St. Barnabas Employees Retirement Savings Plan
Gibsonia, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of St. Barnabas Employees Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section -

- the amounts and disclosures in the accompanying 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2023 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of St. Barnabas Employees Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Barnabas Employees Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of St. Barnabas Employees Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about St. Barnabas Employees Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements as of December 31, 2022, were audited by Creese, Smith, Hune & Co., LLC, who merged with Herbein + Company, Inc. as of November 1, 2023. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 10, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the St. Barnabas Employees Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

Previously, the Plan was a defined contribution money purchase pension plan. Effective January 1, 2006, the Plan was converted into a profit-sharing plan with a 401(k) feature to provide retirement benefits for employees of St. Barnabas Health System, Inc. (the “Plan Sponsor”) and participating employers. The Plan covers eligible employees who are eighteen years or older effective October 1, 2023 (prior to October 1, 2023, there was no age requirement). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions

Each participant may elect to have compensation deferred by up to the annual maximum amount allowable by the Plan. Participants may also contribute to the Roth option of the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation. The Plan Sponsor contributes 25% of the first 4% of base compensation that a participant contributes to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

In addition, the Plan Sponsor may also contribute a discretionary profit sharing contribution. Discretionary profit sharing contributions made by the Plan Sponsor will be allocated to the participants in the ratio that participant eligible compensation bears to total eligible compensation paid to all eligible participants. To be eligible for the allocation, employees must have at least 1,000 hours of service during the Plan year and be employed on the last day of the Plan year. The Plan Sponsor contributed a discretionary profit sharing contribution of \$620,889 for the year ended December 31, 2023. As of December 31, 2023, there was a \$620,889 profit sharing contribution receivable that was allocated to participant accounts subsequent to the year end.

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contributions and employer matching contributions, as well as allocations of the Plan Sponsor's discretionary profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer matching contribution and discretionary profit sharing contribution portion of their accounts is based on years of service. Participants are 20% vested after 2 years of continued service and vest 20% each year thereafter until becoming fully vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates at a rate as determined by the Plan administrator. Interest rates range from 5.25% to 10.50%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount or a joint and survivor annuity equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If a participant's account is less than \$5,000 at termination, the participant's vested balance may be rolled over to an individual retirement plan designated by the Plan administrator. If a participant's account is less than \$1,000 at termination, the participant's vested interest may be paid without a withdrawal request or consent of the participant. Hardship distributions are permitted from participants' fully vested account balances.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$45,391 and \$83,974, respectively. These amounts may be used to reduce employer matching contributions, discretionary profit sharing contributions or to pay plan expenses. As of December 31, 2023, the discretionary profit sharing contribution was reduced by \$18,822 from forfeited accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Concentrations

The following presents investments that represent 10% or more of the Plan's total investments at December 31:

	2023	2022
Fidelity 500 Index Fund	\$ 2,361,829	*
Fidelity Freedom 2035 K	1,764,818	*
JP Morgan Smart Retirement Income Fund	*	\$ 1,358,116
Vanguard 500 Index Fund	*	1,911,572

* Investment was not 10% or more of Plan investments at year end.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Contributions

Contributions from Plan participants and the employer matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation. The discretionary profit sharing contribution is funded subsequent to year end.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through February 17, 2025, the date the financial statements were available to be issued.

The Plan was subsequently amended as of April 1, 2024 and the involuntary cash-out limit was increased from \$5,000 to \$7,000.

Reclassification

Certain amounts in the current year and prior year financial statements have been reclassified to conform to the current presentation. These changes had no impact on net increase on statement of changes in net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by other observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Money Market Fund - Value approximates fair value due to short term investment.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**ST. BARNABAS
EMPLOYEES RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Collective Fund - Valued at net asset value ("NAV") of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) occur daily. At December 31, 2023 and 2022, there were no unfunded commitments and investments are redeemable on a daily basis and without restriction.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 21,714	\$ -	\$ -	\$ 21,714
Mutual fund	15,554,447	-	-	15,554,447
Total assets in the fair value hierarchy	<u>\$ 15,576,161</u>	<u>\$ -</u>	<u>\$ -</u>	15,576,161
Investments measured at NAV (a)				<u>708,979</u>
Total assets at fair value				<u>\$ 16,285,140</u>

