INDEPENDENT AUDITORS' REPORT

Plan Administrator and Participants of Rubicon Technologies, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rubicon Technologies, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise of the statements of net assets available for benefits as of December 31, 2023, 2022, 2021 and 2020 the related statements of changes in net assets available for benefits for the years ended December 31, 2023, 2022, and 2021 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters –

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedules of Assets (Held at End of Year as of and for the years ended December 31, 2023, 2022 and 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 16, 2024, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**RUBICON TECHNOLOGIES, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023, 2022, 2021 AND 2020**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Rubicon Technologies, LLC 401(k) Plan (the “Plan”) provides only general information. The Plan is sponsored by Rubicon Technologies, LLC (the “Company” or “Plan Sponsor”). Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Company established the Plan effective January 1, 2012. Certain provisions of the Plan were restated and amended effective January 1, 2022 and June 1, 2023. Effective June 1, 2023, Rubicon Global Holdings, LLC changed the name of the company to Rubicon Technologies, LLC. The name of the Plan was also changed from Rubicon Global Holdings, LLC 401(k) Plan to Rubicon Technologies, LLC 401(k) Plan.

The Plan is a defined contribution plan covering substantially all employees of the Company who have completed 3 consecutive months of service and have attained age 18 or older. The Plan has been amended as necessary throughout its existence to include participation of employees of affiliated employers who have adopted the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Management is responsible for oversight of the Plan. Management determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 100% of eligible annual compensation, as defined in the Plan, subject to limitations under the Internal Revenue Code (“IRC”). Participant may make contributions in the form of pretax salary deferrals and, effective June 1, 2023, Roth salary deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary matching and/or profit sharing contributions to the Plan. Effective January 1, 2022, discretionary matching contributions are limited to 10% of compensation. During 2023, 2022 and 2021, the Company made a discretionary matching contribution of 50% of the amount contributed by the participant, up to a maximum contribution of 4%. The Company did not make any discretionary profit sharing contributions for the years ended December 31, 2023, 2022 and 2021.

Participant Accounts

Each participant’s account is credited with the participant’s and Company’s matching contributions, as well as allocations of the Company’s profit sharing contributions and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

RUBICON TECHNOLOGIES, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023, 2022, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The Company's discretionary matching and profit sharing contributions vest according to the following schedule:

<u>Period of Service</u>	<u>Vested Percentage</u>
One	34%
Two	67%
Three	100%

Participants also become fully vested upon attainment of early retirement age, death, or permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50 percent of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at a rate set at 2% above the prime rate. Interest rates ranged from 5.25% to 10.50% for all notes receivable outstanding at December 31, 2023. Interest rates ranged from 5.25% to 9.00% for all notes receivable outstanding at December 31, 2022. Interest rates ranged from 5.25% to 7.50% for all notes receivable outstanding at December 31, 2021. Principal and interest payments occur ratably through payroll deductions over a period not to exceed five years, unless the notes receivable from participants were used to purchase a primary residence in which case the notes receivable terms may exceed five years.

Payment of Benefits

On termination of service, attainment of age 59 1/2, death, disability, or retirement, a participant will receive their benefits as a lump sum amount equal to the value of the participant's vested interest in his or her account, unless they elect to receive their benefits in the form of installments. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan document. Certain other administrative expenses of the Plan are paid by the Plan Sponsor. Investment fees are paid by the Plan in the form of reductions of net investment income earned by Plan participants.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Forfeitures

Forfeitures of terminated participants' non-vested accounts can be used to pay administrative expenses or reduce the future matching contributions of the Company. At December 31, 2023, 2022 and 2021, forfeited non-vested accounts totaled \$63,666, \$22,726 and \$255,320, respectively. During 2022, forfeited accounts of \$266,666 were used to pay matching contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income (Loss) Recognition

The Plan's investments are reported at fair value, with the exception of the Transamerica Stable Value Core Option. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

