INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the Plan
T.A. Loving Company 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of T.A. Loving Company 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN:

The following description of the T.A. Loving Company 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of T.A. Loving Company (the "Plan Sponsor" or "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility. Prior to January 1, 2022, participants became eligible to participate in the Plan upon reaching twenty-one years old or completion of one year of service with the Plan Sponsor. Effective January 1, 2022, the eligibility requirements were amended to only allow employees who have reached age twenty-one to participate in the Plan.

Contributions. Eligible participants are automatically enrolled in the Plan with a 2% deferral rate. Participants may elect to opt out of the Plan or alter their deferral rate. Automatically enrolled participants will have their deferral rate increased by 1% each year to a maximum of 6%. Each year, participants may elect to contribute 1% to 50% of compensation. Total annual contributions cannot exceed the annual maximum limits set by the Internal Revenue Service ("IRS"). Participants that are at least 50 years old before the end of the Plan year may elect to defer additional amounts, or catch-up contributions, to the Plan. Additional catch-up contributions cannot exceed the annual maximum limits for catch-up contributions set by the IRS. Participants may also contribute rollover contribution amounts representing distributions from other qualified defined benefit or contribution plans. The Company may elect to contribute to the Plan a matching percentage of employees' contributions as determined by the Board of Directors. Additional amounts may be contributed at the option of the Company's Board of Directors. Company contributions are reduced by forfeitures of terminated participants' non-vested accounts.

Participant Accounts. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, if any, and (b) Plan earnings. Allocations are based on account balances and participant compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants. The Plan does not allow for loans to participants.

Investment Options. Upon enrollment in the Plan, a participant directs the investment of his or her contributions into various investment options offered by the Plan.

Vesting. Participants are immediately vested in their voluntary contributions in addition to actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of credited service. A participant is 100% vested after four years of credited service.

Payment of Benefits. Upon death, disability, retirement, or termination of service, a participant may receive a distribution in an amount equal to the vested value of his or her account.

Participants entitled to distributions may elect to receive their distributions in the form of annual installments or as a single sum payment if their vested account at any time exceeded \$5,000. Participants entitled to benefits whose vested accounts never exceeded \$5,000 receive their distribution as a lump sum. Benefits are recorded when paid.

Forfeited Accounts. Benefit payments to terminated employees partially vested in the Plan include their vested portion of employer contributions. The nonvested portion of terminated participants' account balances is used to offset various administrative expenses and reduce future employer contributions. As of December 31, 2023 and 2022, \$22,948 and \$17,987, respectively, of forfeited accounts were available to offset future Plan expenses or employer contributions.

Administrative Expenses. Administrative expenses of the Plan are paid by the Plan as provided in the Plan Document. The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. The Plan Sponsor pays any other fees related to the Plan's operations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting. The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Income Taxes. The IRS has determined and informed the Plan's Third-Party Administrator on June 30, 2020 that the Prototype Volume Submitter Profit Sharing Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is a qualified plan as described in Section 401(a) of the IRC and is therefore exempt from federal and state income taxes. Income generated by activities that would be considered unrelated to the Plan's purpose would be subject to tax which, if incurred, would be recognized as a current expense. No such tax has been recognized for the years ended December 31, 2023 and 2022.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan files annual returns in the U.S. federal jurisdiction. The statute of limitations for returns filed within this jurisdiction is generally three years after the return is due or filed, whichever is later. As of December 31, 2023, the Plan's annual returns for their 2020 through 2022 tax years remain subject to examination by tax authorities.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Custodians.

	<u>2023</u>	<u>2022</u>
Mutual and money market funds, at fair value	\$ 18,965,921	\$ 13,732,033
Collective investment trust, at fair value	\$ 6,623,314	\$ 7,365,021
Net appreciation (depreciation) in fair value of investments	\$ 2,477,635	\$ (4,185,019)
Dividends	\$ 769,333	\$ 690,692

4. FAIR VALUE MEASUREMENTS:

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements:

Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual and money market funds: Mutual and money market funds represent investments with various investment managers. The mutual funds are valued at the daily closing net asset value as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Money market funds are valued at cost plus interest earned, which approximates fair value.

Collective investment trust: These funds are valued at the NAV per share of the individual collective trusts included in each respective fund, which is based on the fair value of the underlying net assets. The NAV, as provided by the Custodians, is used as a practical expedient to estimate fair value.

Investments measured at the NAV practical expedient are summarized as follows:

	<u>2023</u> <u>Value</u>	<u>2022</u> <u>Value</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Collective investment trust:				
Stable value fund	\$ <u>6,623,314</u>	\$ <u>7,365,021</u>	Daily	None

There were no unfunded commitments for these investments as of December 31, 2023 and 2022.

The investment objectives for the registered investments measured using the net asset or unit value are as follows:

Stable value fund: Invests in a portfolio of financial instruments in order to simulate the performance of a guaranteed investment contract through the guarantee of a specific interest rate.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

* Certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the accompanying statements of net assets available for benefits.

Gains and losses (realized and unrealized) included in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022 are reported in net appreciation (depreciation) in fair value of investments.

Net assets available for benefits per Form 5500	<u>\$ 25,589,235</u>	<u>\$ 21,137,502</u>

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the accompanying financial statements for the years ended December 31, 2023 and 2022 to Form 5500:

	<u>2023</u>	<u>2022</u>
Net increase (decrease) in net assets available for benefits per the accompanying financial statements	\$ 4,499,941	\$ (3,700,426)
Employer contributions receivable	<u>(48,208)</u>	<u>-</u>
Net increase (decrease) in net assets available for benefits per Form 5500	<u>\$ 4,451,733</u>	<u>\$ (3,700,426)</u>

6. PARTY-IN-INTEREST TRANSACTIONS:

Certain plan investments are managed by American Trust Company (f/k/a Mid Atlantic Trust Company) and Broadridge Matrix Trust Company, the Custodians as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Broadridge Matrix Trust Company was the Custodian until 2022, at which time American Trust Company became the Custodian.

The Custodians receive fees for custodial services provided during the year. Fees paid using Plan assets during 2023 and 2022 were \$65,133 and \$58,124, respectively, and were based on customary and reasonable rates for such services. The Plan Sponsor directly pays any other fees related to the Plan's operations. The Plan Sponsor also provides certain accounting and administrative services to the Plan, for which no fees are charged.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. NON-EXEMPT PARTY-IN-INTEREST TRANSACTIONS:

During the year ended December 31, 2023, the Company reported unintentional delays by the Company in remitting contributions to the Custodian in the amount of \$73,474. These delinquent contributions constitute prohibited transactions. The Company is in the process of calculating lost earnings to be remitted to the affected participants' accounts. No such transactions occurred during the year ended December 31, 2022.

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

10. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through February 28, 2025, the date which the financial statements were available to be issued. No significant subsequent events have been identified by management.