Assets at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 12,244,922</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 12,244,922
Investments measured at NAV (a)				<u>703,997</u>
Total assets at fair value				<u>\$ 12,948,919</u>

- (a) In accordance with Financial Accounting Standards Board Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Investment Measures Using the Net Asset Value per Share Practical Expedient (or its Equivalent)

The following table summarizes the collective fund for which fair value is measured using the NAV per-share practical expedient as of December 31, 2023 and 2022, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Collective Fund	\$708,979	None	Daily	12 months

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Collective Fund	\$703,997	None	Daily	12 months

NOTE 4 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. All other transactions which may be considered related-party or parties-in-interest transactions relate to normal plan management, administrative services, and the related payment of fees.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

EMPLOYEES RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 6 - TAX STATUS

The Plan Sponsor has adopted a non-standardized pre-approved profit sharing plan with CODA sponsored by FMR LLC. The pre-approved profit sharing plan has received an opinion letter from the Internal Revenue Code (IRC) dated June 30, 2020, as to the pre-approved profit sharing plan's qualified status. Although the Plan has been amended since receiving the determination letter, the plan administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period October 1, 2023 through December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the current trustee of the Plan.

Certain information related to investments disclosed in the accompanying financial statements, including investments held at December 31, 2022 and net appreciation in the fair value of investments and interest and dividends for the period January 1, 2023 through September 30, 2023 was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company, the prior trustee of the Plan.

December 31, 2023 and 2022

NOTE 9 - RECEIVABLE FROM RECORDKEEPER

During the 2021 Plan year, the recordkeeper erroneously triggered sales in the Plan's trust account of various mutual funds. This error was discovered in early October 2022 and the shares of each of those funds were repurchased by the end of October 2022. In addition, additional shares of each affected fund had to be repurchased to provide for the income that would have been earned had the erroneous sales not occurred. These additional fund shares were purchased in December 2022 and January 2023. The receivable from recordkeeper recorded on the December 31, 2022 financial statements consists of \$93,931 in the fair market value of additional shares to be repurchased to cover the unrecorded income. All amounts due were received by the Plan as of December 31, 2023.

Re: St. Barnabas Employees Retirement Savings Plan

Dear Office of the Chief Accountant:

We represent St. Barnabas Health System, Inc. ("St. Barnabas") (EIN: 25-1552913) and the St. Barnabas Employees Retirement Savings Plan ("Savings Plan") (plan number: 001). Due to extenuating circumstances as described in more detail below, the 2023 Form 5500 is deficient and lacking the requisite Independent Qualified Public Accountant ("IQPA") report pursuant to DOL regulation Section 2520.103-1(b).

RiversEdge Advanced Retirement, LLC ("RiversEdge") was the recordkeeper for the Savings Plan for most of the 2023 plan year, until we switch recordkeeping services over to Fidelity. The DOL's Office of Enforcement was investigating RiversEdge and as a result of said investigation, obtained Preliminary Injunction Order which was issued on February 20, 2024 (the "PI Order").

The PI Order concerns certain allegations by the DOL against RiversEdge and Paul Palguta (the "RiversEdge Defendants") of embezzlement and mismanagement of 17 retirement plans (the "Affected Plans"), one of which is Savings Plan. In particular, the PI Order states

that the RiversEdge Defendants misappropriated and misallocated retirement plan assets from the Affected Plans. This, allegedly, was accomplished by the RiversEdge Defendants transferring assets among the trust accounts from these affected Plans and generated false records to conceal these transfers. In part, the PI Order provides:

- Enjoining the RiversEdge Defendants from servicing the Affected Plans;
- Appointment of an Independent Fiduciary ("IF") to conduct an accounting of the Affected Plans;
- RiversEdge Defendants were required to deposit funds into an account to pay for the IF services;
- RiversEdge Defendants are required to produce documents to the IF; and
- Mid Atlantic Trust Company is to provide forensic review services to the IF.

