Local Union No. 126 Retirement Plan

Opinion

We have audited the financial statements of the International Brotherhood of Electrical Workers Local Union No. 126 Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the International Brotherhood of Electrical Workers Local Union No. 126 Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the International Brotherhood of Electrical Workers Local Union No. 126 Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedules of Assets Held at End of Year and of Delinquent Participant Contributions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedules of Assets Held at End of Year and of Delinquent Participant Contributions are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL UNION NO. 126 RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024 and 2023

NOTE 1. DESCRIPTION OF PLAN

The following brief description of the International Brotherhood of Electrical Workers Local Union No. 126 Retirement Plan (the Plan) is provided for general information purposes only.

The Plan is a multi-employer defined contribution pension plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by six Trustees, three designated by the Norristown Branch of the Penn-Del-Jersey Chapter of the National Electrical Contractors Association and three designated by the International Brotherhood of Electrical Workers Local Union No. 126 (the Union).

Each individual will be eligible to participate who, as of the effective date of the Plan, has both completed at least one hour of service and was a covered employee employed by one of the following: (1) a member of the Norristown Branch of the Penn-Del-Jersey Chapter of the National Electrical Contractors Association; (2) certain outside employers who agree to comply with the Union's conditions; (3) any other employer who has a collective bargaining agreement with the Union; or (4) the Union itself.

Participants in the Plan may direct their employer and employee contributions into a range of investment fund options provided through Transamerica, the Plan's trustee and custodian. Participants must evaluate their own investment goals and objectives and choose the funds best suited to achieve those goals and objectives. Poor investment performance by the funds selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf. The Plan pays its expenses by a flat charge to each account, which may vary based on expected expenses and can also be changed to a different formula by the Trustees. Participants are immediately and fully vested in the full amount of their self-directed account balances at all times.

Effective July 1, 2015, this Plan is considered to be a safe harbor plan pursuant to Section 401(k)(12) of the Internal Revenue Code of 1986, as amended.

Effective September 1, 2017, if a participant becomes ill or disabled and cannot work because of such injury, illness or disability, they may apply for a hardship distribution from the Plan to pay for expenses incurred because of unemployment due to certain injuries, illnesses or disabilities.

A participant is entitled to distributions from the Plan in the event of retirement, death, disability, termination of covered employment or termination of the Plan. Withdrawals for financial hardship are allowed under the Plan. Participants must meet certain financial hardship criteria and each request must be approved by the Board of Trustees.

NOTE 1. DESCRIPTION OF PLAN (continued)

A participant is eligible to retire on their 60th birthday (early retirement is allowed at age 55). Any participant who continues to work past their 60th birthday will continue to participate. At retirement, the participant is entitled to receive the entire amount in their Plan account.

If a check remains outstanding for a year, the amount of the check is returned to the Plan's forfeiture account. Forfeitures of contributions consisted of \$95 and \$0 for the years ended June 30, 2024 and 2023, respectively. As of June 30, 2024 and 2023, the Plan's forfeitures account balance totaled \$4,759 and \$4,510, respectively. Forfeitures can be used, as defined by the Plan, to pay Plan expenses.

The gain allocation account is funded by the record keeper if an error is made and the correction resulted in a gain. The balance in the gain allocation account for the years ended June 30, 2024 and 2023 totaled \$0.

Participants should refer to the Summary Plan Description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting.

Investments and Income Recognition - The mutual funds are carried at fair value as of the last business day of the year, based on the net asset value of the fund as provided by State Street Bank and Trust Company (SSBT), the Plan's investment custodian and trustee. The common collective trusts are carried at net asset value (NAV), which is based on the value of the underlying assets of the fund, minus its liabilities and divided by the number of shares outstanding as provided by SSBT. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions and Reciprocal Contributions Receivable - Contributions due but not paid prior to the year-end are recorded as contributions receivable. The Plan believes that these receivables are fully collectible; therefore, no allowance for credit losses is provided.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Participant Accounts - Each participant's account is credited with the participant's contributions and employers' matching contributions, as well as allocations and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

NOTE 3. FUNDING POLICY

The Plan is funded through employer contributions ranging from 7% to 28% of wages earned by participants under the collective bargaining agreement between the Employer and the Union. The percentage of the hourly contribution to the Plan is the result of negotiations between the Line Construction Division of the Pen-Del-Jersey Chapter of the National Electrical Contractors Association and the International Brotherhood of Electrical Workers Local Union No. 126, and is changed when the economics of the Plan dictate. Employer contributions are accounted for as exchange transactions. The contributions are due on a monthly basis. It is the policy of the Trustees to pursue monies due.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter on April 20, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Sections 401(a) of the Internal Revenue Code. The Plan's related Trust was, therefore, exempt from Federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, Plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets at Fair Value as of June 30, 2024				
	Total	Level 1	Level 2	Level 3
Money market mutual funds	\$ 7,502,346	\$ 7,502,346	\$ -	\$ -
Mutual funds	796,029,286	796,029,286	-	-
	803,531,632	<u>\$ 803,531,632</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	64,307,217			
Total investments	<u>\$ 867,838,849</u>			

