INDEPENDENT AUDITORS' REPORT

Plan Administrator

Martin Bauer, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Martin Bauer, Inc. 401(k) Profit Sharing Plan, (the "Plan") an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution)

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section.

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Martin Bauer, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Martin Bauer, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.
- Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.
- Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule H Line 4i – Schedule of Assets (Held at end of year), is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the

certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the department of labor's rules and regulations for reporting and disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Auditor's Report on the 2022 Financial Statements

We were engaged to audit the 2022 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 16, 2023, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2022 financial statements, and (b) the form and content of the information included in the 2022 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Martin Bauer, Inc. 401(k) Profit Sharing Plan, (the Plan) provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

General

The Plan was established on January 1, 2003 by BI Nutraceuticals, Inc. as a defined contribution plan under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

In 2019 BI Nutraceuticals, Inc. was acquired by MB Capital Investments, LLC, a wholly owned subsidiary of MB Holdings GmbH & Co. KG, Germany ("MB Holdings"). As a result of this acquisition, in July 2020, all the assets and liabilities of BI Nutraceuticals, Inc. were merged with and into Martin Bauer, Inc. (a related-party entity under the common control of MB Capital Investments, LLC ("MCU")). BI Nutraceuticals, Inc. ceased to exist as a separate entity leaving Martin Bauer, Inc. (the "Company," "Employer," or "Plan Sponsor") as the surviving entity. On July 1, 2020, the Plan was amended and renamed the Martin Bauer, Inc. 401(k) Profit Sharing Plan.

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, related to participant loans and distributions. The Organization has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of December 31, 2023.

Effective January 1, 2021, the Plan was amended to allow the employees of Core Botanica Processors, LLC to participate in the Plan. Core Botanica Processors, LLC is a related-party entity under the common control of MCU.

Effective August 1, 2021, the Plan was amended to merge the Strong Brews, LLC 401(k) Plan net assets into the Plan. Strong Brews, LLC is a related-party entity under the common control of MCU.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Administration

The Plan is overseen by a committee (the “Investment Committee” or “Plan Administrator”) appointed by the Company. The Plan’s recordkeeper is ADP Retirement Services (“ADP RS” or the “Recordkeeper”). As of December 31, 2023 and 2022, the assets of the Plan were under the custody of Reliance Trust Company (the “Trustee”).

The Trustee and Recordkeeper have the power to administer the Plan and apply all of its provisions on behalf of the Plan Sponsor and the Investment Committee. The Plan Sponsor has the discretion to appoint or remove any trustee or agent of the Plan.

Eligibility

All employees of the Company are eligible to participate in the Plan upon their date of hire, excluding union employees, nonresident aliens, and temporary employees. Effective January 1, 2021 employees of Core Botanica Processors, LLC who meet the eligibility requirements may participate in the Plan. Effective August 1, 2021, employees of Strong Brews, LLC who meet the eligibility requirements may participate in the Plan.

Contributions

Participants may make pre-tax and or Roth 401(k) contributions up to 90% of the eligible compensation subject to IRC limit. However, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute Roll Over contribution, which represents amounts representing distribution from other qualified plans.

The Employer makes safe harbor matching contributions equal to 100% of the participant’s elective deferrals that do not exceed 4% of his/her compensation each pay period. Safe harbor matching contributions are made for all employees who were active participants at any time during the payroll period.

The Employer may also make a discretionary non-elective contribution to the Plan each year. To be eligible for these contributions, participants must be employed on the last day of the Plan year and have completed 1,000 hours of service during the Plan year. If made, such contributions are allocated to eligible participants’ accounts based on each participant’s compensation in proportion to total compensation for all eligible participants. The Employer did not make any discretionary non-elective contributions for the years ended December 31, 2023 or 2022.

For the years ended December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF THE PLAN (continued)

All contributions are invested in the participants' accounts according to their specified investment allocations as of the date of the contribution.

Participant Accounts

Each participant's account is credited or charged with his or her contributions and an allocation of Plan earnings or losses. Each participant's account is charged with an allocation of management fees. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefits that can be provided from participant's vested account.

Vesting

Participants are always 100% vested in their elective salary deferrals, catch-up contributions, rollover contributions, safe harbor matching contributions, and any earnings thereon. Participants vest in Employer discretionary non-elective contributions, and any earnings thereon, as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 but less than 3 years	50%
3 or more years	100%

Participants become 100% vested in all their accounts if they are employed with the Company and reach normal retirement age, become totally disabled, upon death or if the Plan terminates.

Forfeitures

Participants who terminate employment forfeit the non-vested portion of their employer discretionary non-elective contributions and earnings thereon. As of December 31, 2023 and 2022 there were no forfeitures. Forfeitures are available to pay Plan administrative expenses or reduce employer contributions. For the years ended December 31, 2023 and 2022, forfeitures of \$0 and \$815, respectively, were used to offset the safe harbor matching contributions.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Investment Options

The Plan currently offers diversified investment funds as investment options for participants. The participants may change their investment options at any time.

