Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Legacy Service Partners 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of
Legacy Service Partners, LLC
401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator of
Legacy Service Partners, LLC
401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of
Legacy Service Partners, LLC
401(k) Plan

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan was created on March 4, 2022, and subsequently amended, is classified as a defined-contribution plan, covering employees of Homeworks Plumbing Heating Air (“Homeworks”); Hers and His Plumbing, LLC; Comfort Matters Heating & Cooling Inc; One Hour Rooter (merged into Homeworks in 2022); Ark Management Services, LLC; Lightfoot Mechanical Services, LLC; Winters Home Services, LLC; Griffin Services, LLC; NRG; Climate Partners, LLC; Cool Air; Service Now/American Trenchless; Early Bird; Black Plumbing; Ouverson (merged into Homeworks in 2022); Lion Home Services; Poudre Valley Air, Inc.; AC Doctors; HL Bowman; Arendosh Gator Parent HoldingCo, LLC; Illiana Heating & Air Conditioning, Inc.; Healthy Homes; and LSP Holdco LLC (entities related by common control and collectively referred to as the “Employer”) that are 18 years of age or older with at least three months of service, except for the members of a union, certain nonresident aliens, residents of Puerto Rico, leased employees and reclassified employees. The purpose of the Plan is to reward eligible employees of the Employer for long and loyal service by providing them with retirement benefits. The Plan’s funds are held by Empower Trust Company, LLC and Empower Life & Annuity Insurance Company of New York (the “Plan Custodians”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The following plans merged into the Plan in Plan year 2023:

Name of Plan Being Merged into the Plan	Approximate Amount of Assets Merged into the Plan

The amounts above include participants notes receivable of approximately \$38,000.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Contributions

Each year, participants can contribute a percentage or a specific dollar amount of their pre-tax or after-tax (Roth) annual compensation, as defined in the Plan, not to exceed Internal Revenue Code (“IRC”) limits. The Plan provides for an automatic enrollment feature, whereby eligible employees are automatically enrolled in the Plan at a deferral rate of 3% of eligible compensation. Participants are given a 30-day window to opt out before deferrals begin. They can increase, decrease, or opt out in this 30-day window, but deferrals cannot begin until it passes. Automatic deferrals increase by 1% of eligible compensation starting after two years of participation in the Plan up to a maximum of 6%.

The Plan includes a Qualified Safe Harbor provision. Under this provision, the Employer makes Safe Harbor contributions of 100% of deferrals up to 4% of participant’s compensation, as defined in the Plan, measured on an annual basis. The Employer may also make additional discretionary matching contributions, as well as other discretionary nonelective contributions, as defined in the Plan. Employees must have been employed on the last day of the Plan year and have completed at least 1,000 hours of service during the Plan year to be eligible to receive discretionary Employer contributions. No additional discretionary matching or other discretionary nonelective contributions were made during 2023.

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Each participant’s account is credited with the participant’s contributions, employer contributions, allocations of Plan earnings, and is charged with an allocation of administrative expenses (if any). Participant contributions and employer-matching contributions are allocated, at the participant’s election, to one or more registered investment funds held at the Plan Custodians. Participants may change their investment options at any time with certain exceptions.

Plan earnings are allocated based on the actual earnings of the respective participant’s investments. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant’s account.

Forfeited Accounts

Forfeited balances of participants’ non-vested accounts are used to reduce Employer contributions or may be used to pay Plan expenses. There were unallocated forfeitures of approximately \$166,000 and \$10,000 at December 31, 2023 that could be used to offset future Employer contributions and Plan expenses. During the year ended December 31, 2023, no forfeitures were used to reduce Employer contributions.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance, less the highest loan balance in the previous 12 months. Note terms range from 1 to 5 years, or up to 15 years for the purchase of a principal residence. The notes are collateralized by the balance in the participant's account and bear interest at the New York Prime Rate, as reported by *The Wall Street Journal*, plus 1%. Principal and interest are paid ratably through payroll deductions. A participant may have only one loan outstanding at any time.

Notes receivable from participants are recorded at their unpaid principal balance, plus accrued but unpaid interest. If collection of a participant's note is deemed doubtful, the amount is recognized as a distribution in the period the determination is made.

Vesting

Participants are immediately vested in their voluntary contributions, rollover contributions, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service.

The Employer Safe Harbor contributions vesting is as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 1	0%
1	0%
2	100%

Prior Safe Harbor Matching Contributions transferring from the Flynn & Cataldo, Inc, 401(k) Profit Sharing Plan & Trust are 100% vested.

The Employer additional matching and discretionary nonelective contributions vesting is as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants also become 100% vested in the Employer contributions when termination of employment is the result of death or disability or if you are employed on or after your normal retirement age as defined by the Plan.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting (Continued)

Matching and nonelective contributions transferred to the Plan from Homeworks Plumbing Heating Air 401(k) Profit Sharing Plan and Trust, and Hers and His Plumbing, LLC on March 4, 2022 vest as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
0-1	20%
2	40%
3	60%
4	80%
5	100%

Participants who participated in the Comfort Matters Heating & Cooling Inc 401(k) Plan became 100% vested in nonelective Employer contributions at the time of merger on March 4, 2022.