Assets at Fair Value as of June 30, 2023				
	Total	Level 1	Level 2	Level 3
Money market mutual funds	\$ 5,527,055	\$ 5,527,055	\$ -	\$ -
Mutual funds	656,970,777	656,970,777	-	-
	662,497,832	<u>\$ 662,497,832</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at NAV	58,515,564			
Total investments	<u>\$ 721,013,396</u>			

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the period.

During the years ended June 30, 2024 and 2023, there were no transfers in or out of levels 1, 2 or 3.

In accordance with ASC 820-10, investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 5. FAIR VALUE MEASUREMENTS (continued)

The unfunded commitments and redemption information are as follows at June 30, 2024:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
BNY Mellon AFL-CIO SL				
Mid Cap Stock Index Instl Fd	\$ 21,426,700	\$ -	(a)	(a)
Putnam Stable Value Fund	<u>42,880,517</u>	<u>-</u>	(a)	(a)
Total	<u>\$ 64,307,217</u>	<u>\$ -</u>		

(a) - The Retirement Plan's investments are participant directed. Participants can initiate transactions in and out of the common collective trusts at any time without a prior notice.

All the investments held by the Plan are measured at fair value, without adjustment by the Plan, based on the NAV as of June 30, 2024 and 2023, respectively.

The unfunded commitments and redemption information are as follows at June 30, 2023:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
BNY Mellon AFL-CIO SL				
Mid Cap Stock Index Instl Fd	\$ 19,222,141	\$ -	(a)	(a)
Putnam Stable Value Fund	<u>39,293,423</u>	<u>-</u>	(a)	(a)
Total	<u>\$ 58,515,564</u>	<u>\$ -</u>		

NOTE 6. PRIORITIES UPON TERMINATION

In the unlikely event of termination of the Plan, participants will have a non-forfeitable right to the Plan assets after provision for expenses of the Plan, including benefits approved prior to the termination of the Plan. Should the liquidation value of the assets on the date of termination be less than the total of the participants' accumulated shares plus expenses, each participant will receive that part of the total remaining assets in the same ratio as their accumulated share bears to the aggregate amount of the accumulated shares of all participants. No part of the assets may be returned to any employer or the Union.

NOTE 7. RELATED PARTIES

Certain Plan investments are shares of mutual funds managed by SSBT. Transamerica utilizes SSBT for certain trustee and custodian services, and therefore, these transactions qualify as party-in-interest transactions. Certain Plan investments are shares of money market mutual funds managed by Principal. Principal is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental schedule of assets held for investment purposes at end of year. Fees paid to SSBT for Transamerica investment fees for these services amounted to \$710,201 and \$685,412 for the years ended June 30, 2024 and 2023, respectively.

Certain administrative duties are provided by the employee organization, International Brotherhood of Electrical Workers Local Union No. 126. Fees paid on a monthly basis for services provided by the employee organization. For the years ended June 30, 2024 and 2023, the fees paid to the employee organization were \$167,064 and \$167,531, respectively.

During the year ended June 30, 2024, the Plan reimbursed the International Brotherhood of Electrical Workers Local Union No. 126 Health and Welfare Plan (the Health and Welfare Plan) \$5,822 for insurance expenses incorrectly paid by the Health and Welfare Plan. During the year ended June 30, 2023, the Plan reimbursed the Health and Welfare Plan \$26,264 for investment expenses paid by the Health and Welfare Plan.

During the year ended June 30, 2024, the Plan reimbursed the International Brotherhood of Electrical Workers Local Union No. 126 Occupational Safety Health & Education Trust \$9,315 for insurance expenses paid on behalf of the Plan.

The transactions above qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules of ERISA.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks, such as economic, interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9. SERVICE CREDIT FROM CUSTODIAN

The Plan receives a service credit from Transamerica to offset the Plan's cost of providing administrative services to its participants, in accordance with the Administrative Services Agreement. The amounts received totaled \$260,000 and \$195,000 for the years ended June 30, 2024 and 2023, respectively. The Plan had service credit fee receivables of \$65,000 as of June 30, 2024 and 2023. During the year ended June 30, 2023, \$60,596 in additional service credits and revenue sharing was received from Principal Custody Solutions.

NOTE 10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through February 13, 2025, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
