## INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator  
Independent Living Services, Inc. 403(b) Plan  
Conway, Arkansas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of **Independent Living Services, Inc. 403(b) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate evidence to provide a basis for an audit opinion on the financial statements.

### Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

To the Trustees and Plan Administrator  
Independent Living Services, Inc. 403(b) Plan

**Basis for Disclaimer of Opinion (*Continued*)**

Further, as described in Note 7 to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

To the Trustees and Plan Administrator  
Independent Living Services, Inc. 403(b) Plan

## **Other Matters**

### *Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of June 30, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to, and we do not express an opinion on these supplemental schedules.

The following description of the Independent Living Services, Inc. 403(b) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

#### **General**

The Plan, which was established January 1, 1993, and restated July 1, 2019, is a tax-sheltered annuity plan maintained for the benefit of employees of Independent Living Services, Inc. (the Employer, Plan Sponsor and Plan Administrator) and its affiliate. Generally, an employee is eligible to participate in the Plan upon the first day of employment with the Employer.

The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Empower Retirement and OneAmerica serve as the recordkeepers of the Plan and are responsible for the overall administration of the Plan, including maintaining participant account balances.

Certain duties related to the administration of the Plan are performed by employees of the Plan Sponsor; however, the Plan Sponsor does not charge the Plan for the estimated cost of such services.

#### **Contributions**

Participants may contribute up to 100% of annual compensation, as defined in the Plan, not to exceed limitations imposed by the Internal Revenue Service (IRS). Participants may also make rollovers into the Plan consisting of amounts distributed from other qualified plans and certain IRAs. The Employer may make matching contributions on a monthly basis equal to a fixed amount of the participant's elective deferrals up to 2% of the participant's monthly compensation. In addition, the Employer may make a discretionary nonelective contribution to the Plan. To be eligible for the employer matching and nonelective contributions, participants must be 18 years of age and have completed one year of service. Employer contributions are also subject to limitations imposed by the IRS.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, Employer matching contributions and allocations of Plan earnings, net of certain administrative expenses, and employer nonelective contributions. Allocations are generally based on participant earnings or account balances, as specified in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are fully vested at all times in their own contributions plus actual earnings thereon. A participant is fully vested in contributions made by the Employer, plus actual earnings thereon, when the participant attains retirement age, becomes disabled or dies. If a participant terminates employment for any other reason, vesting in contributions made by the Employer, plus actual earnings thereon, is 100% after three years of credited service.

### **NOTE 1: DESCRIPTION OF PLAN (Continued)**

#### **Investment Options**

Participants may direct the investment of their contributions in one or more investment options offered under the Plan's group annuity contract with American United Life Insurance Company, including a variety of pooled separate accounts structured for different levels of risk tolerance and time horizons and a guaranteed investment contract. Participants may change their investment options at any time.

#### **Forfeitures**

The nonvested portion of a participant's account to which the participant is not entitled upon termination is deemed a forfeiture. As allowed under the Plan document, forfeitures are used to pay administrative expenses or reduce any employer contributions. At June 30, 2024 and 2023, forfeited non-vested accounts totaling approximately \$12,600 and \$13,200, respectively, were available to be used to pay administrative expenses or reduce employer contributions. During the year ended June 30, 2024, forfeitures totaling approximately \$15,200 were used to pay administrative expenses and reduce employer contributions.

#### **Payment of Benefits**

Upon retirement or other termination of service, a participant (or designated beneficiary) may elect to receive a distribution of their entire accumulated Plan balance. Distribution options include lump-sum payments, a direct transfer of an eligible rollover distribution or periodic payments. In the event a participant's account balance does not exceed \$5,000, a distribution shall be made in the form of a lump-sum payment.

#### **Hardship Withdrawals**

In case of immediate and heavy financial hardship, a participant may withdraw all or a portion of their vested account balance. A withdrawal shall be deemed for purposes of an immediate and heavy financial hardship if the withdrawal is necessary for certain eligible expenses, such as medical care, the purchase of a principal residence for the participant, payment of tuition and related education fees for the next twelve months of post-secondary education, payments necessary to prevent eviction of the participant from his or her principal residence or to avoid foreclosure on said residence, payments for funeral or burial expenses or expenses to repair damage to the participant's principal residence.

#### **Termination of the Plan**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### ***NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***

#### **Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting.

#### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. The Plan's board appointed committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for further discussion on the determination of fair value amounts.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes gains and losses on investments bought and sold, as well as those held during the year.

#### **Payment of Benefits**

Benefits are recorded when paid. There were no amounts allocated to withdrawing participants that have not been paid at June 30, 2024 and 2023.

