INDEPENDENT AUDITORS' REPORT

The Administrative Committee
ISS-Marine Services, Inc. Retirement Savings Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of ISS-Marine Services, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the 2023 financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2023 financial statements.

In preparing the 2023 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2023 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and the Schedule of Delinquent Contributions are presented for purposes of additional analysis and are not a required part of the 2023 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ISS-MARINE SERVICES, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 1 - PLAN DESCRIPTION

The following description of the ISS-Marine Services, Inc. (the Company) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed December 20, 2001, when the Inchcape Retirement Savings Plan was divided into three plans because of the split of Inchcape Shipping Services, Inc. The Plan covers certain employees of the Company who are age nineteen or older.

Contributions. Each year participants may contribute up to the maximum percentages allowable, but not to exceed the annual dollar limit allowed under the Internal Revenue Code, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes matching contributions of 100% of the first 3% of compensation that a participant contributes the Plan. The matching Company contribution is invested in a portfolio of investments in the same proportion as other participant investments. The Company may make an additional discretionary matching contribution equal to a uniform percentage of salary deferrals.

Participant accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants who were employed prior to January 1, 2022 are immediately 100% vested in the Company's contribution portion of their accounts. Participants hired on or after January 1, 2022 are 100% vested after 3 years of service.

Trustee and Third Party Administrator. The Plan uses Reliance Trust Company as Trustee, and Transamerica Retirement Services as third party administrator (TPA). Effective June 28, 2024, the Plan appointed Transamerica Trust Company as the new trustee.

Notes receivable from participants. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of 50% of the vested account balance, not to exceed \$50,000. A participant may only have one loan outstanding at any time. The loans are secured by the participant's account and bear a reasonable rate of interest, as determined quarterly by Plan administration. Principal and interest are paid ratably through bi-weekly payroll deductions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2023 AND 2022

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Payment of benefits. On termination of service due to death, disability, or retirement, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship distributions are permitted from the participant's elective deferral and rollover balances. In-service distributions may be made once a participant reaches age 59 1/2.

Forfeitures. Forfeitures totaled \$36,428 for the year ended December 31, 2023. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$61,103 and \$24,198, respectively. These accounts are used to reduce future employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences could be material.

Investment valuation and income recognition

The Plan's investments are stated at fair value as provided and certified by the Trustee, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the Trustee and TPA. See Note 4 for discussion of fair value measurements. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initial permitted transactions under the terms of the Plan. See Note 5 for discussion on fully benefit-responsive investment contracts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Loans are secured by the balance of the indebted participant's account. All outstanding notes receivable from participants at December 31, 2023 and 2022 are considered collectible.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses not paid for by the Plan are absorbed by the Plan sponsor.

Subsequent events

Subsequent events have been evaluated through February 3, 2025, which is the date the financial statements were available to be issued.

NOTE 3 - PLAN ADMINISTRATION

The Plan's administrative functions are performed by officers or employees of the Company, which serves without compensation. The Company is responsible for accurate books and records with respect to its employees for purposes of administering the Plan.

ISS-MARINE SERVICES, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2023 AND 2022

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts reported at contract value) in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

Investments held by the Plan are valued as follows:

Mutual funds. Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

Fair value of assets measured on a recurring basis at December 31, 2023 and 2022, were as follows:

	<u>Fair Value</u>	<u>Level 1</u>
<u>December 31, 2023</u>		
Mutual funds	\$ <u>9,867,955</u>	\$ <u>9,867,955</u>
Investments, at fair value	\$ <u>9,867,955</u>	\$ <u>9,867,955</u>
<u>December 31, 2022</u>		
Mutual funds	\$ <u>8,578,367</u>	\$ <u>8,578,367</u>
Investments, at fair value	\$ <u>8,578,367</u>	\$ <u>8,578,367</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2023 AND 2022

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Transamerica Stable Value Core Option (the contract) is a fully benefit-responsive investment contract with Transamerica Life Insurance Company (TLIC). The contract assets are based on the unallocated general account of TLIC. The credited interest rate is backed by the income received from assets held in the general account. The account is credited with earnings and charged for participant withdrawals and administrative expenses. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract because the fund is fully benefit-responsive. At December 31, 2023 and 2022, the fund is presented at contract value of \$2,236,208 and \$2,267,940, respectively and has earned an annual return of 1.17% and 0.83%, respectively. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a semi-annual basis for resetting. Contract value, as reported to the Plan by TLIC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Benefit-responsive investment contracts are designed to permit participant withdrawals relating to activities such as investment option transfers, retirement withdrawals, and inservice withdrawals in accordance with the Plan to occur at contract value.

However, certain events limit the Plan's ability to transact at contract value. Such events include the following:

1. amendments to the Plan documents (including complete or partial plan termination or merger with another plan);
2. changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions;
3. bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that significantly affect the Plan's normal operations;
4. the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or;
5. premature termination of the contract.

At this time, the Plan Sponsor does not believe the occurrence of any such events that would limit the Plan's ability to transact at contract value with the participants is probable.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2023 AND 2022

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The investments information included in the accompanying financial statements and supplemental schedules, in total, including investments held at December 31, 2023 and 2022, and net appreciation in fair value, dividends and interest for the year ended December 31, 2023 was obtained from data prepared by the Trustee of the Plan and provided to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan Sponsor adopted a prototype non-standardized profit-sharing plan written by Transamerica Retirement Solutions, Inc. The Plan received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which stated that the plan was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is, therefore, qualified and exempt from taxation.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2023 AND 2022

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - PARTY-IN-INTEREST TRANSACTIONS

Transamerica Retirement Services, Inc. is the recordkeeper as defined by the Plan and, therefore, transactions with this party qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping and other administrative services to Transamerica Retirement Services, Inc. were \$16,279, for the year ended December 31, 2023.

NOTE 11 - DELINQUENT PARTICIPANT CONTRIBUTIONS

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, line 4a), certain Plan contributions were not remitted within the time frame specified by the Department of Labor's Regulation 29 (CFR 2510.3-102), thus constituting nonexempt prohibited transactions between the Plan and the School for the year ended December 31, 2023. The Company remitted all amounts due and owing the Plan subsequent to year end.
