Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of **Servicios Legales de Puerto Rico, Inc. Cash or Deferred Arrangement Profit Sharing Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 **Servicios Legales de Puerto Rico, Inc. Cash or Deferred Arrangement Profit Sharing Plan** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023, stating that the certified investment information, as described in Note (3) to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of **Servicios Legales de Puerto Rico, Inc. Cash or Deferred Arrangement Profit Sharing Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Servicios Legales de Puerto Rico, Inc. Cash or Deferred Arrangement Profit Sharing Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Servicios Legales de Puerto Rico, Inc. Cash or Deferred Arrangement Profit Sharing Plan's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Servicios Legales de Puerto Rico, Inc. Cash or Deferred Arrangement Profit Sharing Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter:

Department of Labor Administrative Review

As further disclosed in Note 9 to the financial statements, the Plan has been subject to an administrative review from the Department of Labor, with respect to the Plan's compliance with the ERISA. As a consequence of this administrative review, certain procedures are being performed by the Department of Labor over the Plan's assets as of December 31, 2022, which were audited by the predecessor auditor which has not been completed at the date of our audit report. Consequently, the accompanying financial statements do not include any adjustments that might result from the outcome of these procedures. Our opinion is not modified with respect to this matter.

Other Matters:

2023 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H-Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2022 Financial Statements

The financial statements of **Servicios Legales de Puerto Rico, Inc. Cash or Deferred Arrangement Profit Sharing Plan** as of December 31, 2022 were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 11, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements December 31, 2023 and 2022

(1) Description of the Plan:

The following description of the Servicios Legales de Puerto Rico, Inc. Cash or Deferred Arrangement Profit Sharing Plan ("the Plan") provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

(a) General -

The Plan is a defined contribution profit sharing plan with cash or deferred arrangement established with an originally effective date of October 16, 2000, and with an amended effective date of January 15, 2015. The Board of Directors of the Plan Sponsor and the Plan Administrator Committee are responsible for oversight of the Plan. The Plan's Administrator Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On September 27, 2022, Administrative Determination No. 22-08 was issued by the Puerto Rico Treasury Department allowing financial hardship withdrawals by reason of Hurricane Fiona, as provided in Section 1081.01 (b)(1)(D) and 1081.02 (d)(1)(i) of the Internal Revenue Code for a New Puerto Rico of 2011 ("New Code").

There were 204 and 202 participants with account balances in the Plan as of December 31, 2023 and 2022, respectively.

(b) Eligibility -

The Plan covers substantially all employees, except for leased, temporary and seasonal employees, of Servicios Legales de Puerto Rico, Inc. ("Plan Sponsor"), who are aged 21 or older with one year of service and are residents of Puerto Rico.

(c) Contributions -

Each year, participants may contribute up to \$15,000 of pre-tax annual compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers contributions).

Participants direct all or a portion of the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty (20) mutual funds investment options for participants.

The Plan Sponsor makes matching contributions equal to 100% of the pretax contributions up to 6% of compensation to non-union participants and up to 4% of compensation for union participants.

(d) Participant accounts -

An account is maintained for each participant, credited with the participant's contribution, and allocations of: (i) the employer's contribution, (ii) plan earnings, and (iii) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested portion of the amount accumulated in the participant's account.

(e) Vesting -

Participants are immediately vested in their contributions plus actual earnings thereon. Participants' vesting in the Plan Sponsor contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after completing three (3) years of service.

In addition, the Plan allows for hardship distributions if certain criteria are met.

(h) **Forfeited accounts** -

(2) **Summary of significant accounting policies:**

(a) **Basis of accounting** -

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

(b) **Basis of presentation** -

The Plan's fiscal year ends on December 31st of each year. All references to years in these notes to financial statements represent calendar years unless otherwise noted.

The Plan has evaluated subsequent events through February 3, 2025, the date the financial statements were available to be issued.

(c) **Use of estimates** -

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(d) **Investment valuation and income recognition** -

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (4) for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

(e) **Risk and uncertainties** -

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of certain investment securities

Notes to Financial Statements December 31, 2023 and 2022

will occur in the near term and that such changes, could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

(f) **Excess contributions payable** -

Amounts payable to participants for contributions in excess of amounts allowed by the Puerto Rico Treasury Department are recorded as a liability with a corresponding reduction to contributions. See Note (5).

