To the Plan Administrator of

401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Crete Mechanical Group, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Crete Mechanical Group, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and for the year then ended, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of
Crete Mechanical Group, Inc.
401(k) Plan

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator of
Crete Mechanical Group, Inc.
401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of
Crete Mechanical Group, Inc.
401(k) Plan

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - 2022 Financial Statements

Plan management is responsible for the accompanying financial statement of the Plan, which comprises the statement of net assets available for benefits as of December 31, 2022. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by Plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2022 financial statement.

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of Crete Mechanical Group, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

The Plan, which was established on September 1, 2021, and subsequently amended, is classified as a defined-contribution plan, covering all employees of Crete Mechanical Group, Inc. (“CMG”) and participating employers. The participating employers include Crete Mechanical Group, Inc.; Control Solutions Inc; Centaire Heating & Air Conditioning, Inc.; Environmental Services of Charlotte, LLC; DesignBuild Mechanical LLC; Industrial Maintenance & Automation Inc.; CMG Nielsen Mechanical LLC; SAM Mechanical LLC; Facility Systems Services, LLC; IR Mechanical, LLC; Mechanical Systems & Services, LLC; ProTech Mechanical, LLC; TraMar Mechanical, LLC; Major Mechanical, LLC; Air Professional Associates; Dynaire, LLC; ProTech Mechanical, Inc; Piper Electric Co., LLC; Stanmark Electric Co., LLC; MMS, LLC; CMG CAS, LLC; S Mechanical, LLC; Reilly Electrical Contractors, LLC; Controlair Systems, Inc.; Metro Mechanical Services, Inc.; TallLady Enterprises, LLC; Stuckey Electric Co DBA Stanmark Electric; Crosby Communications, LLC DBA C2 Technology; AC Corporation; Crosby Electric Co., Inc.; General & Mechanical Services, LLC. All employees of CMG, which are age 18 or older and completed 6 months of service are eligible to participate in the Plan, except for the members of a union, certain nonresident aliens, residents of Puerto Rico, leased and reclassified employees. The requirements for participation are the same to make elective deferrals and receive matching contributions. The Plan’s funds are held by Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York (the “Plan Custodians”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

NOTE 1 - DESCRIPTION OF PLAN (Continued)

The following plans merged into the Plan in Plan year 2023:

Name of Plan Being Merged into the Plan	Approximate Amount of Assets Merged into the Plan
AC Corporation 401(k) Employee Savings and Protection Plan	\$ 29,427,000

TraMar Mechanical, Inc. Profit Sharing Plan	666,000
Metro Mechanical Services, Inc. 401(k) Plan	307,000
	<u>\$ 81,828,000</u>

The amounts above include participants notes receivable of approximately \$920,000.

Contributions

Each participant may contribute to the Plan a percentage or a specific dollar amount of their pre-tax or after-tax (Roth) annual compensation, as defined in the Plan, not to exceed Internal Revenue Code ("IRC") limits.

Employees of CMG are not automatically enrolled and there is no automatic escalation. The Plan includes a Safe Harbor provision. Under this provision, the Employer makes Safe Harbor contributions of 100% of deferrals up to 4% of participant's compensation, as defined in the Plan, measured on an annual basis. There were approximately \$1,700,000 of safe harbor contributions made during 2023. In addition, CMG may also make discretionary matching and other discretionary nonelective contributions to the Plan, which are determined on a year-to-year basis. There were approximately \$260,000 of discretionary contributions made during 2023.

CMG contributions to the Plan are recorded in the period in which they become obligations of CMG.

Investment Options

Upon enrollment in the Plan, a participant may direct their account balances among any of the Plan's investment options offered by the Plan. The Plan also offers a self-directed brokerage investment option. This option allows participants to choose from a wide variety of investments that were not pre-selected by the company (see Note 4).

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, employer contributions, allocations of Plan earnings, and is charged with an allocation of administrative expenses (if any). Participant contributions and employer matching contributions are allocated, at the participant's election, to investment funds held at the Plan Custodians. Participants may change their investment options at any time with certain exceptions.

