INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Cancer & Hematology Centers of Western Michigan Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Cancer and Hematology Centers of Western Michigan Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 26, 2024 and December 31, 2023, and the related statements of changes in net assets available for benefits for the period ending June 26, 2024 and the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 26, 2024 and December 31, 2023 and for the period ended June 26, 2024 and year ending December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Cancer and Hematology Centers of Western Michigan Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As discussed in Note 1 to the financial statements, effective July 1, 2023 the Plan merged into the OneOncology, OneRewards Retirement Plan. The Cancer and Hematology Centers of Western Michigan Profit Sharing and 401(k) Plan transferred its net assets into the OneOncology, OneRewards Retirement Plan and ceased operations. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Cancer and Hematology Centers of Western Michigan Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Cancer & Hematology Centers of Western Michigan Profit Sharing and 401(k) Plan Cancer and Hematology Centers of Western Michigan Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Cancer and Hematology Centers of Western Michigan Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CANCER & HEMATOLOGY CENTERS OF WESTERN MICHIGAN PROFIT SHARING AND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 26, 2024 AND DECEMBER 31, 2023

Note 1 - Description of the Plan

General

The Plan is a defined contribution 401(k) plan covering substantially all employees of Cancer & Hematology Centers of Western Michigan, PC, and Cancer and Hematology Professional Services, PLC (the Company). The Plan was established on January 1, 1992 and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

The Company was acquired by an unrelated third party. As a result, the Plan merged into the acquiring entity's retirement plan. The plan transfers shown on the statements of changes in net assets available for benefit represent amounts transferred to the acquiring entity's retirement plan.

Administration

The Plan Sponsor and named Plan Administrator is Cancer & Hematology Centers of Western Michigan, PC. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and fees, and reports to the Plan's trustee. A trust has been established under the Plan to hold the Plan's assets. The Company has appointed an individual as trustee. The Plan's Investment Custodians are Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively Empower). The Investment Custodians hold all of the Plan's assets and execute all of the Plan's transactions. The Company also uses Empower Retirement to provide participant recordkeeping and administrative services.

Eligibility

The Plan covers all employees of the Company, except those who are covered by a collective bargaining agreement that does not provide for participation in the Plan or non-resident aliens with no U.S. income. All eligible employees must be 21 years of age and may begin participating in the Plan upon hire, with immediate entry after meeting the participation requirements. Employees must be 21 and complete one year of service in order to participate in employer contributions.

Contributions to the Plan

Each year, participants may contribute up to 92% of their pre-tax annual compensation, as defined in the plan document, through payroll withholdings. The Plan also allows participants to make after-tax Roth contributions. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other defined benefit or defined contribution plans (rollovers).

In conjunction with the Plan's merger, participant elective contributions were not permitted subsequent to June 30, 2023.

The Company may elect to make discretionary non-elective contributions on behalf of the participants. There were no discretionary contributions for the period ending June 26, 2024 and year ending December 31, 2023.

CANCER & HEMATOLOGY CENTERS OF WESTERN MICHIGAN PROFIT SHARING AND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 26, 2024 AND DECEMBER 31, 2023

The Plan contains a safe harbor non-elective contribution provision whereby the employer contributes an amount equal to 3% of eligible compensation.

Participants direct the investment of both their individual contributions plus their share of employer contributions into the various investment options offered by the Plan. The Company's contributions are allocated in the same manner as that of the participant's elective contributions.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer contributions as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance, subject to certain Department of Labor and IRS requirements. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate as defined in the plan document. Principal and interest is paid ratably through payroll deductions each pay period.

Payment of Benefits

On termination of service, participants with vested account balances of \$5,000 or less are subject to involuntary cash-outs, in which automatic distribution of their account balance will occur without direct consent unless they elect a rollover. Participants whose vested account balances exceed \$5,000 may elect a lump sum distribution, periodic equal installment payments, or a rollover of their account balance to another qualified account. Additionally, they may also elect to defer the distribution of their plan balance. Participants who elect to have their benefit payments deferred continue to share in allocations of investment income and losses, but do not share in subsequent allocations of employer contributions. Special rules apply to distributions due to death, disability and retirement. Participants should refer to the full plan document for details.

