Independent Auditor's Report

To the Board of Trustees
Brookdale Hospital Medical Center 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Brookdale Hospital Medical Center 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 10 to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirement for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue our auditor's report. However, because of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) as of December 31, 2023 and Schedule of Delinquent Participant Contributions (Schedule H, Line 4a) for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to and we do not express an opinion on these supplemental schedules.

Brookdale Hospital Medical Center 403(b) Plan

Notes to Financial Statements December 31, 2023

Note 1 - Description of the Plan

The following description of the Brookdale Hospital Medical Center 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established effective December 31, 2012 to receive the spin-off of assets from the MediSys Health Network, Inc. 403(b) Plan. The Plan is a defined contribution plan covering all eligible employees of the Brookdale Hospital Medical Center and Subsidiary and its affiliates, the Schulman and Schachne Institute for Nursing and Rehabilitation, Inc., the Brookdale Family Care Centers, Inc., and the Urban Strategies/Brookdale Family Care Center, Inc. (collectively the "Medical Center"). Employees are eligible to become participants and make deferral contributions to the Plan as soon as administratively possible after their hire date. To be eligible for employer discretionary contributions, the employees need to complete one year of service after the attainment of age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code (the "Code").

Contributions

Participants may elect to contribute a portion of their compensation for each Plan year, limited to the maximum amount permitted under the Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may make transfers to the Plan from another qualified 403(b) plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers two nonelective employer contributions. For all eligible employees (excluding employees included in the Local One Security Officers Union or any other union employees, unless allowed for by the union's bargaining agreement), the Medical Center may make a discretionary nonelective contribution equal to the same ratio that the participant's salary bears to the total salary of all participants in the Plan (Formula 1). The amount of the nonelective contribution (Formula 1), if any, will be determined each Plan year. During the Plan year ended December 31, 2023, the nonelective contribution (Formula 1) was 3.50% of eligible compensation. For eligible employees who are in the Local One Security Officers Union, the Medical Center will make nonelective contributions (Formula 2), as defined in the Plan document. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Medical Center's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all employee and employer contributions plus actual earnings thereon.

Brookdale Hospital Medical Center 403(b) Plan

Notes to Financial Statements December 31, 2023

Payment of benefits

On termination of service due to disability, death or retirement, a participant may elect to receive either a lump-sum amount or equal installments of the value of the participant's vested interest in his or her account. For termination of service for other reasons or a rollover into another qualified plan, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, less applicable taxes.

Forfeitures

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$12,025 and \$11,729, respectively. These accounts will be used to reduce future employer contributions. During the year ended December 31, 2023, no forfeitures were used to reduce employer contributions.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the vested balance in the participant's account. The loan interest rate, determined quarterly, is set at 2% above the prime rate, as defined. Principal and interest are paid ratably through biweekly payroll deductions.

Note 2 - Significant accounting policies

Basis of presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Benefit Plans Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Brookdale Hospital Medical Center 403(b) Plan

Notes to Financial Statements December 31, 2023

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Medical Center and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payments of benefits

Benefits are recorded when paid.

Subsequent events

The Plan has evaluated subsequent events through January 9, 2025, which is the date the financial statements were available to be issued.

Effective October 1, 2024, the Plan was renamed One Brooklyn Health 403(b) Retirement Plan.

On October 1, 2024, the plan assets in the Interfaith Medical Center 403(b) Retirement Plan and the Kingsbrook Jewish Medical Center 403(b) Retirement Plan were transferred into One Brooklyn Health 403(b) Retirement Plan.

Note 3 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board issued Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Brookdale Hospital Medical Center 403(b) Plan

Notes to Financial Statements December 31, 2023

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 147,652,049	\$ -	\$ -	\$ 147,652,049
Total investments at fair value	<u>\$ 147,652,049</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 147,652,049</u>
	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 119,960,737	\$ -	\$ -	\$ 119,960,737
Total investments at fair value	<u>\$ 119,960,737</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 119,960,737</u>

Note 4 - Fully benefit-responsive investment contracts

Guaranteed Income Fund

The Guaranteed Income Fund is a group annuity contract issued by Prudential Retirement Insurance and Annuity Company ("PRIAC"). These contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount that would be received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1%, nor more than 3%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

Brookdale Hospital Medical Center 403(b) Plan

Notes to Financial Statements December 31, 2023

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the PRIAC's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that significantly affect the Plan's normal operations.