Plan earnings are allocated based on the actual earnings of the respective participant's investments. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Forfeited Accounts

Forfeited balances of participants' non-vested accounts are used to reduce future CMG contributions or may be used to pay Plan expenses. There were unallocated forfeitures of approximately \$68,000 and \$2,000 at December 31, 2023 and 2022, respectfully that could be used to offset future Employer contributions and Plan expenses. During the year ended December 31, 2023, no forfeitures were used to reduce Employer contributions.

Notes Receivable from Participants

Participants may borrow from their accounts an amount up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. No loan will exceed the present value of the vested portion of a participant's individual account. The notes must be adequately secured by the balance in the participant's account and bear a reasonable rate of interest. Principal and interest are paid ratably through monthly payroll deductions, generally repaid over a period of five years from the date of the loan. A participant may have only one loan outstanding at any time.

Notes receivable from participants are recorded at their unpaid balance, plus accrued but unpaid interest. If collection of a participant's note is deemed doubtful, the amount is recognized as a distribution in the period the determination is made.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, and Safe Harbor contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service.

NOTE 1 - DESCRIPTION OF PLAN (Continued)**Vesting (Continued)**

CMG additional matching and discretionary nonelective contributions vesting is as follows:

Years of Service	Percentage Vested
Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants also become 100% vested in CMG contributions when termination of employment is the result of death or total disability.

Matching contributions transferred to the Plan from Air Professional Associates vest as follows:

Years of Service	Percentage Vested
0-1	20%
2	40%
3	60%
4	80%
5	100%

Administrative Expenses

Certain administrative expenses are paid directly by CMG at its discretion and are not reimbursed by the Plan. Investment fees, commissions, and related expenses are included in net change in fair value of investments in these financial statements. Plan administration costs charged to the Plan for the year ended December 31, 2023, were approximately \$92,000.

Payment of Benefits

Upon termination of employment by reason of death, disability, a participant is entitled to the entire participant account balance, which includes all the vested employer contributions allocated to the participant's account and all gains or losses attributed thereto. Terminating participants may elect to receive a distribution of their vested benefits in the following forms of payment: lump sum, nonrecurring partial payment, installment payments (as a series of regularly scheduled recurring partial payments) or applied to the purchase of an annuity contract. As of December 31, 2023, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid. The Plan calls for mandatory distribution for participants who incur a severance from employment before the normal retirement age as defined by the Plan and have an account balance less than or equal to \$5,000. Amounts over \$1,000 are subject to mandatory rollover. Benefits are recorded when paid.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Plan Termination

Although it has not expressed any intent to do so, CMG has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the amounts credited to the accounts of all affected participants become fully vested, and the Plan assets shall be distributed in proportion to participants' respective account balances as of the date of termination.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

As of December 31, 2023 and 2022, the Plan's funds were invested in money market funds, registered investment companies, U.S. government securities, various corporate stocks and bonds, collective investment trust funds and fully benefit-responsive investment contracts.

The Plan's investments, other than fully benefit responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Registered investment companies and money market funds are valued at the reported net asset value ("NAV") of shares held by the Plan at year end. The NAV is based on the fair value of the underlying assets owned less any fund liabilities.

The Plan uses NAV per unit to value the collective investment trust funds (see Note 3). The NAV, as provided by the Plan Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

In accordance with the Plan's policy of stating marketable securities at fair value, the appreciation or depreciation for each year is reflected in the Plan's statement of changes in net assets available for benefits included in net change in fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition *(Continued)*

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. The net change in the fair value of the Plan's investments includes the Plan's gains and losses on investments bought and sold, as well as unrealized gains and losses in these investments held at the end of the year.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment Risk

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Custodians.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and due to market volatility, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Information Certified by the Plan Custodians

The Plan Custodians hold the Plan's investments and executes all investment transactions. All investment and participant loan information disclosed in the accompanying financial statements and the supplemental schedules, including investments and notes receivable from participants held at December 31, 2023, net change in fair value of investments, and interest and dividend income for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodians.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

