INDEPENDENT AUDITORS' REPORT

Board of Trustees
Maintenance Employees Teamsters Union
Local 416 of Cleveland Pension Fund

Opinion

We have audited the accompanying financial statements of Maintenance Employees Teamsters Union Local 416 of Cleveland Pension Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of September 30, 2024 and 2023 (in liquidation), and the related statements of changes in net assets available for benefits for the years then ended (in liquidation), and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Maintenance Employees Teamsters Union Local 416 as of September 30, 2024 and 2023 (in liquidation), and the changes in its net assets available for benefits for the years then ended (in liquidation), in accordance with the liquidation basis of accounting.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Maintenance Employees Teamsters Union Local 416 of Cleveland Pension Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the liquidation basis of accounting; this includes determining that the liquidation basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Maintenance Employees Teamsters Union Local 416 of Cleveland Pension Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always

detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Maintenance Employees Teamsters Union Local 416 of Cleveland Pension Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Maintenance Employees Teamsters Union Local 416 of Cleveland Pension Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the liquidation basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2024 AND 2023 (IN LIQUIDATION)**

Note A – Description of the Plan

The following description of the Maintenance Employees Teamsters Union Local No. 416 of Cleveland Pension Fund (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined benefit retirement plan that provides benefits payable at retirement to Plan members. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Effective September 30, 2014 all participating employers have withdrawn from participation which triggered termination by mass withdrawal.

Plan Benefits

Effective March 1, 2017, the Plan was restricted from paying any monthly pension benefit above the maximum amount guaranteed by the Pension Benefit Guaranty Corporation (“PBGC”). Members with five or more years of vested service in covered employment are entitled to monthly pension benefits beginning at normal retirement age (65) equal to the PBGC maximum amount of 100% of the first \$11 per service credit; plus 75% of the next \$33. The Plan permits early retirement for members who are at least age 55 with 5 years of service, may retire with normal benefits. The early options have a reduced benefit based on a specific formula. For eligible members that entered covered employment prior to September 1, 2003, a “20 and Out” option is available with unreduced benefit and a “25 and Out” option for those who entered covered employment after September 1, 2003 and before January 1, 2005. Members may elect to receive their benefits in the form of a life annuity, or a joint and survivor annuity, payable monthly during retirement. Under the Rehabilitation Plan, collective bargaining agreements were renegotiated eliminating the unreduced disability benefits and the unreduced benefits at the “20 and out” and “25 and out”.

Death and Disability Benefits

If a member dies before or after the age of 65, a death benefit equal to 50% of the amount he/she would have received if he/she retired on the day before they died, is payable to the member’s spouse. Active employees who become totally and permanently disabled are entitled to receive a disability benefit from the Plan provided certain criteria outlined in the Plan document are met.

Contributions

Effective September 30, 2014, there was a mass withdrawal of employers resulting in termination of all future participation and accruals.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the liquidation basis of accounting. On September 30, 2014, the Board of Trustees voted to terminate the Plan. Commencing October 1, 2014, the basis of accounting was changed from the going concern (ongoing) basis to the liquidation basis of periods on and after October 1, 2014. There are no more statements related to accumulated plan benefits after the Plan termination on September 30, 2014.

Use of Estimates

The preparation of financial statements in conformity with the liquidation basis of accounting requires the trustees to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the reporting period, including disclosure of contingencies. Actual results could differ from those estimates. This difference may be material.

**MAINTENANCE EMPLOYEES TEAMSTERS UNION
LOCAL NO. 416 OF CLEVELAND PENSION FUND
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2024 AND 2023 (IN LIQUIDATION)**

Note B – Summary of Significant Accounting Policies (Continued)

Investment Valuation

Investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the fund's gains and losses on investments bought and sold, as well as held during the year. The Plan has fully liquidated the assets held for investment, except for interest bearing cash held in a money market account.

Plan Expenses

The Plan's expenses are paid by the Plan as provided by the plan document. Expenses incurred in connection with the general administration of the Plan and investment related expenses that are paid by the Plan are recorded as deductions in the statements of changes of net assets available for benefits.

Depreciation

The straight-line method of depreciation is used on the Plan's office equipment over their expected lives that are usually 5-10 years.

