INDEPENDENT AUDITOR'S REPORT

To the Retirement Committee
Saber Fitness/Planet Fitness-401K Plan
16R Via Toscana, Suite #3020
Salem, NH 03079

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed the audits of the financial statements of Saber Fitness/Planet Fitness-401K Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets in liquidation as of April 30, 2024 and December 31, 2023, and the related statement of changes in net assets in liquidation for the 4 month period ended April 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Saber Fitness/Planet Fitness-401K Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of April 30, 2024 and December 31, 2023, and for the period ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Emphasis of Matter - Terminating Plan

As further discussed in Note 5 to the financial statements, the Plan's sponsor, elected to terminate the plan as of December 12, 2022. In accordance with accounting principles generally accepted in the United States of America, the plan has changed its basis of accounting from the ongoing plan basis to the liquidation basis of accounting for the 4 month period ended April 30, 2024 and year ended December 31, 2023. Our opinion is not modified with respect to this matter.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the liquidation basis of accounting.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the of liquidation basis of accounting described in Note 1; this includes determining that the liquidation basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financials are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the liquidation basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the liquidation basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of Period) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

General: The Plan was adopted on January 1, 2022 and terminated on December 12, 2022. The Plan is a defined contribution plan qualifying under section 401 of the Internal Revenue Code (IRC) is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers all employees of Saber Fitness/Planet Fitness (the "Company"). The Company is also the Plan Administrator.

Age and service requirements: In order to be a participant in this plan, employees must have attained age 21 and completed three months of service with the Company. Participants are eligible to make salary reduction contributions immediately upon entry to the Plan.

Contributions: Under the Plan, participants may elect to make a minimum contribution ("deferrals") of 1% up to a maximum of 90% of eligible compensation (as defined in the Plan Document) to their employee accounts in amounts up to the maximum allowed under Sections 415(c), 402(g) and 401(k) of the IRC. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

Taxes: Participants are not taxed on their pre-tax deferrals, on the employer contributions allocated to their accounts, or on earnings thereon until these amounts are distributed.

Vesting: Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Participants are also immediately vested in any rollover contributions plus actual earnings thereon. In addition, participants are immediately vested in safe harbor contributions. Vesting in other employer contributions is based on years of continuing service. A participant is 100% vested after five years of credited service. As of December 12, 2022 all participants are 100 % vested due to plan termination.

Forfeited accounts: Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures will be used to reduce employer contributions or to pay expenses of the Plan.

Investment options: Upon enrollment in the Plan, a participant may choose to direct contributions to any combination of various investment options offered by the Plan.

Payment of benefits: The Plan provides for withdrawals in the event of retirement, termination, death, or disability. The form of benefit payment (RMD, annuity, or lump sum distribution) is determined by the participant and Custodian under ERISA requirements. The Plan also provides for participants to withdraw funds at any time after age 59 ½.

Participants may take hardship withdrawals prior to termination of employment in the amount of \$500 or more, if they meet the requirements outlined in the Plan Document.

NOTES TO FINANCIAL STATEMENTS

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$500 to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range from one to five years. The notes are collateralized by the balance in the participant's account and bear interest at prime rate plus 2%. A participant may have no more than two notes outstanding at any time.

Funding policy: Bi-weekly deferrals are withheld from active participants' wages. These deferrals are remitted to Reliance Trust Company, the "Custodian", and are invested based on the instructions provided by the participant. Safe harbor matching contributions and other employer contributions, if any, are remitted on an annual basis to the Custodian, and are also invested based on the instructions provided to ADP by the participant. No contributions were made to the Plan during the period ended April 30, 2024.

Income tax status: The Internal Revenue Service (IRS) has determined and informed the Plan Administrator by a letter dated October 6, 2020 that the Plan is designed in accordance with the applicable section of the IRC and is therefore not subject to tax under present income tax law. The Plan has been amended since the determination letter was received, however the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan adopted the provisions of FASB ASC 740, Accounting for Uncertainty in Income Taxes. Accordingly, management has evaluated the Plan's tax positions and concluded the Plan has maintained its tax-exempt status, does not have any significant unrelated business income and has taken no uncertain tax positions that require adjustment or disclosure in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. Federal tax authorities for years before 2021.