The insurance company believes there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days, or in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract and which require the Plan to settle at an amount different than contract value paid either within 90 days or over time.

Stable Fund (general account)

The Stable Fund in which the Plan is invested is provided under a group annuity contract issued by Transamerica Financial Life Insurance Company, Inc. ("TFLIC"). Such contract is a traditional investment contract (guaranteed investment contract), and it does not have a maturity date.

This fund is part of the general assets of TFLIC (its general account) and is not subject to GAAP audited financial statements. The Plan does not own any underlying securities of TFLIC's general account. The Plan has guaranteed benefits under the terms of the contract. The contract value of the Plan assets invested in the Stable Fund is reflected on the employer level fund statement. The contract value equals deposits made to the Stable Fund, plus interest credited under the terms of the contract, less any withdrawals.

TFLIC considers the Stable Fund to be a benefit-responsive fund. Under the terms of the contract, participants are generally permitted to make benefit distributions and transfers from the Stable Fund to noncompeting funds at contract value, and transfers are subject to a 90-day equity wash provision.

Note 5 - Related party and party-in-interest transactions

Certain Plan investments are managed by the insurance company; therefore, these transactions qualify as party-in-interest transactions. The Plan allows participants to take loans against their account balances, which are also considered party-in-interest transactions.

Brookdale Hospital Medical Center 403(b) Plan

Notes to Financial Statements December 31, 2023

Note 6 - Plan termination

Although it has not expressed any intent to do so, the Medical Center has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7 - Tax status

The Plan was amended and restated to comply with current regulations. The amended and restated Plan is a 403(b) volume submitter plan designed by Transamerica Retirement Solutions, LLC ("Transamerica"). Transamerica has received an advisory letter from the IRS dated March 31, 2017 indicating that the 403(b) volume submitter plan satisfies the applicable requirements of the Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Certification by the insurance company and custodian

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2023 and 2022, and investment income and interest income on notes receivable from participants for the year ended December 31, 2023 that are disclosed in the accompanying financial statements and the Schedule of Assets (Held at End of Year) (Schedule H, Line 4i), were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Transamerica Financial Life Insurance Company, the insurance company of the Plan, and State Street Bank and Trust Company, the custodian of the Plan.

Note 10 - Investments and inactive participants

As permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. The Plan is unable to determine the ultimate impact of excluding these annuity and custodial accounts from the statements of net assets available for benefits and the activity of these accounts from the statement of changes in net assets available for benefits. Management is of the opinion that it will not have a material impact on the Plan's financial position. GAAP requires that these accounts and activity be included in the accompanying financial statements.

Notes to Financial Statements December 31, 2023

Note 11 - Nonexempt transactions

As reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a), certain employee loan payments and participant contributions were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 29 (CFR 2510.3-102), thus constituting nonexempt transactions between the Plan and the Medical Center for the years ended December 31, 2018 and 2022. Delinquent participant contributions for 2022 have been corrected as of December 31, 2023.

Re: 2023 Form 5500 - Annual Return/Report of Employee Benefit Plan
Plan Name: BROOKDALE HOSPITAL MEDICAL CENTER 403(B) PLAN
Employer Identification Number: 11-1631746
Plan Number: TT069501

Dear Sir/Madam:

The Plan's audited financial statements have not been attached to the 2023 Form 5500, as our independent qualified public accountant has informed us that they have not obtained sufficient audit evidence to render an opinion on the Plan's financial statements as of the date of this filing.

Please note that **BROOKDALE HOSPITAL MEDICAL CENTER 403(B) PLAN** will submit an amended Form 5500 promptly upon completion of the audited financial statements.

Sincerely,

A handwritten signature in blue ink, appearing to read "Francesca Tinti", is written over a light blue horizontal line.