In addition, an investigation into the RiversEdge Defendants is being conducted by the U.S. Attorney's Office of the Western District of Pennsylvania (case 2023R00769), wherein the St. Barnabas was asked for their voluntary cooperation.

In the past, St. Barnabas would request an audit package from RiversEdge to facilitate the filing of the form 5500 and complete the IQPA report. However, due to these circumstances, St. Barnabas cannot obtain the audit package from RiversEdge. We have reached out to the IF to obtain the audit package from them, but the IF advised that they do not have the capabilities of running an audit package. The IF advised that some of the data we are seeking may be obtain Schwab Retirement Technologies ("SRT") and put me in touch with their counsel Stehanie Reiss from the law firm of Morgan Lewis.

On September 30, 2024, Ms. Reiss provided me with the following documentation:

- A YTD plan level Allocation report that details all participant activity for the period 01/01/2023 to 9/29/2023. The report ends with summary source/fund totals and fund totals. The contribution, distribution and loan activity that was requested is included in the report.

OFFICE OF THE CHIEF ACCOUNTANT

October 14, 2024

Page 3

- A xlsx file that contains the data in the Allocation Report.
- A YTD plan level accounting report that summarizes plan level trades.
- Six text files that were created by RiversEdge early October 2023 and labeled "deconversion". We believe that these are likely the files that were sent to Fidelity.
- 7/1/2023 to 9/29/2023 Accounting and Allocation reports that RiversEdge created around the time of the deconversion.

These materials were sent to the auditors. However, due to the amount of data and having to decipher the accuracy of this data, the auditors are not able to complete the IQPA by tomorrow.

We are currently working with the auditors so they can complete their report as soon as feasibly possible. We thank you for your understanding. If you have any questions or need anything else, please contact me.

Sincerely,

Re: St. Barnabas Employees Retirement Savings Plan

Dear Office of the Chief Accountant:

As you know we represent St. Barnabas Health System, Inc. ("St. Barnabas") (EIN: 25-1552913) and the St. Barnabas Employees Retirement Savings Plan ("Savings Plan") (plan number: 001). This letter supplements our previous letter to you dated October 14, 2024, wherein we advised that due to extenuating circumstances the 2023 Form 5500 is deficient and lacking the requisite Independent Qualified Public Accountant ("IQPA") report. See attached.

Also, as previously advised, RiversEdge Advanced Retirement, LLC ("RiversEdge") was the recordkeeper for the Savings Plan for most of the 2023 plan year, until we switch recordkeeping services over to Fidelity. The DOL's Office of Enforcement was investigating RiversEdge and because of said investigation, obtained Preliminary Injunction Order which was issued on February 20, 2024 (the "PI Order").

St. Barnabas has recently received the completed 2023 Form 5500 from Fidelity and has subsequently filed an amended 2023 Form 5500 to ensure it reflects the most current information available.

The auditors are still reviewing the data provided by Stephanie Reiss from the law firm of Morgan Lewis to verify its accuracy. We anticipate that the Independent Qualified Public Accountant (IQPA) report will be finalized soon.

Please feel free to reach out if you have any questions or need further information

Your truly,

To the Trustees
St. Barnabas Employees Retirement Savings Plan
5850 Meridian Road
Gibsonia, PA 15044

We have audited the financial statements of St. Barnabas Employees Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2023 and we will issue our report thereon dated February 17, 2025. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Mid Atlantic Trust Company and Fidelity Management Trust Company, the trustees, which are banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated October 31, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by St. Barnabas Employees Retirement Savings Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

Management's estimate of the fair market valuation of investments is based on observable inputs such as quoted market prices on active markets and net asset value ("NAV"). We evaluated the methods, assumptions, and data used to develop the valuation in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements are those pertaining to investments detailed in Notes 2, 3, 7 and 8.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

Plan information was not readily available due to issues surrounding the prior recordkeeper and, as a result, the overall audit timeline was delayed. However, we encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The attached schedule summarizes the adjustments that were identified during the audit process and corrected by management. The adjustments were detected as a result of our audit procedures.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated February 17, 2025.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Trustees of St. Barnabas Employees Retirement Savings Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Herbein + Company, Inc.
