## **INDEPENDENT AUDITORS' REPORT**

Plan Administrator  
Martin Specialty Coatings, Inc. 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Martin Specialty Coatings, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Martin Specialty Coatings, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

### **Opinion on the Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of

Martin Specialty Coatings, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Martin Specialty Coatings, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Martin Specialty Coatings, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Martin Specialty Coatings, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Line 4(l) – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) **Description of the Plan**

The following description of the Martin Specialty Coatings, Inc. (the “Company”) 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

***General***

The Plan is a tax-qualified defined contribution plan under Section 401(a) of the Internal Revenue Code of 1986, as amended, which provides retirement, disability and death benefits for eligible employees of the Company. Except as excluded under the plan document, all employees of the Company are eligible to participate without age or time of service restrictions. The Plan is subject to various provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan is an amendment and restatement of a pre-existing plan which was originally effective as of January 1, 1996. The plan as herein discussed is effective as of May 1, 2023.

***Contributions and Allocations***

Each year, eligible participants may contribute up to one-hundred percent (100%) of their pretax annual compensation (“eligible compensation” as defined under the Plan), not to exceed maximum annual contribution limits established by the Federal Government. The elective deferral limitations for 2023 and 2022 amounted to \$22,500 and \$20,500 for each year, respectively. In addition, during the year which a participant attains age fifty (50) and in subsequent years, the participant may elect to make additional, pretax “catch up” contributions of up to \$7,500 and \$6,500 in the year ended 2023 and 2022, respectively.

Participants direct the investment of their contributions into various options offered by the Plan.

The Company provides a matching contribution that is calculated on a service weighted years of service formula. The matching percentage based on years of service is as follows:

| <u>Years of Vesting Service</u> | <u>Matching Percentage</u> |
|---------------------------------|----------------------------|
| Less than 5                     | 1.50%                      |
| 5 to 9                          | 2.25%                      |
| 10 to 14                        | 3.00%                      |
| 15 to 19                        | 3.75%                      |

Matching contributions totaled \$114,244 for the year ended December 31, 2023.

Rollover contributions are permitted by the Plan. Rollover contributions remain in segregated rollover accounts and are always one hundred percent (100%) vested. Rollover contributions may be withdrawn by the participant at any time. Voluntary employee contributions to the Plan are not allowed.

(1) **Description of the Plan (cont.)**

***Participant Accounts***

Under the Plan, elective deferrals made by participants and any employer contributions are placed into investment accounts, as directed by the participant, which are then credited with gains and losses at each valuation date. Valuation is performed daily. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

***Vesting***

Under the Plan, participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Participants are vested in the Company's contribution portion of their accounts plus actual earnings thereon based on years of continuous service. All participants are fully vested after completing at least two (2) years of service.

The vesting schedule for matching and non-elective employer contributions (including top-heavy) is as follows:

| <u>Completed Years of Service</u> | <u>Percentage Vested</u> |
|-----------------------------------|--------------------------|
| Less than 1                       | 0%                       |
| 1 but less than 2                 | 50%                      |
| 2 or more                         | 100%                     |

***Notes Receivable from Participants***

Participants may borrow, from their fund accounts, a minimum of \$1,000 up to the lesser of \$50,000 or fifty percent (50%) of their vested account balance. Participants may not have more than two (2) outstanding loans at a time. Loan repayment periods may not extend past five (5) years.

Loans must be secured with an irrevocable pledge and assignment of the participant's vested interest in his or her account. No more than fifty percent (50%) of the balance in the participant's account may be considered by the Plan as security.

Loans bear interest at a reasonable fixed rate established by the Plan Administrator, which is set at the prime lending rate as posted in the Wall Street Journal (or similar financial publication) when the loan is made.

Principal and interest is paid ratably as of each payroll withholding period by the participant, typically through payroll deductions.

***Payment of Benefits***

On termination of service due to reasons other than death, the form of distribution will be a lump sum distribution. Participants may elect instead to receive this distribution as a rollover to another qualified retirement plan or an individual retirement account. If the value of a participant's account is greater than one thousand dollars (\$1,000), the participant may elect to receive partial payments in amounts requested from time to time.

(1) **Description of the Plan (cont.)**

On termination of service due to death, distributions from the Plan are dependent upon several factors including whether the participant has attained their minimum distribution requirement date and information regarding the beneficiary listed on their account.