Notes Receivable from Participants

Participants may borrow from their accounts the lesser of a) \$50,000, reduced by the highest outstanding note balance during the prior year, or b) 50% of their vested account balance, subject to a \$500 minimum. Notes are secured by the vested balance in the participant's account. Note payments are made through payroll deductions over periods up to five years, unless the note is used to acquire a principal residence, in which case the term may be extended at the discretion of the Plan Administrator. New notes bear interest at the prime rate plus 1% per annum. Interest rates are fixed at inception of the note. As of December 31, 2021, notes mature through 2031 and bear interest at rates ranging from 4.25% to 6.50% per annum, which is commensurate with local prevailing rates as determined by the Plan Administrator at the time of the note.

Payments of Benefits

Upon termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive an amount equal to the participant's vested account balance in a lump-sum payment, installment payments over the participant's or beneficiary's assumed life expectancy, roll the amount to an individual retirement account or other eligible transferee plan, or delay payment until the required beginning date of minimum distributions, depending on the value of the account. In addition, the Plan permits in-service distributions for participants who are age 59 ½ or older. Distributions paid prior to the participant attaining age 59 ½ and not rolled into another retirement account are subject to federal income tax of 20% and a federal excise tax of 10%.

Vested account balances less than \$5,000, but more than \$1,000 may be distributed as a lump-sum cash payment or in the form of a direct rollover to an individual retirement account or eligible retirement plan at the consent of the participant or beneficiary. Vested account balances of less than \$1,000 are distributed in a single lump-sum cash payment to the participant or beneficiary.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the

NOTE 1: DESCRIPTION OF THE PLAN (continued)

provisions of ERISA. In the event of Plan termination, participants will become fully vested in the employer contributions.

Administrative Expenses

All reasonable expenses of administration may be paid out of the Plan assets unless paid by the Company. Expenses, to the extent not paid by the Company, are paid by the Plan and allocated to participants based on their account balances. Expenses that relate solely to a specific participant, such as fees for notes receivable or benefit payments, are assessed to the participant. Certain expenses are included in the transaction prices of investments bought and sold and cannot be separately quantified.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain amounts and disclosures. Accordingly actual results could differ from those estimates.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") as set forth by the Financial Accounting Standards Board (the "FASB").

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized depreciation and appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 3 for discussion on fair value measurements and trustee certification.

NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2023 and 2022

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Date of Management's Review

Subsequent events were evaluated through October 11, 2024, which is the date the financial statements were available to be issued.

Payments of benefits and Corrective distributions

Benefits are recorded when paid.

NOTE 3: SUMMARY OF UNAUDITED INFORMATION

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. The following information was certified by the Trustee and was not subjected to any auditing procedures performed by the independent public accountant:

- a. Fair value and net realizable value of investment as reflected in the Statements of Net Assets Available for Plan Benefits as of December 31, 2023, and 2022.
- b. Interest and dividends, net realized and unrealized depreciation in fair value of investments, and interest income on notes receivable from participants as reflected in the Statement of Changes in Net Assets Available for Plan Benefits for the Year Ended December 31, 2023.
- c. Investment information reflected in Schedule H, line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2023.

The classification of the investments into the appropriate levels (1, 2, or 3) as disclosed in Note 5 is not certified by the Trustee and is the responsibility of Plan management.

NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2023 and 2022

NOTE 4: INVESTMENTS

All Plan investments are participant-directed and held by the Trustee as of December 31, 2023 and 2022. Participants can direct their accounts among various mutual funds and a money market fund.

NOTE 5: FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). All of the Plan's investments were valued at Level One of fair value measurement hierarchy at December 31, 2023 and 2022. Under Level One, imputes to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

All of the Plan's investments were valued at Level One of fair value measurement hierarchy at December 31, 2023, and 2022. Under Level One, imputes to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 1 Fair Value Measurement: The fair value of Registered Investment companies (mutual funds) is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. The money market fund and mutual funds are valued at quoted market prices which are available on active markets and, therefore, are classified as Level 1 within the valuation hierarchy. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Martin Bauer, Inc. 401(k) Profit Sharing PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2023 and 2022

NOTE 6: TAX STATUS

The Plan utilizes an ADP RS Prototype Non-Standardized Profit-Sharing Plan Document which received an opinion letter dated July 16, 2014 in which the IRS stated that as of that date the Plan document was designed in compliance with the applicable IRC requirements. The Plan has been amended since ADP RS received the opinion letter. However, Plan management believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, Plan management believes that the Plan is qualified, and the related trust is tax exempt as of December 31, 2023 and 2022 and for the years then ended.

Assuming it meets certain initial and ongoing requirements, the Plan is generally exempt from federal and state income taxes. However, GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Some of the Plan's assets are invested in securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies are their markets may be less liquid and their prices more volatile than securities of comparable U.S. companies.

Martin Bauer, Inc. 401(k) Profit Sharing PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2023 and 2022

NOTE 8: SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2024, the date on which the financial statements were available to be issued. Except as disclosed, there were no other subsequent events that would require adjustments to or disclosure in these financial statements. The effects of the global pandemic COVID-19 in the market have generally been mitigated in U.S. markets, however, the impact of the COVID-19 on foreign markets continues to evolve. The Company is not able at this time to estimate its impact on the Plan's assets in foreign companies.

NOTE 9: PARTY-IN-INTERST TRANSACTIONS

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned. Additionally, the Plan Sponsor, Core Botanica Processors LLC and Strong Brews LLC are parties-in-interest to the Plan. However, there were no transactions with these entities other than the funding of contributions to the Plan.
