INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
403(b) Thrift Plan for Employees of The Springfield Urban League, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the 403(b) Thrift Plan for Employees of the Springfield Urban League, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2024 and schedule of delinquent participant contributions for the year ended June 30, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves,

and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

Note 1. Description of the Plan

General

The following brief description of the 403(b) Thrift Plan for Employees of the Springfield Urban League, Inc. (the Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

The Springfield Urban League, Inc. (SUL or Organization) established the Plan effective January 1, 2005. The Plan is underwritten by Mutual of America Life Insurance Company (Custodian). The Plan is to enable employees to accumulate long term savings for retirement while benefiting from favorable tax treatment. Incorporated under this 403(b) Thrift Plan is the Tax-Deferred Annuity (TDA) contract. The 403(b) Thrift Plan is intended to comply with Sections 401(a) and 403(b) of the Internal Revenue Code of 1986, as amended (the Code) and Treasury Regulations promulgated thereunder, and all other applicable statutory and regulatory requirements.

This voluntary retirement savings program offers employees the advantage of making contributions from a pre-tax or after-tax salary. Employees defer payment of federal income taxes on amounts contributed until they are withdrawn or paid as benefits. Moreover, any interest and investment earnings accumulate on a tax-deferred basis until withdrawn or paid as benefits.

Every employee who satisfies the requirements in the Eligibility section of the plan document has an opportunity to enroll in and contribute to the plan. The Plan is administered in accordance with the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and the Code.

Contributions

SUL will make an employer base contribution equal to 5%, 8%, or 10% of an employee's compensation for the year based on number of years served. Employees must be at least 21 years old and one year of service. Employee contributions are made each payroll period by salary reduction. The employer base contribution will be made whether or not an employee makes an employee contribution.

Participant Accounts

An account is maintained for each participant for the participant's share of contributions plus income and gains or losses from investment of such contributions. Participants allocating contributions to fixed annuity contracts are guaranteed a specified rate of interest. Participants allocating contributions to other accounts are not guaranteed either the principal or earnings on their accumulations. The value of a participant's accumulation in an account varies proportionately with the returns on the investments in the account's portfolio.

Note 1: Description of the Plan (*continued*)

Investment Options

Employer contributions can be invested in various funds sponsored by Mutual of America at the option of the individual participant in any proportion resulting in a whole percentage.

Administrative Expenses

The Plan pays administrative expenses to the extent that SUL does not pay them.

Vesting

Vesting is determined by each participant's years of service from the date of hire to termination. The value of each participant's account attributable to employer contributions is fully vested when the participants has completed three (3) years of vesting service. The account value of contributions is fully and automatically vested when a participant reaches age fifty-five (55) or if they are totally and permanently disabled or die.

Benefit Payments

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of the participant's account.

Forfeitures

Individual participants that are terminated and the entire account is forfeited because the individual was not vested at the time of termination, the forfeited account will be restored upon reemployment if the break-in-services does not exceed five (5) years. For individual participants that are terminated and have received a distribution of their vested account but had a portion of the account forfeited because it was not vested, the forfeited portion will be restored, if the participant is reemployed before incurring the five-year-break-in-service and the individual repays to the plan the total amount of the distribution within five years (5) of the date of reemployment.

Forfeited nonvested accounts will first be used to pay certain Plan administrative expenses with any remaining forfeitures used to reduce employer contributions. Forfeited nonvested accounts that were used to reduce employer contributions during the year ended June 30, 2024 was \$7,408. As of June 30, 2024, the forfeited balance was \$0.

Note 1: Description of the Plan (*continued*)

Plan Termination

Although it has not expressed any intent to do so, SUL has the right to amend, modify, or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants are entitled to their entire account balance.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Loans

Participants may borrow from Mutual of America using their Mutual of America Interest Accumulation account balances as collateral for the loan. Collateral is required in an amount equal to 120 percent of the outstanding loan balance. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, subject to annuity contract and plan provisions. Loan terms range from one (1) to five (5) years or up to 10 years for the purchase of the participant's primary residence. Loans bear interest at market rates. Principal and interest are paid ratably by the participant to the insurance company and each payment will reduce amounts collateralized by the participant's Mutual of America Interest Accumulation account balance. The amount of these outstanding loans was \$121,387 and \$177,792 as of June 30, 2024, and 2023, respectively. These loans are not included as assets in the accompanying financial statements. As of June 30, 2024 and June 30, 2023, there were \$0 and \$1,216 defaulted loans, respectively.

