Independent Auditor's Report

**To the Plan Administrator
PRO Sports Club Salary Savings Plan
Bellevue, Washington**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of PRO Sports Club Salary Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of April 30, 2024, and December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the period January 1, 2024 to April 30, 2024, and the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of April 30, 2024, and December 31, 2023 and 2022, and for the period ended April 30, 2024, and the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As discussed in Note 1 to the financial statements, the plan sponsor approved a plan to freeze the Plan effective January 6, 2024, and to merge the Plan into The Bay Club Company 401(k) Plan effective May 1, 2024. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplementary information, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary information agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PRO SPORTS CLUB SALARY SAVINGS PLAN

Notes to Financial Statements

For the Period January 1 to April 30, 2024 and the Year Ended December 31, 2023

Note 1 - Description of the Plan

The following description of the PRO Sports Club Salary Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering substantially all employees of PRO Sports Club and PRO Medical, PC (collectively, the Company). All nonunion employees are eligible to participate in the Plan upon commencing employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Freeze and Merger - The Company adopted an amendment to freeze the Plan effective January 6, 2024, and to merge the Plan into The Bay Club Company 401(k) Plan effective May 1, 2024. All contributions ceased as of January 6, 2024, and all Plan assets totaling \$18,463,024, including notes receivable from participants totaling \$88,180, as of April 30, 2024, were transferred to The Bay Club Company 401(k) Plan.

Contributions - Eligible employees may contribute up to 75% of plan eligible compensation as pre-tax or Roth elective deferrals, and participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Company may make discretionary matching and nonelective contributions. Eligible employees over the age of 21 and who have completed one year of service with 1,000 hours are eligible to receive Company contributions. For the period ended April 30, 2024, and the year ended December 31, 2023, the Company elected to provide matching contributions equal to 50% of a participant's deferral, not to exceed \$1,000. The Company did not make any nonelective contributions for the period ended April 30, 2024, and the year ended December 31, 2023.

Contributions are subject to certain limitations set by the Internal Revenue Service (IRS).

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in Company contributions and earnings thereon based on years of continuous service. A participant is 100% vested after six years of credited service.

Participant Accounts - Each participant's account is credited with the participant's contributions and Company contributions (if any), as well as allocations of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants - The Plan allows for participants to borrow from their account using their vested balance as collateral for the loans. The maximum amount that a participant may borrow is equal to the lesser of \$50,000 or 50% of his or her vested balance, with a minimum loan of \$1,000. Loan terms range from one to five years unless the loan is used to acquire a principal residence. Loans bear interest at the prime rate plus one percent. Principal and interest are paid ratably through payroll deductions.

Notes to Financial Statements

For the Period January 1 to April 30, 2024 and the Year Ended December 31, 2023

Note 1 - Continued

Payment of Benefits - Upon termination of service, hardship, retirement, death, disability, or attainment of age 59½, a participant may receive a lump sum or installment distribution equal to the value of the participant's vested interest in his or her account. The Plan also provides for hardship withdrawals in accordance with provisions specified in the plan document.

Forfeitures - Forfeitures of terminated participants' nonvested accounts are applied against future Company contributions or used to pay administrative expenses of the Plan. At April 30, 2024, and December 31, 2023 and 2022, unallocated forfeitures totaled \$0, \$7 and \$34,453, respectively. The Company utilized \$45,432 of forfeitures to fund Company contributions for the year ended December 31, 2023. No forfeitures were used to fund Company contributions or pay plan expenses during the period ended April 30, 2024.

Revenue Sharing Recapture Account - The Plan maintains a fee recapture account which was established to capture excess revenue sharing generated from plan investment holdings. Excess revenue sharing is used to pay administrative services provided to the Plan. The balance in the fee recapture account was \$0, \$2,466 and \$20,600 as of April 30, 2024, and December 31, 2023 and 2022, respectively. During the period ended April 30, 2024, and year ended December 31, 2023, the Plan used \$2,549 and \$22,564, respectively, to pay eligible administrative fees of the Plan.

Note 2 - Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments represents the change in fair value of assets from one period to the next and realized gains and losses on investments.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance. Accrued but unpaid interest, if any, would not have a material impact on the Plan's financial statements. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of April 30, 2024, or December 31, 2023 and 2022.

Payment of Benefits - Benefits paid to participants are recognized when they are paid.

Notes to Financial Statements

For the Period January 1 to April 30, 2024 and the Year Ended December 31, 2023

Note 2 - Continued

Administrative Expenses - Several of the investment fund options are subject to investment and administrative fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance. Transaction based fees for loans are charged directly to participant accounts. The Plan's administrative expenses include fees paid to third parties for recordkeeping, investment advisory services, and other custodian and professional fees related to plan services. The Company may elect to pay expenses related to the Plan's administration.

Subsequent Events - The Plan's management has evaluated subsequent events through February 18, 2025, the date on which the Plan's financial statements were available to be issued.

Note 3 - Fair Value Measurements

GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than the quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs that are significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2024, and December 31, 2023 and 2022.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 3 - Continued

Common Collective Trust Fund - The fund is composed primarily of investment contracts and is valued at the NAV provided by the fund's trustee. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Withdrawals for benefit payments and transfers to noncompeting options shall be made as soon as practicable after notice is received. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a twelve-month advance written notice.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Fair Value Measurements as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,225,900	\$ -	\$ -	\$ 17,225,900
Total Assets in the Fair Value Hierarchy	\$ 17,225,900	\$ -	\$ -	17,225,900
Investments measured at NAV ^(a)				1,169,379
Total Investments at Fair Value				\$ 18,395,279

	Fair Value Measurements as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,225,453	\$ -	\$ -	\$ 14,225,453
Total Assets in the Fair Value Hierarchy	\$ 14,225,453	\$ -	\$ -	14,225,453
Investments measured at NAV ^(a)				1,229,329
Total Investments at Fair Value				\$ 15,454,782

(a) Certain investments measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Notes to Financial Statements

For the Period January 1 to April 30, 2024 and the Year Ended December 31, 2023

Note 4 - Certified Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at April 30, 2024, and December 31, 2023 and 2022, and investment income or loss for the period from January 1, 2024 to April 30, 2024, and for the year ended December 31, 2023, that is disclosed in the accompanying financial statements and supplementary information, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company (Matrix). The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary information.

Note 5 - Tax Status

The Company adopted a K&L Gates LLP pre-approved plan document. K&L Gates LLP received an approval letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the form of the plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The Plan is subject to audits by the IRS; however, there are currently no audits for any tax periods in progress.

Note 6 - Party-in-Interest Transactions

Matrix serves as the trustee for the Plan and Northwest Plan Services serves as the recordkeeper for the Plan. Transactions with Matrix and Northwest Plan Services and fees charged for services qualify as party-in-interest transactions which are exempt from the prohibited transaction rules. The Plan also issues loans to participants. These transactions are party-in-interest transactions.

Note 7 - Risks and Uncertainties

The Plan allows participants to direct contributions into a variety of investment funds. The underlying investment securities of these funds are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 8 - Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2022:

Net assets available for benefits per the financial statements	\$ 15,577,250
Amounts allocated to withdrawing participants	<u>(1,500)</u>
Net Assets Per the Form 5500	<u><u>\$ 15,575,750</u></u>
