INDEPENDENT AUDITORS' REPORT

To the Plan Committee
Monmouth Cares, Inc. Retirement Plan
West Long Branch, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of Financial Statements

We have performed an audit of the accompanying financial statements of Monmouth Cares, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2023, and for the year then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

MONMOUTH CARES, INC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN

The following brief description of the Monmouth Cares, Inc 401(K) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan covering all employees of Monmouth Cares, Inc. and affiliates (the "Company") who have completed at least 2 months of eligibility service with 160 hours of eligibility service in each month and are age 21 or older. It is subjected to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Empower Trust Company, LLC is the custodian of the Plan and Empower Annuity Insurance Company of America provides certain custodial services pertaining to the fully benefit-responsive guaranteed investment contract (together as the "Custodians").

Contributions

Each year, participants may contribute pretax annual compensation up to the Section 402(g) limit, as defined in the Plan. Participants may also elect to contribute a different amount of post-tax compensation as defined by Section 402A up to the Section 402(g) limit. Participants may also roll over amounts representing distributions from other qualified defined benefit or defined contribution plans, subject to employer limitations on an operational and nondiscriminatory basis. Participants direct the investment of their contributions into various investment options offered by the Plan and may change their investment options quarterly. The Plan currently offers a variety of mutual funds and a guaranteed interest fund as investment options for participants. For employees hired after July 1, 2019, the plan has an auto-enrollment feature. Under the provisions of the auto-enrollment, as employees become eligible, they are enrolled in the Plan and contribute at a rate of 4% of their eligible wages, unless they elect to defer a different percentage of their eligible wages, or to opt out of participating in the Plan. The rate of contribution for participants who participate in the Plan under the auto-enrollment provision will increase at a rate of 1% per year, with a maximum automatic contribution rate of 10%. The Company has the option to make discretionary contributions to the Plan. For the years ended June 30, 2023 and 2022, the Company made a discretionary profit-sharing contribution to eligible employees in the amount of 4% of their pretax annual compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary profit-sharing contributions, (b) matching contributions, and (c) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contributions and matching contributions becomes 20% vested after 2 years of service as defined and continues to vest at the rate of 20% for each successive year of service until 100% vested after 6 years of service.

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

From their fund accounts, participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the account balance in the participant's account. The plan allows 3 outstanding loans per participant at any time. Each loan will bear a rate of interest of prime rate plus 1% and must be repaid within five years by equal payments at least quarterly, except for a loan to buy the participant's principal residence, which can be repaid over a period up to ten years. The loan interest rates are determined by the Plan Administrator on a quarterly basis and are consistent with the provisions of section 4975(d)(1) of the Internal Revenue Code ("IRC"), Section 2550.408b-1 of the Regulations of the Department of Labor ("DOL") and other applicable legal requirements. Interest rates on notes receivable from participants were 4.25% - 9.25% at June 30, 2023, and 4.25% - 6.50% as of June 30, 2022. Interest income received from participant loans was \$7,254 for the year ended June 30, 2023.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account if the amount of vested interest is \$1,000 or less. If the amount of vested interest is greater than \$1,000 but less than \$5,000, the balance will automatically roll over into an individual retirement account of the Plan Administrator's choice. Participant's with a vested balance over \$5,000 can elect to receive a lump sum distribution or roll it over into another employer plan or into an individual retirement account. The Plan also provides for in-service distributions for participants who had attained age 59½. A participant may elect a partial withdrawal with respect to in-service distributions only.

Forfeitures

Amounts forfeited by Plan participants are allocated to a forfeitures account. Forfeited amounts arising from discretionary profit-sharing and matching contributions are used to offset discretionary profit-sharing and matching contributions for the current or a future Plan year. At June 30, 2023 and 2022, forfeited nonvested accounts totaled \$99,498 and \$47,112, respectively. These accounts will be used to reduce future Company contributions.

Plan Expenses

Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid from Plan assets.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

MONMOUTH CARES, INC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive guaranteed investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Trustee. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent receivables are treated as distributions based upon terms of the Plan document.

Subsequent Events

Management has evaluated subsequent events for potential recognition and disclosure that occurred through April 15, 2024, the date the financial statements were available to be issued. No items were determined by management to require disclosure.

C. INFORMATION CERTIFIED AND PROVIDED BY THE CUSTODIANS

The following is a summary of the Plan's asset information as of June 30, 2023 and 2022, and for the year ended June 30, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Custodians and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodians that information provided to the Plan Administrator by the Custodians related to the following assets is complete and accurate to the best of the Custodians' knowledge. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure under ERISA*, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and the supplemental schedule related to the following assets:

	June 30,	
	2023	2022
Investments, at fair value		
Mutual funds	\$ 5,526,190	\$ 4,195,552
Investments, at contract value

Notes receivable from participants	\$ 156,555	\$ 104,974

MONMOUTH CARES, INC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

C. INFORMATION CERTIFIED AND PROVIDED BY THE CUSTODIANS (CONTINUED)

The Custodian also certified to the completeness and accuracy of \$378,680 of net appreciation in fair value of assets and \$163,474 of interest and dividend income related to the aforementioned investments for the year ended June 30, 2023. Interest income from notes receivable from participants was \$7,253 for the year ended June 30, 2023.

D. INVESTMENTS IN GUARANTEED INTEREST ACCOUNT

In accordance with ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965) – (I) Fully Benefit-Responsive Investment Contracts, (II) Plan Investment Disclosures, and (III) Measurement Date Practical Expedient (a Consensus of the FASB Emerging Issues Task Force)*, investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan invests in the Great West Key Guaranteed Portfolio Fund (the “Trust”). The Trust seeks to provide maximum current income while maintaining stability of principal. The Trust invests primarily in medium-long term portfolios. Withdrawals are permitted at any time without penalty, and the contract is determined to be fully benefit-responsive. The statement of net assets available for benefits presents the Trust at contract value. Contract value is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations.

The Plan’s investments in the Trust at contract value at the Custodian as of June 30, 2023 and 2022, were \$136,464 and \$73,555, respectively.

E. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

MONMOUTH CARES, INC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

E. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in less active markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be active.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023 and 2022.

		June 30, 2023			
		Level 1	Level 2	Level 3	Total
Mutual Funds		\$ 5,526,190	\$ -	\$ -	\$ 5,526,190

MONMOUTH CARES, INC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

F. TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company that the Plan and related Trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. RISKS AND UNCERTAINTIES

The Plan maintains cash balances and investment balances which exceed federally or other insured limits, although historically the Plan has not experienced any credit-related losses. The assets of the Plan are primarily financial instruments. Financial instruments are exposed to various risks, such as market performance, interest rates, economic conditions and world affairs. Due to the level of risk associated with certain financial instruments, it is at least reasonably possible that changes in the values of financial instruments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

H. TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, Monmouth Cares, Inc. (the "Plan Sponsor") reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' rights to their accrued benefits are nonforfeitable.

I. RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds and the Trust managed by the Custodians. The Custodians provide certain custodial services and, therefore, these transactions qualify as party-in-interest transactions. Monmouth Cares, Inc. is the Plan Sponsor and administrator and pays certain administrative costs including accounting, legal and consulting fees on behalf of the Plan. Some of the Plan trustees are also participants of the Plan. Fees paid by the Plan for investment management services amounted to \$34,980 for the year ended June 30, 2023.