Payment of Benefits

Benefits are paid monthly. October benefits are customarily disbursed the last week in September. Benefits are consistently disbursed on or about the 23rd day of the preceding month to be in the hands of the pensioners on the first of the succeeding month. Such disbursements have consistently been treated as current year benefits and twelve months of benefits have been disbursed each year.

Subsequent Events

The plan has evaluated subsequent events through February 6, 2025, the date the financial statements were available to be issued.

Note C – Funding and Accumulated Plan Benefits

The Plan does not meet the ERISA minimum funding requirements.

An actuarial valuation of accumulated benefits obligation was not performed for the plan years ended September 30, 2024 and 2023. However, management is confident that the current accumulated obligation significantly exceeds the plan's net assets available to meet those obligations.

As of September 30, 2013, the Plan was in critical red zone status and that was the fifth year it had been so classified. Although remedial actions in accordance with the Pension Protective Act timeline under the guidance of special counsel retained for that purpose were taken, they proved insufficient. During this period the three largest employers in the Pension Fund terminated participation and were followed by a mass withdrawal of all other employers. The Board of Trustees then adopted an amendment on September 30, 2014 terminating the Pension Fund effective as of that date. The amendment was in accordance with Section 204(h) of the Employee Retirement Income Security Act of 1974 as amended.

Note D – Withdrawal Liability Amortization

As provided by the Multiemployer Pension Plans Amendment Act of 1988 (MPPAA) employer withdrawal liability must be evaluated for any employer withdrawing from the plan. As of September 30, 2024, the following withdrawal liability payments were received in the fiscal year then ended; the subsequent fiscal years indicate amounts expected to be received, Withdrawal liability assessments of \$18,942 are reflected on the statement of net assets available for benefits.

Payments for the following companies continue in perpetuity without ever paying the principal sum and interest due:

	Withdrawal Liability Assessed	Plan year: 2024 Payments	Payment Terms	2024 Yearly	2025 Forward

*S.E. Bennett’s original agreement with the Plan was to make monthly payments of \$285. Payments received during the plan year ended September 30, 2024 totaled \$1,140. A new agreement was made for S.E. Bennett to make monthly payments of \$100 for January to July 2020 to commence on January 1, 2020. The new agreement does not relieve S.E. Bennett of its obligations under the Payment Modification Agreement.

The above withdrawal liability determinations have not been placed upon the financial statements due to the mass withdrawal of all participating employers effective September 30, 2014, and the change in basis of accounting to the liquidation basis which records amounts at their realizable values. The actual computed value for the companies in perpetuity totals \$3,574,270. However, the Plan will receive approximately \$20,000 annually which will be insufficient to reduce the principal indebtedness and pay interest.

Note H – Concentration of Credit Risk

Investment securities are exposed to various risks such as interest rate, market, and credit risks. All securities have been liquidated in prior years and placed in cash accounts. Cash accounts are maintained at local commercial banks. The Federal Deposit Insurance Corporation (FDIC) guarantees accounts against loss up to \$250,000. From time to time during the year, the balance in the Plan's cash accounts may exceed the FDIC limits.

Contributions from the PBGC comprised approximately 98% of total additions to net assets during the years ended September 30, 2024 and 2023.

Note I – Plan Termination

On September 30, 2014, the Board of Trustees voted to terminate the Plan and adopted a plan amendment to cease the accrual of all future pension credits. Also, due to the PBGC funding requirements, effective March 1, 2017, benefits will be limited to amounts guaranteed by the PBGC.

Note J – Insolvency and the Pension Benefit Guaranty Corporation Funding

During the years ended September 30, 2024 and 2023, the plan submitted applications for financial assistance requesting that the PBGC provide supplemental funding for payment of benefits and reasonable administrative expenses incurred by the plan after the depletion of existing plan assets. Effective March 1, 2017, the PBGC began providing financial assistance to the Plan, and during the years ending September 30, 2024 and 2023, the Plan received \$1,249,500 and \$1,253,200, respectively.

Amounts received from the PBGC are recognized as an addition to net assets in the period received. Supplemental funding provided by the PBGC is technically a loan, but due to the circumstances, repayment is considered no more than a contingency, and no liability has been recorded. The ability of the Plan to continue operations and payment of benefits is dependent on the PBGC continuing to provide financial assistance.