In-service distributions are permitted by the Plan if a participant has attained age fifty-nine and one-half (59½) and is one-hundred percent (100%) vested in the account from which the distribution is made.

Hardship distributions are permitted by the Plan, provided the participant provides documentation demonstrating the existence of a hardship event, as defined by the Plan.

***Forfeited Accounts***

Forfeitures are amounts which cannot be paid to terminated participants because they were not one hundred percent (100%) vested upon separation from service with the Company. Forfeitures of company contributions will be used to pay plan expenses and supplement employer contributions, respectively. The Plan had \$5,955 and \$4,027 in forfeitures, as of December 31, 2023 and 2022. During the plan year ended December 31, 2023, the Plan used \$-0- to pay Plan expenses.

(2) **Summary of Significant Accounting Policies**

***Basis of Accounting***

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

(2) **Summary of Significant Accounting Policies (cont.)**

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

***Payment of Benefits***

Benefits are recorded when paid.

***Administrative Expenses***

Although not required, the Company, as Plan Sponsor, may pay the related costs of administering the Plan. Expenses paid by the Company on behalf of the Plan are not reflected in the financial statements of the Plan.

(3) **Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
  - Quoted prices for similar assets or liabilities in active markets
  - Quoted prices for identical or similar assets or liabilities in inactive markets
  - Inputs other than quoted prices that are observable for the asset or liability
  - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(3) **Fair Value Measurements (cont.)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Insurance Company Pooled Separate Accounts:* Plan assets are represented by a "unit of account" and a per unit value whose value is the result of the accumulated values of the underlying investments. While the majority of the underlying asset values are based on quoted prices, the net asset value (NAV) of the pooled separate accounts is not publicly quoted. The NAV is reported by the fund managers as of the financial statement date based on recent transaction prices. The pooled separate accounts held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance communication required. The Plan is permitted to redeem investment units at NAV on the measurement date.

*Mutal Funds:* Plan assets are valued at the daily closing prices as reported by the respective mutual funds. These funds are required to publish their daily net asset value and to transact at that price. The mutual fund shares held by the Plan are deemed to be actively traded.

*Collective Trust:* Shares of the Putnam Stable Value Fund are measured at the fair value of the underlying assets. While the underlying asset values are based on quoted prices, the net asset value (NAV) of the collective trust is not publicly quoted.

The following tables set forth by level, within the fair value hierarchy, the plan's fair value measurements at December 31, 2023 and 2022, respectively:

| Investments at fair value as of December 31, 2023      |                     |             |             |                     |

(3) **Fair Value Measurements (cont.)**

- (a) Certain investments that are measured at fair value using the net asset value per share practical expedient have not been classified in the fair value hierarchy. The net asset value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022, respectively:

December 31, 2023

| Fund(s)                  | Fair Value | Unfunded commitments | Redemption Frequency | Redemption Notice Period |

(4) **Fully Benefit-Responsive Investment Contracts**

For the year ended December 31, 2022, the Plan invested in a traditional investment contract. The contract met the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The investment contract held by the Plan is a guaranteed investment contract in which the issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and is declared in advance. The rates are periodically reviewed for resetting.

Generally, the issuer processes distributions and transfers from the investment within a reasonable period of time after a participant request is received in good order. However, under certain conditions, as described in the Account Rider of the Group Annuity Contract, transfers from the Fixed Income Account may be limited or deferred, and distributions may be subject to a market value adjustment.

(5) **Transactions with Parties in Interest**

The Plan Sponsor is a party to an agreement with Equitable Life Insurance Company. Under this agreement, these parties provide investment management services to the Plan. The above transactions qualify as party-in-interest transactions.

**(5) Transactions with Parties in Interest (cont.)**

Additionally, Martin Specialty Coatings, Inc., the Plan sponsor, provides certain accounting and administrative services for which no fees are charged.

**(6) Plan Amendment or Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**(7) Tax Status**

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**(8) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

**(10) Subsequent Events**

The Plan Administrator has evaluated all events or transactions that occurred after December 31, 2023 through January 15, 2025, which is the date the financial statements were available to be issued. We have obtained the SOC 1 report from our service organization Equitable Life Insurance Company. We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the years ended December 31, 2023.

**(11) Information Certified by the Plan's Custodian**

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan management instructed the plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company (2023) and Equitable Life Insurance Company (2022), except for comparing such information certified by the custodian with information included in the plan's financial statements and supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year):
