BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Mary Campbell Center 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Mary Campbell Center 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Mary Campbell Center 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Mary Campbell Center 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTER - SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023

Note 1 - Description of Plan.

The following description of the Mary Campbell Center 401(k) Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan was formed on July 1, 1984 for the benefit of the employees of the Mary Campbell Center, Inc. (Employer). The Plan is a "salary reduction plan". It is also called a "401 (k) plan". The Plan is subject to the Employee Retirement Income Security Act of 1974 and all requirements of Section 401 (k) of the Internal Revenue Code.

PARTICIPATION

Employees who are 21 years of age and older are eligible to participate in the Plan on January 1, April 1, July 1, and October 1 following the consecutive 3-month period (commencing on the employee's date of hire) of employment.

CONTRIBUTIONS

Employees are auto enrolled for a 3% deferral but may choose to reduce their compensation by up to the IRS maximum allowable amount and have these amounts contributed to the Plan. The Employer will make a contribution equal to 50% of the salary reduction the employee elects to defer, however, only salary deferrals up to 6% of annual compensation will be considered. The Employer may make a discretionary 3% profit sharing contribution to eligible participants hired prior to July 1, 2002. Participants may also roll over amounts representing distributions from other eligible retirement plans. A profit-sharing contribution of \$668 was made for the year ended June 30, 2024.

PARTICIPANT ACCOUNTS

Each participant's account is credited with their salary reduction amount and with an allocation of (a) the employer's contribution, and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are fully (100%) vested in all participant salary reduction amounts, roll over contributions and related earnings. Employer matching contributions, discretionary profit-sharing contributions and related earnings are subject to a vesting schedule based upon the participant's years of service, as follows:

<u>YEARS OF VESTING SERVICE</u>	<u>VESTED PERCENTAGE</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

MARY CAMPBELL CENTER 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023 (CONTINUED)

Note 1 - Description of Plan (Continued).

VESTING (Continued)

Participants shall be fully vested in their entire account upon the attainment of age 62 or upon their death or disability prior to termination.

FORFEITURES

Forfeitures are used to reduce Employer Contributions or to reduce administrative expenses of the Plan. Forfeitures of \$21,560 were used to reduce employer contributions in 2024. No forfeitures were available at either June 30, 2024 or 2023 to reduce employer contributions and administrative expenses.

INVESTMENT OPTIONS

The Plan offers various investment options in which a participant may elect to invest. A participant may change their investment option specification with respect to contributions to be made in the future and with respect to amounts already in their Individual Account by giving notice of the change to the Plan using either an automated phone line or the internet.

PAYMENT OF BENEFITS

Upon retirement (age 62 or later), disability, or death, the participant will receive 100% of their account balance. Account balances that do not exceed \$1,000 are distributed in a lump sum payment and balances that exceed \$1,000 can be distributed in the form of a lump sum payment or in the form of partial payments. If the participant's employment terminates for reasons other than retirement, disability, or death, they will be entitled to receive only their vested percentage of their account balance at time of break in service and the remainder of their account will be forfeited. Hardship withdrawals and loans are not permitted by the Plan.

Note 2 - Summary of Accounting Policies.

BASIS OF ACCOUNTING

The accounting records of the Plan are maintained on the accrual basis.

INVESTMENTS VALUATION AND INCOME RECOGNITION

Investments in Mutual Funds and the Common/Collective Trust are valued at the net asset value per share computed for each mutual fund. In the computation of net asset values, securities held by the various funds are valued at prices which equal or approximate market value (quoted market prices). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on the investments bought and sold as well as held during the year. Realized gains and losses from security transactions are reported on the average price-per-share cost basis.

MARY CAMPBELL CENTER 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023 (CONTINUED)

Note 2 - Summary of Accounting Policies (Continued).

CONTRIBUTIONS

The Plan is funded through employee and employer contributions to a pension fund (trust) managed and operated by a custodian. Contributions from plan participants and matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

EXCESS PARTICIPANT CONTRIBUTIONS

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events, in accordance with accounting principles generally accepted in the United States of America through December 18, 2024, the date that the financial statements were available to be issued.

INFORMATION (UNAUDITED) PREPARED AND CERTIFIED BY THE CUSTODIAN

Note 4 – Investments.

FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices to active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

MARY CAMPBELL CENTER 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023 (CONTINUED)

Note 4 – Investments (Continued).

FAIR VALUE OF INVESTMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. These funds held by the Plan are deemed to be actively traded.

Common/Collective Trust - Valued at net asset value ("NAV") of units of a collective investment trusts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) occur daily. At June 30, 2024 and 2023, there were no unfunded commitments and investments are redeemable on a daily basis and without restriction.

The following table segregates all financial assets as of June 30, 2024 and 2023 that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date. Investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023 (CONTINUED)

Note 4 – Investments (Continued).

FAIR VALUE OF INVESTMENTS (Continued)

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan. Redemption

<u>June 30, 2024</u>	<u>Fair Value</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency (if</u> <u>Currently</u> <u>Eligible)</u>	<u>Redemption</u> <u>Notice</u> <u>Period</u>
Common/Collective Trust	\$ 226,569	None	Daily	12 Months

<u>June 30, 2023</u>	<u>Fair Value</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency (if</u> <u>Currently</u> <u>Eligible)</u>	<u>Redemption</u> <u>Notice</u> <u>Period</u>
Common/Collective Trust	\$ 202,778	None	Daily	12 Months

Note 5 - Plan Termination.

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

Note 6 - Tax Status.

The IRS has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

MARY CAMPBELL CENTER 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2024 AND 2023 (CONTINUED)

Note 6 - Tax Status (Continued).

The Plan has adopted the provisions of Accounting for Uncertainty in Income Taxes. The standard clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribes a threshold of more-likely-than-not for recognition of tax benefits of uncertain tax positions taken or expected to be taken in a tax return. The standard also provides related guidance on measurements, derecognition, classification, interest and penalties, and disclosure.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2024 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Risks and Uncertainties.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 – Party in Interest Transactions.

During the year, the Executive Director of the Employer, who is a Plan Trustee, was also a participant in the Plan.

Note 9 – Administrative Expenses.

Personnel within the participating employer organization perform various administrative services for the Plan, including maintenance of participant records. The payroll and related overhead costs associated with these services are not included as Plan expenses. In addition, certain professional fees, such as legal and accounting fees, are paid by the Employer on behalf of the Plan and are not included as Plan Expenses. Included in the Plan liabilities are expenses incurred during the year ended June 30, 2024 but paid in the subsequent year in the amount of \$12,408.
