INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Wayne Action Group for Economic Solvency, Inc.
401(A) Thrift Plan
Goldsboro, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of 401(A) Thrift Plan of Wayne Action Group for Economic Solvency, Inc. (WAGES), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 401(A) Thrift Plan of Wayne Action Group for Economic Solvency, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section –

- the amounts and disclosures in the 2023 financial statements referred above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of 401(A) Thrift Plan of WAGES and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(A) Thrift Plan of WAGES's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 401(A) Thrift Plan of WAGES's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(A) Thrift Plan of WAGES's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held (At Year End) and Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of 401(A) Thrift Plan of WAGES as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified

institution. Their report dated October 16, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2023 and 2022

A. DESCRIPTION OF PLAN

The following description of the 401(A) Thrift Plan of Wayne Action Group for Economic Solvency (WAGES), Inc., ("Plan"), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. *General.* The Plan, effective January 1, 1968, is a non-contributory money purchase pension plan for all the employees of WAGES except substitutes, with six months of service following the date of employment. The Plan assets are held in trust by Mutual of America Life Insurance Company as custodian of assets.
2. *Contributions.* Contributions are provided for employees who have six months of service. The plan does not permit contributions by participants. The Plan Sponsor contributed 8% of the participants' compensation for the plan year.
3. *Participant Accounts.* Each participant's account is credited with the allocation of the contribution by WAGES and the Plan earnings related to those contributions. Allocations are based on participant earnings or account balance, as defined.
4. *Vesting.* Vesting service is the total of an employee's countable periods of service without regard to hours of service. Employer contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

Participants will automatically become 100% vested upon attainment of early retirement age (55), normal retirement age (65), or retirement due to disability or death.

5. *Payment of Benefits.* Upon termination of service, a participant with an account valued at less than \$1,000 shall receive a lump sum distribution. For accounts between \$1,000 and \$5,000, the participant may elect a lump sum distribution, or roll over the distribution to another qualified plan or IRA. If no election is made the account must be rolled over to an IRA.
6. *Plan loans.* Through 2020, participants could borrow against their investment accounts. In 2022, note receivable from participants were converted to plan loans. Currently, loans are not permitted under this Plan. All plan loans were issued directly by funds owned by Mutual of America Life Insurance Company (Mutual of America) and are secured by the value held in the participant's investment account within the Plan (i.e., loan proceeds are not removed from a participant's account balance). At any time, the participant's account value in the Plan must be equal to 120% of the Plan loan in order to ensure adequate collateralization. Plan loans bear interest at a variable rate as determined by Mutual of America equal to the interest crediting rate of the Interest Accumulation Account plus 3%. Interest rates are adjusted by Mutual of America no less than once a year. Plan loans must be repaid within 5 years. If the loan was used for the purchase of a principal residence, the loan term can be extended to a period of no more than 10 years. Principal and interest is paid through semi-monthly installments deducted through payroll. As of December 31, 2023, there were Plan loans due to Mutual of America secured by Plan assets of \$27,671. As of December 31, 2022, there were Plan loans due to Mutual of America secured by Plan assets of \$60,747.
7. *Forfeited accounts.* As of December 31, 2023 and 2022, forfeited, non-vested accounts totaled \$0 and \$0, respectively. These accounts will be used to reduce future employer contributions. Also, in 2023, employer contributions were reduced by \$18,716 from forfeited nonvested accounts.

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2023 and 2022

B. SUMMARY OF ACCOUNTING POLICIES

1. *Basis of Accounting.* The financial statements of the Plan are prepared on the accrual basis of accounting.
2. *Estimates.* The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.
3. *Investment Valuation and Income Recognition.* Investments are reported at fair value (except for the fully benefit-responsive contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note H for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. *Investments.* The Plan's investments are managed by Mutual of America Life Insurance Company. Mutual of America negotiates and selects fixed income accounts, group annuity contracts and mutual funds as investment vehicles for plan assets. These investments are made at the direction of the Plan participants.
5. *Payment of Benefits.* Benefits are recorded when paid.
6. *Administrative Expenses.* The Organization may pay administrative and trust expenses in whole or in part. All expenses not paid by the Organization shall be paid by the Plan. The Organization also pays the salaries of the benefits administrators and other personnel who perform services for the Plan as part of their duties, as well as the audit fees. These expenses are not recorded as Plan expenses.

C. CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2023 and 2022, and net appreciation/depreciation in fair value of investments, interest on annuity contracts, and other income for the year ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from the information certified as complete and accurate by Mutual of America Life Insurance Company.

D. TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

E. GROUP ANNUITY CONTRACT WITH MUTUAL OF AMERICA LIFE INSURANCE COMPANY

In 2022, the Plan entered into a guaranteed annuity contract with Mutual of America Life Insurance Company (Mutual) totaling \$133,448 for 2023 and \$128,248 for 2022. Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**401(A) THRIFT PLAN OF
WAYNE ACTION GROUP FOR ECONOMIC SOLVENCY, INC.**
NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2023 and 2022

Mutual's general account is reported at contract value. The concept of benefit responsiveness does not apply to Mutual's general account. This concept generally applies to guaranteed investment contracts (GICs), whereby the employer enters into the contract with a set amount of money, and the interest rate is guaranteed for a set period of time. The employer agrees not to withdraw the funds early; however, if funds are needed to pay retirement claims, they can be withdrawn from the GIC without penalty (i.e., they are "benefit responsive"). The funds are always available to pay benefits, subject to the plans vesting schedule. Since the employer does not control participant assets, the need for the plan to be benefit responsive is not relevant.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

F. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

G. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in certain funds managed by Mutual of America. Mutual of America is the custodian of the Plan's assets and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the plan for investment management services are included in net appreciation in fair value of pooled separate accounts. For the years ending December 31, 2023 and 2022, net administration fees of \$756 and \$2,217, respectively, were paid to Mutual of America.

H. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Pooled Separate Accounts. Pooled separate accounts are valued at the net asset value ("NAV") of units of a fund. The NAV, as provided by Mutual of America, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying mutual funds registered with the Securities and Exchange Commission held by the fund, as determined by quoted prices of identical assets in an active market, less it liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate account, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

In accordance with ASC 820-10, certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient are not classified in the fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2023 and 2022

The following table sets forth additional disclosures of the Plan's separate account investments, classified by major category, whose fair value is based on net asset value (NAV) per share as of December 31, 2023 and 2022, respectively.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
<u>December 31, 2023</u>				
Pooled Separate Accounts	\$3,487,387	\$0	Daily	None
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
<u>December 31, 2022</u>				
Pooled Separate Accounts	\$2,883,154	\$0	Daily	None

I. COSTS ABSORBED BY PLAN SPONSOR

Administrative costs absorbed by the Plan sponsor totaled \$10,500 and \$14,000 for the years ended December 31, 2023 and 2022, respectively.

J. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

K. SUBSEQUENT EVENTS

Subsequent events were evaluated through January 16, 2025, the date the financial statements were available to be issued.

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

IRS announces tax relief for victims of Hurricane Helene in North Carolina; various deadlines postponed to May 1, 2025

NC-2024-08, Oct. 1, 2024

WASHINGTON — The Internal Revenue Service announced today tax relief for individuals and businesses in the entire state of North Carolina that were affected by Hurricane Helene that began on Sept. 25, 2024. These taxpayers now have until May 1, 2025, to file various federal individual and business tax returns and make tax payments.

Following the disaster declaration issued by the Federal Emergency Management Agency (FEMA) [↗](#), individuals and households that reside or have a business in the entire state qualify for tax relief.

Affected taxpayers with returns and payments with due dates postponed until Feb. 3, 2025, due to Tropical Storm Debby in North Carolina (NC-2024-07) will also now have until May 1, 2025, to file and/or pay.

The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after Sept. 25, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025. As a result, affected individuals and businesses will have until May 1, 2025, to file returns and pay any taxes that were originally due during this period.

The May 1, 2025, filing deadline applies to:

- Individuals who had a valid extension to file their 2023 return due to run out on Oct. 15, 2024. The IRS noted, however, that because tax payments related to these 2023 returns were due on April 15, 2024, those payments are not eligible for this relief.
- Calendar-year corporations whose 2023 extensions run out on Oct. 15, 2024.

The May 1, 2025, deadline also applies to any payment normally due during this period, including the quarterly estimated tax payments due on Jan. 15 and April 15, 2025. The May 1, 2025, deadline also applies to the quarterly payroll and excise tax returns normally due on Oct. 31, 2024, and Jan. 31, and April 30, 2025. In addition, penalties on payroll and excise tax deposits due on or after Sept. 25, 2024, and before Oct. 10, 2024, will be abated as long as the tax deposits are made by Oct. 10, 2024.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at 866-562-5227 to request this tax relief. Tax preparers located in the disaster area with clients located outside the disaster area can choose to use the Bulk requests from practitioners for disaster relief option, described on IRS.gov.

Covered disaster area

The localities listed above constitutes a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until May 1, 2025, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after Sept. 25, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025.

Affected taxpayers that have an estimated income tax payment originally due on or after Sept. 25, 2024, are postponed through May 1, 2025, will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before May 1, 2025.

The IRS also gives affected taxpayers until May 1, 2025, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (Dec. 10, 2018), that are due to be performed on or after Sept. 25, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after Sept. 25, 2024, and before May 1, 2025, are postponed through May 1, 2025, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after Sept. 25, 2024, and before Oct. 10, 2024, will be abated as long as the tax deposits were made by Oct. 10, 2024.

Casualty losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. In this instance, the 2024 return normally filed next year), or the return for the prior year (the 2023 return filed this year). Taxpayers have extra time – up to six months after the due date of the taxpayer’s federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. See Publication 547 for details. Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see Form 4684, Casualties and Thefts [PDF](#) and its instructions [PDF](#). Affected taxpayers claiming the disaster loss on their return should put FEMA disaster declaration number, FEMA-3617--EM on any return. See Publication 547 for details.

Other relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned FEMA declaration number **(3617-EM)**, in bold letters at the top of Form 4506, Request for Copy of Tax Return [PDF](#), or Form 4506-T, Request for Transcript of Tax Return [PDF](#), as appropriate, and submit it to the IRS.

Qualified disaster relief payments are generally excluded from gross income. This means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See Publication 525 for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and allows the taxpayer to spread the income over three years. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may download forms and publications from the official IRS website, [IRS.gov](https://www.irs.gov).

Reminder about tax return preparation options

- Eligible individuals or families can get free help preparing their tax return at Volunteer Income Tax Assistance (VITA) or Tax Counseling for the Elderly (TCE) sites.
