INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Growing Up Green Charter Schools 401(k) Retirement Plan
Long Island City, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed audits of the financial statements of Growing Up Green Charter Schools 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of June 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the

financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Growing Up Green Charter Schools 401(k) Retirement Plan (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of Growing Up Green Charter Schools, Inc.'s management (hereinafter, the "Plan Sponsor"), which is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America, and have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year. During the year ended June 30, 2024, the Plan's investment gains (including gains and losses on investments bought and sold, as well as held during the year) were \$1,022,417.

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid to the Plan's participants.

Events Occurring After Report Date

The Plan Sponsor evaluated events and transactions that occurred between July 1, 2024 and February 13, 2025, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTE 2 - DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on July 1, 2009 and was last restated effective January 1, 2022. The Plan is a defined contribution retirement plan covering all eligible employees of the Plan Sponsor. Employees are eligible to participate in the Plan on the date the employee has completed an hour of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Capital Bank and Trust Company ("CB&T") served as both the Plan custodian and trustee for the years ended June 30, 2024 and 2023. The Plan used Retirement Plan Services, a division of Capital Group Companies Global ("RPS") for retirement plan record keeping through October 26, 2023. On October 27, 2023, the Plan began using American Funds Plan Premier. American Funds Plan Premier utilizes Empower Retirement, LLC recordkeeping system. The Plan Sponsor uses Magii Pension Services, LLC ("MPS") as third party administrators of the Plan.

Contributions

Each year, participants may contribute to the Plan a percentage of compensation, as defined, or a specific dollar amount. Employees may elect to defer a maximum amount not to exceed the annual thresholds established by the IRS. In addition, participants who attain age 50 by December 31 were eligible to make catch-up contributions. Participants may also contribute amounts distributed from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

In addition, the Plan allows participants to designate a portion of their contributions to be treated as “Roth” contributions. A contribution treated as a Roth contribution is subject to current federal income tax at the time it is contributed to the Plan. Employees may elect to defer a maximum amount not to exceed the annual thresholds established by the IRS.

The Plan provides for employer matching contributions for employees employed by the Plan Sponsor on the last day of the Plan year and is equal up to 5% of the employees’ annual compensation. For the year ended June 30, 2024, the matching contribution was \$404,685, \$301,598 of which was remitted to the Plan subsequent to year end and \$103,087 was funded by the Plan’s forfeitures. In addition, and at the sole discretion of the Plan Sponsor, the Plan Sponsor can make a qualified non-elective contribution. For the year ended June 30, 2024 there were no qualified non-elective contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Plan Sponsor’s matching contribution. Investment earnings and gains or losses are posted to participant accounts on a daily basis based upon actual investments held by the participants. Accounts may be charged for some or all of the costs and expenses of operating the Plan. Such expenses include, but are not limited to, investment expenses and costs to process loans, plan distributions, and domestic relations orders. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor’s contributions are vested in accordance with the following schedule:

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2024**

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants

The Plan provides for participant loans at a minimum of \$1,000 to a maximum of the lesser of \$50,000 or 50% of a participant's account balance. The loans are secured by the balances in the participants' accounts and bear interest at rates ranging between 3.25% and 8.50%, which are commensurate with local prevailing rates as determined by the plan administrator at the time the loans were taken. Loans are repaid over a period selected by the participant, which extends no longer than five years, or fifteen years if loan proceeds were for the purchase of a principal residence. Principal and interest are repaid ratably through payroll deductions.

In accordance with the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), effective April 12, 2020, impacted participant loan payments due from March 27, 2020 through December 31, 2020, including those due following a severance from employment, may be delayed for one year. This period is disregarded in determining the loan term, including the 5-year maximum. Subsequent loan payments will be adjusted appropriately to reflect the payment delay, any interest accruing during that delay, and the revised loan term.

Deemed Distributions

When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan (deemed distribution) that could result in taxable income to the participant.

In-Service Withdrawals

In-service or hardship withdrawals are permitted by the Plan.

Payment of Benefits

Upon termination of employment, death, disability, or normal retirement age participants or their estates or beneficiaries may receive a lump sum distribution equal to one hundred percent of the participants vested balance.

Normal retirement age means the date a participant attains age 60.

In accordance with the CARES Act, effective April 12, 2020, Coronavirus-related distributions are made available to eligible participants up to \$100,000 in aggregate (for all plans maintained by the Plan Sponsor) for withdrawals before December 31, 2020. Withdrawals are available from the participant's entire vested account.

**NOTES TO FINANCIAL STATEMENTS

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Withdrawals will be included in the participant's taxable income over a three-year period, unless the participant elects to have it taxed in the year of distribution. There is no limit to the number of withdrawals that can be made before December 31, 2020.

Forfeitures

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents forfeitures. Forfeitures will be used to reduce future Plan Sponsor's contributions to the Plan. For the years ended June 30, 2024, and 2023 the forfeiture balance was \$84,492 and \$20,855, respectively. Subsequent to year end, the forfeiture balance was used to offset the Plan Sponsor's contributions for the 2024 Plan year.

Plan Expenses

Certain administrative, accounting, and audit expenses for the Plan were paid directly by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and fees related to the distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Plan Amendments

The Plan Sponsor has a right under the Plan to amend the Plan at any time. Effective January 1, 2022, the Plan was amended to bring the plan into compliance with the requirements of the 2017 Cumulative List (Notice 2017-37).

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to the participant accounts and distributed pursuant to the Plan document.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

Investments and notes receivable from participants disclosed in the accompanying financial statements as of June 30, 2024 and 2023, and the ERISA-required supplemental schedule, net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended June 30, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by CB&T.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan administrator utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2024.

Mutual Funds (Registered Investment Companies): Valued at the NAV of shares held by the Plan at year end. The NAV is based upon quoted market prices.

NOTE 5 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by Capital Research and Management Company ("CRMC") parent company of CB&T and, therefore, these transactions qualify as party-in-interest transactions. Participant loans and fees paid by the Plan for the investment management services also qualify as party-in-interest transactions.

NOTE 6 - TAX STATUS

The Plan Sponsor adopted a prototype non-standardized profit-sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, which states that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

The following is a reconciliation of the net increase in net assets available for benefits between the financial statements for the year ended June 30, 2024 and Form 5500:

Net increase in net assets available from benefits per the financial statements	\$ 556,283
Plus: prior year's employer contribution receivable	233,983
Less: current year's employer contribution receivable	(301,598)
Less: deemed distributed loans and interest	(4,268)
Net increase in net assets available for benefits per Form 5500	<u>\$ 484,400</u>

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.
