INDEPENDENT AUDITORS' REPORT

To the Trustee of the
MTHA Retirement Plan for Backstretch Employees

OPINION

We audited the accompanying financial statements of the MTHA Retirement Plan for Backstretch Employees (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022 and the changes in its net assets available for benefits for the year ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments and administration of the Plan, and for determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

AUDITORS' RESPONSIBILITIES FOR THE AUDITS OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA. Such information is the responsibility of management and was derived

from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA.

NOTE 1 DESCRIPTION OF PLAN

The following description of the MTHA Retirement Plan for Backstretch Employees (Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined-contribution plan covering trainers and backstretch employees licensed by the Maryland Racing Commission who complete one year of service, are at least 18 years old, and are employed in the care of the horses. The Plan sponsor is the Maryland Thoroughbred Horsemen's Association, Inc. (Association). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Contributions to the Plan are determined annually by the board of directors of the Association. Participants are not permitted to make voluntary contributions.

PARTICIPANT ACCOUNTS

Association contributions are allocated based on the ratio of a participant's points to total points of all participants. Points are credited annually on the basis of one point for each year of service and 0.10 of a point for each full \$100 of compensation received during the Plan year up to a maximum of \$22,000.

INVESTMENT OPTIONS

The Plan's assets are invested as directed by the Trustee. Effective during 2024, the investments became participant directed.

VESTING

A participant is 100% vested after three years of service. A participant has no vested interest if employment terminates prior to the completion of three years of service.

PAYMENT OF BENEFITS

If a participant's account exceeds \$5,000, a participant may elect to receive the participant's vested interest in a lump sum or installments and partial withdrawals. Benefit payments begin when the participant turns 65 years old. A participant may receive an in-service distribution as long as one of the following criteria is met: 1) participant has reached normal retirement age, 2) participant has reached early retirement age, or 3) participant is age 55 or

(See Independent Auditors' Report)

over and has been licensed in good standing and actively employed with the Maryland racing industry for 25 years or more. Retirement prior to normal retirement age is permitted at age 55 upon completing 25 years of service. If a participant's account is less than \$5,000, the benefit will automatically be distributed to the participant in a lump sum.

ADMINISTRATIVE EXPENSES

Administrative expenses include fees paid by the Plan as well as fees paid by the Association. In addition, the Association provides services to the Plan without charge.

FORFEITED ACCOUNTS

Forfeited non-vested accounts will be used first to pay any administrative expenses, and any remaining forfeitures may be used to reduce the Association's discretionary contributions, in accordance with the Plan Agreement. As of December 31, 2023 and 2022, there were \$15,846 and \$13,838, respectively, of unallocated forfeitures. During the year ended December 31, 2023, no forfeitures were reallocated to participants' accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ACCOUNTING STANDARDS CODIFICATION

All references to the Codification in the financial statements refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INCOME RECOGNITION

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

(See Independent Auditors' Report)

RISK AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

INVESTMENTS

Investments are valued at fair value. See Note 3 for a discussion of fair value measurements.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through January 29, 2025, the date the financial statements were available to be issued.

NOTE 3 VALUATION OF INVESTMENTS

Investments are recorded at fair value in accordance with the provisions under the Fair Value Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Codification are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

(See Independent Auditors' Report)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below are descriptions of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds and Exchange Traded Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market.

Pooled Separate Account: Valued using NAV. NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	2023		
	Level 1	Level 2	Total
Mutual Funds	\$ 5,510,219	\$ -	\$ 5,510,219

Exchange Traded Funds	4,895,608	-	4,895,608
Total	\$ 10,405,827	\$ 188,795	\$ 10,594,622

Total	<u>\$ 8,615,257</u>	<u>\$ 688</u>	<u>\$ 8,615,945</u>

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Association has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

NOTE 5 TAX STATUS

The Internal Revenue Service determined and informed the Association by letter dated November 30, 2020 that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan was amended since receiving the determination letter. However, the Plan Administrator believes the Plan is designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes was included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded that there were no uncertain tax positions as of December 31, 2023.

