on Plan Sponsor's earnings determined each year by the employer, which amount shall be deemed as the employer profit sharing contribution.

Participants' accounts

A separate account is maintained for each participant in the Plan, reflecting contributions, investments, realized and unrealized investments gains and losses, withdrawals, rollovers, and investment fees. The net value of each participant account is established at the close of each business day through the valuation of each fund's asset at fair value.

Each participant's account is credited with the participant's contribution and an allocation of (a) the Sponsor's contribution, if eligible, (b) and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES

Organization

The Plan was organized and became effective on February 1, 2019.

Basis of presentation

The financial statements of the Plan are presented on the accrual method of accounting. The Plan sponsor is Barreto Holding Company LLC. The trustee and plan administrator of the Plan is Juan R. Barreto Sosa. Empower Retirement serves as trust and recordkeeper of the Plan.

Accounting policies:

Investments valuation and income recognition

The Plan's investments are participant-directed and are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Investments valuation and income recognition - continued

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair value measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources while unobservable inputs reflect the Plan's view of market assumptions in the absence of observable market information.

The Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. In determining fair value, the Plan uses various methods including market, income, and cost approaches.

The Plan categorizes its fair value measurements into a three-level hierarchy based on the priority of the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure fair value fall within different levels of the hierarchy, the category level is based on the lowest priority level input that is significant to the fair value measurement of the instrument in its entirety.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

NOTE B - ORGANIZATION, BASIS OF PRESENTATION, AND ACCOUNTING POLICIES - CONTINUED

Fair value measurements - continued

The Plan categorizes assets and liabilities carried at fair value in the accompanying statement of assets available for benefits as follows:

- Level 1 - Unadjusted quoted prices accessible in active markets for identical assets or liabilities at the measurement date and mutual funds where the value per share (unit) is determined and published daily and is the basis for current transactions.
- Level 2 - Unadjusted quoted prices for similar assets or liabilities in active markets or inputs (other than quoted prices) that are observable or that are derived principally from or corroborated by observable market data through correlation or other means. Primary inputs to this valuation technique may include comparative trades, bid/asks, interest rate movements, U.S. Treasury rates, Secured Overnight Financing Rate (“SOFR”), prime rates, cash flows, maturity dates, call ability, estimated prepayments, and/or underlying collateral values.
- Level 3 - Prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. Inputs reflect management’s best estimate about the assumptions market participants would use at the measurement date in pricing the asset or liability. Consideration is given to the risk inherent in both the method of valuation and the valuation inputs. Primary inputs to this valuation technique include broker quotes and comparative trades.

Changes in observability of significant valuation inputs identified during these reviews may trigger reclassifications. Reclassifications are reported as transfers at the beginning of the period in which the change occurs.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of benefits

Benefits are recorded when paid.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value/net asset value in the accompanying statements of net assets available for benefits.

Mutual Funds

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The market approach is used to measure fair value. Share Prices/Net Asset Values (NAV's) reported on the Plan Summary Reports for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source.

Collective Trust Funds

The net asset value is used as a practical expedient, as defined in ASC 820. This practical expedient is not applied when it is determined to be probable that this fund will sell the investment for an amount different to the reported net asset value. These investments are valued daily based on share prices/NAVs reported which are generally obtained directly from the fund house or the investment provider. The internal pricing analyst and management will review the overall movement of market indices and will apply judgement in determining whether any further research with investment providers will be pursued for share price variances from the prior day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan's fair value hierarchy for those assets measured at fair value on a recurring basis as of December 31, 2023 and 2022 (fair value level 1):

	2023
Mutual funds	<u>\$ 192,532</u>

Collective Trust Funds	<u>\$ 276,363</u>
	<u>2022</u>
Investment measured at net asset value:	
Collective Trust Funds	<u>\$ 187,495</u>

NOTE E - TRANSACTIONS WITH PARTIES-IN-INTEREST

The trustee, recordkeeper, investment advisor and the auditor are parties-in-interest to the Plan. The Plan's audit fees, and Trustee's fee are paid by the Sponsor. Total fees amounted to approximately \$18,000 and \$16,000 during 2023 and 2022, respectively. Fees paid to the trustee and auditors appear to be reasonable for the years ended December 31, 2023, and 2022.

NOTE F - INCOME TAX STATUS

The Department of the Treasury of the Commonwealth of Puerto Rico has ruled that the Plan qualifies under Section 1081.01 (e) of the Income Tax Act of 2011 (the Act), and is, therefore, not subject to income tax under the present income tax law. The Plan is required to operate in conformity with the Act to maintain its qualification. The Plan's Retirement Committee is not aware of any course of action or series of events that have occurred that might affect the Plan's qualified status.

The Plan obtained its latest determination letter on March 26, 2019, in which the Puerto Rico Treasury Department stated that the Plan, as then designed, was in compliance with the applicable requirements of the Puerto Rico Treasury Department. The Plan has been amended since receiving the letter of determination. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Puerto Rico Treasury Department and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023 AND 2022

NOTE G - FINANCIAL INSTRUMENTS, RISK, UNCERTAINTIES AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amount reported in the statement of assets available for benefits.

