INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Paylt 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Paylt 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2023 and the schedule of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PAYIT 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 — DESCRIPTION OF PLAN

The following description of the PayIt 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of PayIt, LLC and Sovereign Sportsman Solutions, LLC (together referred to as the Company). All employees of the Company, excluding union employees and nonresident aliens, are eligible to participate in the Plan provided they have three months of service and have attained age 18. Employees may enter the Plan on the first day of each month after meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Standard acquired Securian Financial Group's full-service retirement plan business on December 1, 2022; therefore, as of that date, recordkeeping services are provided by Standard Retirement Services, Inc. Minnesota Life Insurance Company (Minnesota Life) is the custodian of the Plan's investments. The Company is the plan administrator and has overall responsibility for the operation and administration of the Plan. The plan administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance. Certain members of management serve as the Plan's trustees.

In 2023, PayIt, LLC acquired Sovereign Sportsman Solutions, LLC (S3), and effective August 10, 2023, the Plan was amended to include S3 as a participating employer. The plan document was subsequently amended on January 1, 2024 to merge the Sovereign Sportsman Solutions, LLC 401(k) Plan into the Plan. All employer matching and profit sharing accounts of the Sovereign Sportsman Solutions, LLC 401(k) Plan participants that were transferred in became 100% vested. Funds were transferred in on June 14, 2024 in the amount of \$1,042,043.

Contributions

Participants may contribute up to 100% of annual eligible compensation, as defined in the Plan, and designate those contributions as either pre-tax or Roth. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). In addition, participants are permitted to transfer the vested portion of their accounts to an in-plan Roth transfer account subject to the Plan's provisions.

The Plan provides for a qualified automatic contribution arrangement (QACA) that includes a safe harbor employer matching formula. The QACA provides that all newly eligible employees are automatically enrolled in the Plan at a pre-tax deferral rate of 6% of eligible compensation unless the employee elects otherwise.

The QACA safe harbor matching contribution is equal to 100% of employee deferrals up to 1% of eligible compensation and 50% of employee deferrals between 1% and 6% of eligible compensation.

PAYIT 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

The Plan provides a discretionary profit sharing contribution in an amount determined annually by the Company. Profit sharing contributions are allocated to each participant based upon the ratio of the participant's compensation to the total compensation for the Company. There were no profit sharing contributions for the year ended December 31, 2023.

Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants elect investment accounts in which their contributions, as well as Company contributions, are invested. The investment account options comprise various degrees of risk and return.

Participant Accounts

Each participant's account is credited with the participant's contribution and QACA safe harbor matching contributions, as well as allocations of the Company's profit sharing contribution, and investment earnings based on their selected investments. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of the participant's vested account balance, whichever is less. The loans are secured by the balance in the participant's account. A participant may have up to one general purpose loan and one home loan outstanding at one time. The loan interest rate is set at 1% above the prime rate that was effective at the time the loan was issued, as defined. Principal and interest is paid ratably through electronic transfers from the participant's bank account.

Vesting

Participants are vested immediately in their contributions plus earnings thereon. Vesting in the Company's QACA safe harbor matching contribution and discretionary profit sharing contribution portions of their accounts is based on years of service. For the Company's QACA safe harbor matching contribution, a participant is 100% vested after two years of service. For the Company's discretionary profit sharing contribution, after one year of service, a participant becomes 25% vested, and the vesting increases by 25% each year. A participant is 100% vested after four years of credited services. In addition, a participant is 100% vested in all contributions upon reaching plan retirement age of sixty-five, death, or disability.

Payment of Benefits

On termination of service, death, disability or retirement, participants may elect to receive an amount equal to the value of the vested interest in their accounts in either a lump sum amount or in installments, depending on the size of the participant's account balance at the time of termination. The account of a participant with a vested account balance of less than \$5,000 who does not request a distribution will be rolled to an individual retirement account in the participant's name.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Payment of Benefits (Continued)

The Company may authorize certain withdrawals from a participant's account in the event of proven financial hardship. Hardship withdrawals are allowed from a participant's elective deferral account and are subject to specific statutory and regulatory requirements. In-service distributions are permitted from all vested accounts when a participant has attained age 59½.

Forfeitures

Forfeited nonvested accounts may be used to reduce Company contributions or pay plan expenses. For the year ended December 31, 2023, forfeitures of \$9,477 and \$2,650 were used to reduce Company matching contributions and pay plan expenses, respectively. Unallocated forfeitures were \$33,268 and \$19,013 at December 31, 2023 and 2022, respectively.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract (which is valued at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred.

PAYIT 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions and Contributions Receivable

Contributions from participants and the associated Company contributions are recorded in the year in which the employee contributions are withheld from compensation. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Plan expenses primarily consist of plan administration fees. Fees related to the administration of notes receivable from participants and benefit payments to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Subsequent Events

Subsequent events were evaluated through February 5, 2025, which is the date the financial statements were available to be issued.

NOTE 3 — INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Minnesota Life.

NOTE 4 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

PAYIT 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Pooled separate accounts: Valued at the NAV of units of the fund, which is based on the readily determined fair value of the underlying investments less its liabilities. The underlying investments consist of mutual funds and common/collective trusts.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Values as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ -	\$ 7,431,674	\$ -	\$ 7,431,674
Assets at Fair Values as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ -	\$ 4,153,207	\$ -	\$ 4,153,207

NOTE 5 — INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a traditional fully benefit-responsive guaranteed investment contract issued by Minnesota Life. Minnesota Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Minnesota Life, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

PAYIT 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 5 — INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022 was \$79,433 and \$59,405, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but not less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Minnesota Life. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

Minnesota Life may terminate the guaranteed investment contract for reasonable cause with 60 days advance written notice to the Plan. Upon termination by either party, the payout value may be subject to adjustment, either in a lump-sum payment or in installment payments.

NOTE 6 — PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in Company contributions.

NOTE 7 — TAX STATUS

As this Plan is a prototype defined contribution plan, the IRS issued an opinion letter dated June 30, 2020, stating that while they do not issue a determination as to whether a specific employer's plan is qualified, any employer who adopts this plan document will be considered to have a plan qualified under code Section 401(a) of the Internal Revenue Code (IRC) provided all the terms are not more favorable for officers, owners, or highly compensated employees than for other employees. Management believes that the Plan is operating in compliance with all the terms provided in the nonstandardized plan agreement. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan is subject to examination by the IRS for the statutory period.

NOTE 8 — PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed by Minnesota Life. Total fees paid from the Plan to this entity for the year ended December 31, 2023 were \$10,571. These transactions qualify as party-in-interest transactions.

NOTE 9 — RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 — DELINQUENT CONTRIBUTIONS

During the year ended December 31, 2022, the Company failed to remit to the Plan's custodian certain employee contributions totaling \$47,122 within the period prescribed by the Department of Labor's regulations. The Company restored the affected participants' accounts for potential lost income of \$5,187 in January 2024.

NOTE 11 — OPERATIONAL ERRORS

The Company identified certain operational errors relating to plan eligible compensation and a missed deferral opportunity. The Company plans to self-correct the errors by making a corrective contribution to the affected participants. As a result, an employer corrective contribution receivable has been recorded on the statement of net assets available for benefits in the amount of \$47,210 on December 31, 2023.

NOTE 12 — RECONCILIATION TO FORM 5500