The Plan has a stable value fund that holds investment contracts as a part of its underlying assets. Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The contract value of fully benefit-responsive investment contracts represented contributions plus earnings, less participant withdrawals and administrative expenses. The Statements of Net Assets Available for Benefits present the investment contracts at contract value at December 31, 2023, 2022, 2021 and 2020.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023, 2022, 2021, and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions

Contributions from Plan participants and the discretionary matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation. Employer discretionary profit-sharing contributions are recorded when such contributions are authorized by the Company's board of directors.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

At December 31, 2023, no investments represented 10% or more of the Plan's total investments. At December 31, 2022, one investment represented approximately 10% of the Plan's total investments. At December 31, 2021 and 2020, two investments represented approximately 23% and 25% of the Plan's total investments, respectively.

NOTE 3 – INVESTMENTS (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company ("Reliance"), the certifying entity of the Plan, has provided certifications that the financial information included in the financial statements and supplemental schedules as of December 31, 2023, 2022, 2021 and 2020 and for the years ended December 31, 2023, 2022 and 2021 provided to the Plan is complete and accurate.

NOTE 3 – INVESTMENTS (UNAUDITED) (Continued)

The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedules as of December 31, 2023, 2022, 2021 and 2020 and for the years ended December 31, 2023, 2022 and 2021 is covered by such certifications and has not been audited by independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are as follows:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023, 2022, 2021 and 2020.

Mutual Funds

Mutual funds are valued at the daily closing net asset value ("NAV") as reported by the fund. Mutual funds by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts

The pooled separate accounts are segregated investment accounts established by Transamerica. Transamerica uses two types of separate accounts – separate accounts that hold investment portfolios that are actively managed by an investment advisor/sub-advisor (i.e., managed separate accounts) and separate accounts that purchase specific mutual funds at the direction of variable annuity contract owners (i.e., unit investment trusts (“UIT”) separate accounts). Transamerica values the underlying investments in the separate accounts at fair value in accordance with FASB ASC 820. Assets within the UIT separate accounts are valued by Transamerica at the NAV as reported by the UIT separate accounts.

The following tables set forth by level within the fair value hierarchy the Plan investment assets and investment liabilities at fair value, as of December 31:

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a fully benefit-responsive investment contract with Transamerica. The Plan invested in the Stable Value Core Fund, a general account backed contract. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. The contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The contract value of the investment contract at December 31, 2023, 2022, 2021 and 2020 was \$498,717, \$475,390, \$654,367 and \$562,493, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. During the years ended December 31, 2023, 2022 and 2021, the average crediting rate were 1.25%, 0.90% and 0.75%, respectively. Such interest rates are reviewed on a monthly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These parties include investment advisory and recordkeeping services.

Certain Plan investments were managed by Transamerica and Reliance. Transamerica and Reliance is the certifying entity of the Plan, and therefore, these transactions qualified as party-in-interest. Notes receivable from participants were also defined by ERISA as party-in interest transactions.

NOTE 7 – TAX STATUS

Effective January 1, 2020, the Plan adopted the Non-Standardized Pre-Approved Profit Sharing Plan with CODA sponsored by ERISA Services Inc, which received a favorable opinion letter from the IRS dated June 1, 2021. Effective Jun 1, 2023, the Plan adopted the Non-Standardized Defined Contribution Pre-Approved Plan sponsored by Ascensus LLC, which received a favorable opinion from the IRS dated June 30, 2020. Both letters stated that the Plan was designed in accordance with applicable sections of the IRC. Accordingly, the Plan's net investment income is exempt from income taxes. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2022, 2021, 2020, 2019, 2018, 2017 and 2016, employee withholdings of \$412, \$82, \$215, \$3,440, \$4,006, \$4,136 and \$24,326, respectively, were not remitted within the appropriate time period by the Company.

These transactions constituted prohibited transactions as defined by ERISA. The Company plans to remit the delinquent contributions and the related lost earnings during 2025. The Company is taking actions to determine the amounts, if any, that may be subject to correction under the Voluntary Fiduciary Correction Program ("VFCP").

NOTE 10 – SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023, 2022 and 2021 financial statements.

NOTE 11 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 19, 2025, the date the financial statements were available to be issued.