OF THE SPRINGFIELD URBAN LEAGUE, INC.**
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

Note 2. Summary of Significant Accounting Policies (*continued*)

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 3. Fair Value of Financial Instruments

In determining fair value, the Plan uses various valuation approaches within the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10 “Fair Value Measurements and Disclosures” fair value measurement network. Fair value measurements are determined based on the assumptions that market participants would use in pricing an asset or liability.

FASB ASC 820-10 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizing the use of unobservable inputs by requiring that the most observable inputs be used when available. FASB ASC 820-10 defines the levels within hierarchy based on the reliability of inputs as follows:

- Level 1 - Valuations based on adjusted quoted prices for identical assets or liabilities in active markets.
- Level 2 - Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets.
- Level 3 - Valuations derived from the valuation techniques in which one or more of significant inputs of significant value drivers are unobservable, such as pricing models, discounted cash flow models and similar techniques not based on market, exchange, dealer or broker-traded transactions.

OF THE SPRINGFIELD URBAN LEAGUE, INC.**
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

Note 3. Fair Value of Financial Instruments *(continued)*

The guaranteed interest account is a fully benefit-responsive group annuity contract with Mutual of America that invests in the general assets of Mutual of America. The guaranteed interest account is valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The pooled separate accounts are valued at net asset value per share (NAV) of the funds, which is based on the fair value of the funds' underlying assets. There are no redemption restrictions or unfunded commitments on these investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets at fair values at June 30, 2024 and 2023 are as follows:

	Fair Value Measurement Using			
	Total	Level 1	Level 2	Level 3
<u>June 30, 2024</u>				
Pooled separate accounts	\$ 3,338,307	\$ 3,338,307	\$ -	\$ -
Total investments, at fair value	<u>\$ 3,338,307</u>	<u>\$ 3,338,307</u>	<u>\$ -</u>	<u>\$ -</u>
<u>June 30, 2023</u>				
Pooled separate accounts	\$ 3,287,031	\$ 3,287,031	\$ -	\$ -
Total investments, at fair value	<u>\$ 3,287,031</u>	<u>\$ 3,287,031</u>	<u>\$ -</u>	<u>\$ -</u>

Note 4. Guaranteed Interest Account

The Plan has a benefit-responsive investment contract with Mutual of America Life Insurance Company. Mutual of America maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Interest is credited on contract balances using a single "portfolio rate" approach. Under this methodology, a single interest rate is applied to all contributions made to the product, regardless of the timing of those contributions. Interest crediting rates are reviewed on a semiannual basis for resetting, but may not be less than 3 percent. When establishing interest crediting rates for this product, Mutual of America considers many factors, including current economic and market

conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are no events that allow the issuer to terminate the contract and that require the plan sponsor to settle an amount different than contract value paid either within ninety (90) days or over time.

Note 5. Information Certified by Custodian

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at June 30, 2024 and 2023, and net appreciation in fair value of investments, and interest for the year ended June 30, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company (the custodian of the Plan).

Note 6. Party-in-Interest Transactions

Certain plan assets are invested in investment funds managed by Mutual of America. Mutual of America is a custodian and recordkeeper of the Plan, therefore, transactions related to these investments qualify as party-in-interest transactions.

Note 7. Income Tax Status

The Plan adopted a prototype non-standardized 403(b) plan and has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The prototype received an opinion letter on March 31, 2017. The plan administrator believes that terms of the Plan have been prepared to conform with the written plan requirements of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**403(B) THRIFT PLAN FOR EMPLOYEES
OF THE SPRINGFIELD URBAN LEAGUE, INC.**
NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

Note 8. Risks and Uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Note 9. Delinquent Participant Contributions

During the year 2022, the Plan remitted certain participant contributions in the amount of \$32,713, in an untimely manner. Late remittances of participant contributions constitute a prohibited transaction under ERISA Section 406, regardless of materiality. The Organization had remitted the lost earnings on March 12, 2024.

Note 10. Subsequent Events

For the fiscal year ending June 30, 2024, the Plan's management has evaluated subsequent events through February 7, 2025, which is the date the financial statements were available to be issued.
