INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Stratus Team, LLC 401(k) Plan
Miami, Florida 33131

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Stratus Team, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

time.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stratus Team, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Delinquent Participant Contributions – Form 5500, Schedule H, Part IV, Line 4a, for the year ended December 31, 2023, and Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of Stratus Team, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was adopted on January 1, 2023, for the benefit of the employees of Stratus Team, LLC and Subsidiaries (the “Company” and “Sponsor”) under Section 401(k) of the Internal Revenue Code (“IRC”).

Effective January 1, 2023, the Plan merged Ascent Engineering Group Inc. 401(k) Profit Sharing Plan and Trust (“Ascent Plan”), Austin Brockenbrough and Associates 401(k) Retirement Plan (“ABA Plan”), Prime Engineering Inc. 401(k) Plan (“Prime Plan”), and Zyscovich AIA Profit Sharing Plan (“Zyscovich Plan”) with and into the Stratus Team 401(k) Plan.

Effective April 1, 2023, the Plan was amended to merge the C.T. Hsu & Associates. P.A. Retirement Plan (“CT Hsu Plan”) with and into the Stratus Team 401(k) Plan.

As a result of the mergers mentioned above, all Ascent Plan assets, ABA Plan assets, Prime Plan assets, Zyscovich Plan assets were transferred into the Plan totaling approximately \$27,032,000 during February 2023 and all CT Hsu Plan assets totaling approximately \$770,000 during June 2023. In addition, 2022 employer contributions related to ABA Plan provisions totaling approximately \$320,000 were deposited during April 2023. The ABA Plan allowed for discretionary profit sharing contributions and to be made after year-end.

Administration of Plan Assets: The Plan is administered by the Company. The Plan’s assets are maintained and administered by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the qualified institution. The Benefits Committee determines the appropriateness of the Plan’s investment offerings, monitors investments performance and is responsible for the oversight of the Plan.

Eligibility: Participation in the Plan is voluntary. Under the Plan, those eligible to participate are all employees who are age 21 or older, who are not leased employees, who are not members of a collective bargaining unit, and who are not temporary employees. Once this requirement is met, employees who enroll in the Plan will be eligible to participate one month following their commencement date.

Contributions: The Plan allows eligible employees to contribute on a pre-tax basis to the Plan up to 100% of their compensation, as defined in the Plan, subject to certain limitations under the Internal Revenue Code (“Code”). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute rollover contributions representing distributions from other qualified plans.

The Company will make safe harbor matching contributions based on the employee elective contributions and compensation. The Company matched 100% of the first 3% of employee eligible compensation and 50% of the next 2% of employee eligible compensation. Additionally, the Company may also make discretionary contributions. No discretionary contributions were made during the plan year 2023.

Participant Accounts: Each participant’s account is credited with the participant’s contributions and an allocation of (a) the Company’s contributions, b) Plan earnings, and c) forfeitures of Company contributions, and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. A participant is immediately fully vested in the safe harbor matching contributions and earnings thereon. A participant's interest in discretionary contributions vests after six years of continuous service. However, if a participant's service is terminated due to retirement, disability, or death, the non-elective matching contributions are deemed to be fully vested.

Notes Receivables from Participants: Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. They are allowed a maximum of two outstanding notes and the minimum amount of any note is \$1,000. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid through payroll deductions.

Payments of Benefits: Benefits are generally paid upon termination of service due to death, disability, termination of employment, or retirement. Participants can elect to receive the value of their accounts in the form of a lump-sum distribution or a direct rollover. Participants can also elect to receive distributions in the form of fixed installments or partial distributions. A participant may request that all or any portion of his or her distribution be paid directly to an eligible retirement plan. In-service withdrawals are allowed at age 59 ½ or for hardship purposes as defined by the Plan.

Administrative and Investment Expenses: Loan origination fees associated with notes receivable from participants and the Plan's record keeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan. All other expenses of the Plan are paid by the Company.

