Union Settlement Association, Inc.**

Financial Statements

December 31, 2023 and 2022

Independent Auditors' Report

The Plan Administrator and Participants of 403(b) Thrift Plan for Employees of Union Settlement Association, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 403(b) Thrift Plan for Employees of Union Settlement Association, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from the qualified institution as of December 31, 2023 and 2022, and for the years the ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**The Plan Administrator and Participants of
403(b) Thrift Plan for Employees of Union Settlement Association, Inc.**
Page 3

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with auditing standards generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and (2) Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) Thrift Plan for Employees of Union Settlement Association, Inc.

Notes to Financial Statements
December 31, 2023

1. Description of Plan

The following description of the 403(b) Thrift Plan for Employees of Union Settlement Association, Inc. (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Union Settlement Association, Inc. ("USA, Inc." or the "Plan Administrator"). The Plan was established on April 1, 2011, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility Requirements

Salary Reduction Contributions

All employees are eligible to participate and make salary reduction contributions (including Designated Roth Contributions) upon employment except for those who are:

- Non-resident aliens with no U.S. source income and those who are classified or treated as independent contractors (even if a government agency or court with jurisdiction determines that such persons are deemed to be employees for any purpose under common-law principles or federal, state or local law).
- Eligible to make salary reduction contribution to another plan of the employer described in Sections 401(k) or 403(b) of the Internal Revenue Code (the "Code"), or a governmental eligible deferred compensation plan described in Section 457(b) of the Code.

There are no minimum age or service requirements to make salary reduction contributions.

Effective February 1, 2021, the Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default rate set at 1.5% of their eligible compensation. The amount will be contributed on a pre-tax basis. This amount does not automatically increase each year.

Employer Base Contributions

All employees are eligible to participate and receive employer base contributions, except for those indicated above and for those employees who are covered under a collective bargaining agreement.

Employees must be at least eighteen years of age, have completed at least one year of service and have completed 1,000 hours of service each Plan year to receive the employer base contributions each Plan year.

1. Description of Plan (*continued*)

Contributions

Salary Reduction Contributions

Any participant may elect to defer receipt of a portion of his/her includible compensation and direct USA, Inc. to contribute that deferral to the Plan on his/her behalf as a salary reduction contribution on either a pre or post tax basis. Participants may choose to contribute a percentage of his/her includible compensation for that year determined under Section 403(b)(3) from 1% to 100% (in multiples of .001%) provided that it will not be more than the maximum contribution permitted by law. Participants may also elect to contribute nothing to the Plan.

Participants who have attained the age of fifty (50) before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Employer Base Contributions

Each participant may receive an allocation of employer base contributions for each Plan year based on his/her compensation received during that Plan year whether or not he/she has made salary reduction contributions to the Plan and is an employee as of the last day of that Plan year and has completed the eligibility requirements.

The employer base contribution will be a discretionary amount, determined by management each year and based on length of service.

The employer base contribution for each group will be allocated to the accounts of eligible participants in the proportion that the compensation of the participant bears to the total compensation of all participants in that group. This employer base contribution (if any) will be made whether or not the employees are making contributions.

Participants designate the allocation of all contributions made on their behalf to the investment accounts available under the Plan. The Plan currently offers an interest accumulation account and separate account investment funds as investment options for participants. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) USA, Inc.'s contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on a participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan (*continued*)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in USA, Inc.'s contribution portion of their accounts is based on years of service. A participant becomes 100% vested after three years (3) of service. Vesting is determined by years of service from the participant's date of hire.

Loans to Participants/Collateralized Assets

Participants may borrow from Mutual of America Life Insurance Company ("Mutual of America"), the third party administrator and insurer, using a portion of their vested accounts in the Interest Accumulation Account ("IAA") as security for the loan. The minimum loan is \$1,000 and may be up to the lesser of \$50,000 or 50% of their vested account balance. The amount borrowed plus a loan reserve (20% of the loan amount) is secured against the IAA. The interest rate is variable and subject to change at the beginning of each calendar quarter. Repayment of the loan must be within five years or up to ten years if the loan will be used to acquire a principal residence of the participant. The Plan Administrator has concluded that these loans are not Plan assets and that such arrangements are exempt transactions.

In the event of default, foreclosure on the repayment agreement and attachment of the portion of the participant's vested accounts in the IAA securing the applicable loan shall not occur until a distributable event occurs under the Plan or is otherwise permitted by applicable law.

Plan participant loan balances as of December 31, 2023 and 2022 amounted to \$45,151 and \$64,597. Under the borrowing terms, \$54,181 and \$77,517 of IAA serves as collateral to these loans at December 31, 2023 and 2022. At December 31, 2023, these loans had an interest rate of 3.25% to 4.6% with maturity dates through 2028. At December 31, 2022, these loans had an interest rate of 3.25% with maturities through 2025. At December 31, 2023 and 2022, there were no defaulted loans.

Payment of Benefits

On termination of service due to retirement, disability, death or due to financial hardship, a participant may elect to receive either a qualified joint and survivor annuity (or non-refund life annuity for an unmarried person), a lump-sum payment, or purchase of an annuity.

