Report of Independent Auditors

Plan Administrator
Milum Express, LLC 401(k) Plan

Scope and Nature of the Employee Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Milum Express, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Plan Administrator
Milum Express, LLC 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator
Milum Express, LLC 401(k) Plan

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance auditing standards generally accepted in the United States, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 financial statements or to the 2023 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Milum Express, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan

The following description of Milum Express, LLC 401(k) Plan (the “Plan”) provides only general information. Participants may refer to the Plan’s documents for a more complete description of the Plan’s provisions.

General

The Plan was established January 1, 2022 (“Inception”) and is a defined contribution plan covering employees of Milum Express, LLC, (the “Employer”). As defined in the Plan adoption agreement, the Plan was subject to a special effective date of November 4, 2022 for certain features, including elective deferrals, non-elective contributions, and safe harbor contributions. Union employees, non-resident aliens, leased employees, and interns are excluded from participation in the Plan. To participate in the Plan, employees are required to complete three (3) months of service and attain age 21 by the entry date. Employees may become participants in the Plan immediately following the date on which they meet the Plan’s participation requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

The Plan allows contributions of up to 90% of a participant’s pre-tax compensation and Roth contributions of up to 50% of a participant’s post-tax compensation, subject to contribution limitations specified by law. Participants may also contribute amounts representing rollover distributions from other qualified benefit plans. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions.

The Employer is required to make minimum safe harbor matching contributions of 3% of eligible compensation for all eligible employees. For the years ended December 31, 2023 and 2022, the Employer made safe harbor matching contributions equal to 3% of eligible compensation.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Employer’s safe harbor matching contributions, allocations of Plan earnings or losses, and charged with an allocation of any administrative expenses paid by the Plan. Participants direct their funds into various investment options offered by the Plan. Allocations are based on account balances, as defined by the Plan.

Vesting

Participants are immediately vested in employee and employer safe harbor contributions, plus actual earnings or losses thereon.

Milum Express, LLC 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. Description of Plan (continued)

Participant Notes Receivable

Participants may borrow from their accounts, subject to certain restrictions. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms may not exceed five years. A participant may have no more than one loan outstanding from the Plan at any time. Notes are collateralized by the balance in the participant's account and bear interest at the prime rate on the day the note was initiated plus 1%. All notes outstanding at December 31, 2023 bear interest at rates ranging from 9.00% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement, permanent total disability, death, or termination of employment, participants or their beneficiaries may elect to receive their portion of Plan assets under several payout options specified in the Plan. Participants who have attained fifty-nine and a half years of age are permitted to withdraw all or part of their vested accounts as in-service distributions. Participants automatically begin receiving distributions following the year in which they have attained 73 years of age. If a participant's account balance does not exceed \$1,000 at the time of termination, the Plan automatically distributes the participant's account balance in a lump sum. Subject to certain conditions, a participant may make hardship withdrawals from his or her balance in the Plan while employed.

Administrative Expenses

The Plan incurred fees for custodial, recordkeeping, and other professional or administrative fees of approximately \$5,000 and \$0 for the years ended December 31, 2023 and 2022, respectively. Any administrative expenses not paid by the Plan are paid by the Employer.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Plan Amendments

Effective June 21, 2023, the Plan was amended to adjust the service requirement for eligible participants to three (3) months instead of twelve (12). Additionally, the Plan was amended to automatically enroll participants at a deferral rate of 3% upon completing the eligibility requirements. Participants have the ability to opt-out of employee contributions or change the deferral percentage if they choose to do so.

2. Basis of Presentation and Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States (“US GAAP”).

Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all short-term, highly-liquid investments with an original maturity date of three months or less to be cash equivalents.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Risks and Uncertainties

The Plan invests in investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the 2023 statement of net assets available for plan benefits.

Concentrations of Credit Risk

The Federal Deposit Insurance Corporation (“FDIC”) insures amounts on deposit with the financial institution up to limits as prescribed by law. The Plan may hold funds with a financial institution in excess of the FDIC insured amount; however, the Plan has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk on the Plan’s cash.

Payment of Benefits

Benefits are recorded when paid.

3. Custodian Certification

Information presented in the accompanying financial statements as of and for the years ended December 31, 2023 and 2022, related to investments, net appreciation (depreciation) in fair value of investments, and interest and dividends was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Matrix Trust Company (the custodian of the Plan).

4. Fair Value Measurements

US GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs to the valuation methodology are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan's mutual fund investments were valued using Level 1 inputs, based on quoted market prices.

The methods used to measure fair value may produce amounts that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Unallocated Assets

Plan assets of approximately \$72,000 and \$1,012,000 had not yet been allocated to participants as of December 31, 2023 and 2022, respectively.

6. Employer Contribution Correction

During 2023, operational errors were discovered relating to employer safe harbor contributions that resulted in approximately \$52,000 of contributions not being remitted to the Plan on a timely basis. These contributions were included in employer safe harbor contributions receivable in the accompanying 2023 statement of net assets available for plan benefits. Management made the necessary corrections in 2024.

7. Income Tax Status

The Plan operates under a non-standardized profit sharing plan document that obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

During 2023, in addition to the contribution errors discussed in Note 6, an error was identified that resulted in an underpayment of employee contributions to the Plan. As of the date the financial statements were available to be issued, management has not completely determined the extent of the errors and has not quantified the impact on the Plan’s 2023 financial statements. Management expects to determine the extent of the errors and make corrective contributions during 2024.

Management will take the necessary corrective actions to ensure that these errors do not impact the Plan’s tax status and to ensure that participants are made whole. This includes any possible corrective filings with the IRS or the Department of Labor.

US GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain positions that more likely than not would not be sustained upon examination by the IRS. No such liabilities were identified as of December 31, 2023. The Plan is subject to routine audits by tax authorities; however, there are currently no audits in progress.

8. Asset Transfers

During the years ended December 31, 2023 and 2022, net assets of \$0 and approximately \$990,000, respectively were transferred into the Plan from a Plan that the Employer previously participated in.
