INDEPENDENT AUDITORS' REPORT

Group Plans Administrative Committee Equifax Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Equifax Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 - DESCRIPTION OF THE PLAN

General

The following brief description of the Equifax Inc. 401(k) Plan (the "Plan") is provided for general informational purposes only. Participants should refer to the Plan document, summary plan description and other materials distributed to Plan participants for a complete description of the Plan's provisions. In case of any discrepancy between the summary plan document and the Plan document, the Plan document will govern.

The Plan is a defined contribution plan which is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. All U.S. salaried and hourly employees of the participating companies of Equifax Inc. and its subsidiaries ("Equifax" or the "Company") are eligible to participate in the Plan immediately upon employment. The Plan was amended and restated, effective as of January 1, 2023.

Contributions

Each participant may make contributions from 1% to 30% of their eligible compensation (base salary only for highly compensated employees) through payroll deductions on a pre-tax, Roth after-tax and/or traditional after-tax basis, subject to certain limits. A newly hired employee is automatically enrolled in the Plan at a 3% pre-tax contribution level unless the employee elects otherwise.

Newly hired employees who do not opt out of automatic Plan enrollment are also enrolled in an automatic contribution increase program, which provides for a 1% increase in the contribution percentage on an annual basis, unless and until the participant affirmatively opts out of the program or attains a 10% contribution percentage.

In addition, participants who are eligible to make contributions under the Plan and who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, as defined, subject to certain limits. These contributions are not eligible for Company matching contributions.

The Company matches 100% of the first 5% of eligible compensation contributed by the employee unless the employee is eligible to participate in a supplemental retirement plan of Equifax Inc. If the employee is participating in a supplemental retirement plan of Equifax Inc., the Company match is 50% on the first 6% of eligible compensation contributed by the employee. Effective January 1, 2022, the Company no longer matches voluntary after-tax contributions.

Prior to January 1, 2019, there was a direct contribution by the Company for employees, except for those who participated in a supplemental retirement plan of Equifax Inc. The direct contribution ranged from 1.5% to 4% of eligible compensation based upon the employee's credited years of service with the Company.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

Participant contributions, matching contributions and direct contributions are invested according to participant investment elections. If no investment elections are made by the participant, contributions are invested into the FIAM Target Date funds based on the age of the affected participant. Matching of traditional after-tax contributions is net of any in-service after-tax withdrawals, without regard to roll-over contributions, either deposited or withdrawn. Contributions to a participant's account for a Plan year cannot exceed certain Internal Revenue Service ("IRS") limits. A participant must be actively employed or on an approved leave of absence by the Company on December 31 to receive the matching contribution for that Plan year, unless termination prior to December 31 is due to attainment of age 65, retirement, disability, death, or job elimination.

Vesting

For employees hired prior to January 1, 2019, all Company match and employee contributions (and earnings thereon) are fully vested. For employees hired on or after January 1, 2019, the Company match is subject to a one-year vesting schedule based on years of service. The direct contribution is subject to a three-year cliff vesting schedule based on years of service.

Administration

The trustee of the Plan is Fidelity Management Trust Company (the "Trustee" or "Fidelity"). Fidelity Workplace Services LLC performs participant record keeping and other administrative duties for the Plan. The Equifax Inc. Group Plans Administrative Committee ("GPAC") is comprised of employees of Equifax Inc. appointed by the Compensation, Human Resources and Management Succession Committee of the Company's Board of Directors and has responsibility for Plan administration and the management of Plan assets. The GPAC has delegated certain responsibilities for the management of Plan assets to the Equifax Inc. Investment Committee.

Investment Options

Participants may direct their individual and Company contributions in and among various investment options. Participants may change their investment elections and transfer money between investment options on a daily basis. The investment options consist of publicly traded mutual funds, including various mutual funds managed by Fidelity or a Fidelity affiliate as well as common/collective trust funds. In the past, the participants could invest their contributions in Equifax Inc. common stock. On September 25, 2017, new investments into the Equifax Inc. common stock fund were suspended.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Benefits

Prior to a participant attaining age 59½, in-service withdrawals from the pre-tax and Roth contribution portion of a participant's account are permitted only on the basis of financial hardship. Once participants attain age 59½, they may withdraw up to 100% of their vested account in one or more withdrawals. Once a participant's employment with the Company ceases due to termination of employment, retirement, death or a participant's total disability, the participant can elect a distribution of up to 100% of the participant's vested account balance. This lump-sum distribution is payable in cash.

If a participant's account balance is less than \$1,000 upon retirement or termination, a distribution of the participant's account will be made automatically.

The after-tax portion of a participant's account balance is available for withdrawal at any time.