Forfeited Accounts

Forfeitures which occur during a Plan year shall be applied first to pay any charge under the group annuity insurance contract made in connection with the termination of employment of the participant whose termination resulted in the forfeiture and any other charges under the group annuity insurance contract which are past due. Any amount of forfeitures remaining after such payment shall be applied to reduce employer contributions.

1. Description of Plan (continued)

Forfeited Accounts (continued)

As of December 31, 2023 and 2022, the forfeited non-vested account balance amount was \$7,024 and \$5,314. During 2023 and 2022, no amounts were used to reduce employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. As of December 31, 2023 and 2022, the Plan's investments, that were valued at fair value, were valued using level 2 inputs and consisted of separate accounts (see Note 5).

Investment Valuation and Income Recognition

Certain Plan investments are stated at fair value. The insurance company general account is valued at contract value and represents contributions made under the contract, plus interest credited, less benefits paid and expenses. Separate accounts are stated at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements

2. Summary of Significant Accounting Policies (*continued*)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Except for monthly participant charges and termination fees, all administrative expenses of maintaining the Plan are paid by USA, Inc. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is February 19, 2025.

3. Information Certified (Unaudited)

Certain information related to investments in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in value of investments and interest income for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company, a qualified institution.

4. Insurance Company General Account

Amounts placed in the Mutual of America Interest Accumulation Account are credited with interest at a rate determined by Mutual of America. Mutual of America guarantees to credit interest for the life of the contract to amounts in the Interest Accumulation Account of their general account at a rate at least equal to the greater of: (1) any contractual minimum guarantee provided by the contract; or (2) the minimum rate required by applicable state law, or, if no state law minimum rate is applicable to a contract, the minimum guaranteed credited interest rate will be set pursuant to National Association of Insurance Commissioners ("NAIC") standard non-forfeiture law. The NAIC minimum rate is determined in accordance with a formula, and cannot be less than 1% or more than 3%. Mutual of America determines whether the application of the formula will change the minimum guaranteed rate each November, and any change is effective the following January 1 for that calendar year.

**403(b) Thrift Plan for Employees of
Union Settlement Association, Inc.**

Notes to Financial Statements
December 31, 2023

4. Insurance Company General Account (*continued*)

The interest rate under that contract will not go below that amount regardless of the minimum rate that is set for a calendar year. In Mutual of America's sole discretion, they may credit a higher rate of interest to a participant's contract in the general account, although they are not obligated to credit interest in excess of the minimum guaranteed rate. Mutual of America compounds interest daily on the contract amounts in the general account to produce an effective annual yield that is equal to the stated interest rate.

The principal and previously credited interest is guaranteed by Mutual of America. This guarantee is subject to Mutual of America's financial strength and claims-paying ability. The credit risk of the issuer was evaluated by nationally recognized statistical agencies as follows: A.M. Best (A as of February 2023), Standard and Poor's (A as of December 2022) and Fitch Ratings (A- as of March 2024).

The Mutual of America Interest Accumulation Account represents approximately 12% and 14% of the net assets available for benefits as of December 31, 2023 and 2022.

The Plan Administrator does not believe that any events would limit the Plan's ability to transact at contract value.

5. Separate Accounts

The Plan offers various separate accounts as investment options under the Plan. The separate accounts have different investment objectives, investment policies, and risks. The name of each separate account corresponds to the name of the underlying fund in which it invests. When contributions or transfers are made to a separate account, the separate account purchases shares in the appropriate underlying fund. The Plan's separate accounts include various asset classes which are: equity funds, fixed income funds, real estate funds, balanced funds, asset allocation funds, and retirement funds.

6. Parties-in-Interest

All investments are managed by Mutual of America, the Plan's third party administrator and therefore, these transactions qualify as exempt party-in-interest transactions under ERISA. Direct fees paid by the Plan to Mutual of America amounted to \$2,254 and \$3,282 for the years ended December 31, 2023 and 2022.

Certain employees of the employer, who may also be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

7. Plan Termination

Although it has not expressed any intent to do so, USA, Inc. has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in the employer base contribution portion of their account.

**403(b) Thrift Plan for Employees of
Union Settlement Association, Inc.**

Notes to Financial Statements
December 31, 2023

8. Tax Status

On March 31, 2017, the Internal Revenue Service issued an opinion letter to the prototype document preparer indicating that the Plan, as then designed, qualifies under Section 403(b) of the Internal Revenue Code ("IRC"). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by taxing jurisdictions for periods since 2020; however, there are currently no examinations for any tax periods in progress.

9. Prohibited Transactions

During 2022, the employer was notified that they failed to remit to the Plan certain participants' contributions totaling \$16,475, within the period prescribed by the Department of Labor regulations.

During 2023, the employer was notified that they failed to remit to the Plan certain participants' contributions totaling \$169,565, within the period prescribed by the Department of Labor regulations.

The Plan is in the process of making the necessary corrections for both years to satisfy both the DOL and IRS guidance for the amounts.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
