INDEPENDENT AUDITORS' REPORT

Board of Directors
Green Leaf, Inc.
Employees' 401K Retirement Plan
Fontanet, Indiana

Opinion

We have audited the accompanying financial statements of Green Leaf, Inc. Employees' 401(K) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of July 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Green Leaf, Inc. Employees' 401(K) Retirement Plan as of July 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Green Leaf, Inc. Employees' 401(K) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Green Leaf, Inc. Employees' 401(K) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Green Leaf, Inc. Employees' 401(K) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Green Leaf, Inc. Employees' 401(K) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules on pages 12 through 13, together referred to as “supplemental information”, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

GREEN LEAF, INC.
EMPLOYEES' 401K RETIREMENT PLAN

Notes to Financial Statements

July 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of Green Leaf, Inc. Employees' 401(K) Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and was established effective August 1, 1998. The Plan was amended and restated effective May 1, 2021.

The Plan covers all employees of Green Leaf, Inc. (Company). Employees may enter the Plan on the first day of the month on or after the date on which the employee first completes 60 days of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

a. Elective Deferral Contributions

Each employee who becomes a participant may elect to have elective deferral contributions made to the Plan on his or her behalf. The Company will redirect a portion of the participant's compensation (not in excess of certain limitations) in amount not less than 1% and not more than 100%. Each participant who becomes eligible to have contribution deferrals made to the plan, will, after receiving prior notification, automatically be deemed to have elected to defer 3% of their compensation, (6% after October 1, 2022), unless a deferral election form is completed indicating an alternative deferral rate. Under no circumstances may an employee contribute an amount exceeding that allowed by the Internal Revenue Service (2024-\$23,000 and 2023-\$22,500). Also, eligible participants, who have reached the age of 50 by the close of the plan year, may make an additional "catch up" contribution in an amount up to \$7,500 for 2024 and \$7,500 for 2023.

b. Rollover Contributions

An employee who is entitled to receive an Eligible Rollover Distribution from another qualified plan in an amount not less than \$500 may contribute the Eligible Rollover Distribution into a Rollover account under the Plan.

c. Matching Contributions

Employer matching contributions consist of a safe harbor match and a discretionary match. The safe harbor match contribution is calculated based upon 100% of a participant's salary deferred that does not exceed 1% of compensation plus 50% of a participant's salary deferrals between 1% and 6% of compensation. The maximum safe harbor match contribution is 3.5% of compensation. The discretionary matching contribution is determined every year and is allocated to participants as a uniform percentage of Matched Employee Contributions.

Notes to Financial Statements - Continued
July 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN - continued

d. Non-Elective Contributions

The Company may make a discretionary non-elective contribution to the Plan. Such contributions are allocated to participants who have completed one year of service and are either employed on the last day of the plan year or completed 501 hours of service during the plan year. The contribution is allocated pro rata in the ratio that each participant's Plan Compensation bears to the Plan Compensation of all eligible participants.

Participant Accounts

Each participant must direct that his Individual Account be invested in one or any combination of the investment accounts made available. Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution (b) Plan earnings, and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based upon participant contributions or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in all their accounts, other than matching and non-elective contribution accounts, including actual earnings thereon.

The vested percentage of the matching and non-elective contribution accounts is based on completed years of vesting service as shown below. A year of service is defined as any plan year in which a participant completes 1,000 hours of service.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

The nonvested portion of a terminated participant will be forfeited unless they return to employment within five years. Amounts forfeited from a participant's account may be used to restore forfeitures, reduce or reallocate employer contributions, or pay Plan expenses.

Forfeitures of \$32,630 and \$3,670 were used to reduce employer contributions or pay Plan expenses for the year ended July 31, 2024 and 2023, respectively.

Notes to Financial Statements - Continued
July 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF PLAN - continued

Payment of Benefits

After termination of employment, a participant, or in case of death, his beneficiary is paid a lump sum amount equal to the vested value of his account. The Plan can make involuntary cash outs of participant account balance less than \$5,000.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Administrative Costs

During 2024 and 2023, the Company absorbed some of the administrative costs of the Plan.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

A summary of significant accounting policies applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Allowance for Credit Losses

The allowance for credit losses is zero at July 31, 2024 and 2023.

Valuation of Investments

Investments are stated at estimated current fair value, which is determined using a uniformly applied method, which includes using quoted market prices. Credits and charges are made to participant accounts pursuant to the Plan document to reflect gains or losses on these investments.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 - TAX DETERMINATION LETTER

The Plan utilizes a Retirement Plan Concepts and Services, Inc. non-standardized pre-approved profit sharing plan document. The non-standardized pre-approved profit sharing plan's latest determination letter is dated November 30, 2020. In the determination letter the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Department of Labor. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. As of July 31, 2024, the plan's federal tax returns for the last three years are open for examination as each year's return will remain open for examination for three years.

NOTE 4 - ADMINISTRATION OF PLAN ASSETS

The trustees of the Plan have the overall responsibility and authority to manage and control the operation and administration of the Plan. The trustees have contracted with Retirement Plan Concepts and Services, Inc. as a third party administrator to perform administrative functions. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some of the administrative expenses of the plan are paid directly by the Company.

NOTE 5 - FAIR VALUE MEASUREMENT

The Plan adopted the FASB Accounting Standards Codification No. 820 (ASC 820), *Fair Value Measurements*, on January 1, 2008. ASC 820 requires the Plan to classify its assets and liabilities into three levels based on the method used to value the assets or liabilities. Level 1 values are based on quoted prices in active markets for identical securities. Level 2 values are based on significant observable market inputs, such as quoted prices for similar securities and quoted prices in inactive markets. Level 3 values are based on significant unobservable inputs that reflect the fund's determination of assumptions that market participants might reasonably use in valuing the securities. The valuation levels are not necessarily an indication of the risk or liquidity associated with the underlying investment.

	Level 1- Quoted Prices in Active Markets	Level 2- Other Observable Inputs	Level 3- Unobservable Inputs
Cash equivalents	\$ 29,450	\$ -	\$ -
Mutual funds	<u>8,191,149</u>	<u>-</u>	<u>-</u>
	\$ <u>8,220,599</u>	\$ <u>-</u>	\$ <u>-</u>

All investments at July 31, 2024 and 2023 are participant-directed.

The following is a description of the valuation methodologies used for assets measured at fair value.

Cash equivalents - fair value is determined by reference to quoted market prices.

Mutual funds - fair value is determined by reference to the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 6 - UNALLOCATED NET ASSETS

Employer contributions of \$0 and \$28,915 for the years ended July 31, 2024 and 2023, respectively, were not allocated to participant accounts until after year end. Additionally, non-vested, forfeited accounts totaling \$0 and \$9,535 at July 31, 2024 and 2023, respectively, were available to offset future employer contributions.

NOTE 7 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 28, 2025, the date which the financial statements were available for issue and concluded nothing occurred requiring adjustment to the financial statements or disclosures in the notes to the financial statements.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - PLAN AMENDMENTS

Effective October 1, 2022, the Plan was amended to change the eligibility and automatic enrollment date to sixty days after an employee is hired. The initial automatic enrollment deferral rate was also increased from 3% to 6%.