The Plan allows for in-service distributions upon attainment of age 59½ for all deferral contributions, discretionary employer matching contributions, and rollover contributions for any reason. The Plan also allows for in-service distributions prior to attainment of the Plan's normal retirement age due to financial hardship, as defined in the plan document, from vested account balances.

Vesting

Participants are immediately vested in their contributions (deferrals and rollovers), any safe-harbor employer contributions and earnings thereon. Vesting in company contributions other than safe-harbor contributions is based on years of continuous service at a rate of 20% per year after one full year of credited service. A participant is 100% vested after five years of credited service. Participants also become 100% vested upon death, disability, or attainment of normal retirement age.

CANCER & HEMATOLOGY CENTERS OF WESTERN MICHIGAN PROFIT SHARING AND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 26, 2024 AND DECEMBER 31, 2023

Forfeitures

Forfeitures can be used to offset plan administration expenses and reduce employer contributions. There were no unallocated forfeiture balances as of June 26, 2024. Unallocated forfeiture balances as of December 31, 2023 were \$164. Forfeitures of \$165 were used to offset plan administrative expenses for the period ending June 26, 2024. Forfeitures of \$56,466 were used to reduce employer contributions during the year ended December 31, 2023.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments (the fully benefit-responsive investment contract) are reported at contract value. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. The Plan does not currently have any notes receivable from participants.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

CANCER & HEMATOLOGY CENTERS OF WESTERN MICHIGAN PROFIT SHARING AND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 26, 2024 AND DECEMBER 31, 2023

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including November 26, 2023, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Investment Information Certified by the Custodians

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by Empower Annuity Insurance Company of America (EAICA) and Empower Trust Company, LLC as to its completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

- All investment balances reflected in the accompanying statements of net assets available for plan benefits as of June 26, 2024 and December 31, 2023,
- All investment activity reflected in the statement of changes in net assets available for plan benefits for the period ending June 26, 2024 and the year ended December 31, 2023,
- All investment-related information included in the Supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, and
- Income on notes receivable from participants for the year ended December 31, 2023.

Note 4 - Group Annuity Contract with Empower Annuity Insurance Company of America

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (EAICA) totaling \$-0- at June 26, 2024 and \$4,778,043 at December 31, 2023. EAICA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by EAICA, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

CANCER & HEMATOLOGY CENTERS OF WESTERN MICHIGAN PROFIT SHARING AND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 26, 2024 AND DECEMBER 31, 2023

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Note 5 - Party-in-Interest Transactions

Certain plan investments are managed by Empower Annuity Insurance Company of America (EAICA) and Empower Trust Company, LLC, who are the Plan's Investment Custodians. Merrill Lynch also acts as the Plan's Investment Advisor. During the period ended June 26, 2024 and year ended December 31, 2023 the Plan paid direct compensation to the Investment Custodians and Investment Advisor for services rendered. Indirect compensation (that is netted against investment income on the statement of changes in net assets available for benefits) is paid to the Investment Custodians from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

Note 6 - Plan Termination

The Company has the right under the Plan to discontinue its contributions and to terminate the Plan at any time subject to the provisions of ERISA. Upon termination, all participant accounts become 100% vested.

Effective June 26, 2024, the Plan's final distributions occurred which effectively terminated the Plan.

Note 7 - Plan Amendment and Tax Status

The Plan is utilizing a non-standardized prototype plan, which has been filed with the IRS and has received a favorable opinion dated June 30, 2020 from the IRS. The Plan Sponsor has not elected to apply for an individual IRS Determination Letter upon adoption of the Plan nor on any subsequent amendments. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of June 26, 2024.

The Plan permitted provisions of SECURE Act 2.0 during the year ended December 31, 2023.

CANCER & HEMATOLOGY CENTERS OF WESTERN MICHIGAN PROFIT SHARING AND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 26, 2024 AND DECEMBER 31, 2023

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