#### **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### ***NOTE 3: INFORMATION PREPARED AND CERTIFIED BY PLAN CUSTODIAN AND RECORDKEEPER***

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, all information pertaining to the Plan's investments and related investment activity, reflected in the financial statements and supplemental schedule was certified by American United Life Insurance Company (Custodian) and Empower Retirement (Recordkeeper), acting as agent of Talcott Resolution Life Insurance Company (Custodian), as of June 30, 2024 and 2023, and for the year ended June 30, 2024. This information was not subject to audit procedures except for comparing to the related information included in the financial statements and supplemental schedule.

### **NOTE 4: FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

### NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023:

Pooled separate accounts are valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30. Classification with the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

|                                                           | <u>Fair Value</u>   | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> |

<sup>(a)</sup> In accordance with ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

### Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2024 and June 30, 2023, respectively. There are no participant redemption restrictions for these investments, the redemption period is applicable only to the Plan.

## Notes to Financial Statements June 30, 2024 and 2023

### **NOTE 5: INVESTMENT CONTRACTS WITH INSURANCE COMPANIES**

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

#### **Talcott Resolution Life Insurance Company**

The Plan has a fully benefit-responsive guaranteed investment contract with Talcott Resolution Life Insurance Company (Talcott). Talcott maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3 percent. The crediting rate is reviewed on an annual basis for resetting.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

As of June 30, 2024 and 2023, the total contract value of the traditional investment contract with Talcott was \$10,682 and \$11,421, respectively.

#### **American United Life Insurance Company**

The Plan has a fully benefit-responsive guaranteed investment contract with American United Life Insurance Company (AUL). AUL maintains the contributions in a general account. The account is credited with earnings on underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contact issuer but may not be less than one percent or greater than three percent. The crediting rate is reviewed on an annual basis for resetting.

### **NOTE 5: INVESTMENT CONTRACTS WITH INSURANCE COMPANIES (Continued)**

#### **American United Life Insurance Company (Continued)**

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

As of June 30, 2024 and 2023, the total contract value of the traditional investment contract with AUL was \$16,839 and \$15,767, respectively.

### **NOTE 6: TAX STATUS**

The Plan executed an adoption agreement for the Volume Submitter 403(b) Plan (the Prototype) sponsored by OneAmerica Financial Partners, Inc. As an adopter of the Prototype, the Plan is not subject to tax under present income tax law. The Prototype obtained its latest opinion letter on November 22, 2017, in which the IRS informed OneAmerica Financial Partners, Inc. that the Prototype, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting standards require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability or disclosure in the financial statements. The Plan may be subject to audit by the IRS; however, there are currently no audits for any tax periods in progress.

## **Notes to Financial Statements June 30, 2024 and 2023**

### ***NOTE 7: ALLOWABLE EXCLUDED INVESTMENTS***

The Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans (as clarified by Field Assistance Bulletin No. 2010-01) allows a plan administrator of a 403(b) plan to exclude certain contracts and accounts from plan assets for purposes of ERISA's annual reporting and auditing requirements under specified conditions. Therefore, effective January 1, 2009, the Plan has excluded from the investments in the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. The related investment income and distributions have also been excluded in the accompanying statement of changes in net assets available for benefits. These amounts relate to vendors other than Talcott Resolution Life Insurance Company and American United Life Insurance Company to who contributions were made prior to January 1, 2009. No contributions were made or allowed to vendors other than Talcott Resolution Life Insurance Company and American United Life Insurance Company after January 1, 2009. The amount of these excluded annuity and custodial accounts and the related income and distributions has not been determined, but management estimates that they are material to the financial statements. Accounting principles generally accepted in the United States of America require that these excluded annuity and custodial accounts and the related income and distributions be included in the accompanying financial statements.

### ***NOTE 8: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS***

The Plan invests in pooled separate accounts and fully benefit-responsive guaranteed investment contracts managed by Talcott Resolution Life Insurance Company and American United Life Insurance. These transactions qualify as exempt party-in-interest transactions. Fees for investment management are not paid by the Plan from Plan assets but reduce the amount of income available for distribution to the Plan.

### ***NOTE 9: RISKS AND UNCERTAINTIES***

Investment securities underlying the pooled separate accounts are exposed to various risks such as interest rate, market and credit risks. In addition, some of the pooled separate accounts may invest in international securities. There are certain additional risks involved when investing in foreign securities that are not present with investments in domestic securities. These risks may involve foreign currency exchange rate fluctuations, adverse political and economic developments, and the possible prevention of currency exchange due to foreign governmental laws or restrictions. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Plan's financial statements.

### ***NOTE 10: SUBSEQUENT EVENTS***

Management has evaluated subsequent events through February 24, 2025, the date that the financial statements were available to be issued. There were no events that met the criteria for accrual or disclosure.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
