## INDEPENDENT AUDITORS' REPORT

The Profit Sharing Committee  
Community Interactions, Inc. Profit Sharing Plan  
Swarthmore, Pennsylvania

### **Opinion**

We have audited the accompanying financial statements of Community Interactions, Inc. Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Community Interactions, Inc. Employee Benefit Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits for the year ended June 30, 2024, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Interactions, Inc. Employee Benefit Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Interactions, Inc. Employee Benefit Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Interactions' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Interactions, Inc. Employee Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended June 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

**COMMUNITY INTERACTIONS, INC.  
PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS**

**1. DESCRIPTION OF PLAN**

The following description of the Community Interactions, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement and Trust Instrument for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution profit sharing plan covering substantially all employees of Community Interactions, Inc. (the Company). Employees of the Company who have completed one year of service (defined as having worked at least 500 hours), are eighteen years of age or older and are considered an eligible class employee (as defined) are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Profit Sharing Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

**Contributions**

Participants may contribute up to the maximum percentage allowed by law, as defined by the Plan. Participants hired on or after December 31, 2005 may elect to make after-tax (Roth) contributions. The Company may determine that a discretionary matching contribution be made to the Plan with respect to a plan year. During the year ended June 30, 2024, the Company matched 50% of the amount that each participant contributed to the Plan not to exceed 10% of the participant's bi-weekly base pay for full-time employees hired before December 31, 2018. The Company matched 25% of the amount that each participant contributed to the Plan not to exceed 5% of the participant's bi-weekly base pay for full-time employees hired on or after January 1, 2018.

Additional profit sharing amounts may be contributed at the option of the Company. The Company's profit sharing contributions for the plan year then ending are credited annually to the participant's account. The allocation to each participant is in the same proportion that each participant's eligible compensation for the plan year bears to the aggregate eligible compensation of all participants for that plan year. There was no discretionary profit sharing contributions made for the years ended June 30, 2023 or 2024.

**COMMUNITY INTERACTIONS, INC.**  
**PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS – CONTINUED**

**1. DESCRIPTION OF PLAN (CONTINUED)**

Participants direct the investment of their contributions and any matching or profit sharing contributions into various investment options offered by the Plan. The Plan currently offers various registered investment companies as well as a money market fund as investment options for participants.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of the Company's profit sharing contribution and plan earnings. Participant accounts may also be charged with an allocation of certain administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service as follows:

| <u>Years of Service</u>         | <u>Percent Vested</u> |
|---------------------------------|-----------------------|
| Fewer than 2 years              | None                  |
| 2 years, but fewer than 3 years | 20%                   |
| 3 years, but fewer than 4 years | 40%                   |
| 4 years, but fewer than 5 years | 60%                   |
| 5 years, but fewer than 6 years | 80%                   |
| 6 years or more                 | 100%                  |

However, a participant becomes 100% vested if, while an employee of the Company, he or she attains normal retirement age, becomes totally disabled, or dies.

**COMMUNITY INTERACTIONS, INC.**  
**PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS – CONTINUED**

**1. DESCRIPTION OF PLAN (CONTINUED)**

**Payment of Benefits**

Upon termination of service due to death, disability, retirement or other reasons, a participant may receive a lump-sum amount or annual installments equal to the value of the participant's vested interest in his or her account. A married participant's beneficiary may also receive a Qualified Preretirement Survivor Annuity, unless waived, based on 100% of the participant's vested interest in his or her account. Effective July 1, 2015, the Plan includes a mandatory cash out threshold of \$5,000 or less.

**Notes Receivable from Participants**

The Plan has a loan feature available to all Plan participants. Loans are made from the participant's account, reducing the investment balance and creating a receivable in the Loan Fund. Loans are secured by the participant's vested account balance. Loans to terminated participants and loans in default are treated as distributions to the participant. Loans are generally repaid through payroll deduction including principal and interest. The principal portion reduces the receivable from participants and both principal and interest are transferred to the participant's investment account as repayments are received.

Participants may obtain loans based on the vested value of their accounts. New loans cannot exceed 50% of the participant's vested account value, with a minimum of \$1,000 and a maximum of \$50,000 in accordance with the Department of Labor's regulations on loans to participants. Loans shall bear a reasonable rate of interest and must be repaid over a period not to exceed 5 years unless used to purchase the participant's primary residence.

**Forfeited Accounts**

At June 30, 2024 and 2023, forfeited nonvested accounts totaled \$5,066 and \$5,919, respectively. Forfeitures may be used to reduce employer contributions or to pay administrative expenses of the Plan. During the year ended June 30, 2024, forfeitures in the amount of \$2,413 were used to pay administrative expenses. The balance in the forfeitures account at June 30, 2024 was \$9,597.

**COMMUNITY INTERACTIONS, INC.**  
**PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS – CONTINUED**

**1. DESCRIPTION OF PLAN (CONTINUED)**

On December 29, 2022, the SECURE 2.0 Act was signed into law as part of the Consolidated Appropriations Act, 2023. The act contained required and optional provisions aimed at improving coverage and savings with effective dates ranging from immediate to 2024 and beyond. Principle areas of the act addressed participant saving assistance, required minimum distribution (RMD), catch-up contributions and lost participants. There are provisions which are currently part of the Plan design, including the provisions designed to assist with participant savings, automatic enrollment and automatic increases, and the RMD provisions required for 2024 which have already been adopted by the Plan.

The catch-up contribution provisions that include an increased catch-up limit for participants aged 60-63 and limiting all catch-up contributions to ROTH for participants earning over \$145,000 in the prior year, are currently being evaluated and implemented in accordance with future guidance.

All provisions of SECURE 2.0 will be evaluated and implemented in accordance with future regulations and guidance and the Plan will be amended as needed.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**COMMUNITY INTERACTIONS, INC.**  
**PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS – CONTINUED**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to distributions are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

**Subsequent Events**

The Plan has evaluated subsequent events through February 19, 2025, the date the financial statements were available to be issued.

**3. FAIR VALUE MEASUREMENTS**

FASB *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority

**COMMUNITY INTERACTIONS, INC.**  
**PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS – CONTINUED**

**3. FAIR VALUE MEASUREMENTS (CONTINUED)**

to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include
- Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the assets or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

*Registered investment companies:* Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open end funds that are registered with the Securities and Exchange Commission. These funds are required to

publish their daily net asset value and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024 and 2023:

**4. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

A party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides service to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned. Notes receivable from participants also qualify as party-in-interest transactions.

Certain plan investments are shares of a registered investment company managed by Fidelity Investments. Fidelity Investments is the custodian as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions, which are exempt from prohibited transactions rules of ERISA. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of the investment.

**5. TAX STATUS**

The Plan uses a prototype plan document sponsored by Timothy J. Feusner Pension Services, Inc. The Internal Revenue Service has determined and informed Timothy J. Feusner Pension Services, Inc. by a letter dated June 30, 2020, that the non-standard prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their account balances.

**8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is, at least, reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.
