Independent Auditors' Report

**The Board of Directors of
Cantata Health, LLC**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Cantata Health, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of March 12, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2021 to March 12, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (a qualified institution).

Management has obtained a certification from a qualified institution as of March 12, 2021, and for the period from January 1, 2021 to March 12, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other matter – Merger of Plan

As discussed in Note 1 to the financial statements, on March 12, 2021, the assets of Cantata Health, LLC 401(k) Plan were merged with the assets of Meta Pharmacy Systems, Inc. 401(k) Profit Sharing Plan. During 2021, the Meta Pharmacy Systems, Inc. 401(k) Profit Sharing Plan changed its name to the PHH 401(k) Plan. As a result, the Plan ceased to exist as of March 12, 2021. Our opinion is not modified with respect to these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

1. Description of Plan

The following description of the Cantata Health, LLC 401(k) Plan (the "Plan") is provided for general information only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was formed on April 1, 2017 (inception) and was a defined contribution plan that covered substantially all employees of Cantata Health LLC (the "Sponsor" or "Employer"). Employees were excluded from participating in the Plan if: (1) the employee was an employee of a unit that was covered under a collective bargaining agreement provided that the collective bargaining agreement did not provide for participation in the Plan; (2) the employee was a leased employee; and (3) the employee was a non-resident alien. Employees had to attain 21 years of age to participate in the Plan. There was no service requirement for participation in the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On March 12, 2021, the assets of the Plan were merged with the assets of Meta Pharmacy Systems, Inc. 401(k) Profit Sharing Plan. During 2021, the Meta Pharmacy Systems, Inc. 401(k) Profit Sharing Plan changed its name to the PHH 401(k) Plan. As a result, the Plan ceased to exist as of March 12, 2021.

Contributions

Each year, participants could contribute up to 100% of their eligible compensation on a pre-tax, after-tax, or Roth basis, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year were eligible to make catch-up contributions. There was an annual limit as to the amount that can be deducted from compensation that was determined by the Internal Revenue Code ("IRC"). Participants could also contribute amounts representing distributions from other qualified retirement plans. Participants directed the investment of their contributions into various investment options offered by the Plan.

The Plan provided for a discretionary Employer matching contribution to the Plan. For the period January 1, 2021 to March 12, 2021, the Employer matching contribution was calculated as 50% of a participant's elective deferrals up to 3% of their eligible compensation.

The Plan also provided for discretionary Employer profit sharing contributions in an amount determined by the Employer. For the period January 1, 2021 to March 12, 2021, there were no Employer profit sharing contributions made to the Plan.

Participant Accounts

Each participant's account was credited with the participant's contribution and allocations of (a) Employer contributions and (b) Plan earnings (losses) thereon. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

<u>Years of Vesting Service</u>	<u>Percent Vested</u>
Less than 3 years	0%
3 or more years	100%

Forfeitures

Upon termination of employment, participants forfeited their non-vested balances. Forfeitures were retained in the Plan and could be used to either reduce future Employer matching contributions or Plan expenses. At March 12, 2021 and December 31, 2020, forfeited non-vested accounts totaled \$0 and \$35,650. During 2021, no forfeitures were used to reduce Employer contributions or Plan expenses. 1. Description of Plan (*continued*)

Payment of Benefits

Benefits were paid upon retirement, age 59 ½, death, permanent disability, or other termination of employment. Upon termination of service, a participant's balance could be paid in a lump-sum amount equal to the participant's account balance. Benefits could also be distributed in the event of a participant's immediate and heavy financial need. Such distributions, which were considered withdrawals, are subject to restrictions as to use of the proceeds. Upon termination if a participant's vested account is \$5,000 or less, the participant could receive the value of his or her account in a single lump-sum distribution.

Notes Receivable from Participants

Participants could borrow from their accounts a minimum amount of \$1,000 up to a maximum amount of \$50,000 or 50 percent of their account balance. Loan terms range from one to five years or up to thirty years for the purchase of a primary residence. The loans were secured by the balance in the participant's account with a reasonable interest rate as determined by the plan administrator based on the prevailing interest rates. A participant could not have more than one loan outstanding at any given time. Principal and interest were paid ratably through semimonthly payroll deductions.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Fair Value Measurements

The Plan followed U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient are not categorized within the fair value hierarchy.

2. Summary of Significant Accounting Policies (*continued*)

Investment Valuation and Income Recognition

The Plan's investments were stated at fair value. The mutual funds and money funds held by the Plan were valued at fair value based on the daily closing price as reported by the funds. All of these funds were open-ended and were registered with the Securities and Exchange Commission. These funds were required to publish their daily NAV and to transact at that price. These funds were deemed to be actively traded. The common/collective trusts were valued at the NAV of units held by the Plan. The NAV, as provided by the trustee of each fund, was used as a practical expedient to estimate fair value. The NAV was based on the fair value of the underlying investments held by the fund less its liabilities. Common stocks were valued at the closing price reported on the active market on which the individual securities were traded. The self-directed brokerage accounts consisted of: common stocks, mutual funds, and money funds.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation in fair value of investments included the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceased to make loan repayments and the plan administrator deemed the participant loan to be in default, the participant loan balance was reduced and a benefit payment was recorded.

Payments of Benefits

Distributions were recorded when paid.

Expenses

Certain expenses of the Plan were paid by the Employer and were excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net depreciation of fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is April 29, 2024.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements including investments and notes receivable from participants held at December 31, 2020, and net depreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the period from January 1, 2021 to March 12, 2021 was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Trust Company, LLC, a qualified institution.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	Level 1	Other Investments Measured at NAV *	Total
Mutual Funds	\$ 23,254,766	\$ -	\$ 23,254,766
Common/Collective Trusts	-	3,757,469	3,757,469
Self-Directed Brokerage Accounts	<u>1,606,217</u>	<u>-</u>	<u>1,606,217</u>
	<u>\$ 24,860,983</u>	<u>\$ 3,757,469</u>	<u>\$ 28,618,452</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

5. Common/Collective Trusts

The Wilmington Trust CIT III for MetLife Group Annuity Contract No. 25554, the BlackRock Equity Index Fund R, the BlackRock Mid Cap Equity Index Fund R, and the BlackRock Russell 2000 Index Fund R (collectively the "Funds") were common/collective trusts that were formed for the purpose of allowing collective investments by plan sponsors of retirement plans. Wilmington Trust, N.A. served as trustee of the Funds.

Units of Funds were valued each day on which the New York Stock Exchange ("NYSE") was open for trading in accordance with the valuation procedures established by the Trustee. The NAV per unit of the Funds was calculated as of the close of trading on the NYSE. The NAV per unit was computed by dividing the total fair value of the assets of a Fund, less its liabilities, by the total number of units outstanding at the time of such computation. The Funds sold new units and repurchased outstanding units on a daily basis. Unit purchases and redemptions were transacted at the NAV per fee class of the Funds determined as of the close of business each day. Investment income earned was reinvested in the Funds and included in the determination of unit values.

6. Tax Status

The Internal Revenue Service ("IRS") issued an opinion letter to the prototype plan document preparer dated March 31, 2014, which states that the form of the prototype plan qualifies under the applicable provisions of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examination by taxing jurisdictions; however, there are currently no examination for any tax periods in progress.

7. Party-in-Interest Transactions

Participants who were active employees could borrow from their accounts and such loans qualified as exempt party-in-interest transactions under ERISA.