Administrative Expenses

Certain administrative expenses are paid directly by the Employer at its discretion and are not reimbursed by the Plan. Investment fees, commissions, and related expenses are included in net change in fair value of investments in these financial statements. Plan administration costs charged to the Plan for the period ended December 31, 2023, were approximately \$25,000.

Payment of Benefits

Upon termination of employment by reason of death or disability, a participant is entitled to the entire participant account balance, which includes all the vested employer contributions allocated to the participant's account and all gains or losses attributed thereto. Terminating participants may elect to receive a distribution of their vested benefits in the following forms of payment: lump sum, nonrecurring partial payment, installment payments (as a series of regularly scheduled recurring partial payments) or applied to the purchase of an annuity contract. The Plan calls for mandatory distribution for participants who incur a severance from employment before the normal retirement age as defined by the Plan and have an account balance less than or equal to \$5,000. Amounts over \$1,000 are subject to mandatory rollover. Benefits are recorded when paid.

As of December 31, 2023, there were approximately \$8,300 of amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the amounts credited to the accounts of all affected participants become fully vested.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments

As of December 31, 2023, the Plan's funds were invested in various registered investment companies, a fully benefit responsive investment contract, and a collective investment trust fund.

The Plan's investments, other than fully benefit responsive investment contracts, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Registered investment companies are valued at the reported net asset value ("NAV") of shares held by the Plan at year end. The NAV is based on the fair value of the underlying assets owned less any fund liabilities.

In accordance with the Plan's policy of stating marketable securities at fair value, the appreciation or depreciation for each year is reflected in the Plan's statement of changes in net assets available for benefits in the net change in fair value of investments.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as unrealized gains and losses on those investments held at the end of the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investments *(Continued)*

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts. Contract value is deemed to be the relevant measurement attribute for those contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals, plus accrued interest. The Plan's investments in unallocated contracts are stated at contract value (see Note 4).

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment Risk

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Custodians.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The excess contributions accrued as of December 31, 2022 were paid in 2023. There were no amounts payable to participants as of December 31, 2023.

Information Certified by the Plan Custodians

The Plan Custodians hold the Plan's investments and execute all investment transactions. All investment and participant loan information disclosed in the accompanying financial statements and the supplemental schedule, including investments and notes receivable from participants at December 31, 2023, net change in fair value of investments, and interest and dividend income for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodians.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

In preparing these financial statements, the Employer has evaluated events and transactions for potential recognition through January 31, 2025, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:				
Registered investment companies	<u>\$ 15,685,301</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,685,301</u>

Investments measured at NAV:				
Collective investment trust fund (a)				<u>17,482</u>
Total investments at fair value				<u>\$ 15,702,783</u>

(a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENT (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:				
Registered investment companies	\$ 2,540,626	\$ -	\$ -	\$ 2,540,626

Total investments at fair value				<u>\$ 2,540,626</u>

(a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the NAV per Share Practical Expedient

The following tables summarize the investment for which fair value is measured using the NAV per share practical expedient as of December 31, 2023:

	<u>December 31, 2023</u>			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Notice Redemption Period</u>
Capital Preservation Fund	\$ 17,482	None	Daily	Same day

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Notice Redemption Period</u>
Capital Preservation Fund	\$ -	None	Daily	Same day

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan Custodians offer a fully benefit-responsive investment contract, which has the Empower Investments Fixed Account (the "EIFA") as the only underlying investment option. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula established by the contract issuer and is reset quarterly. During the years ended December 31, 2023 and 2022, the crediting interest rate for the EIFA averaged 1.34% and 0.93%, respectively.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the issuer, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Withdrawals influenced by Employer-initiated events, such as reallocation of investments, may result in a distribution at other than contract value, and are subject to certain restrictions. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

NOTE 5 - INCOME TAX STATUS

The Plan is intended to be a qualified trust under Section 401(a) of the IRC and is subject to the provisions of ERISA. The Plan document, as adopted, is a non-standardized pre-approved profit-sharing plan with CODA that has received an opinion letter, dated November 14, 2022, from the Internal Revenue Service stating that the form of the plan is acceptable under Section 401 of the IRC for use by employers for the benefit of employees. The Plan administrator believes that the adopted and amended Plan is currently designed, and is being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

NOTE 6 - PROHIBITED TRANSACTIONS

Certain employee contributions were not transmitted to the Plan in a timely manner during the Plan period ended December 31, 2023. The Employer remitted the 2023 delinquent contributions and related lost earnings in 2025, and the 2022 delinquent contributions and related lost earnings in 2024 and 2023.

NOTE 7 - PLAN OPERATIONAL FAILURES

In 2023 and 2022, it was discovered that the Employer incorrectly calculated certain employee deferrals and the associated Employer safe harbor match. This is considered a prohibited transaction per ERISA.

IRS guidelines require that the sponsor remedy the underfunding, including lost earnings, for those participants who were impacted. In 2024 and 2023, the Employer made corrective contributions to the Plan of approximately \$287,000 and \$370,000, respectively, which represents 50% of the missed employee deferrals and 100% of missed Employer safe harbor match. For 2023, these corrections were from the period January 1, 2023 through December 31, 2023. For 2022, these corrections were from the period March 4, 2022 through December 31, 2022. While preparing for the 2024 Plan year audit, the Employer is reviewing 2023 and 2024 Plan compensation to ensure compliance with the Plan document.