NOTE 6 RELATED-PARTY TRANSACTIONS

The Plan pays accounting, investment management, service, and administration fees to parties in interest. The Plan paid \$98,614 to parties in interest for the year ended December 31, 2023.

INDEPENDENT AUDITORS' REPORT

To the Trustee of the
MTHA Retirement Plan for Backstretch Employees

OPINION

We audited the accompanying financial statements of the MTHA Retirement Plan for Backstretch Employees (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022 and the changes in its net assets available for benefits for the year ended December 31, 2023 in accordance with accounting principles generally accepted in the United States of America.

BASIS FOR OPINION

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments and administration of the Plan, and for determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

AUDITORS' RESPONSIBILITIES FOR THE AUDITS OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA. Such information is the responsibility of management and was derived

from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA.

NOTE 1 **DESCRIPTION OF PLAN**

The following description of the MTHA Retirement Plan for Backstretch Employees (Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined-contribution plan covering trainers and backstretch employees licensed by the Maryland Racing Commission who complete one year of service, are at least 18 years old, and are employed in the care of the horses. The Plan sponsor is the Maryland Thoroughbred Horsemen's Association, Inc. (Association). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Contributions to the Plan are determined annually by the board of directors of the Association. Participants are not permitted to make voluntary contributions.

PARTICIPANT ACCOUNTS

Association contributions are allocated based on the ratio of a participant's points to total points of all participants. Points are credited annually on the basis of one point for each year of service and 0.10 of a point for each full \$100 of compensation received during the Plan year up to a maximum of \$22,000.

INVESTMENT OPTIONS

The Plan's assets are invested as directed by the Trustee. Effective during 2024, the investments became participant directed.

VESTING

A participant is 100% vested after three years of service. A participant has no vested interest if employment terminates prior to the completion of three years of service.

PAYMENT OF BENEFITS

If a participant's account exceeds \$5,000, a participant may elect to receive the participant's vested interest in a lump sum or installments and partial withdrawals. Benefit payments begin when the participant turns 65 years old. A participant may receive an in-service distribution as long as one of the following criteria is met: 1) participant has reached normal retirement age, 2) participant has reached early retirement age, or 3) participant is age 55 or

(See Independent Auditors' Report)

over and has been licensed in good standing and actively employed with the Maryland racing industry for 25 years or more. Retirement prior to normal retirement age is permitted at age 55 upon completing 25 years of service. If a participant's account is less than \$5,000, the benefit will automatically be distributed to the participant in a lump sum.

ADMINISTRATIVE EXPENSES

Administrative expenses include fees paid by the Plan as well as fees paid by the Association. In addition, the Association provides services to the Plan without charge.

FORFEITED ACCOUNTS

Forfeited non-vested accounts will be used first to pay any administrative expenses, and any remaining forfeitures may be used to reduce the Association's discretionary contributions, in accordance with the Plan Agreement. As of December 31, 2023 and 2022, there were \$15,846 and \$13,838, respectively, of unallocated forfeitures. During the year ended December 31, 2023, no forfeitures were reallocated to participants' accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ACCOUNTING STANDARDS CODIFICATION

All references to the Codification in the financial statements refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INCOME RECOGNITION

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

(See Independent Auditors' Report)

RISK AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

INVESTMENTS

Investments are valued at fair value. See Note 3 for a discussion of fair value measurements.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through January 29, 2025, the date the financial statements were available to be issued.

NOTE 3 VALUATION OF INVESTMENTS

Investments are recorded at fair value in accordance with the provisions under the Fair Value Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Codification are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

(See Independent Auditors' Report)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below are descriptions of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds and Exchange Traded Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market.

Pooled Separate Account: Valued using NAV. NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	2023		
	Level 1	Level 2	Total
Mutual Funds	\$ 5,510,219	\$ -	\$ 5,510,219

(See Independent Auditors' Report)

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Association has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

NOTE 5 TAX STATUS

The Internal Revenue Service determined and informed the Association by letter dated November 30, 2020 that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan was amended since receiving the determination letter. However, the Plan Administrator believes the Plan is designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes was included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded that there were no uncertain tax positions as of December 31, 2023.
