## INDEPENDENT AUDITOR'S REPORT

The Plan Committee of  
Armstrong Garden Centers, Inc. 401(k) Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Armstrong Garden Centers, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended July 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 31, 2024 and 2023 and for the year ended July 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT (Continued)**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

## INDEPENDENT AUDITOR'S REPORT (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule of Assets (Held at End of Year) as of July 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## INDEPENDENT AUDITOR'S REPORT (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulation for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Armstrong Garden Centers, Inc. 401(k) Plan**  
**Notes to Financial Statements**

**1. DESCRIPTION OF PLAN**

The following description of Armstrong Garden Centers, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Armstrong Garden Centers, Inc. (the Company) under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC for the benefit of eligible employees of the Company who have attained the age of 21 and have completed 6 months of service. Eligible participants enter the Plan on the first day of the month coinciding with or next following the date the employee satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute a certain percentage of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the Plan year-end are also able to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans or certain individual rollover accounts. Each year, the employer shall determine the amount of the matching contribution, if any, related to the participant's salary deferrals; in addition, the participating employer may make a discretionary profit sharing contribution for participants who are employed on the last day of the Plan year. For the year ended July 31, 2024, the Board of Directors approved an employer matching contribution equal to 15% of the first 4% of participants' contributions. Contributions are subject to certain limits.

Participant Accounts

Participants direct the investment of their contributions into various investment options (over 30 different funds) offered by the Plan. Each participant's account is credited with the participant's contributions and related employer matching contribution, if any, and an allocation of (a) the employer discretionary profit sharing, if any, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their individual participant accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed 5 years, unless it is used to purchase the participant's principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. At July 31, 2024 and 2023, interest rates were between 3.25% to 8.50%. Principal and interest are normally paid ratably through payroll deductions.

**Armstrong Garden Centers, Inc. 401(k) Plan  
Notes to Financial Statements**

**1. DESCRIPTION OF PLAN (Continued)**

Payment of Benefits

Upon retirement, disability, death or termination of employment, a participant may elect to receive lump-sum distribution in an amount equivalent to their vested account balance. Installment distributions are only allowed for age 73 minimum distributions. In-service withdrawals are permitted under certain circumstances, such as meeting certain financial hardship conditions.

Forfeited Accounts

The nonvested portion of terminated participants' accounts is deemed forfeited upon the participant separating from service. At July 31, 2024 and 2023, forfeited nonvested accounts totaled \$5,443 and \$2,648, respectively. The forfeited accounts are used to reduce future employer contributions or to pay Plan expenses. During the year ended July 31, 2024, \$2,691 were used to reduce employer contributions.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in discretionary contribution after six years of credit service. A year of credit service means a Plan Year during which an employee completes at least 1,000 hours of service.

The following is the Plan's vesting schedule for matching and discretionary contributions:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Armstrong Garden Centers, Inc. 401(k) Plan**  
**Notes to Financial Statements**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein; and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for disclosures regarding fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Investment related expenses are included in net appreciation of fair value in investments.

Notes Receivable from Participants

Notes receivable from participants are stated at the unpaid principal balance. Interest income associated with the notes receivable is recorded when interest payments are received, usually biweekly. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of July 31, 2024 and 2023. If a participant ceases to make loan repayments and has a distributable event, the participant loan balance is reduced and a benefit payment is recorded.

**Armstrong Garden Centers, Inc. 401(k) Plan**  
**Notes to Financial Statements**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding entry to corrective distributions.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan related to plan administration and investment advisory services are paid by the Plan, while certain other fees are paid directly by the Company, at its option, and are excluded from these financial statements. Fees related to the payment of benefits or to the administration of notes receivable from participants are charged directly to the participant's account by the Plan recordkeeper and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**3. CERTIFIED FINANCIAL INFORMATION**

Certain information related to investments and notes receivable from participants reflected in the accompanying financial statements and supplemental schedule, which include investments and notes receivable from participants at July 31, 2024 and 2023, and net appreciation in fair value of investments, dividends, interest and capital gains from investments, and interest income from notes receivable from participants for the year ended July 31, 2024, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan, in accordance with Section 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy with the related inputs to the valuation methodology are described as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets that the Plan has the ability to access.