NOTE 2 –SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Such estimates include those regarding fair value of investments. Actual results could differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document.

Benefits Paid to Participants: Benefits are recorded when processed and paid by the Plan.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

NOTE 2 –SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks as well as the risks associated with global events. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements: U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset and liability, in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. U.S. GAAP defines three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such investments pursuant to the valuation hierarchy. There have been no changes in methodologies used at December 31, 2023:

Mutual Funds: The fair values of investments in mutual funds are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Pooled Separate Accounts: These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. These accounts invest in single mutual funds. The fair value of the underlying investments is a publicly quoted pricing input used in determining the NAV of the pooled separate accounts. As these investments are valued similarly to underlying mutual funds, these investments are considered Level 1.

NOTE 2 –SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The methods described above produce a fair value determination that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the qualified institution.

NOTE 4 – FAIR VALUE MEASUREMENTS

Investments measured at fair value on a recurring basis are summarized below:

	Investments as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 23,353,105	\$ -	\$ -	\$ 23,353,105
Pooled separate accounts	1,966,915	-	-	1,966,915
Total investments at fair value	<u>\$ 25,320,020</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 25,320,020</u>

NOTE 5 – GUARANTEED INVESTMENT CONTRACT

The Plan offers Principal Guaranteed Option, which is a fully benefit responsive account. A minimum guaranteed interest rate is set by the qualified institution with the yearly minimum guaranteed interest rate never to be less than 0%. The qualified institution maintains the contributions in a general account. Principal contributions made are guaranteed and not subject to invasion for any charges or fees under the contract. The account is credited with interest on the underlying investments on a daily basis and charged for participant withdrawals and administrative expenses. The funds are included in the financial statements at contract value (contributions plus interest credited, less all applicable charges and fees, market value adjustments, if any, and distributions from the funds) as reported to the Plan by the qualified institution. The average yield based on actual earnings for the contract for the year ended December 31, 2023 was 6.05%. The crediting interest rates to participants as of December 31, 2023 was 7.15%.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

NOTE 7 – TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments and the related transactions as of December 31, 2023 and for the year then ended were in investment funds managed by the qualified institution; therefore, these investments and transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants.

NOTE 8 – INCOME TAX STATUS

The underlying non-standardized profit sharing plan has received a determination letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, stating the written form of the underlying document is qualified under Section 401(a) of the IRC, and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. Therefore, the related trust is exempt from taxation. Once qualified, the plan is required to operate in conformity with the IRC to maintain its qualification. The underlying non-standardized profit sharing plan has been amended since receiving the determination letter. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2023, the Company’s failure to remit certain employees contributions to the Plan in a timely manner constituted a lending of such monies to the Company. As such, these transactions represented nonexempt transactions between the Company and the Plan as identified in the Schedule of Delinquent Participant contributions – Form 5500, Schedule H, Part IV, Line 4a. The Company has remitted the 2023 participant contributions including lost earnings totaling \$3,197 and is currently working on the calculation of lost earnings on the 2023 participant contributions totaling \$3,447 to finalize the applicable corrections on these remittances.

NOTE 10 – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for the recognition and disclosure through February 27, 2025, which is the date the financial statements were available to be issued.

Re: 401(k) Form 5500 Filing for Stratus Team LLC, Plan Year 2023

Dear Sir/Madam,

We are writing to inform you that the independent audit for Stratus Team LLC's 401(k) Plan for the plan year ending December 31, 2023, is currently still in process. Our audit firm is diligently working to finalize the audit and anticipates its completion by November 30, 2024.

Please note that once the audit is finalized, we will promptly submit the required Form 5500 for the 2023 plan year, in compliance with the applicable deadlines. We appreciate your understanding and are committed to ensuring full compliance with all regulations.

Should you require any additional information or documentation in the interim, please do not hesitate to contact me at tfarmer@stratusteam.com or 412-838-2642.

Thank you for your attention to this matter.

Sincerely,

Thomas M. Farmer

Director, Human Resources
