INDEPENDENT AUDITOR'S REPORT

February 3, 2025

To the Plan Administrator of
403(b) Thrift Plan of Berkshire Farm Center and Services for Youth:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The 403(b) Thrift Plan of Berkshire Farm Center and Services for Youth (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended June 30, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN OF BERKSHIRE FARM CENTER AND SERVICES FOR YOUTH

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan of Berkshire Farm Center and Services for Youth (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan covering substantially all employees of Berkshire Farm Center and Services for Youth (Berkshire or Plan Sponsor). The Plan was established as of July 1, 2012 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility Requirements

All employees are eligible to begin salary reduction contributions on the first day of the month coinciding or following each employee's date of hire. Employees become eligible to receive employer matching contributions, as well as the employer base contributions upon attaining the age of 21 and the completion of one year of service in which a minimum of 1,000 hours were worked during that year. Employer contributions begin on the first day of the month coinciding or following each employee's one year anniversary. Employees who are covered under collective bargaining agreements, per-diem employees, and employees participating in Berkshire Farm Center and Services for Youth Pension Plan are not eligible for the matching or discretionary contributions.

Contributions

Participants may contribute a percentage of their annual compensation subject to certain Internal Revenue Service (IRS) limitations. At its discretion, Berkshire may contribute employer base contributions to the Plan for each employee that meets the eligibility requirements. This employer base contribution is made whether or not the eligible employee contributes to the Plan. During the Plan years ending 2023 and 2022, Berkshire's employer base contribution was 2% of annual compensation for each eligible employee.

In addition, Berkshire matches 100% of an employee's contribution up to a certain percentage of the employee's annual compensation, as defined below:

<u>Employee Years of Service</u>	<u>Percentage of Compensation</u>
Less than 1 Year	0%
1 year but less than 5 years	1%
5 years but less than 10 years	2%
10 years or more	3%

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions along with an allocation of (a) Berkshire's contribution, and (b) Plan earnings and losses. Allocations are based on participant earnings and losses or account balances, as defined. The entitled benefit is the participant's account balance subject to vesting.

Vesting

Participants are immediately fully vested in their voluntary contributions. A participant does not become vested in employer contributions until he or she provides the required years of service. Participants are credited with vesting service for all years and months of employment. The required years of service to attain different percentage levels of vesting are shown in the table below:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

In addition, participants become fully vested upon death, total and permanent disability, or normal retirement age.

Investment Options

The Plan currently offers several separate account funds and a guaranteed interest account through Mutual of America Life Insurance Company. Each participant directs their investments among the funding choices available in the Plan. Any participant who fails to provide directed investment choices has their contributions placed in the Plan's default investment alternative. Participants may change their investment options daily.

Payment of Benefits

Upon termination, a participant is entitled to receive an amount equal to the value of the participant's vested interest in their account. If the account is less than \$1,000, the benefit must be distributed in a single lump sum payment. If the vested account balance is in excess of \$1,000, participants may elect to withdraw an amount up to the full balance in a single-sum or defer receipt of their vested benefit. The vested benefit remaining in the participant's account will continue to accumulate earnings, however the terminated participant will no longer be entitled to participate in the Plan.

If an active Plan participant dies before beginning to receive annuity payments, a death benefit equal to the full value of the participant's account will be entitled to the participant's beneficiary. If the participant's death occurs after annuity payments have begun, a death benefit will be paid in accordance with the annuity the participant chose at retirement.

Plan Loans

Plan loans are issued directly from the funds owned by Mutual of America and not directly from a participant's account. Adequate security is required, and a portion of the participant's account is held as collateral in case of default. Accordingly, only defaulted plan loans are included as part of plan assets in the accompanying statement of net assets available for benefits. Total plan loans were approximately \$68,700 and \$50,300 at June 30, 2023 and 2022, respectively.

1. DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

Prior to age 59½, a participant may withdraw only their participant contributions and vested employer contributions for reasons of hardship. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Forfeitures

Participants who terminate employment before they vest will forfeit their interest in employer contribution accounts. These accounts will be held in the Plan to meet any obligations to pay plan expenses (if the employer elects not to pay such expenses directly) or reduce future employer contributions. During the year ending June 30, 2023 and 2022, approximately \$33,000 and \$95,000 of forfeitures were used to reduce employer contributions, respectively. Approximately \$52,000 of forfeitures were available for use at June 30, 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect the amounts of assets available for Plan benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Investment income includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fully Benefit Responsive Guaranteed Interest Accounts

All amounts allocated to the Interest Accumulation Account become part of Mutual of America's general account. The amount in the Interest Accumulation Account at any time will be equal to the sum of all amounts that have been allocated to such account, including interest credited to the account, less the sum of all amounts that have been withdrawn from such account. Participants' principal and previously credited interest are guaranteed. Mutual of America assumes the investment risk of the underlying investments of the Interest Accumulation Account. This guarantee is subject to Mutual of America's financial strength and claims-paying ability. Mutual of America's general account investment strategy is to maintain high-quality assets with excellent liquidity, strong capital adequacy, and a proper matching of assets and liabilities.

The general account is credited with interest at a rate determined by Mutual of America from time to time, and Mutual of America reserves the right to change the interest rates applicable to amounts held in this account at their discretion, but not below the minimum guaranteed interest rate. The crediting rate determined by Mutual of America was approximately 3.00% as of June 30, 2023 and 2022.

Requests for withdrawal (subject to Plan provisions) can be made at any time and are processed on the day that they are received; they are not dependent on Mutual of America having to liquidate securities in order to generate a payment. The contract value is the redeemable value of the fund; there are no deferred sales charges, load assessments, interest rate adjustments, or surrender charges that would affect the value as a result of a withdrawal request. The amounts held in the general account are considered fully benefit responsive.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

All administrative expenses are paid by the Plan, unless paid by the Plan Sponsor. Therefore, certain expenses are not reflected in the Plan's statement of changes in net assets available for benefits.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the custodian, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended June 30:

	<u>2023</u>	<u>2022</u>
Total investments	<u>\$ 5,125,964</u>	<u>\$ 4,179,755</u>
Investment income (loss)	<u>\$ 445,012</u>	<u>\$ (506,743)</u>
Schedule of Assets (Held at End of Year) - Schedule I		

4. SEPARATE ACCOUNT FUNDS

The separate account funds' assets are invested in domestic stocks, international stocks, and fixed securities, such as asset or mortgage-backed securities and corporate bonds, and in mutual funds that hold such investments. The net asset value of the separate account fund is not publicly quoted. The values of the underlying investments are used in determining the net asset value of the separate account. Underlying equity securities have observable quoted pricing inputs. Underlying fixed securities have observable pricing inputs, including quoted prices for similar assets in the active or non-active markets. Underlying mutual funds are valued at publicly quoted pricing inputs.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Sponsor believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There are no redemption restrictions in connection with the transfer among or withdrawal from any of the investment alternatives in the separate account, other than that excessively frequent transfers or redemptions might be rejected. Each underlying fund has reserved the right to reject any aggregate purchase of fund shares that it determines to be inconsistent with their fund's policies and procedures relating to market timing.

The separate account funds invest in underlying funds, which have different investment objectives, investments policies, and risks. The investment strategies of these funds will vary based on the participant's chosen risk preferences. The separate account fund does not have any unfunded commitments.

5. FULLY BENEFIT-RESPONSIVE INTEREST ACCOUNTS

The Plan's ability to receive amounts due in accordance with fully benefit responsive investment contracts disclosed in Note 2 is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code ("IRC") or the failure of the trust to be tax-exempt under Section 501(a) of the IRC.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract.

5. FULLY BENEFIT-RESPONSIVE INTEREST ACCOUNTS (Continued)

Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

There are no reserves against contract values for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a contractually guaranteed interest rate that may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Generally, there are no events that could limit the ability of the Plan to transact at contract value. The contracts do not permit the insurance companies to terminate the agreements prior to the scheduled maturity dates. At June 30, 2023 and 2022, there are no unfunded commitments and investments are redeemed on a daily basis.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, Berkshire has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. TAX STATUS

The Plan is exempt from federal and state income tax under Section 403(b) of the Internal Revenue Code. Beginning in June of 2013, the IRS began accepting applications for opinion and advisory letters regarding the acceptability under 403(b) of the Code of the form of prototype plans and volume submitted plans. The Plan Administrator intends to apply for a determination letter on the Plan when they are able to do so.

The Plan is required to operate in conformity with the Internal Revenue Code to maintain its tax exemption. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan holds certain investments managed by Mutual of America Life Insurance Company, the custodian. Therefore, these transactions qualify as party-in-interest transactions.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through February 3, 2025, which is the date the financial statements were available to be issued.
