INDEPENDENT AUDITOR'S REPORT

To the Administrators of the
OIWK 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of OIWK 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employment Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 15, 2024 and December 31, 2023, and the related statement of changes in net assets available for benefits for the period ended August 15, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 15, 2024 and December 31, 2023, and for the period ended August 15, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination

As further discussed in Note 4 to the financial statements, the Plan was approved for termination on December 31, 2023 and management proceeded with liquidation effective August 15, 2024. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITOR'S REPORT (Continued)

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

INDEPENDENT AUDITOR'S REPORT (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OIWK 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
August 15, 2024 and December 31, 2023

NOTE 1 – PLAN DESCRIPTION

The following brief description of the OIWK 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

Description of Plan

The Plan is a participant-directed defined contribution plan with a discretionary profit-sharing provision established by The Orthopaedic Institute of Western Kentucky, PLLC (the Company) under the provision of Section 404(c) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan was established, effective January 1, 2022, as a safe harbor 401(k) plan and covers substantially all non-union employees of the Company who have completed one year of service. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees who are 21 years of age or older become eligible to participate in salary deferrals and employer non-elective contributions upon completion of one year of service. Employees who are 21 years of age or older and who are employed on the last day of the plan year become eligible for employer profit-sharing contributions upon completion of one year of service.

Contributions and Vesting

Salary deferral contributions may be made by participating employees up to the maximum percentage allowable under the IRC. Participants who have obtained the age of 50 before the end of the Plan year are eligible for catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes safe harbor contributions of 3% of Plan compensation. Additionally, the Company may make an annual, non-elective profit-sharing contribution if participants are employed on the last day of the Plan year. These contributions will be allocated to participants' accounts in an amount designated by the Company.

Participants are vested immediately in their contributions plus actual earnings thereon. Since the Plan was established under the safe harbor rules, participants are also immediately vested in all employer safe harbor contributions. Participants vest in the Company's non-elective profit-sharing contributions at a rate of 20% each year beginning after two years of service, becoming fully vested after six years of service. The non-vested balance is forfeited upon termination of service. Participants terminating for the following reasons will be 100% vested:

- a) normal retirement at age 62 as defined in the Plan,
- b) total and permanent disability while an employee as defined in the Plan,
- c) death while an employee as defined in the Plan.

Participant Accounts

The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account reflects the participant's contributions, the Company's contributions, and income earned on participant investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTES TO FINANCIAL STATEMENTS
August 15, 2024 and December 31, 2023

NOTE 1 – PLAN DESCRIPTION (Continued)

Payment of Benefits

On termination of service, a participant may receive a lump-sum distribution, partial-sum distribution, or a direct rollover to an Individual Retirement Account (IRA) equal to the value of the participant's account balance. The Plan will distribute account balances of amounts less than \$1,000. Amounts greater than \$1,000, but less than \$5,000, will be subject to automatic rollover unless a lump-sum distribution is requested by the participant.

In-service distributions to participants after the age of 59 ½ are allowed, as well as hardship distributions, provided that certain criteria are met. A participant may also receive a distribution from amounts contributed from other qualified plans at any time.

Forfeited Accounts

Forfeitures can be used to reduce employer contributions applied against participant accounts and to pay Plan expenses. Forfeitures in the amount of \$3,635 and \$17,562 were used to reduce employer contributions applied against participant accounts in 2024 and 2023, respectively. Forfeitures in the amount of \$2,275 were used to reduce plan expenses in 2024. At August 15, 2024, the forfeiture balance was \$0. At December 31, 2023, a forfeiture balance of \$6,736 had yet to be applied against participant accounts and plan expenses. This amount is held in a separate account within the Plan.

Participant Loans

Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at prime plus one percentage point. Principal and interest is paid ratably through payroll deductions. Outstanding loans must be repaid in full before a new loan can be made.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared using accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Recognition

The market value of the investment assets was furnished to the Plan Administrator by the Trustee of the Plan. Market values are based on the quoted market price of the investment. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Participant loans are valued at amortized cost, which represents fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded on the date on which they are received.

OIWK 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
August 15, 2024 and December 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Appreciation in Fair Value Investments

Net realized and unrealized appreciation is recorded in the accompanying Statement of Changes in Net Assets Available for Benefits.

Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance, plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of August 15, 2024 or December 31, 2023.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses incurred for maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Date of Management's Review

Subsequent events have been evaluated through February 6, 2025, the date the financial statements were available to be issued.

New Accounting Pronouncements

From time-to-time, new accounting pronouncements are issued by the Financial Accounting Standards Board (FASB) or other standards-setting bodies that the Company adopts as of the specified effective date. Unless otherwise discussed, management believes the impact of any other recently issued standards that are not yet effective are either not applicable at this time or will not have a material impact upon adoption.

NOTE 3 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820 Fair Value Measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology include quoted prices in active and inactive markets, observable inputs other than quoted prices, and other inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at August 15, 2024.

Mutual funds: Valued at the quoted net asset value of shares held by the Plan at period-end for 2024 and year-end for 2023.

The following table sets forth, by level within the fair value hierarchy, the Plan’s assets at fair value as of August 15, 2024 and December 31, 2023. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

NOTE 4 – PLAN TERMINATION

On November 20, 2023, the Company was sold to Mercy Health Physicians Kentucky Specialty Care, LLC, with a closing date of December 31, 2023. The Plan was terminated effective December 31, 2023. Upon termination, all participants became fully vested in amounts credited to their accounts. On August 15, 2024, the remaining funds were paid out.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

Plan management has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under the ERISA. Accordingly, Empower Trust Company, LLC, Trustee, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 7 – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

NOTE 8 – TAX STATUS

The Plan was adopted under a Prototype Non-standardized Profit-Sharing Plan that obtained an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. The opinion letter states that the form of the Plan is acceptable under section 401 of the IRC. No separate determination letter has been obtained by the Plan as it is no longer required by the IRS for plans that adopt under Non-standardized Pre-Approved plans with CODA.

Although the Plan has been amended, the Plan Administrator and the Plan's tax counsel believe that the Plan was designed, and was operated, in compliance with the applicable requirements of the IRC, therefore, believe that the Plan was qualified, and the related trust was exempt.

NOTE 9 – PLAN ERROR

During the 2023 plan year, there were plan errors relating to improper exclusion of bonuses from plan compensation, failure to update payroll for deferral changes on a timely basis, failure to remit employee contributions on a timely basis, and incorrect calculation of forfeitures. The total misstatement was calculated as \$2,311. The Plan, with the assistance of the Third Party Administrator, followed the procedures set forth in the IRS' Employee Plans Compliance Resolution System to implement the necessary corrective measures.