Participant accounts: Each participant's account is credited with the participant's salary deferrals and allocations of the employer discretionary contribution, if applicable. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Note 2. Significant Accounting Policies

Valuation of investments: Saber Fitness/Planet Fitness-401K (the "Plan") includes investments in registered investment companies and common collective trusts that are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

The changes in the difference between value and the cost of investments and realized gains and losses are reflected in the statements of changes in net assets available for plan benefits - liquidation basis as an increase or decrease in realized and unrealized appreciation or depreciation in the value of investments.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income are recorded on the cash basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS

Estimates and assumptions: The preparation of financial statements requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and changes therein, and the disclosure of contingent assets. Accordingly, actual results may differ from those estimates.

Payment of benefits: Benefits are recorded when paid.

Accounting method: The Plan prepares its financial statements on the liquidation basis of accounting. Under this method, contributions and other amounts are recognized when deposited into the Plan and interest and dividends earned but not deposited on investments are not accrued. Investments are stated at fair value. The liquidation basis of accounting is a basis of accounting other than generally accepted accounting principles.

Note 3. Investments

The Fair-Value Measurements topic of the FASB ASC 820-10 defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles and expands disclosures about fair-value measurements. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs are other than quoted prices that are observable for the asset or liability. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

SABER FITNESS/PLANET FITNESS-401K PLAN

NOTES TO FINANCIAL STATEMENTS

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2024 and December 31, 2023:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at net asset value (NAV) calculated by the fund manager based on the underlying investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of April 30, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	-
Common collective trust	-	-	-	-
	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>-</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 78,334	\$ -	\$ -	78,334
Common collective trust	-	45	-	45
	<u>\$ 78,334</u>	<u>\$ 45</u>	<u>\$ -</u>	<u>\$ 78,379</u>

Note 4. Costs and Expenses

Some of the costs and expenses associated with the operations of the Plan were paid by the Company for the period ended April 30, 2024.

Note 5. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Plan was terminated on December 12, 2022. All plan assets were distributed on April 23, 2024. Participants have become 100% vested in their accounts as of the termination date.

Note 6. Information Certified by the Plan's Custodian (Unaudited)

The Plan Administrator has elected the methods of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

	April 30, 2024	December 31, 2023
Investments:		
Mutual funds	\$ -	\$ 78,334
Common collective trusts	-	45
<i>Total</i>	<u>\$ -</u>	<u>\$ 78,379</u>
Period ended April 30,		2024
Investment income:		
Net appreciation in fair value	\$	2,948
Other income		198
<i>Total</i>	<u>\$</u>	<u>3,146</u>

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

Note 7. Transactions with Parties-in-Interest

The Company provides to the Plan certain accounting and administrative services for which no fees are charged to the Plan. Certain employees providing these services also are eligible contributing participants in the Plan. These transactions qualify as party-in-interest transactions and therefore are exempt under the provisions of ERISA, and are not considered prohibited transactions, and do not need to be reported in the supplementary schedules of Form 5500.

The Plan invests in shares of registered investment companies and money market funds that are managed by an affiliate of Reliance Trust Company. Reliance Trust Company acts as trustee for the funds listed in the Supplemental Schedule of Assets included herein. Transactions in such investments qualify as party-in-interest transactions, which are also exempt from the prohibited transaction rules.

Note 8. Risk and Uncertainties

The Plan provides for a combination of various investment options. Investments are exposed to various risks, such as interest rate, credit and market. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amount reported in the statements of net assets in liquidation and the statement of changes in net assets in liquidation.

Note 9. Subsequent Events

The Plan has evaluated subsequent events through January 17, 2025, the date which the financial statements were available to be issued and have not evaluated subsequent events after that date. No subsequent events were identified that would require disclosure in the financial statements for the period ended April 30, 2024.