(g) **Benefits payments** -

Benefits payments to participants are recorded when paid.

(h) **Administrative expenses** -

The investments of the Plan are administered by a trustee appointed by the Board of Directors of the Plan Sponsor. The Plan's expenses are paid either by the Plan or the Plan Sponsor, as provided by the plan document. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investment presented in the accompanying statement of changes in net assets available for benefits.

(i) **Reclassifications** -

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

(3) **Certified investment information:**

The Plan Administrator having determined that it is permissible in the circumstances elected to have the audits of the Plan performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the investments' information included in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year) were obtained or derived from information obtained by the Plan Administrator and certified as complete and accurate by Banco Popular de Puerto Rico, qualified institution, and in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Banco Popular de Puerto Rico, the trustee of the Plan, held the Plan's investment assets and executed investment transactions as of December 31, 2023 and 2022, and for the year ended December 31, 2023.

Information obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Banco Popular de Puerto Rico, a qualified institution.

- Investments at fair value as shown in the statements of net assets available from benefits as of December 31, 2023 and 2022.

 - Net appreciation in fair value of investments in the amount of \$1,259,195.
 - Interest and dividend income in the amount of \$227,426.
- The information for all investments in the schedule of assets (held at end of year) as of December 31, 2023 as shown in the ERISA-required supplemental schedule.

(4) Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, Fair Value Measurement, are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability; and
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Interest-bearing deposits – The carrying amount of interest-bearing deposits are reasonable estimates of the fair value due to the demand nature of the instruments.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements December 31, 2023 and 2022

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at fair value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 8,264,467	\$ -	\$ -	\$ 8,264,467
Interest-bearing deposits ***	1,852,066	-	-	1,852,066
Investments at fair value	<u>\$ 10,116,533</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,116,533</u>

Assets at fair value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,846,352	\$ -	\$ -	\$ 6,846,352
Interest-bearing deposits ***	1,705,787	-	-	1,705,787
Investments at fair value	<u>\$ 8,552,139</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,552,139</u>

*** The Plan maintains interest-bearing deposits in a financial institution, which at times may exceed the amount insured by the Federal Deposit Insurance Corporation (FDIC) limit of \$250,000. The Plan has not experienced any losses in such accounts.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic condition or model-based valuation techniques may require transfer of financial instruments from one fair value to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2023, there was no transfer in or out of levels 1, 2 or 3.

(5) Excess participant's contributions:

The Plan failed to pass the Average Deferral Percentage (ADP) test for the year ended December 31, 2023. Excess participant's contributions amounting to \$4,729 were recorded as a liability in the accompanying statements of net assets available for benefits as of December 31, 2023. During February 2024, the Plan reimbursed the 2023 excess contributions to the corresponding participants.

Notes to Financial Statements December 31, 2023 and 2022

(6) Related-party and party-in-interest transactions:

Certain Plan investments are managed by the Trustee, and therefore, these transactions qualify as party in interest transactions. The Trustee receives an administrative fee, for the services performed under the Plan Agreement, which is paid by the Plan Sponsor without reimbursement by the Plan. Administrative fees paid by the Plan Sponsor for the year ended December 31, 2023 were \$34,320. There were no prohibited transactions with party-in-interest during the year ended December 31, 2023.

(7) Plan termination:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and prior approval of the Puerto Rico Treasury Department. In the event of the Plan's termination, the rights of all affected participants in their accounts, up to the date of such termination, shall become non-forfeitable.

(8) Tax status:

The Puerto Rico Treasury Department has determined and informed the Plan by a letter dated May 2, 2013, but effective January 1, 2011, that the Plan and related trust are designed in accordance with applicable sections of the Puerto Rico Internal Revenue Code of 2011 (the Code) and the Internal Revenue Circular Letter No. 11-10 of December 16, 2011 (the IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and the IRC and that, therefore, the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Puerto Rico Treasury Department. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) Subsequent event:

The U.S. Department of Labor (DOL) completed its examination of our fiscal year 2022 5500 Annual Report in the second quarter of fiscal year 2024. The return for that year is subject to an appeal proceeding, which we anticipate will be concluded by the third quarter of fiscal year 2025. The Employee Benefits Security Administration is assessing a penalty of \$130,000 against the Plan Administrator. We expect the outcome of the appeal proceeding will not result in a material change to the Plan's financial statements.