Level 2 - Significant other observable (directly or indirectly) inputs, including quoted prices for similar assets in active markets or in inactive markets and other market observable inputs such as interest rate, credit risks, etc.

**Armstrong Garden Centers, Inc. 401(k) Plan  
Notes to Financial Statements**

**4. FAIR VALUE MEASUREMENTS (Continued)**

Level 3 - Significant unobservable inputs, including the Plan's own assumptions in determining the fair value of investments.

Following is a description of the valuation methodologies used for the Plan's investment assets measured at fair value. There have been no changes in the methodologies used at July 31, 2024 and 2023.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level within the fair value hierarchy the Plan's investment assets at fair value as of July 31, 2024 and 2023:

<u>As of July 31, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>25,185,889</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>25,185,889</u>
 <u>As of July 31, 2023</u>	 <u>Level 1</u>	 <u>Level 2</u>	 <u>Level 3</u>	 <u>Total</u>
Mutual funds	\$ <u>20,364,251</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>20,364,251</u>

**5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan's investment in the Stable Value Focus Option is a fully benefit-responsive investment contract (traditional) with Transamerica Life Insurance Company, and is therefore reported at contract value. Contract value is the relevant measure for a fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

Transamerica Life Insurance Company maintains the Plan funds in its general account and are considered evergreen (no maturity date), with no market value adjustment upon discontinuance. Transamerica Life Insurance Company, as the guaranteed investment contract issuer, is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Prior to January 1st and July 1st, the effective annual rate of interest is established for the corresponding six month period. Interest is credited based upon the daily balance at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six month period. When establishing interest crediting rates for this product, Transamerica Life Insurance Company considers many factors, including current economic and market conditions, the general interest rate environment and both the expected and actual experience of a reference portfolio with the issuer's general account. These rates are established without the use of a specific formula. There is no stated minimum or maximum interest rate for this investment.

**Armstrong Garden Centers, Inc. 401(k) Plan  
Notes to Financial Statements**

**5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)**

Normally while the contract is active, transfers among investment options and distributions to participants will be made immediately. If the Plan sponsor wishes to remove this stable value investment, Transamerica Life Insurance Company may impose a hold up to a 270-day period, if the most recently announced upcoming credited rate has increased or has not changed. It also may impose a hold period at the contract level in the event of a full contract discontinuance, partial contract discontinuance, or certain transfers. Additionally, under limited circumstances, Transamerica Life Insurance Company may impose up to a 12-month delay period on all plan level withdrawal requests from the Plan sponsor.

**6. TAX STATUS**

The Plan currently conforms to a volume submitter profit sharing 401(k) plan, which the Plan obtained its latest determination letter on June 30, 2020 from the Internal Revenue Service that the Plan is acceptable under section 401(a) of the IRC. Accordingly, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the Plan terms and the applicable requirements of the IRC, and believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

**7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Transamerica Life Insurance Company and affiliates (collectively Transamerica) who is the recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Transamerica provides certain administrative services to the Plan and Transamerica receives credits from mutual fund service providers for services Transamerica provides to the funds. This credit is used to offset certain amounts owed to Transamerica for its administrative services to the Plan.

If the credits received by Transamerica from such mutual fund service providers exceeds the amount owed, Transamerica remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During the year ended July 31, 2024, the excess revenue credits of \$111,787 have been reflected as other income. The Plan or Company may make a payment to Transamerica for administrative expenses not covered by the credits.

**Armstrong Garden Centers, Inc. 401(k) Plan**  
**Notes to Financial Statements**

**7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (Continued)**

Fees paid to Transamerica, Reliance Trust Company and other services providers amounted to \$225,368. The above transactions, including notes receivable from participants, qualify as allowable party-in-interest transactions for which there are statutory exemptions.

**8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values on investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**9. SUBSEQUENT EVENTS**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through January 24, 2025, which is the date the financial statements were available to be issued.