NOTE H - DISASTER DISTRIBUTIONS

Due to the imminent passage of Tropical Storm Fiona, on September 17, 2022, the Governor of Puerto Rico issued Executive Order No. EO-2022-045, in which he declared Puerto Rico in a state of emergency. In response, the Puerto Rico Treasury Department (the "PRTD") issued on September 27, 2022, Circular Letter No 22-13 ("IR CL 22-13"), to allow eligible Retirement Plan and IRA distributions and provide a preferential tax treatment, subject to the applicable withholding rules and the administrative procedures. Such determination had its eligible period from October 6, 2022, to December 31, 2022.

The Plan permitted active participants up to a maximum of \$10,000 and for terminated participants up to the statutory maximum of \$100,000. As of December 31, 2022, 3 participants made special withdrawals under the Special Disaster Distribution amounting to \$13,760. As of December 31, 2023, 1 participant made a special withdrawal under the Special Disaster Distribution amounting to \$3,811.

NOTE I - DATE OF MANAGEMENT'S REVIEW

Subsequent events were evaluated through January 28, 2025, which is the date the financial statements were available to be issued.

IRS provides relief to Ernesto victims throughout Puerto Rico; various deadlines postponed to Feb. 3, 2025

IR-2024-221, Aug. 23, 2024

WASHINGTON — The Internal Revenue Service announced today tax relief for individuals and businesses throughout Puerto Rico affected by Tropical Storm Ernesto that began on Aug. 13, 2024.

These taxpayers now have until Feb. 3, 2025, to file various federal individual and business tax returns and make tax payments. The IRS is offering relief to any area designated by the [Federal Emergency Management Agency \(FEMA\)](#) .

This means that individuals and households that reside or have a business in any of Puerto Rico's 78 municipalities qualify for tax relief. The current list of eligible localities is always available on the [Tax relief in disaster situations](#) page on IRS.gov.

Filing and payment relief

The tax relief postpones various tax filing and payment deadlines that occurred from Aug. 13, 2024, through Feb. 3, 2025 (postponement period). As a result, affected individuals and businesses will have until Feb. 3,

2025, to file returns and pay any taxes that were originally due during this period.

This means, for example, that the Feb. 3, 2025, deadline will now apply to:

- Any individual, business or tax-exempt organization that has a valid extension to file their 2023 federal return. The IRS noted, however, that payments on these returns are not eligible for the extra time because they were due last spring before the storm occurred.
- Quarterly estimated income tax payments normally due on Sept. 16, 2024, and Jan. 15, 2025.
- Quarterly payroll and excise tax returns normally due on Oct. 31, 2024, and Jan. 31, 2025.

In addition, penalties for failing to make payroll and excise tax deposits due on or after Aug. 13, 2024, and before Aug. 28, 2024, will be abated, as long as the deposits are made by Aug. 28, 2024.

The [Disaster assistance and emergency relief for individuals and businesses](#) page has details on other returns, payments and tax-related actions qualifying for relief during the postponement period.

The IRS automatically provides filing and penalty relief to any taxpayer with an IRS address of record located in the disaster area. These taxpayers do not need to contact the agency to get this relief.

It is possible an affected taxpayer may not have an IRS address of record located in the disaster area, for example, because they moved to the disaster area after filing their return. In these unique circumstances, the affected taxpayer could receive a late filing or late payment penalty notice from the IRS for the postponement period. The taxpayer should call the number on the notice to have the penalty abated.

In addition, the IRS will work with any taxpayer who lives outside the disaster area but whose records necessary to meet a deadline occurring during the postponement period are located in the affected area.

Taxpayers qualifying for relief who live outside the disaster area need to contact the IRS at [866-562-5227](tel:866-562-5227). This also includes workers assisting the relief activities who are affiliated with a recognized government or philanthropic organization. Tax preparers located in the disaster area with clients located outside the disaster area can choose to use the [bulk requests from practitioners for disaster relief](#) option, described on [IRS.gov](https://www.irs.gov).

Additional tax relief

Individuals and businesses in a federally declared disaster area who suffered uninsured or unreimbursed disaster-related losses can choose to claim them on either the return for the year the loss occurred (in this instance, the 2024 return normally filed next year), or the return for the prior year (the 2023 return filed this year). Taxpayers have extra time – up to six months after the due date of the taxpayer’s federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. For individual taxpayers, this means Oct. 15, 2025. Be sure to write the FEMA declaration number – **3610-EM** – on any return claiming a loss. See [Publication 547, Casualties, Disasters, and Thefts](#), for details.

Qualified disaster relief payments are generally excluded from gross income. In general, this means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See [Publication 525, Taxable and Nontaxable Income](#), for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and allows the taxpayer to spread the income over three years. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

The tax relief is part of a coordinated federal response to the damage caused by this storm and is based on local damage assessments by FEMA. For information on disaster recovery, visit DisasterAssistance.gov .

Reminder about tax return preparation options

- Eligible individuals or families can get free help preparing their tax return at [Volunteer Income Tax Assistance \(VITA\)](#) or [Tax Counseling for the Elderly \(TCE\)](#) sites. - To find an AARP Tax-Aide site, use the [AARP Site Locator Tool](#)  or call [888-227-7669](tel:888-227-7669).
- Any individual or family whose adjusted gross income (AGI) was \$79,000 or less in 2023 can use [IRS Free File's guided tax software](#) at no cost. There are products in English and Spanish.
- Another Free File option is [Free File Fillable Forms](#). These are electronic federal tax forms, equivalent to a paper 1040 and are designed for taxpayers who are comfortable filling out IRS tax forms. Anyone, regardless of income, can use this option.