In preparing these financial statements, CMG has evaluated events and transactions for potential recognition through February 26, 2025, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Investments:				
Money market funds	\$ 148,857	\$ -	\$ -	\$ 148,857
Registered investment companies	83,843,421	-	-	83,843,421
U.S. government securities	123,957	-	-	123,957
Corporate stocks	1,679,605	-	-	1,679,605
Corporate bonds	9,963	-	-	9,963
Total investments in the fair value hierarchy	\$ 85,805,803	\$ -	\$ -	85,805,803
Investments measured at NAV:				
Collective investment trust funds (a)				4,347,948
Total investments at fair value				\$ 90,153,751

- (a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2022 (unaudited):

	Level 1	Level 2	Level 3	Total
Investments:				
Money market funds	\$ 23,071	\$ -	\$ -	\$ 23,071
Registered investment companies	3,473,100	-	-	3,473,100

Total investments at fair value	\$ 3,762,110

- (a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the NAV per Share Practical Expedient

The following tables summarize the investment for which fair value is measured using the NAV per share practical expedient as of December 31, 2023:

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Notice Redemption Period
Morley Stable Value Fund	\$ 1,852,058	None	Daily	Same day
Fidelity Advisor Stable Value Portfolio I	\$ 1,775,664	None	Daily	Same day

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan Custodians offer a fully benefit-responsible investment contract, which has the Empower Investments Fixed Account (the "EIFA") as the only underlying investment option. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula established by the contract issuer and is reset quarterly. The crediting interest rate for the EIFA averaged 1.45% and 0.93% during the years ended December 31, 2023 and 2022, respectfully.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the issuer, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Withdrawals influenced by Employer-initiated events, such as reallocation of investments, may result in a distribution at other than contract value, and are subject to certain restrictions. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

NOTE 5 - SELF-DIRECTED INVESTMENTS

The Plan allows participants to invest their account balances in any investment desired within certain Plan and ERISA limitations. Participants are allowed to place investments into the self-directed program in addition to or in place of the various formal investment programs offered by the Plan. The following table reflects self-directed investments in the Plan, included in the statements of net assets available for benefits as of December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u> (Unaudited)
Investments:		
Money market funds	\$ 148,857	\$ 23,071
Corporate stocks	1,679,605	265,939
Registered investment companies	1,509,698	106,210
U.S. government securities	123,957	-
Corporate bonds	9,963	-
Total investments	<u>\$ 3,472,080</u>	<u>\$ 395,220</u>

Net change in fair value of self-directed investments and interest and dividends in self-directed investments are included in the statement of changes in net assets available for benefits. Self-directed investments were certified by the Plan Trustee as of and for the years ended December 31, 2023 and 2022.

NOTE 6 - INCOME TAX STATUS

The Plan is intended to be a qualified trust under Section 401(a) of the IRC and is subject to the provisions of ERISA. The Plan document, as adopted, is a non-standardized pre-approved profit-sharing plan with CODA that has received an opinion letter dated November 14, 2022, from the Internal Revenue Service stating that the form of the plan is acceptable under Section 401 of the IRC for use by employers for the benefit of employees. The Plan administrator believes that the adopted and amended Plan is currently designed, and is being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

NOTE 7 - PROHIBITED TRANSACTIONS

Certain employee contributions were not transmitted to the Plan in a timely manner during the Plan year ended December 31, 2023. The Employer remitted the 2023 delinquent contributions and related lost earnings once identified.

NOTE 8 - PLAN OPERATIONAL FAILURES

In 2023, it was discovered that the Employer incorrectly calculated certain employee deferrals and the associated Employer safe harbor match. This is considered a prohibited transaction per ERISA.

IRS guidelines require that the sponsor remedy the underfunding, including lost earnings, for those participants who were impacted. In 2024 and 2023, the Employer made corrective contributions to the Plan of approximately \$110,000, which represents 25% of the missed employee deferrals and 100% of missed Employer safe harbor match. While preparing for the 2024 Plan year audit, the Employer is reviewing 2023 and 2024 Plan compensation to ensure compliance with the Plan document.