Participant Accounts

Individual accounts are maintained for each Plan participant to reflect the participant's share of the Plan's net earnings or losses, Company contributions, and the participant's contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations of earnings or losses are based on the investments in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

The Plan permits loans to be made to participants, which are secured by balances in the participant's account. Participants are permitted to have two loans outstanding at a time, and the minimum loan amount is \$1,000. Loans may generally be taken up to 50% of a participant's account balance but not exceeding \$50,000 in the aggregate. Loans are generally repaid through payroll deductions with a five-year maximum limit, except for loans for purchases of a principal residence which may have terms up to 15 years. Interest rates are set at the date of the loan at the prime rate plus 1% on the last day of the calendar quarter prior to the date the loan is taken out. Interest rates range from 4.25% to 10.25% for notes outstanding on December 31, 2023. Loan fees for setup and maintenance are paid by the participant.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan have been prepared on the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments in mutual funds, common stock and some common/collective trust funds are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

Contributions

Contributions from Plan participants and Company matching contributions are recorded in the year in which the employee contribution is withheld from compensation.

Payment of Benefits

Benefit payments made to participants are recorded when paid.

Use of Estimates and Assumptions

The accompanying financial statements are prepared in conformity with GAAP and require the Plan's management to make estimates and assumptions that affect the reported amounts of assets available for benefits at the dates of the financial statements, and the reported amounts of additions and deductions during the reporting period. Significant judgment is required in making these estimates and assumptions and is based on the best available information. Actual results could be materially different from those estimates and assumptions.

Administrative Expenses

In general, all expenses for the administration of the Plan are paid by the Plan and plan participants. The expenses for administration include the fees and expenses of the Plan's recordkeepers and Trustee.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Sharing

Effective October 1, 2013, the Plan was amended to provide that revenue sharing earned in connection with Plan investments that exceeds recordkeeping fees will be returned to the Plan on a quarterly basis and placed in an "ERISA Account." The ERISA Account is invested in the Fidelity Retirement Government Money Market fund and included in participant-directed investments in the accompanying Statements of Net Assets Available for Benefits. The balance of the ERISA Account was \$137,595 and \$21,586 as of December 31, 2023 and 2022, respectively. The Plan allows for any excess in the ERISA Account, as determined by the GPAC, to be allocated to eligible participant accounts pro rata in proportion to their applicable account balances. An allocation of \$111,919 from the ERISA Account was allocated to participant accounts during 2023.

NOTE 3 - INVESTMENTS (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has provided certification that the financial information included in the financial statements and supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2023 and 2022, and for the year ended December 31, 2023, is covered by such certifications and has not been audited by independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2023 and 2022.

Mutual Funds

Mutual funds represent investments with various investment managers. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value ("NAV") as of December 31, 2023 and 2022. It is not probable that the mutual funds will be sold at amounts that differ materially from the NAV of shares held.

Common/Collective Trust Funds

Common/Collective Trust Funds are valued at the NAV based on the last reported sales price of the underlying investments held. The Plan's interest in the collective trusts is based on information reported by the investment advisor using the audited financial statements of the collective trusts. The investment income is allocated to participants based on their proportionate share of the net assets of the fund.

Equifax Inc. Common Stock

Equifax Inc. common stock is valued at the quoted market prices as obtained from the New York Stock Exchange. Securities transactions are accounted for on the trade date. Dividend income is recorded on the ex-dividend date.

The tables below represent fair value measurement hierarchy of the Plan investment assets at fair value as of December 31:

	<u>2023</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>NAV (*)</u>	<u>Total</u>
Mutual Funds	\$ 724,060,663	\$ -	\$ -	\$ -	\$ 724,060,663

	<u>\$ 785,602,183</u>	<u>\$ 447,509,041</u>	<u>\$ -</u>	<u>\$ 23,036,194</u>	<u>\$ 1,256,147,418</u>
	<u>2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>NAV (*)</u>	<u>Total</u>
Mutual Funds	\$ 621,556,022	\$ -	\$ -	\$ -	\$ 621,556,022

(*) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On December 31, 2023 and 2022, one investment held by the Plan comprised approximately 18% and 19%, respectively, of the Plan's total investments.

NOTE 6 - FEDERAL INCOME TAX STATUS

The Plan received an updated determination letter from the IRS dated August 29, 2017, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code ("IRC") and, therefore, the related trust is exempt from federal taxation. Subsequent to this determination by the IRS, the Plan was amended. Once qualified, the Plan is required to operate in conformity with IRS rules to maintain its qualification. The Plan sponsor believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be exempt from federal income taxes.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. These parties include investment advisory, managed account, legal, and accounting services.

The Plan held 248,838 and 267,941 shares of Equifax Inc. common stock on December 31, 2023 and 2022, respectively, with a fair value of \$61,541,520 and \$52,081,915 respectively.

Dividends received by the Plan include dividends paid by Equifax Inc. Transactions related to Equifax Inc. common stock may be party-in-interest transactions since Equifax Inc. is the Plan sponsor, but there is generally an exemption for any such transactions.

The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

The Plan offers investments in mutual funds and common/collective trust funds issued by affiliates of the Trustee. These Fidelity affiliates receive investment management fees related to these mutual funds and common/collective trust funds prior to any fund and/or trust being allocated investment earnings or losses.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 - SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2023 financial statements.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 29, 2024, the date the financial statements were available to be issued.
