INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Taylor Team Relocation 401(k) Profit Sharing Plan and Trust
Stow, Ohio

Opinion

We have audited the financial statements of Taylor Team Relocation 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023, 2022 and 2021, and the changes in its net assets available for benefits for the years ended December 31, 2023 and 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
- Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 and 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TAYLOR TEAM RELOCATION 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2023, 2022 and 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Taylor Team Relocation 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information regarding the Plan. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit sharing plan and trust with a qualified cash or deferred 401(k) arrangement covering substantially all employees of Taylor Team Relocation, LLC (the “Company” or “Employer”) who have three months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan administrator is responsible for oversight of the Plan, which includes determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Contributions

The Plan allows participants to contribute up to the lesser of 92% of their pre-tax annual compensation, as defined in the Plan, or the maximum allowed by the Internal Revenue Code (“IRC”). In addition, the Plan contains a catch-up option for participants who have attained age 50 before the end of the year permitting them to make additional elective deferral contributions up to amounts limited by the IRS. The Plan does not include an automatic enrollment or automatic deferral increase feature. Participants may make rollover contributions from other qualified plans. The Company makes a safe harbor matching contribution for eligible participants equal to 100% of a participant’s deferral contribution up to 3%, and 50% of a participant’s deferral contribution in excess of 3% but not to exceed 5%. The Company may also make discretionary profit-sharing contributions which are allocated pro rata amongst participants within pre-determined allocation groups. No such contributions were made during 2023 and 2022. Participants direct the allocation of their contributions, as well as the Company’s contributions, among the investment options available under the Plan. The Plan also allows participants to designate a portion or all of their deferral contributions as a Roth contribution made to the Plan on an after-tax basis.

Participant Accounts

Each participant’s account is increased or decreased, as appropriate, with (a) the participant’s contribution, (b) the Company’s contribution and (c) investment earnings and losses. In addition, each participant’s account is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are fully vested immediately in their contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution is based on years of continuous service. A participant is 100% vested after six years of credited service for discretionary profit-sharing contributions. A participant is 100% vested upon reaching normal retirement age, death, or disability while employed by the Company.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or installment payments. Participants can defer their distribution payment; however, a participant's distribution cannot be postponed if their vested account balance is \$5,000 or less. If the participant's vested balance is less than \$1,000, such balance will be distributed in a lump-sum payment. If the participant's vested balance is greater than \$1,000 but less than \$5,000, the balance will be rolled over into an Individual Retirement Account ("IRA") as long as the participant does not elect a direct rollover. If the participant's vested balance exceeds \$5,000, the participant may elect to: receive a lump-sum or installment payments; roll the funds into an IRA or another employer's qualified plan; or leave the funds in the Plan until the participant's required beginning date, as defined. Additionally, participants may elect to receive in-service distributions upon attaining age 59-1/2, as defined by the Plan. Participants may also withdraw amounts from their accounts under certain hardship conditions as defined in the Plan document.

Forfeited Accounts

There were no forfeited non-vested accounts at December 31, 2023, 2022 and 2021. These accounts would be used to reduce future Company contributions or pay Plan expenses. During the years ended December 31, 2023 and 2022, there were no forfeitures used to pay plan expenses or fund employer contributions.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance under the Plan. The maximum number of notes available to any participant is two. Loan repayment periods are not to exceed five years, unless the loan is for the purchase of a participant's primary residence. Loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The participant repays the loan and all related interest through payroll deductions.

Notes are in arrears and delinquent when any payment is missed. If the note is not paid up to date by the end of the calendar quarter, after the calendar quarter in which a payment is first delinquent, the note will be in default. In that event, the entire outstanding note balance, consisting of the missed payments, remaining principal, and all accrued but unpaid interest, will be reported to the Internal Revenue Service

("IRS") as taxable income. If a note has not been fully repaid by the end of its term, the outstanding balance will be treated as a deemed distribution and will be reported to the IRS as taxable income to the participant.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are participant-directed accounts that are held by Mid Atlantic Trust Company ("MATC" or "Custodian"). The Plan's investments are stated at fair value at December 31, 2023, 2022 and 2021.

Investment income consists of dividends and interest income. The net appreciation or depreciation of investments consists of realized gains or losses and unrealized appreciation or depreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions are reported based on historical cost.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for doubtful accounts has been recorded as of December 31, 2023, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions payable as of December 31, 2023, 2022 and 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Fees

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation of fair value of investments.

Income Taxes

The Income Taxes Topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, 2022 and 2021 and for the years ended December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

The Plan has evaluated subsequent events through January 28, 2025, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- *Mutual funds*: Valued at the closing price reported on the active markets in which the individual securities are traded.
- *Common collective trust fund*: The fair value of participation units held in the common collective trust fund is based on the net asset value per unit as reported by the fund manager. Transactions (purchases and sales) may occur daily. There are no redemption restrictions or unfunded commitments on this investment.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

* Investments measured at NAV - Common collective trust fund			<u>48,450</u>
Total Investments at fair value			<u>\$ 2,834,269</u>

* Investments measured at fair value using net asset value ("NAV") per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 4 – RISK AND UNCERTAINTIES

The Plan provides for various investment options. These investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

NOTE 6 – TAX STATUS

The Plan adopted a non-standardized pre-approved plan document, which received an opinion letter dated August 31, 2020, in which the Internal Revenue Service (“IRS”) stated that the non-standardized pre-approved plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since the opinion letter, plan management believes that the Plan is designed and is currently being operated in compliance, in all material respects, with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

NOTE 7 – PARTY-IN-INTEREST AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan activities are managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company is the custodian as defined by the Plan and, therefore such transactions and associated administrative expenses qualify as party-in-interest transactions. Paychex, Inc. and certain affiliated entities (collectively, “Paychex”) provide recordkeeping and other administrative services. Paychex is the recordkeeper as defined by the Plan and, therefore such transactions and associated administrative expenses qualify as party-in-interest transactions. Additionally, the Plan holds party-in-interest receivables in the form of participant notes receivable. There were no prohibited transactions with a party-in-interest.
