INDEPENDENT AUDITORS' REPORT

**To the Trustees of
Wholesale Supply Group, Inc.
401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the accompanying financial statements of Wholesale Supply Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of July 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended July 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Wholesale Supply Group, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 31, 2024 and 2023, and for the year ended July 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wholesale Supply Group, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Period Financial Statements

The financial statements as of July 31, 2023, were audited by Harting, Bishop & Arrendale, PLLC, who merged with Johnson, Hickey & Murchison, P.C. as of February 16, 2024, and whose report dated November 29, 2023, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wholesale Supply Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wholesale Supply Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wholesale Supply Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WHOLESALE SUPPLY GROUP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2024

(1) DESCRIPTION OF PLAN

The following description of the Wholesale Supply Group, Inc., 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Wholesale Supply Group, Inc. (the Company) who have one year of service and are age twenty-one or older if hired on or after November 1, 1993. Anyone hired prior to November 1, 1993 is immediately eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established on August 1, 1993.

Contributions

Participants direct the investment of their contributions into an insurance investment contract offered by the Plan. The participants have various investment options within the insurance contract. The Company contributes 50 percent of the first 3 percent of base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the option of the Company's board of directors.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are vested 20 percent in account balances after two years of service and an additional 20 percent for each succeeding year. An employee is 100 percent vested after six years of service.

Payment of benefits

Upon disability, retirement, termination of service, or death, a participant or beneficiary may elect to receive a lump-sum payment equal to the value of his account, or in installments over a fixed period of time. If a participant dies before retirement, his death benefits will be paid to his beneficiary in an amount equal to 50 percent of the participant's life annuity. All participants must begin withdrawing benefits no later than April 1st following the year in which the age of 70-1/2 is attained.

Forfeited accounts

At July 31, 2024 and 2023, forfeited nonvested accounts totaled \$1,645 and \$91, respectively. These accounts will be used to reduce future employer contributions. No employer contributions were reduced from forfeited nonvested accounts in 2024 or 2023.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year..

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will receive their non-forfeitable accrued benefit.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of withdrawals and certain advisory services are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Payment of benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
JULY 31, 2024

(3) CERTIFIED INVESTMENTS AND INVESTMENT INCOME

The Plan has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower has certified that the following information, as well as the investment information in the notes to the financial statements and information included in the supplemental schedule as of and for the years ended July 31, 2024 and 2023 are complete and accurate.

	<u>2024</u>	<u>2023</u>
Investments at fair value	\$ 6,051,484	\$ 5,211,903
Investments at contract value	\$ 460,194	\$ 387,961
Net appreciation of investments	\$ 1,009,652	
Interest and dividend income from investments	\$ 5,878	

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(4) INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 1993, the Company entered into a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company. Great-West maintains the contributions in the general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great West, represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at July 31, 2024 and 2023 was \$460,194 and \$387,961.

WHOLESALE SUPPLY GROUP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2024

(4) INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents, (2) failure to comply with any provision contained in the contract, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (4) failure to qualify or becomes disqualified under Internal Revenue Code Section 401(a), as amended, or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. The plan administrator does not believe that any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include (1) the total amount of deposit received by the Company in the preceding twelve months is less than \$25,000, (2) the sum of all Participant Annuity Account Values falls below \$25,000, (3) the Group Contract holder fails to make deposits which been deducted from participants' paychecks within 90 days of the date on which such deduction was made, (4) transfers to investment vehicles outside the Group Annuity Contract exceed 10% of the value of the Guaranteed and Variable sub accounts at the beginning of the calendar year

(5) FAIR VALUE MEASUREMENTS

FASB ASC 820-10 defines fair value as the price the Plan would receive upon selling an investment in an orderly transaction to an independent buyer in the principal or most advantageous market for the investment. FASB ASC 820-10 established a three tier hierarchy of inputs to establish a classification of fair value measurements for disclosure purposes. The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted market prices that are observable for the asset or liability; (4) inputs that are derived principally from corroborated observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Pooled separate accounts - while some pooled separate accounts may have publicly quoted pricing inputs, the account values of separate accounts are not publicly quoted and are therefore classified as level 2 investments.

WHOLESALE SUPPLY GROUP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2024

(5) FAIR VALUE MEASUREMENTS (continued)

The categorization of fair value measurements of the Plan's assets by input level at July 31, 2024 and 2023, are as follows:

<u>July 31, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ -	\$ 6,051,484	\$ -	\$ 6,051,484
Investment at contract value				460,194
Total investments				<u>\$ 6,511,678</u>

<u>July 31, 2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ -	\$ 5,211,903	\$ -	\$ 5,211,903
Investments at contract value				387,961
Total investments				<u>\$ 5,599,864</u>

Gains and losses included in changes in net assets available for benefits for the years ended July 30, 2024 and 2023, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended July 31, 2024 and 2023, there were no transfers of investments into or out of Level 3.

(6) PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Great-West Life & Annuity Insurance Company, the custodian as defined by the Plan, and are managed by Empower Retirement Advisory Services and Ray M. Donohoo, advisors to the plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$5,672 for the year ended July 31, 2024.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

WHOLESALE SUPPLY GROUP, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
JULY 31, 2024

(7) INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated November 14, 2022, that the plan is qualified, under the Internal Revenue Code (IRC). Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified as of the financial statement date. Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

(8) RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(9) SUBSEQUENT EVENTS
